Kakarotto, tell me how did you

Yeah, that's right. Freeza's
spaceship was destroyed, wasn't it?

Yeah, that's right, Freeza's

Yeah, that's right. Freeza's

Even Kai-Oo said there
was no way for you to live.

Even Kai-Oo said there
was no way for you to live

Ah, even I thought it was over.

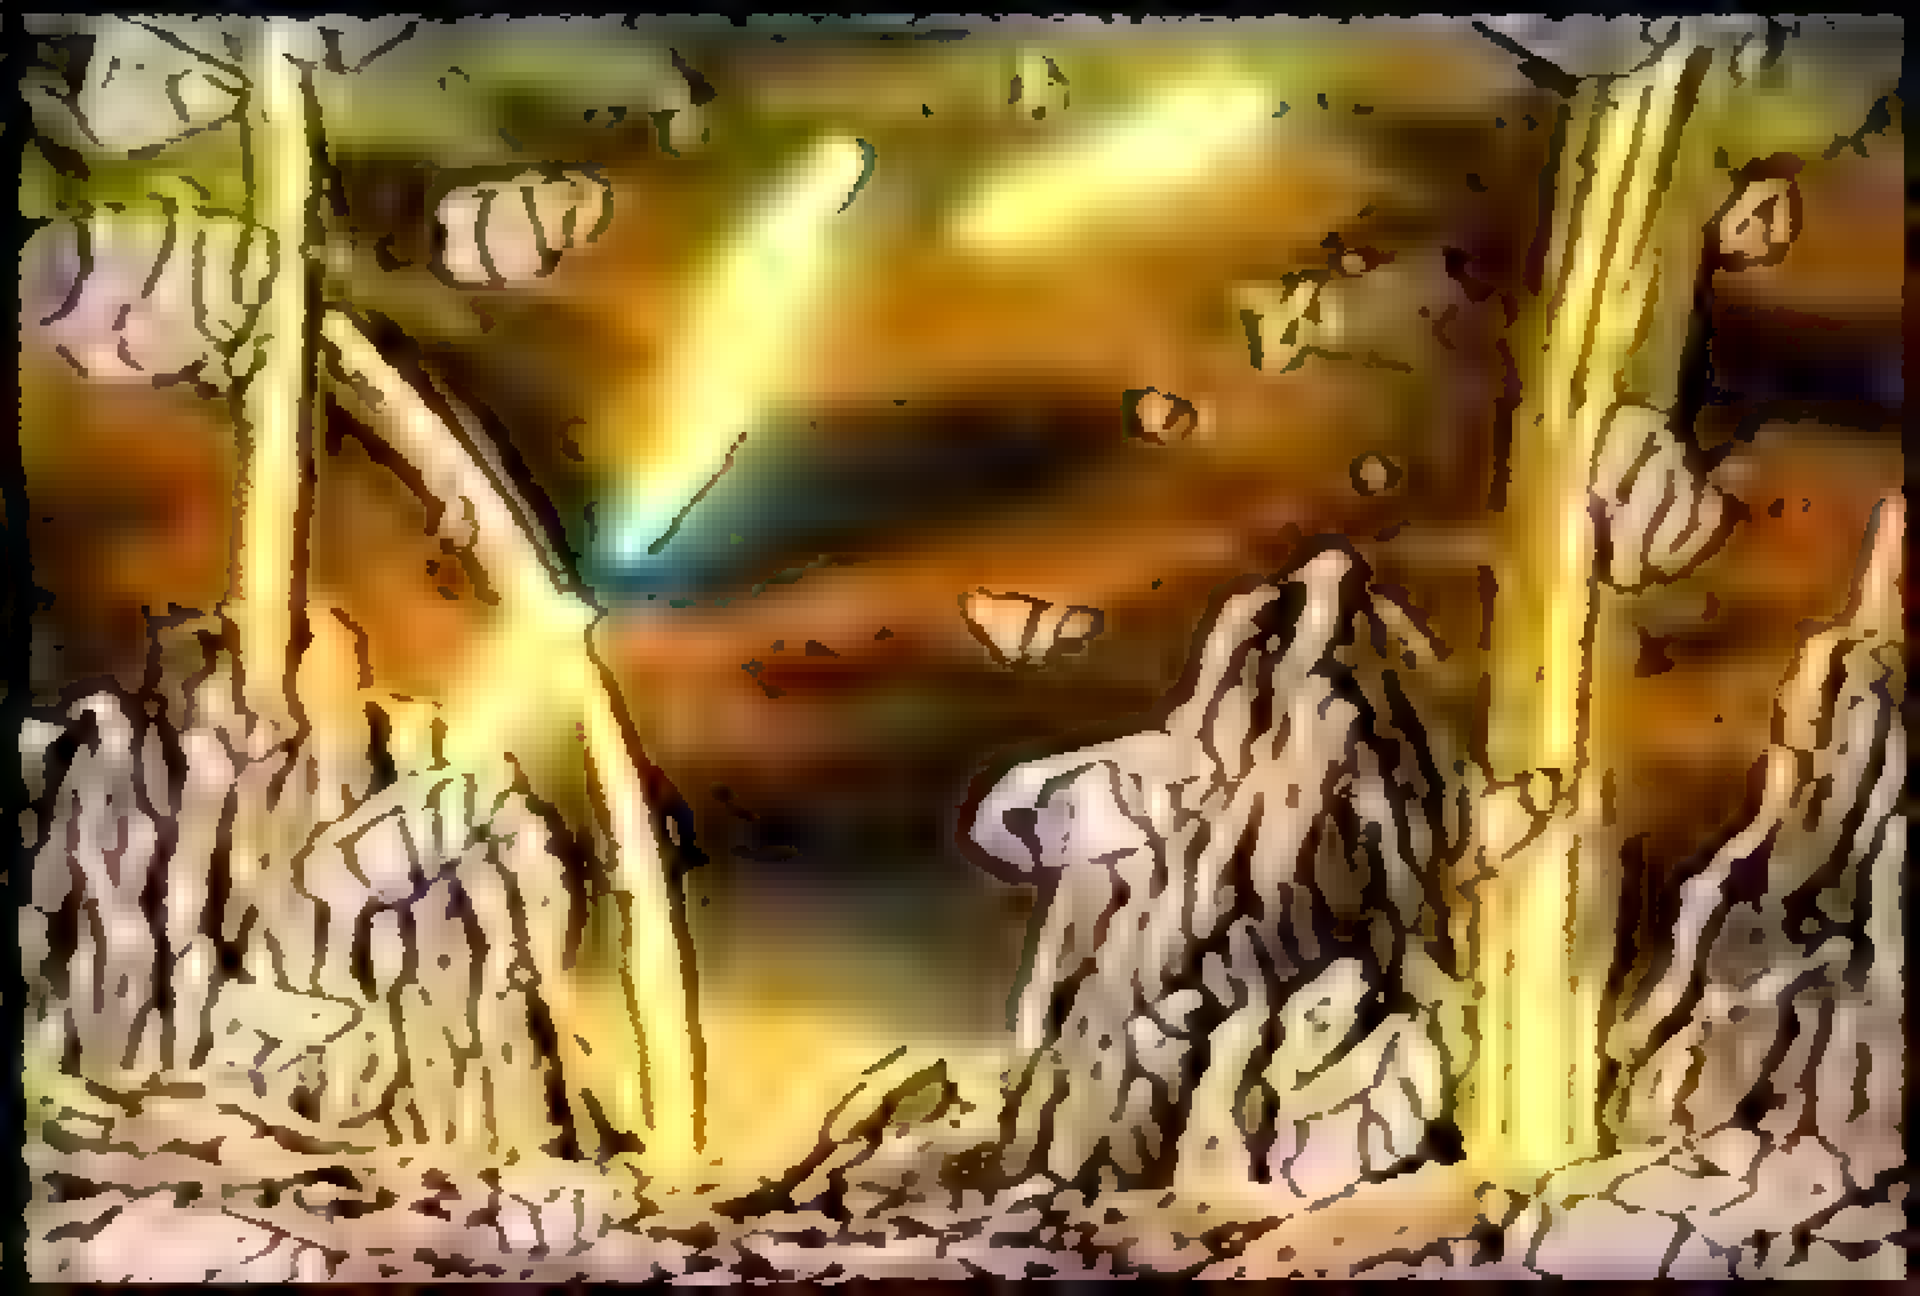

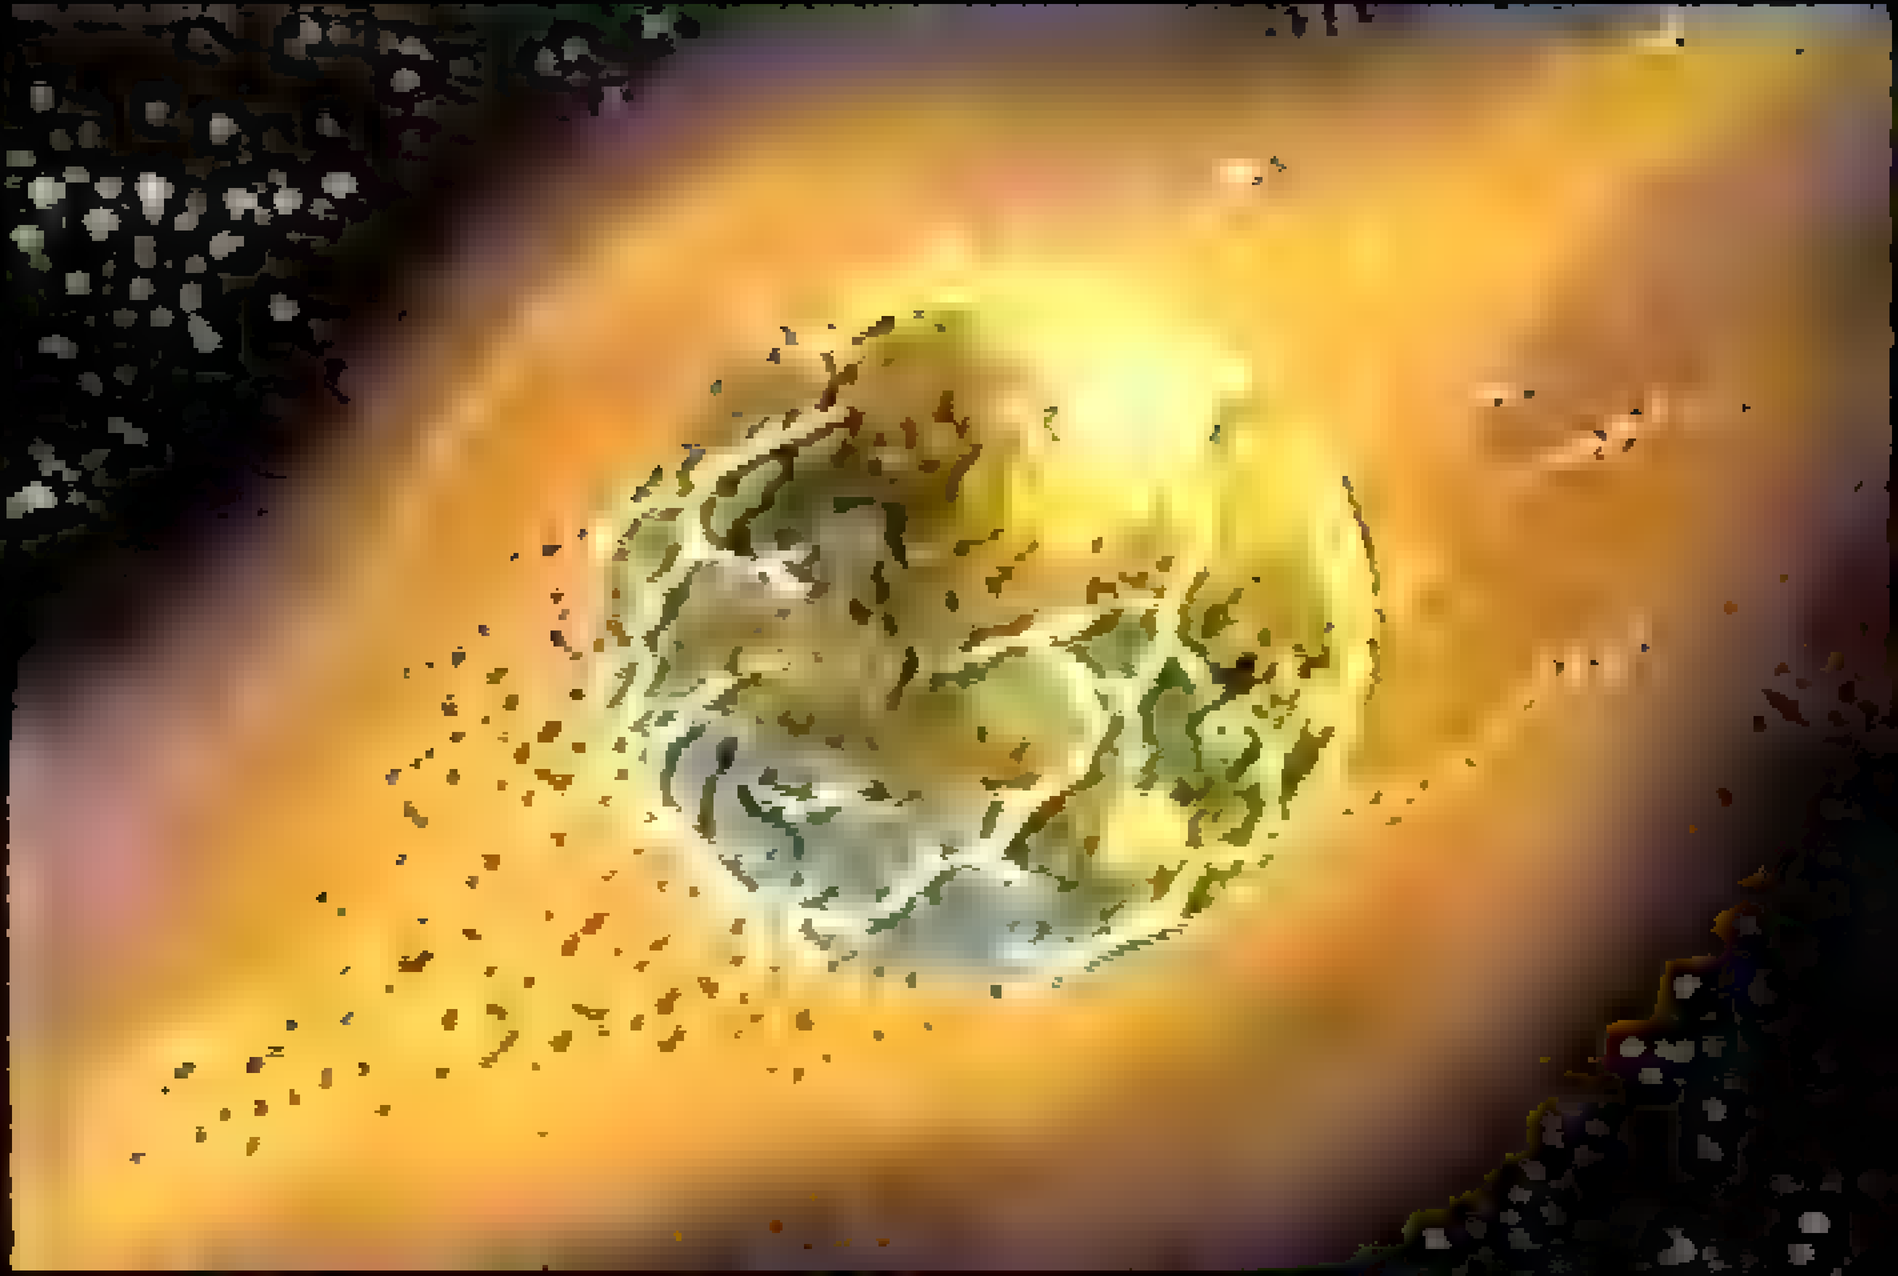

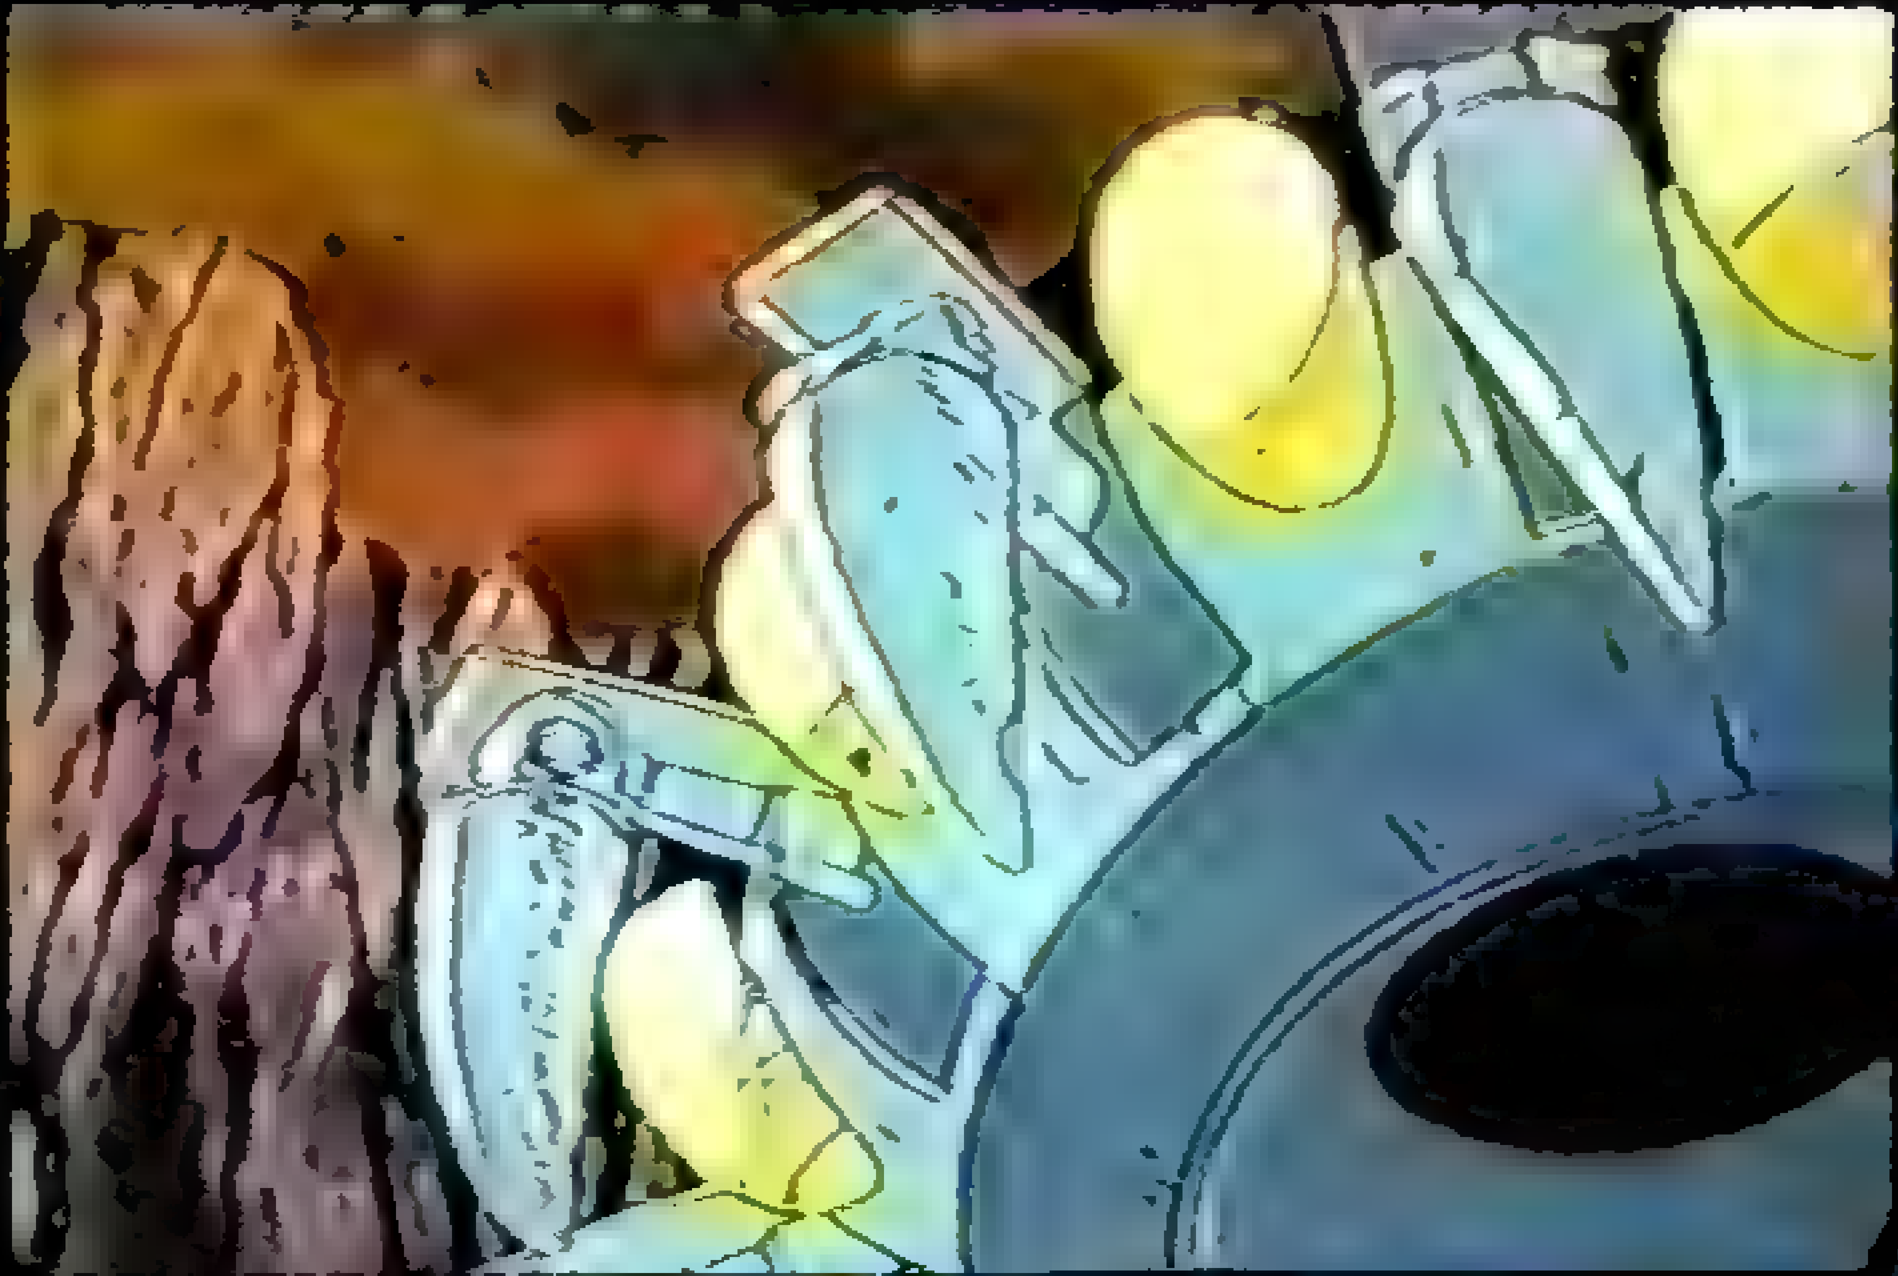

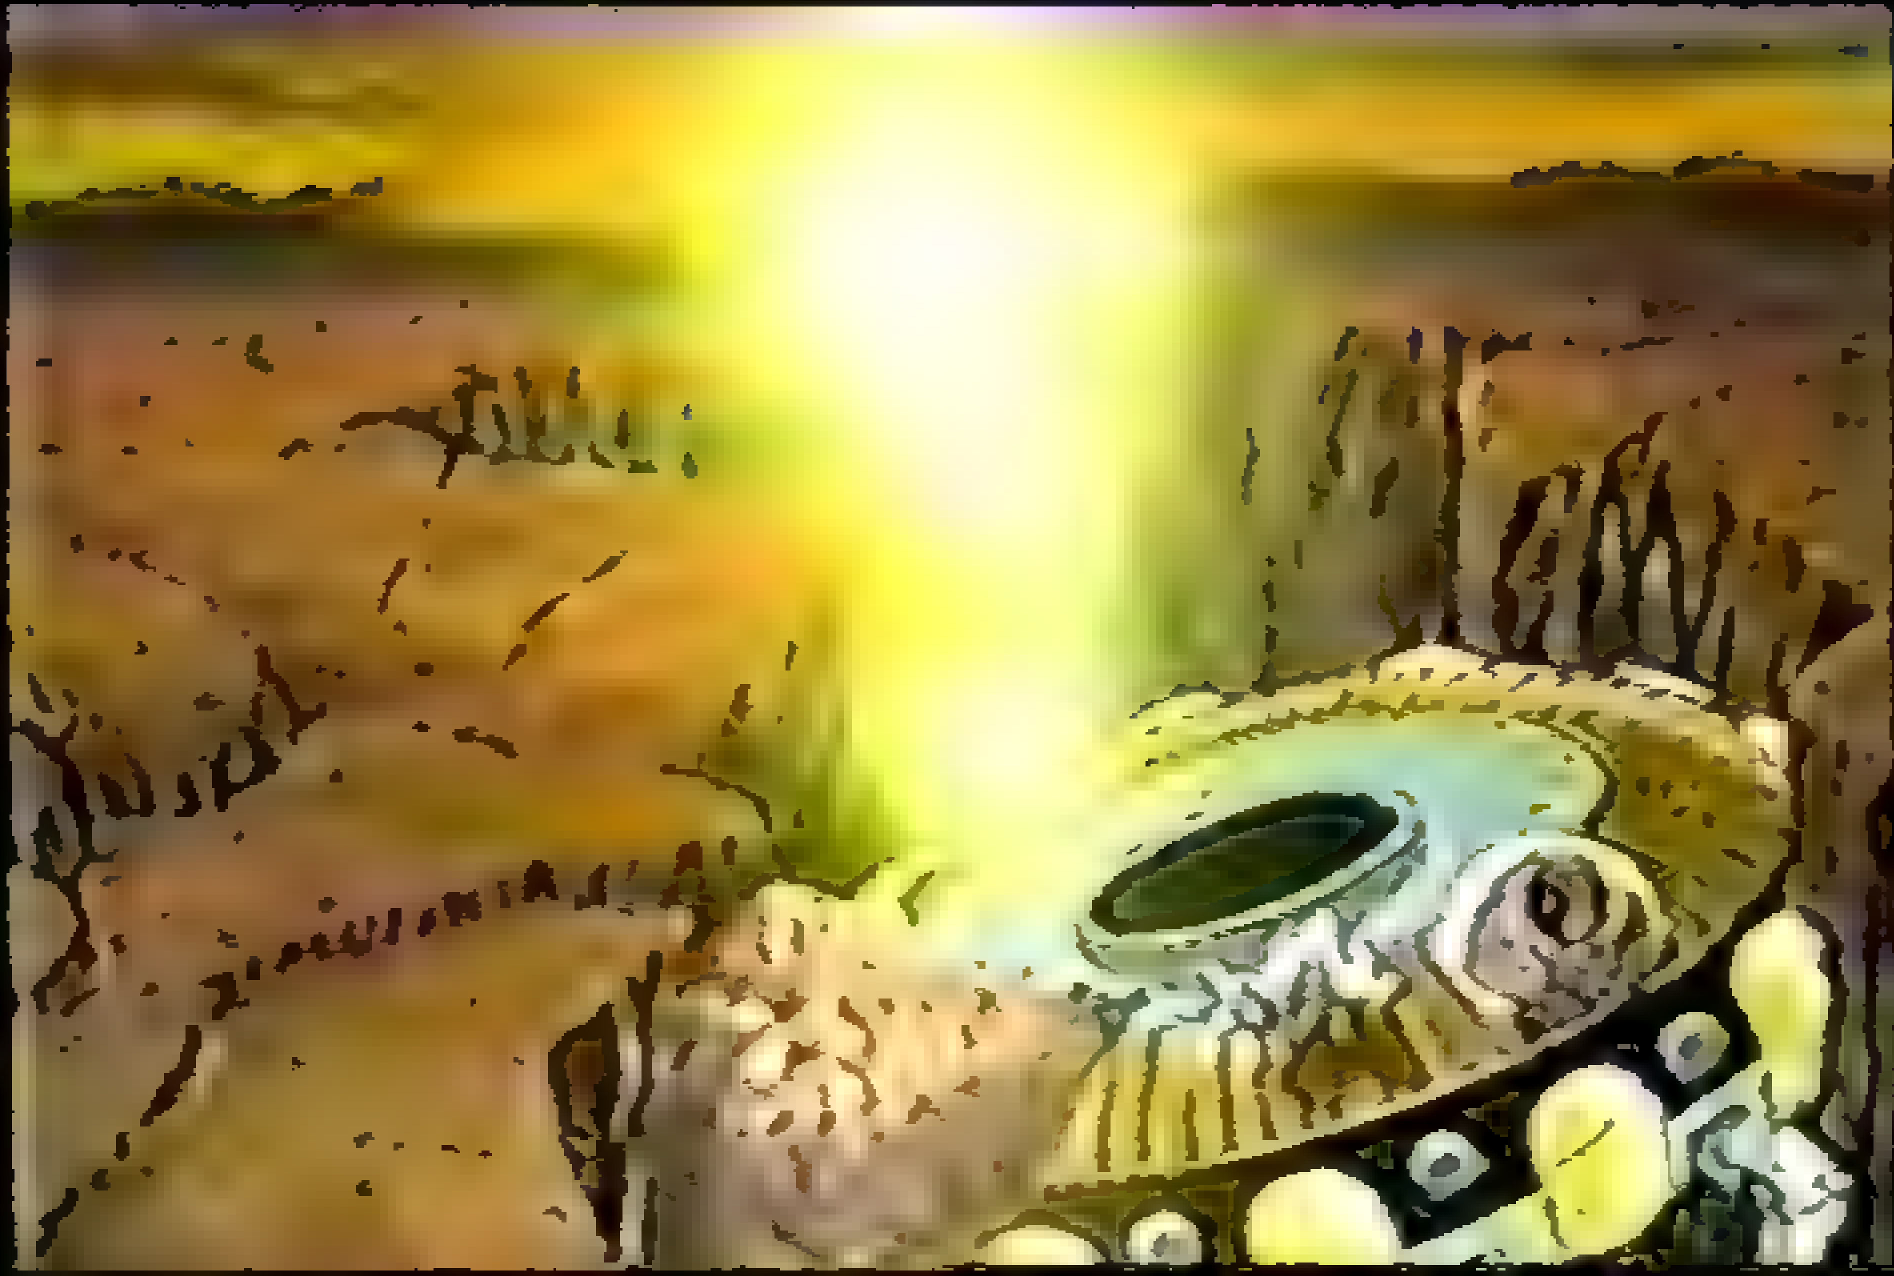

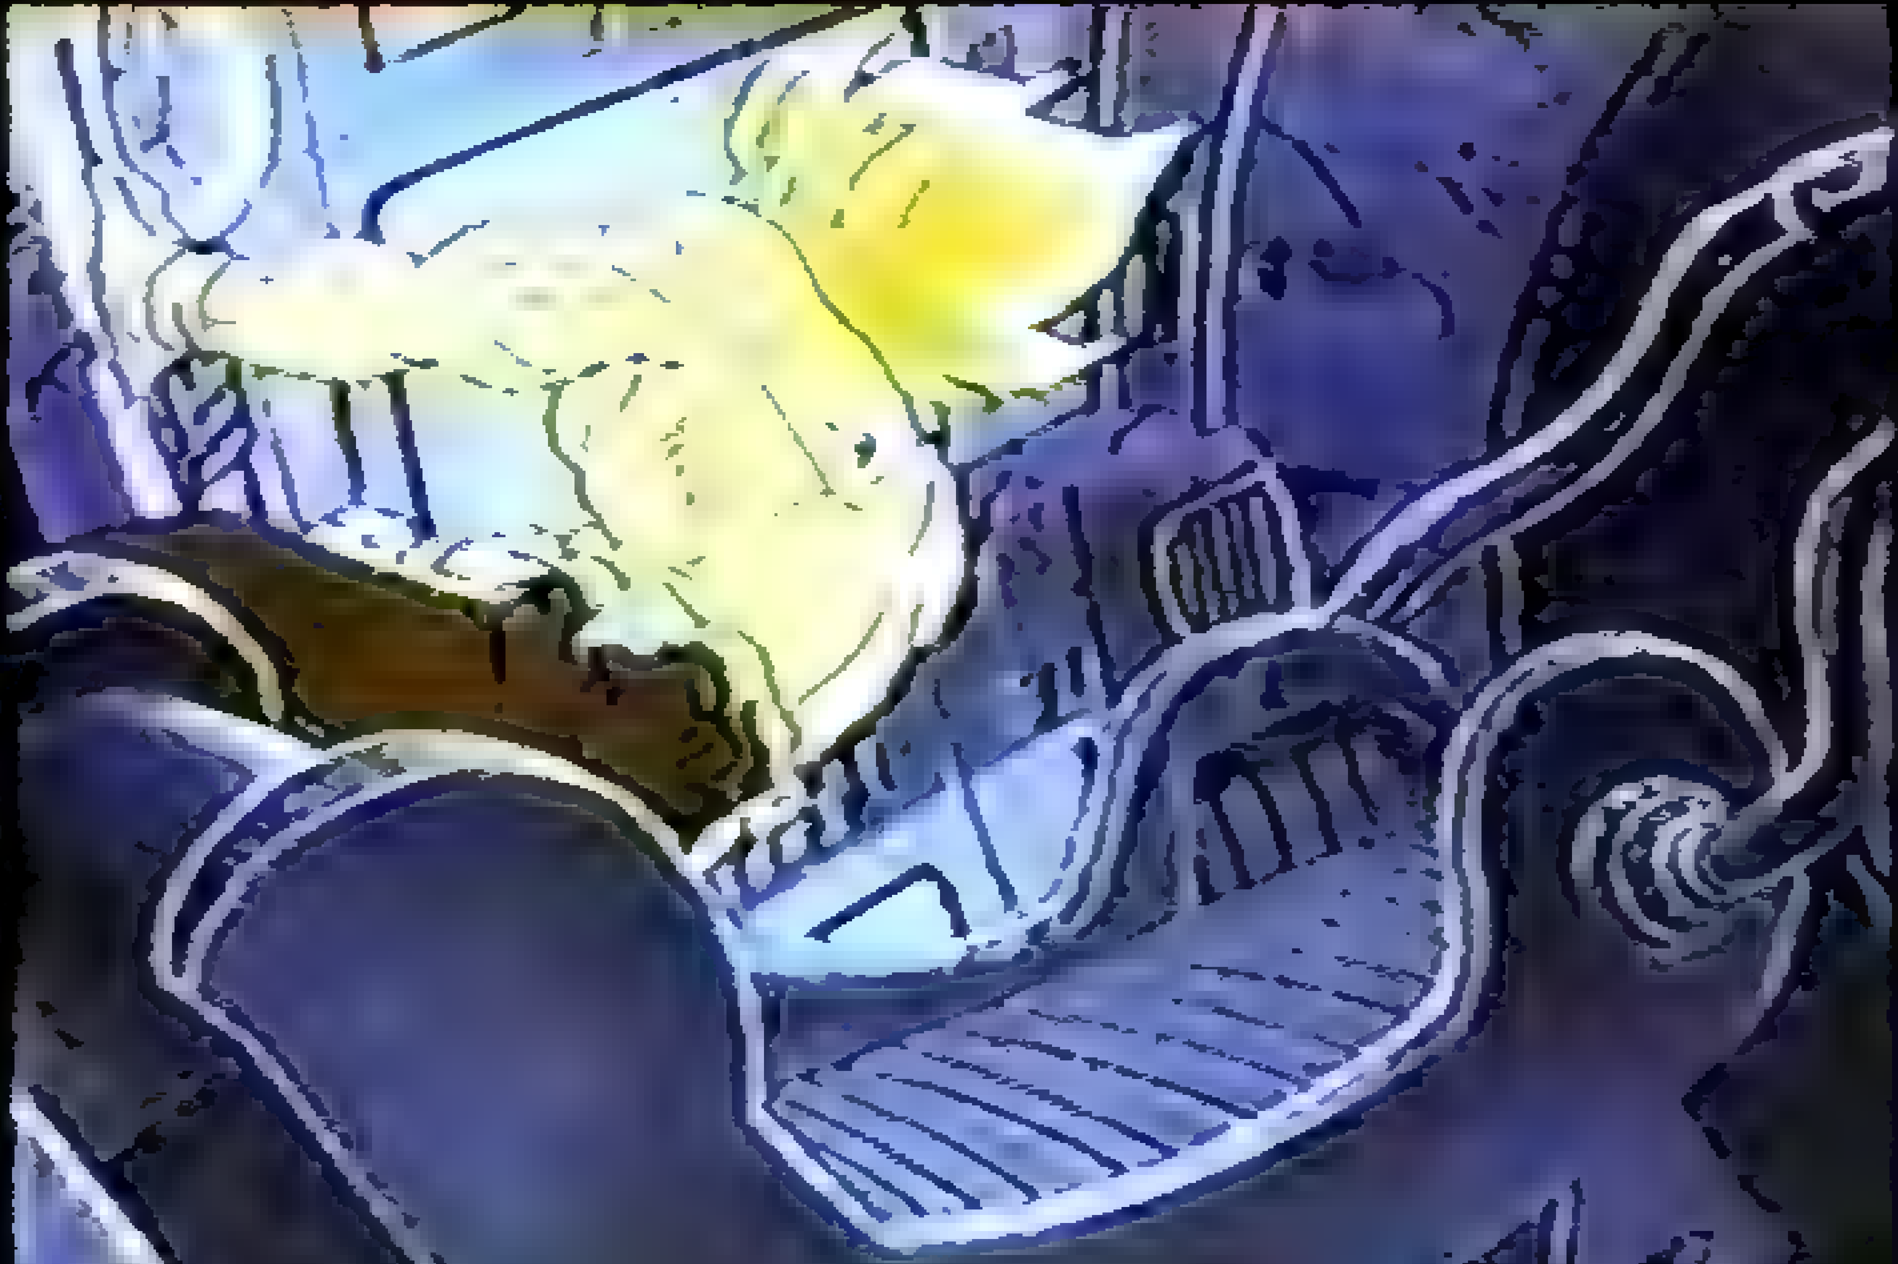

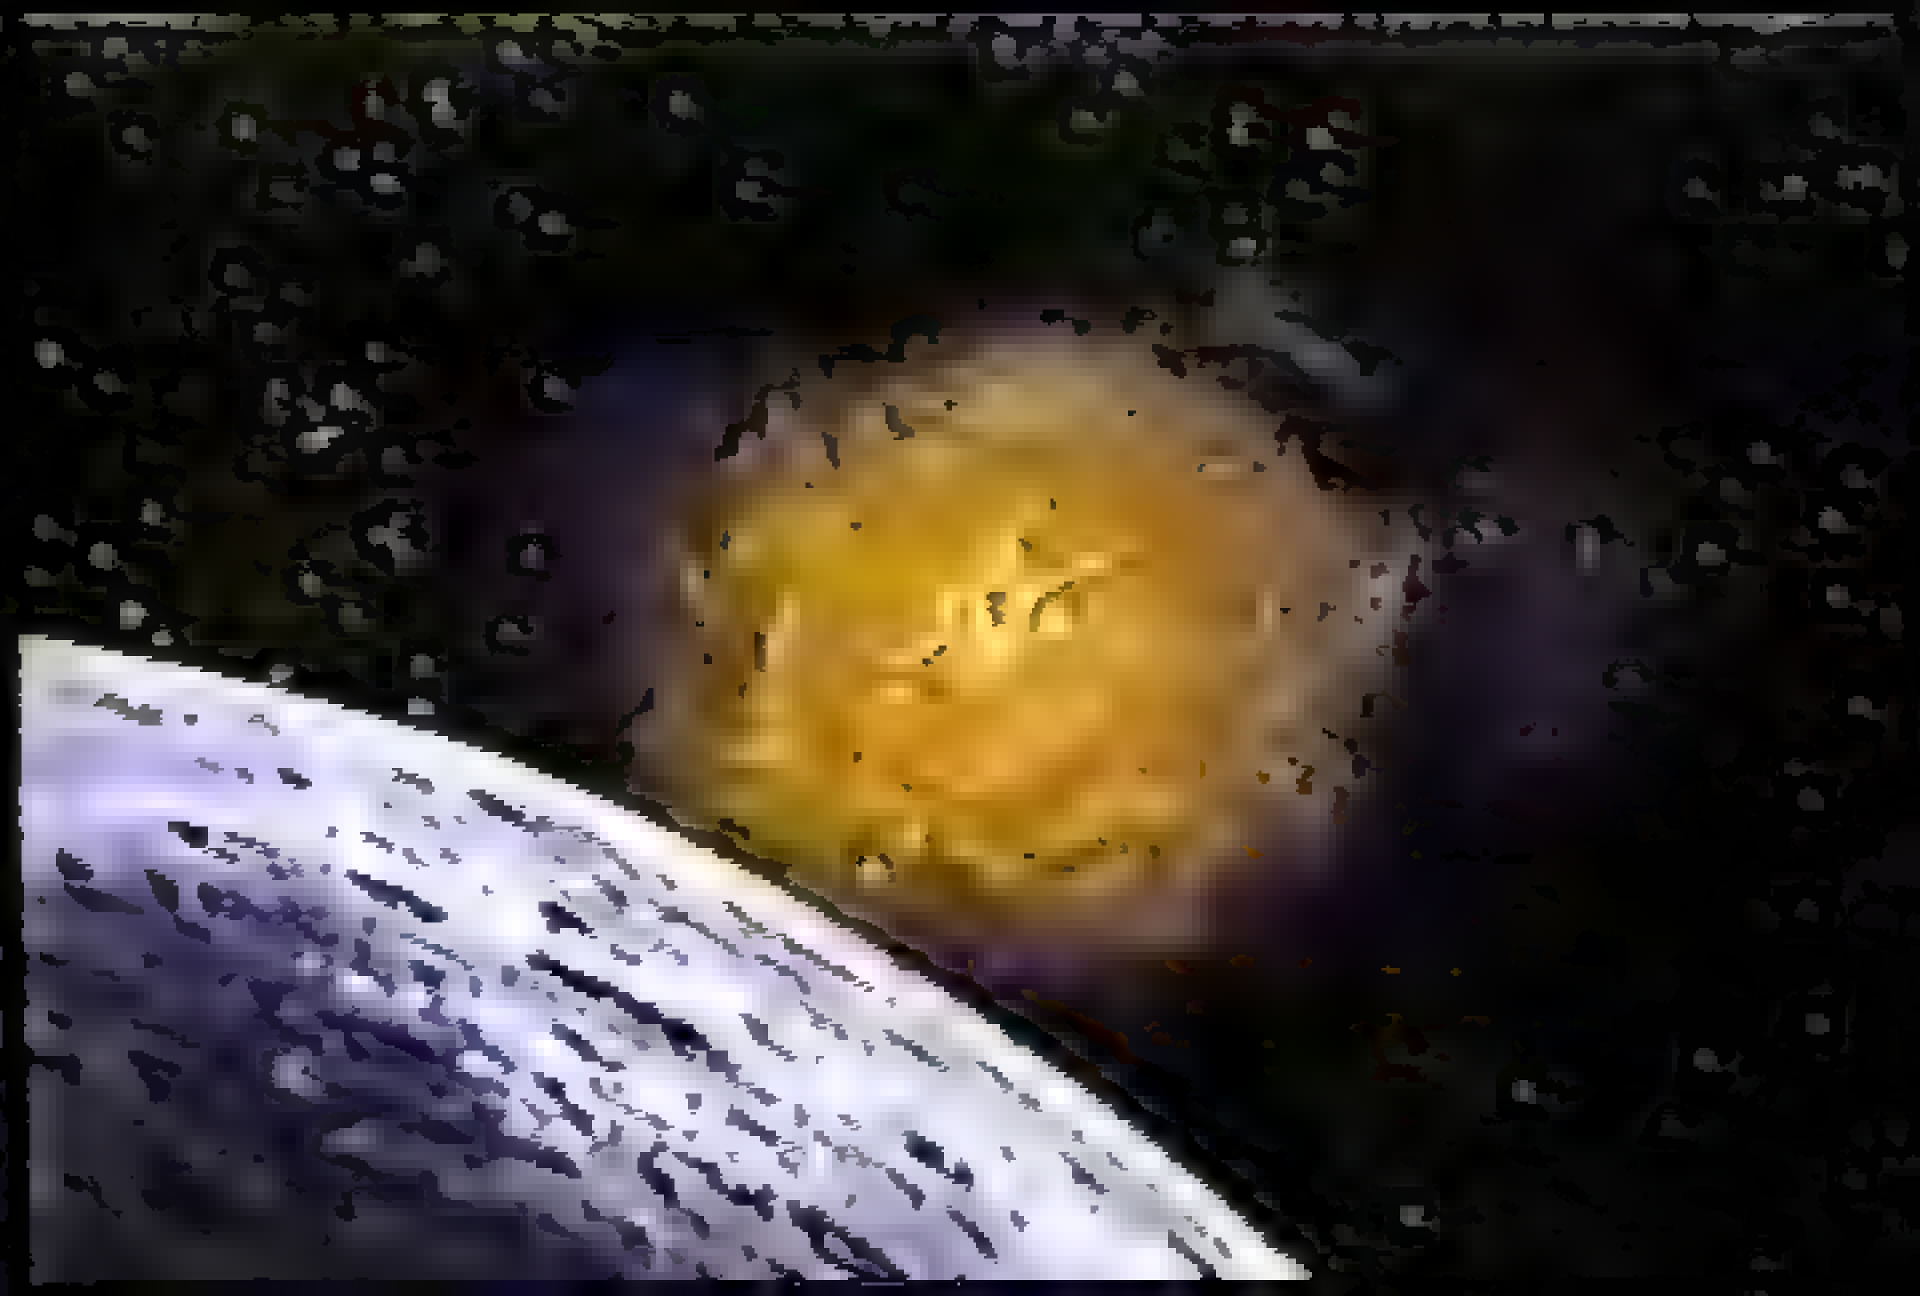

It's going to explode! Namek's going to explode!

Damn it!

I really thought I was going to die

but luckily nearby were five
ball-like spaceships like that one

but luckily nearby were five
ball-like spaceships like that one

That's right!

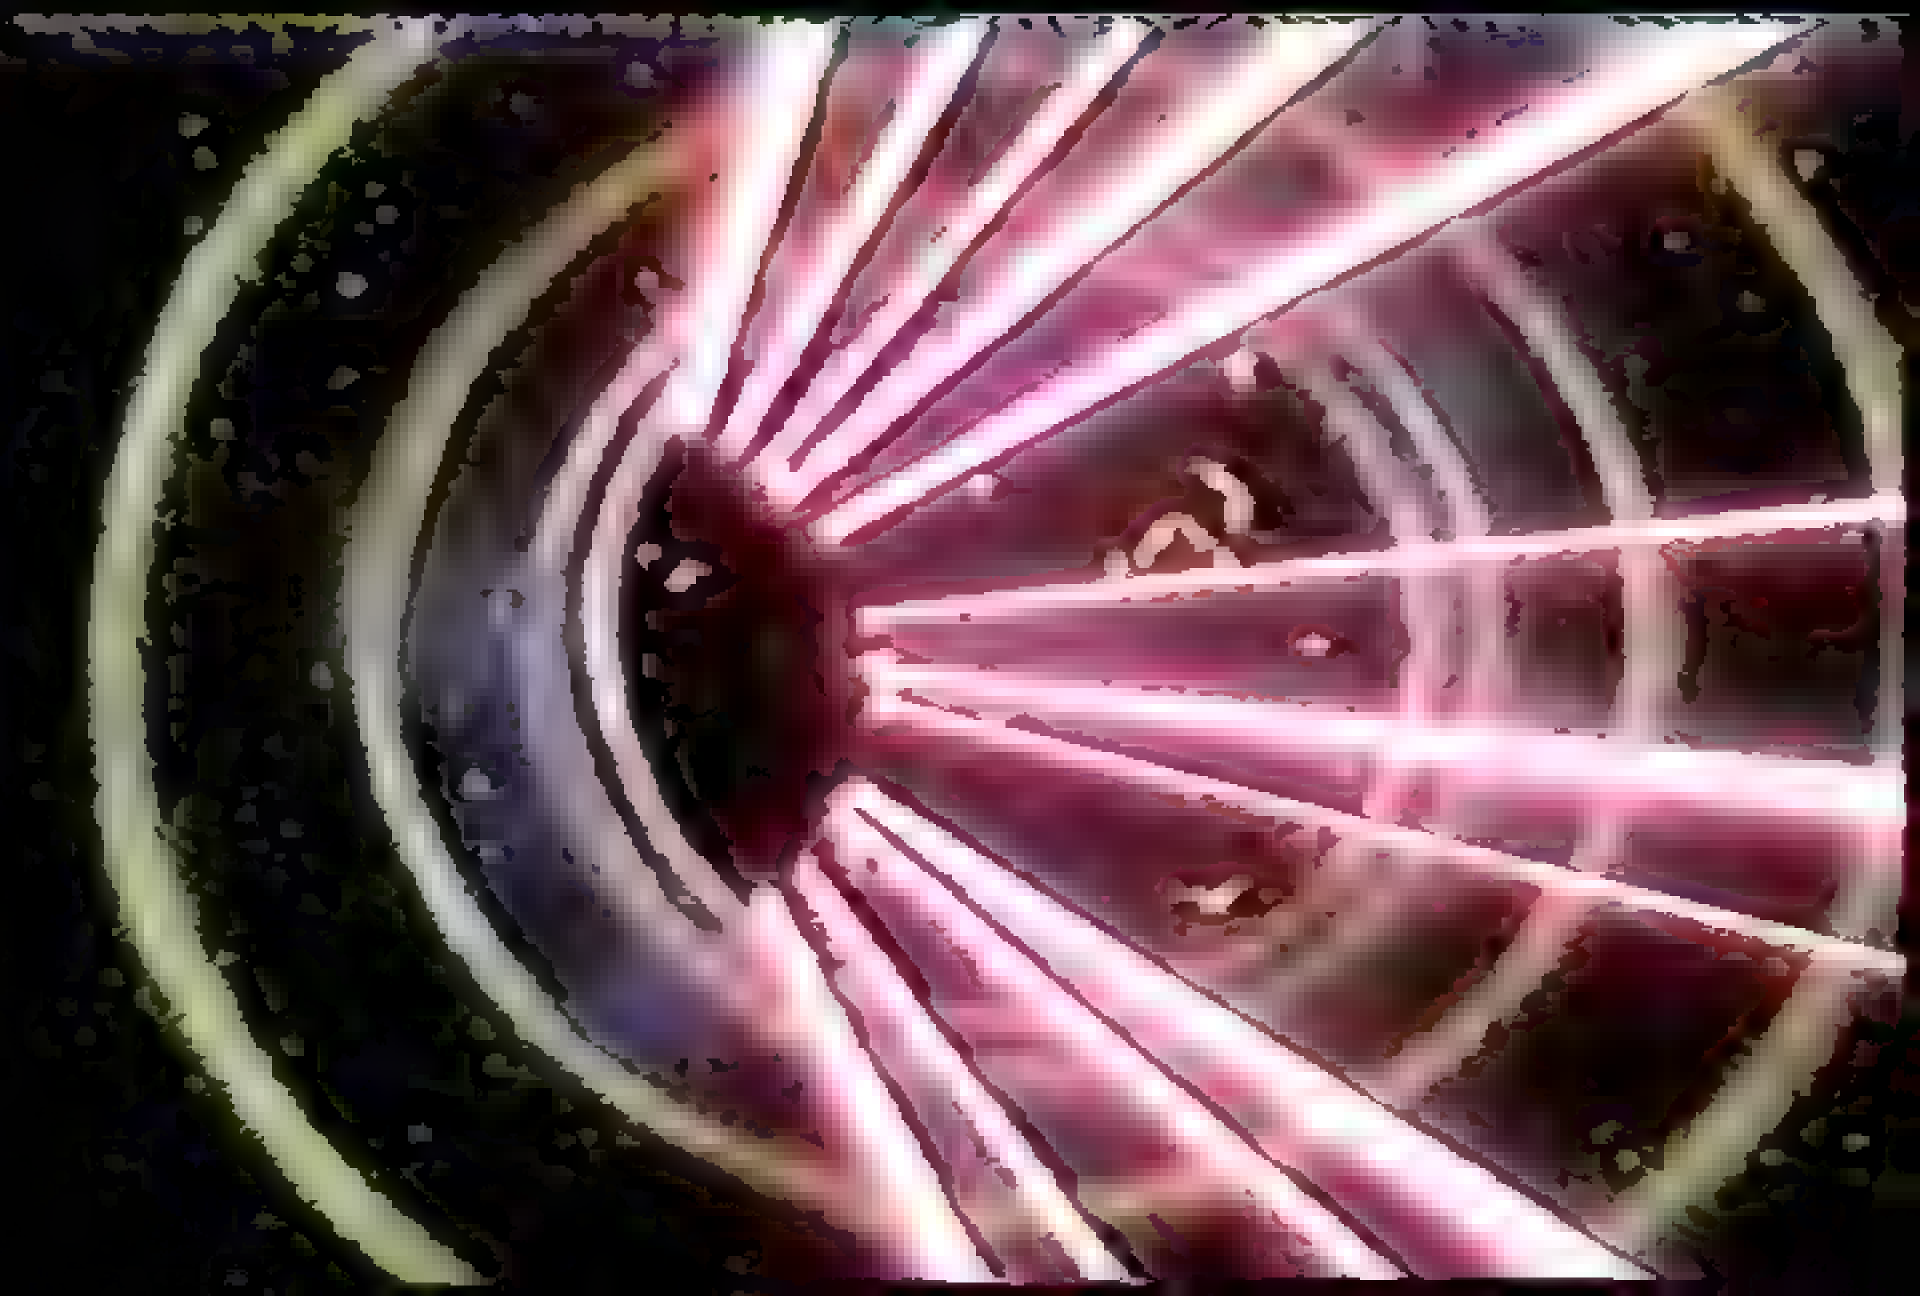

Those were Ginyu's Special Forces' ships!

Anyway, I got inside and in
desperation hit the switch

Anyway, I got inside and in

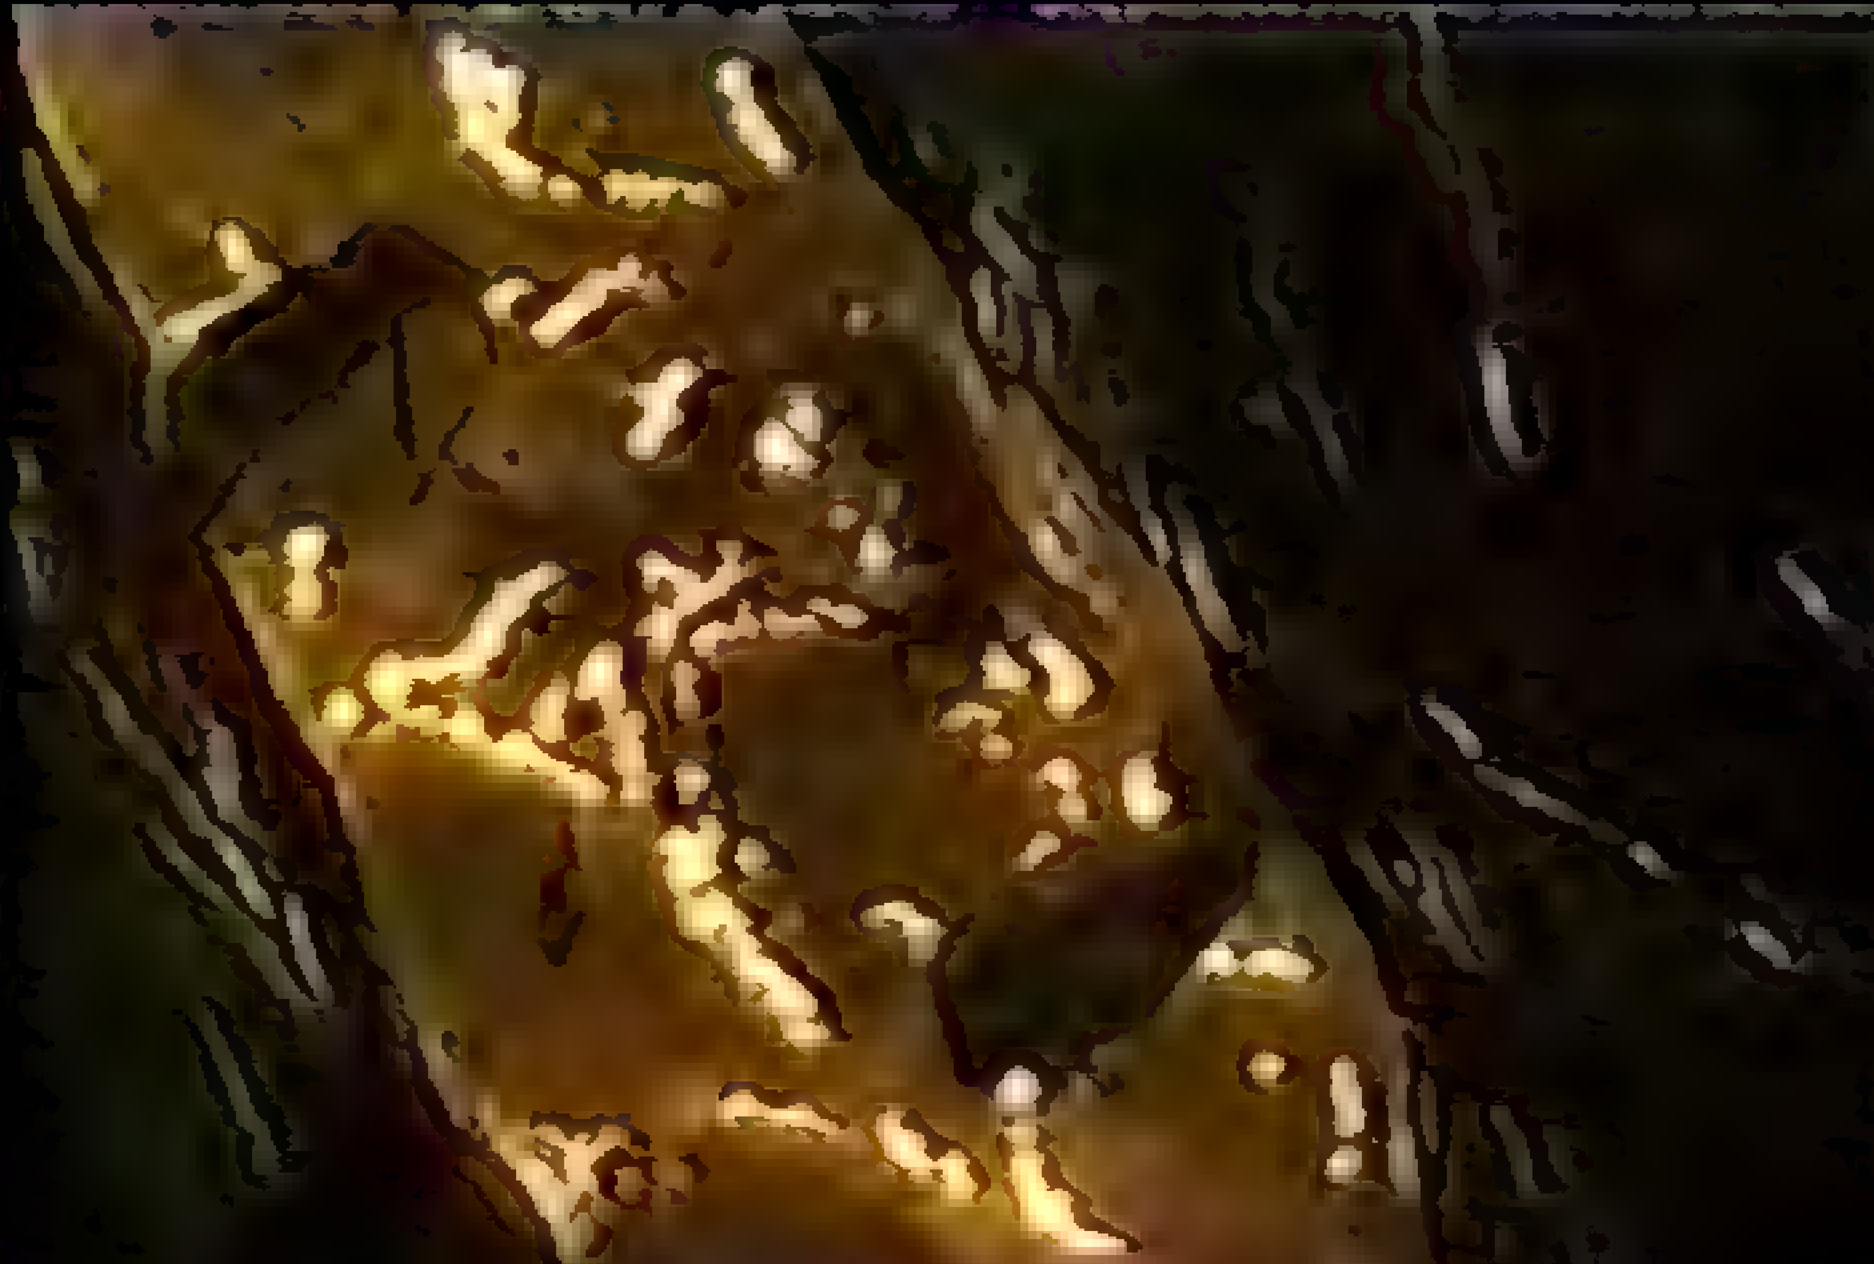

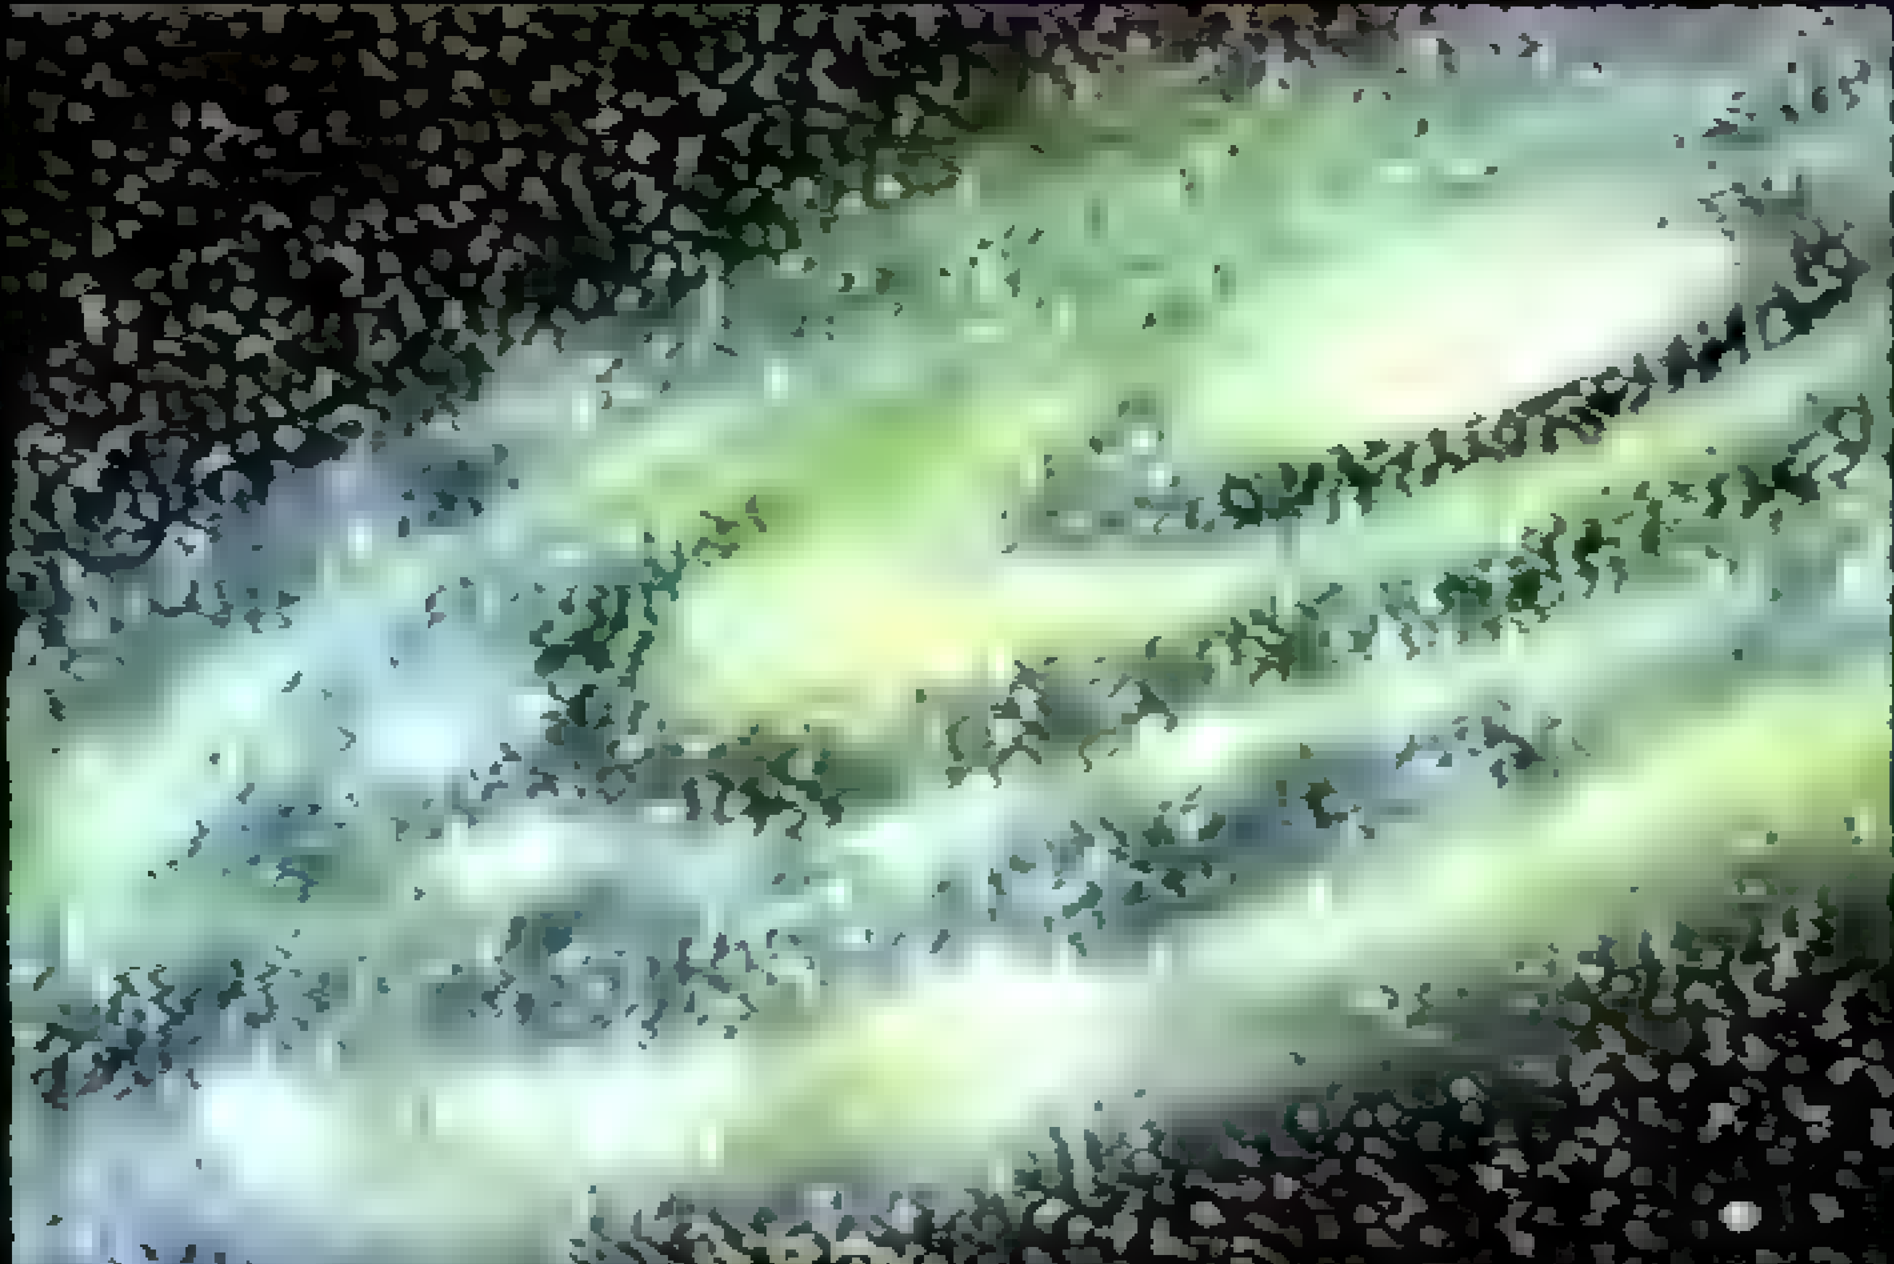

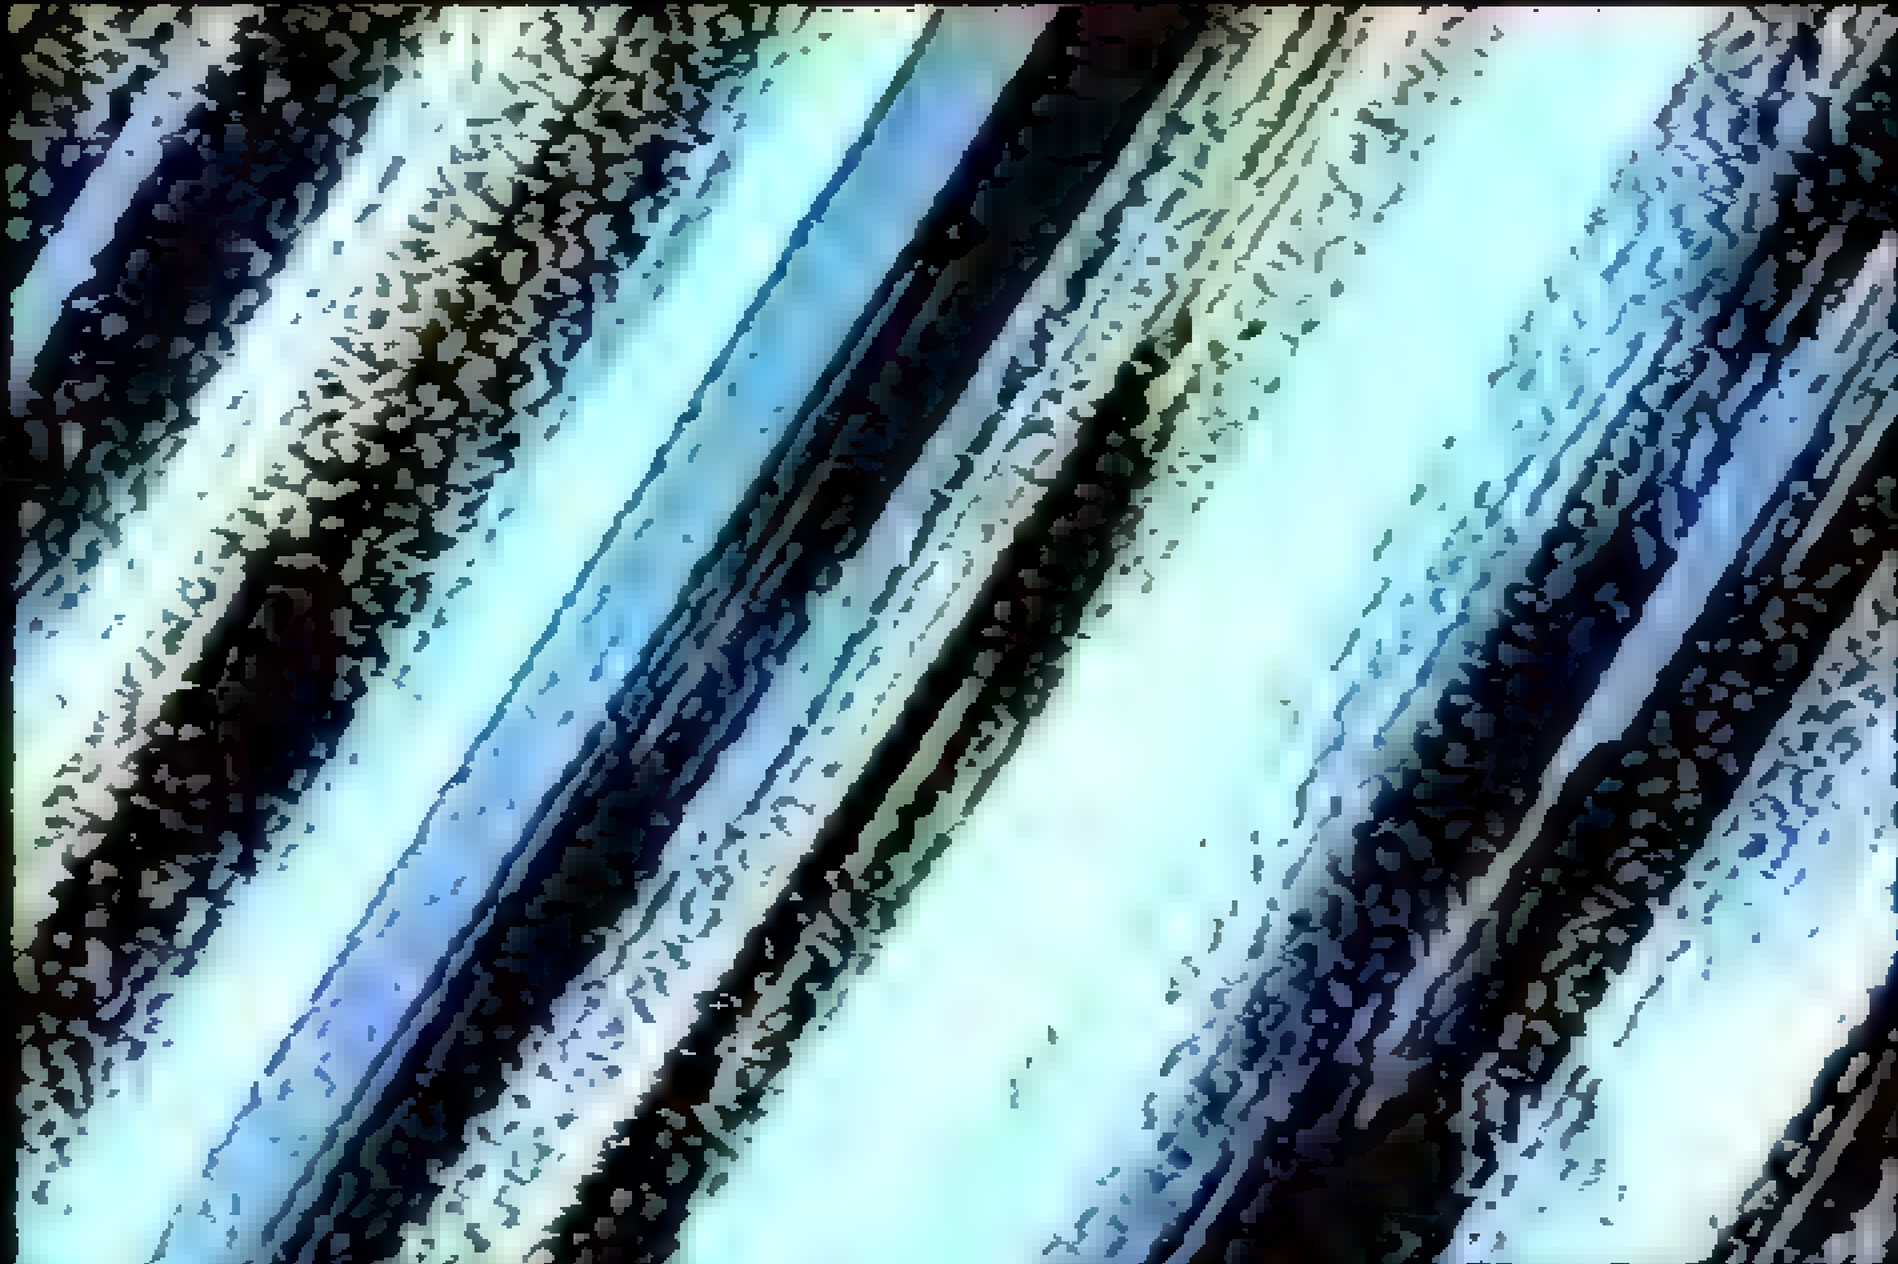

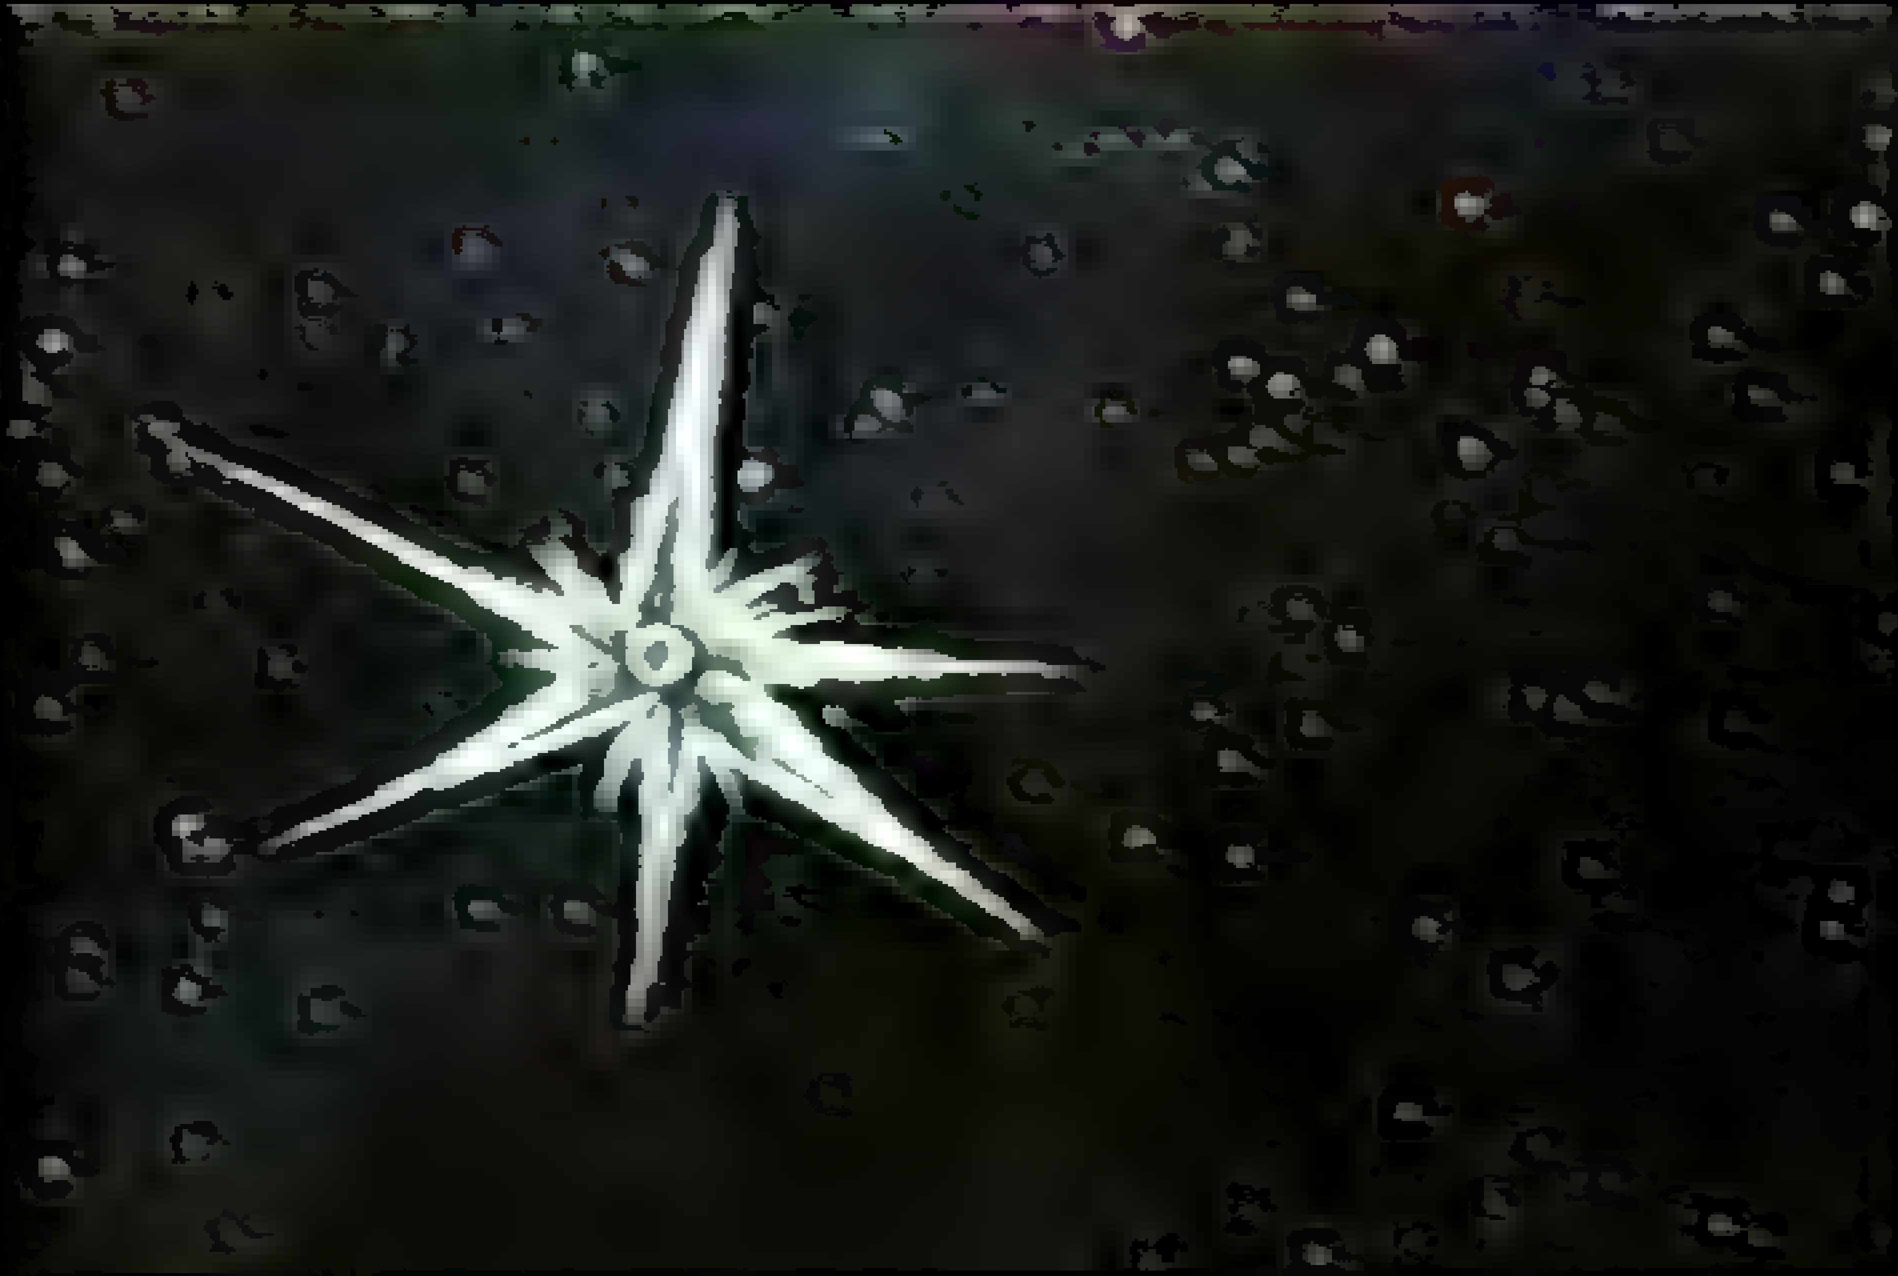

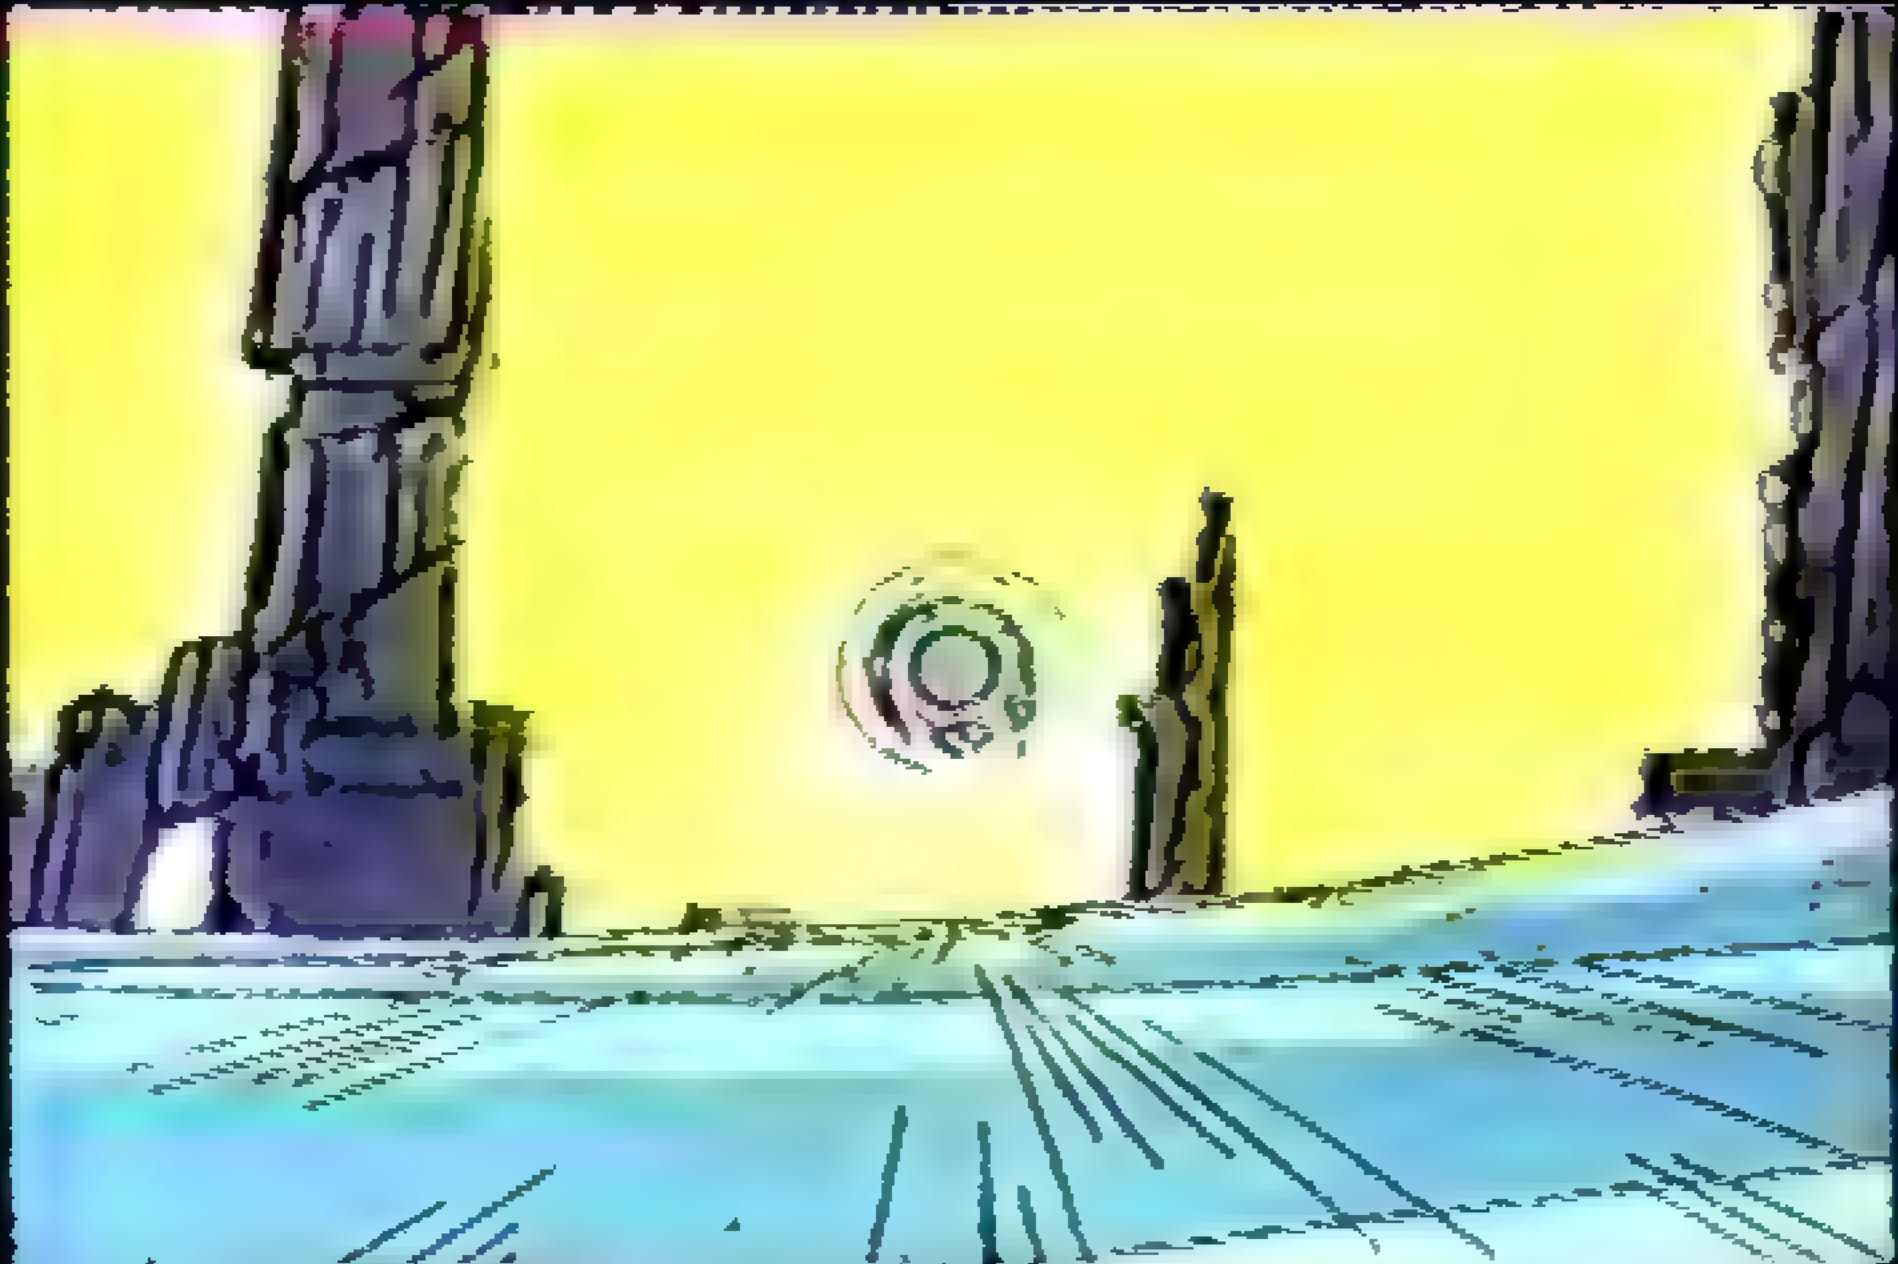

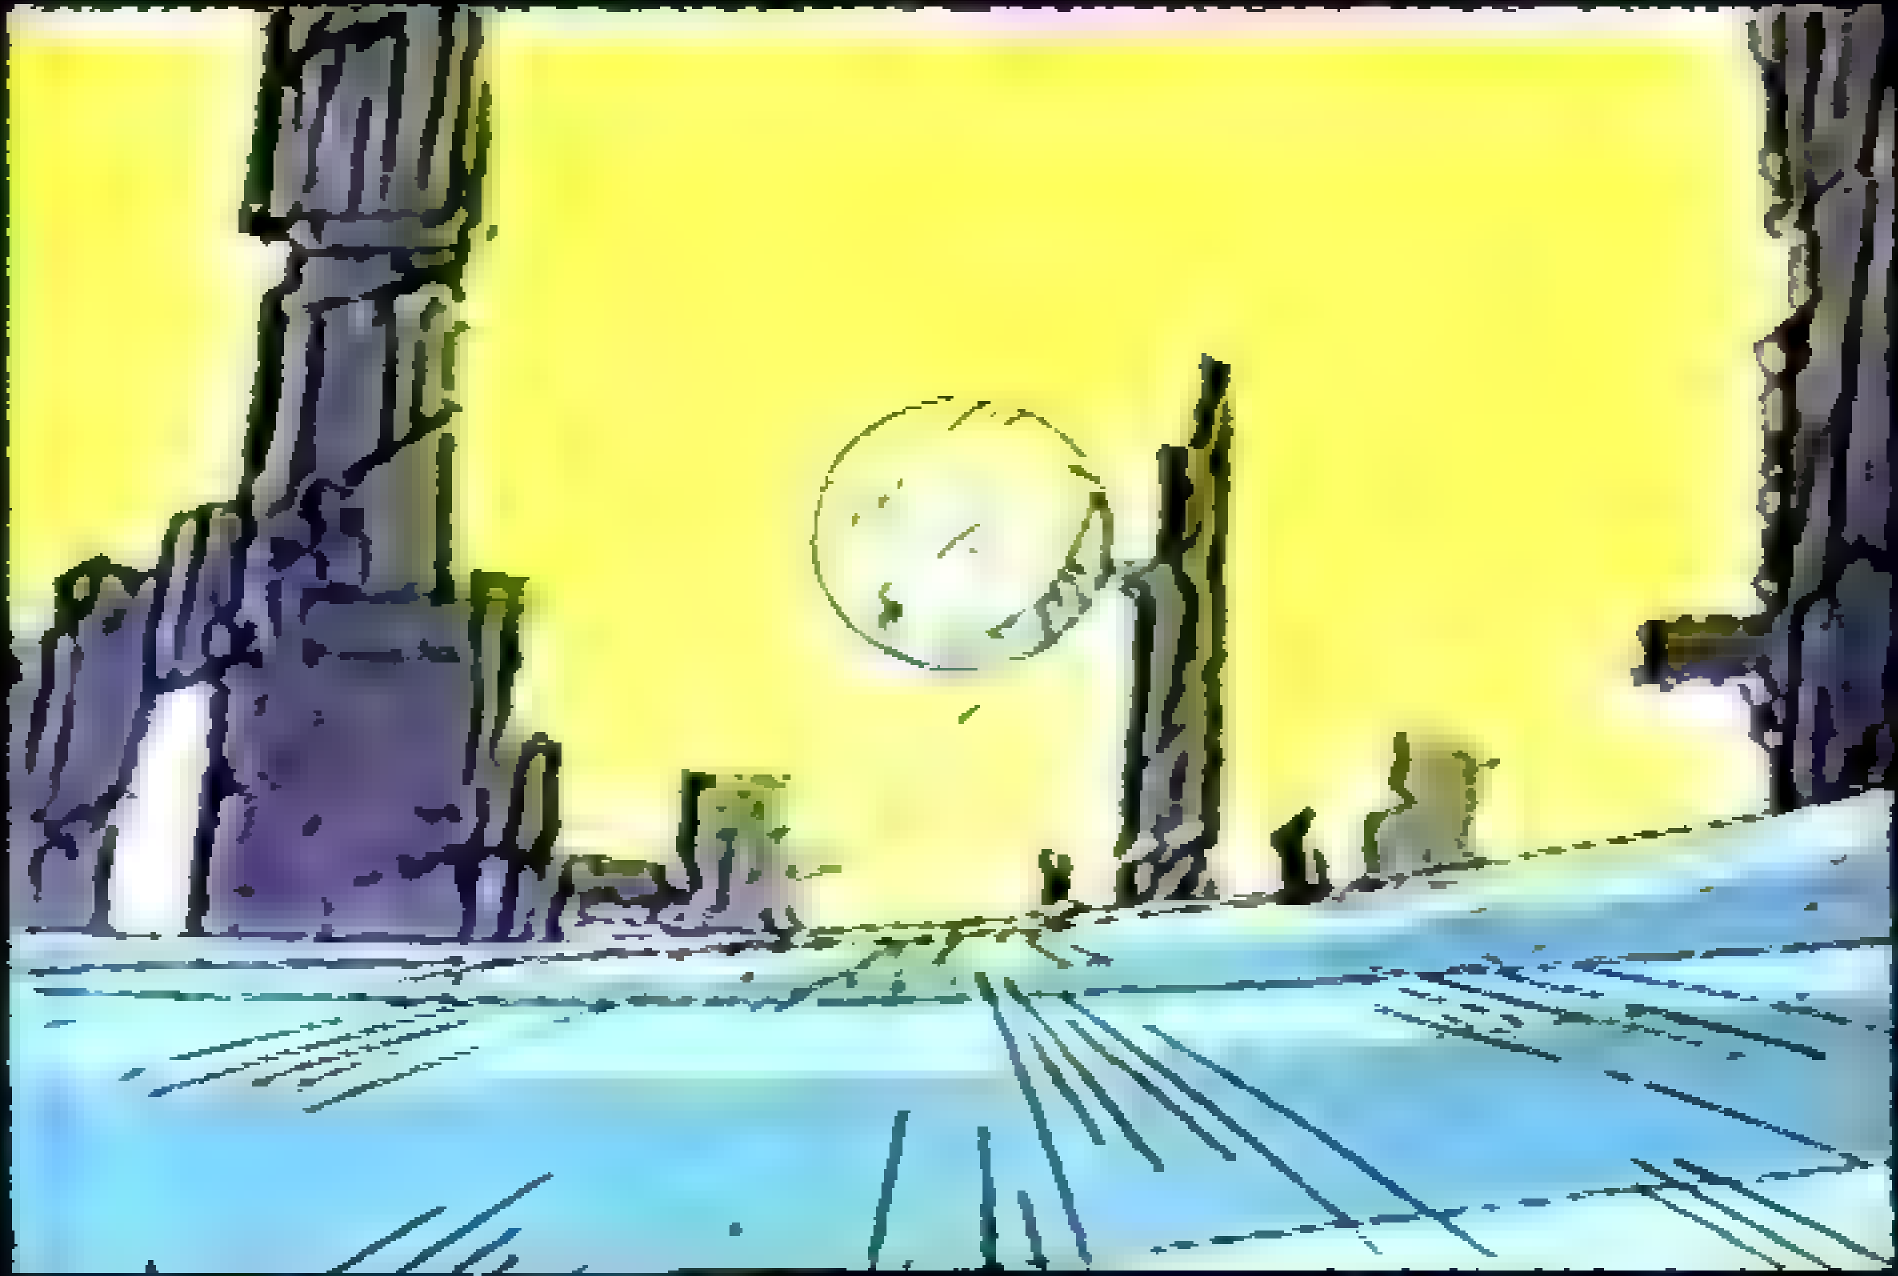

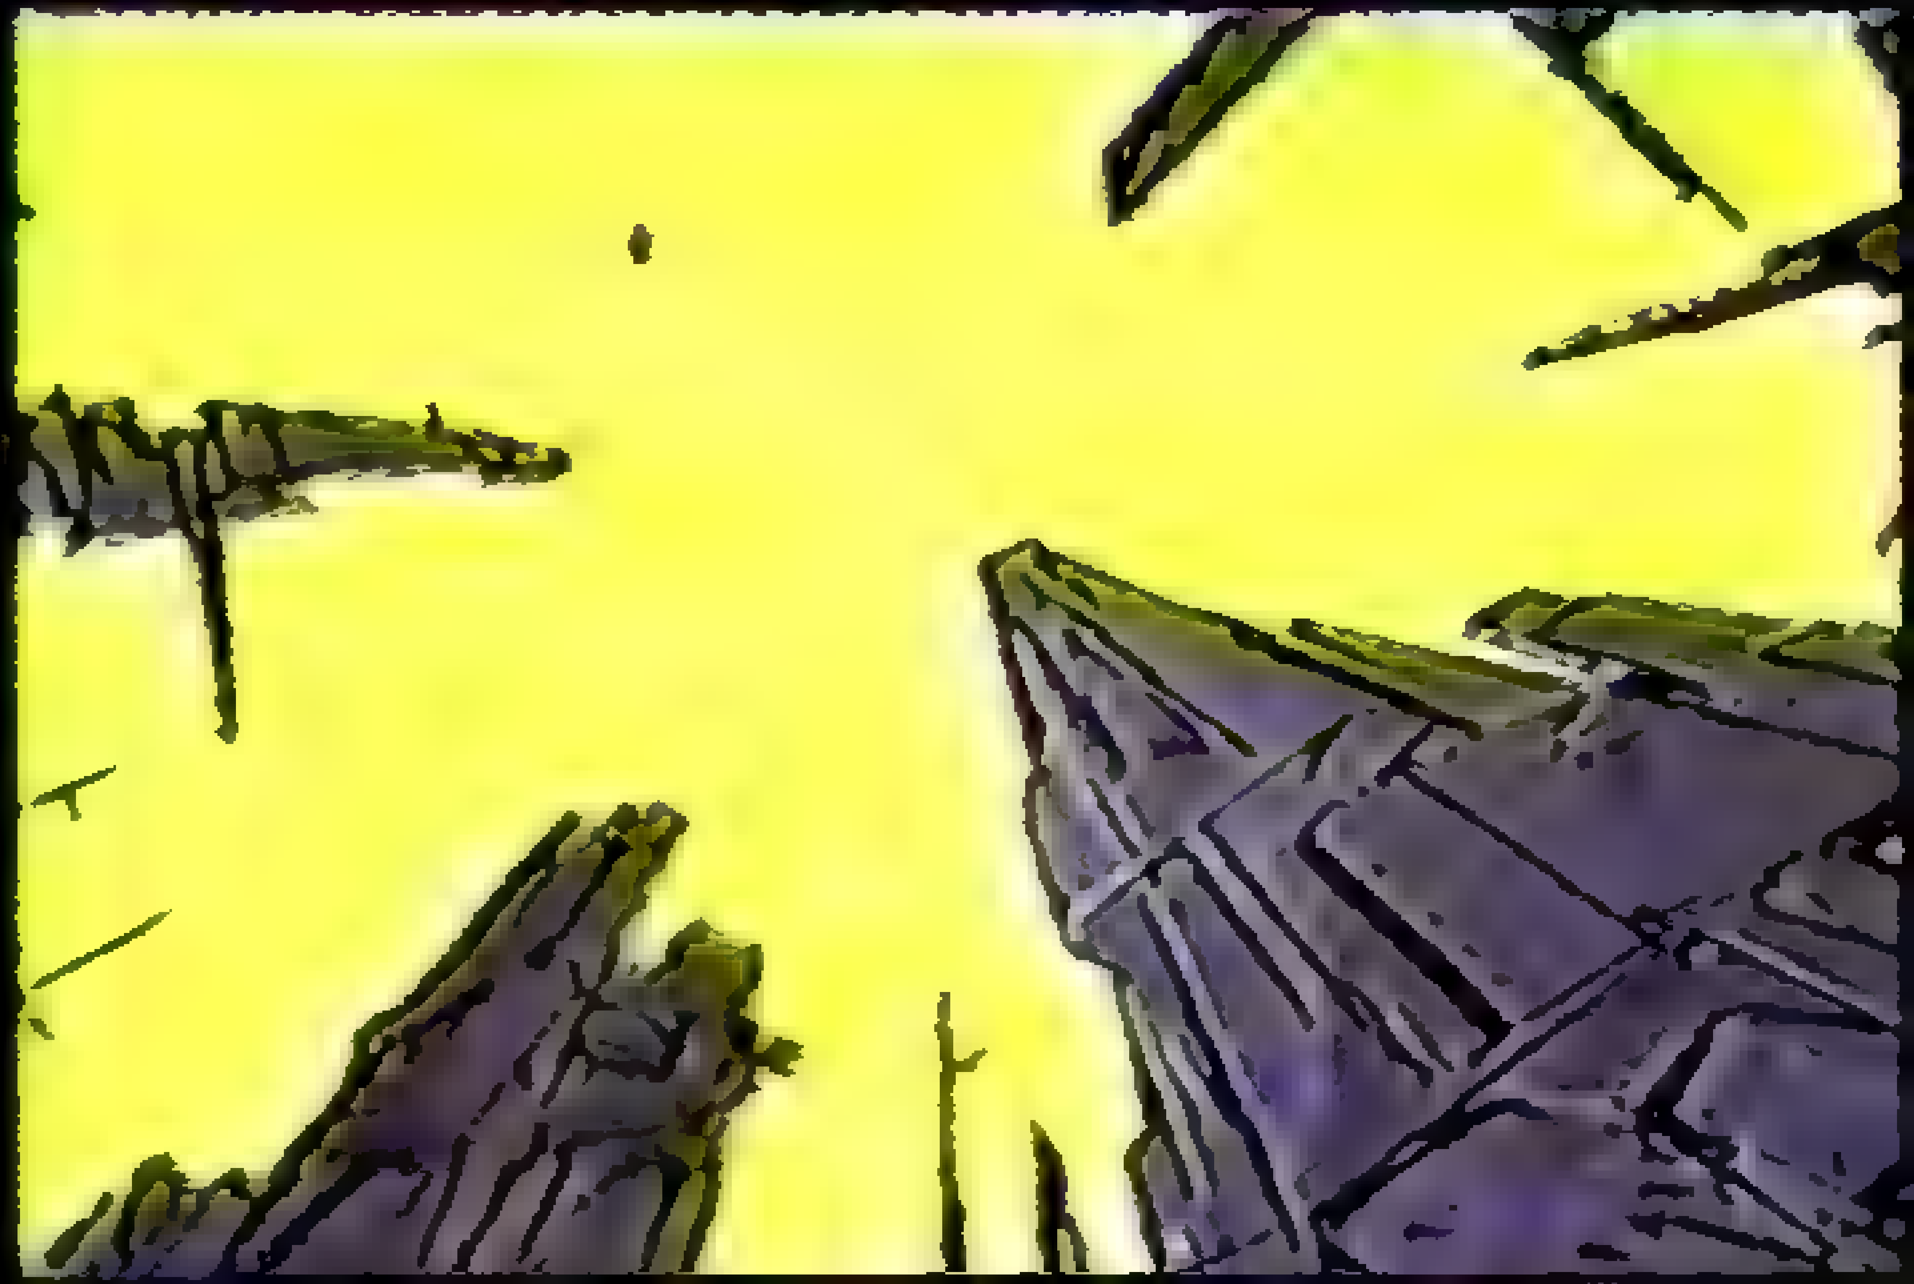

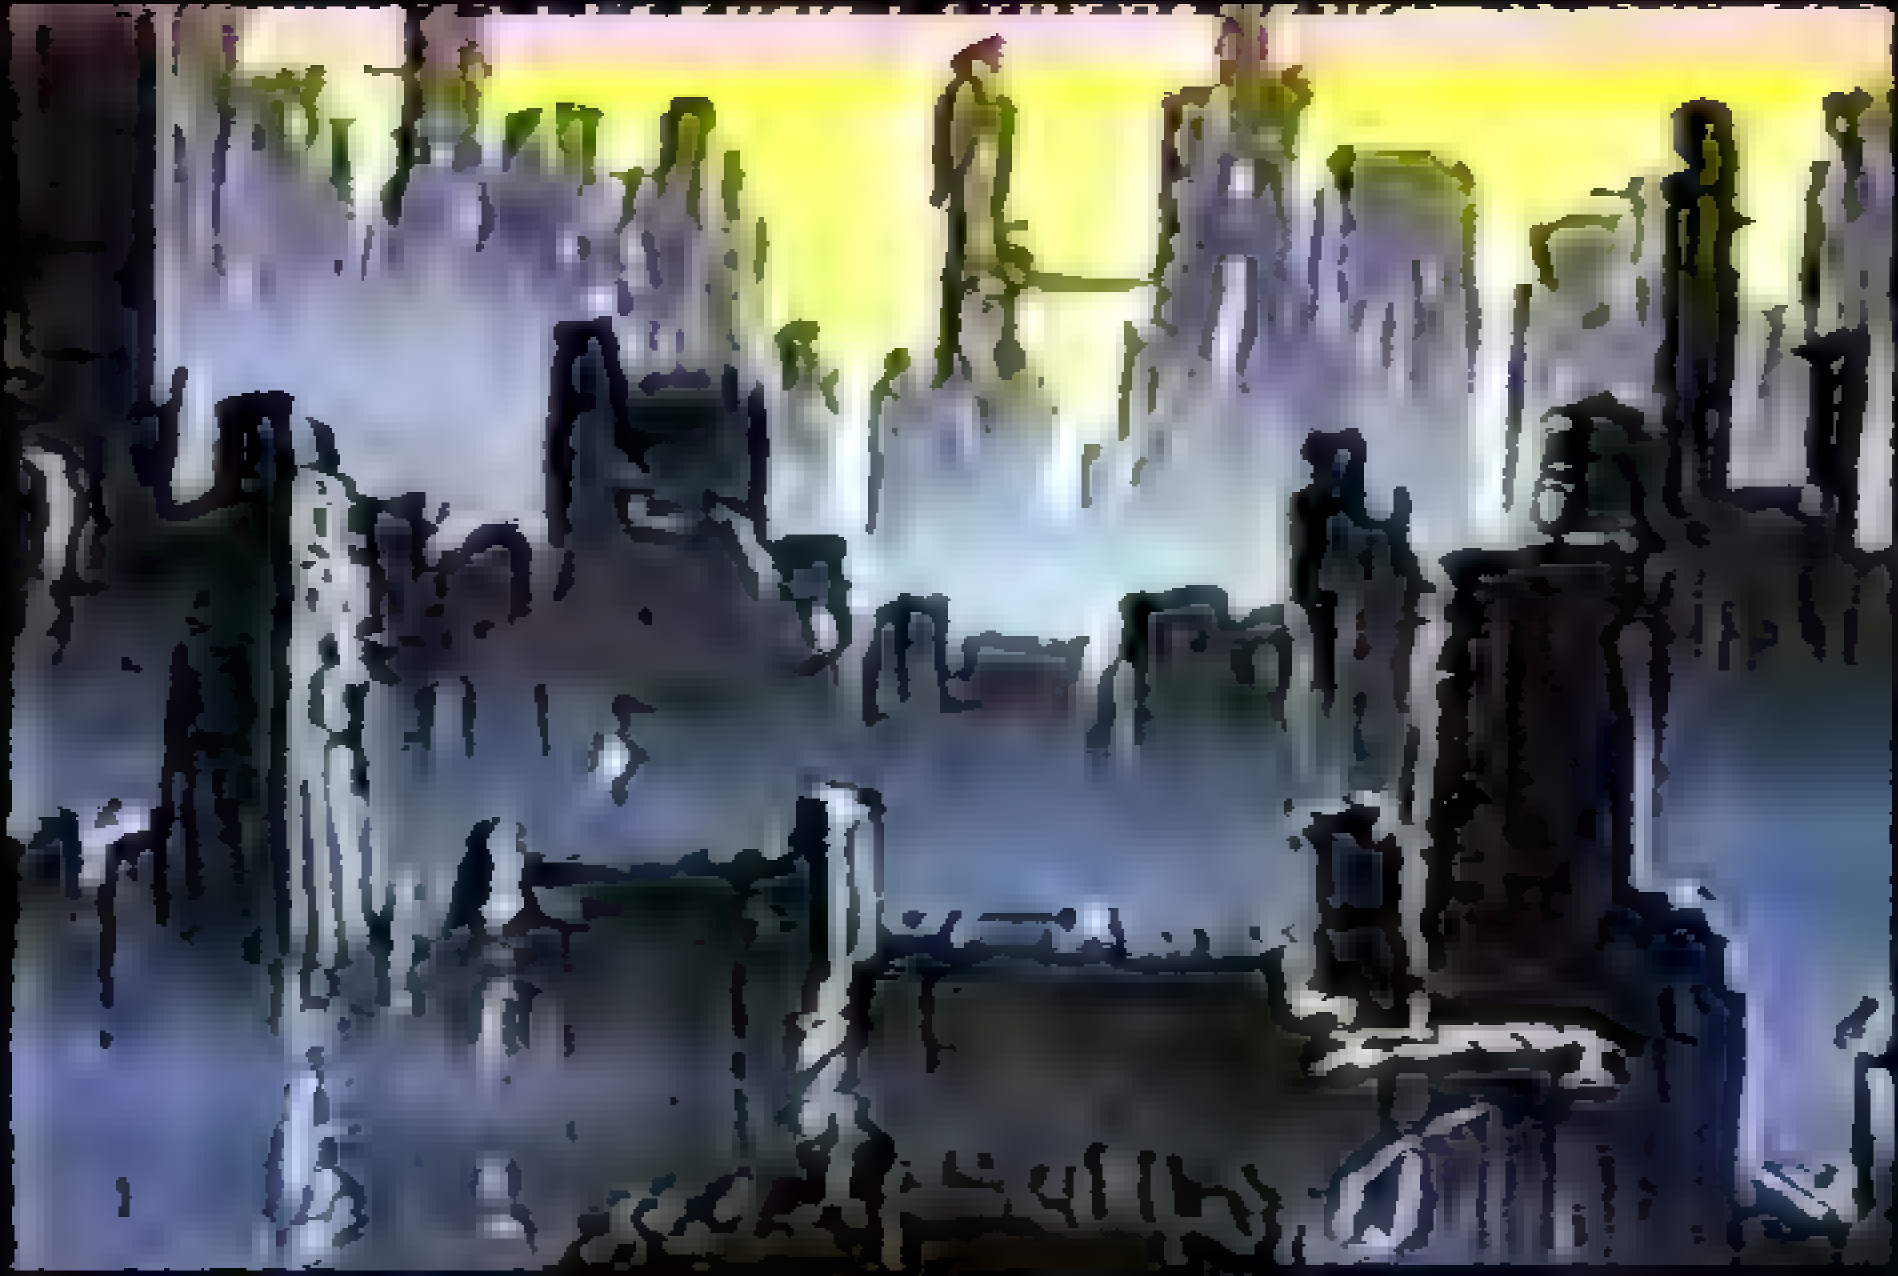

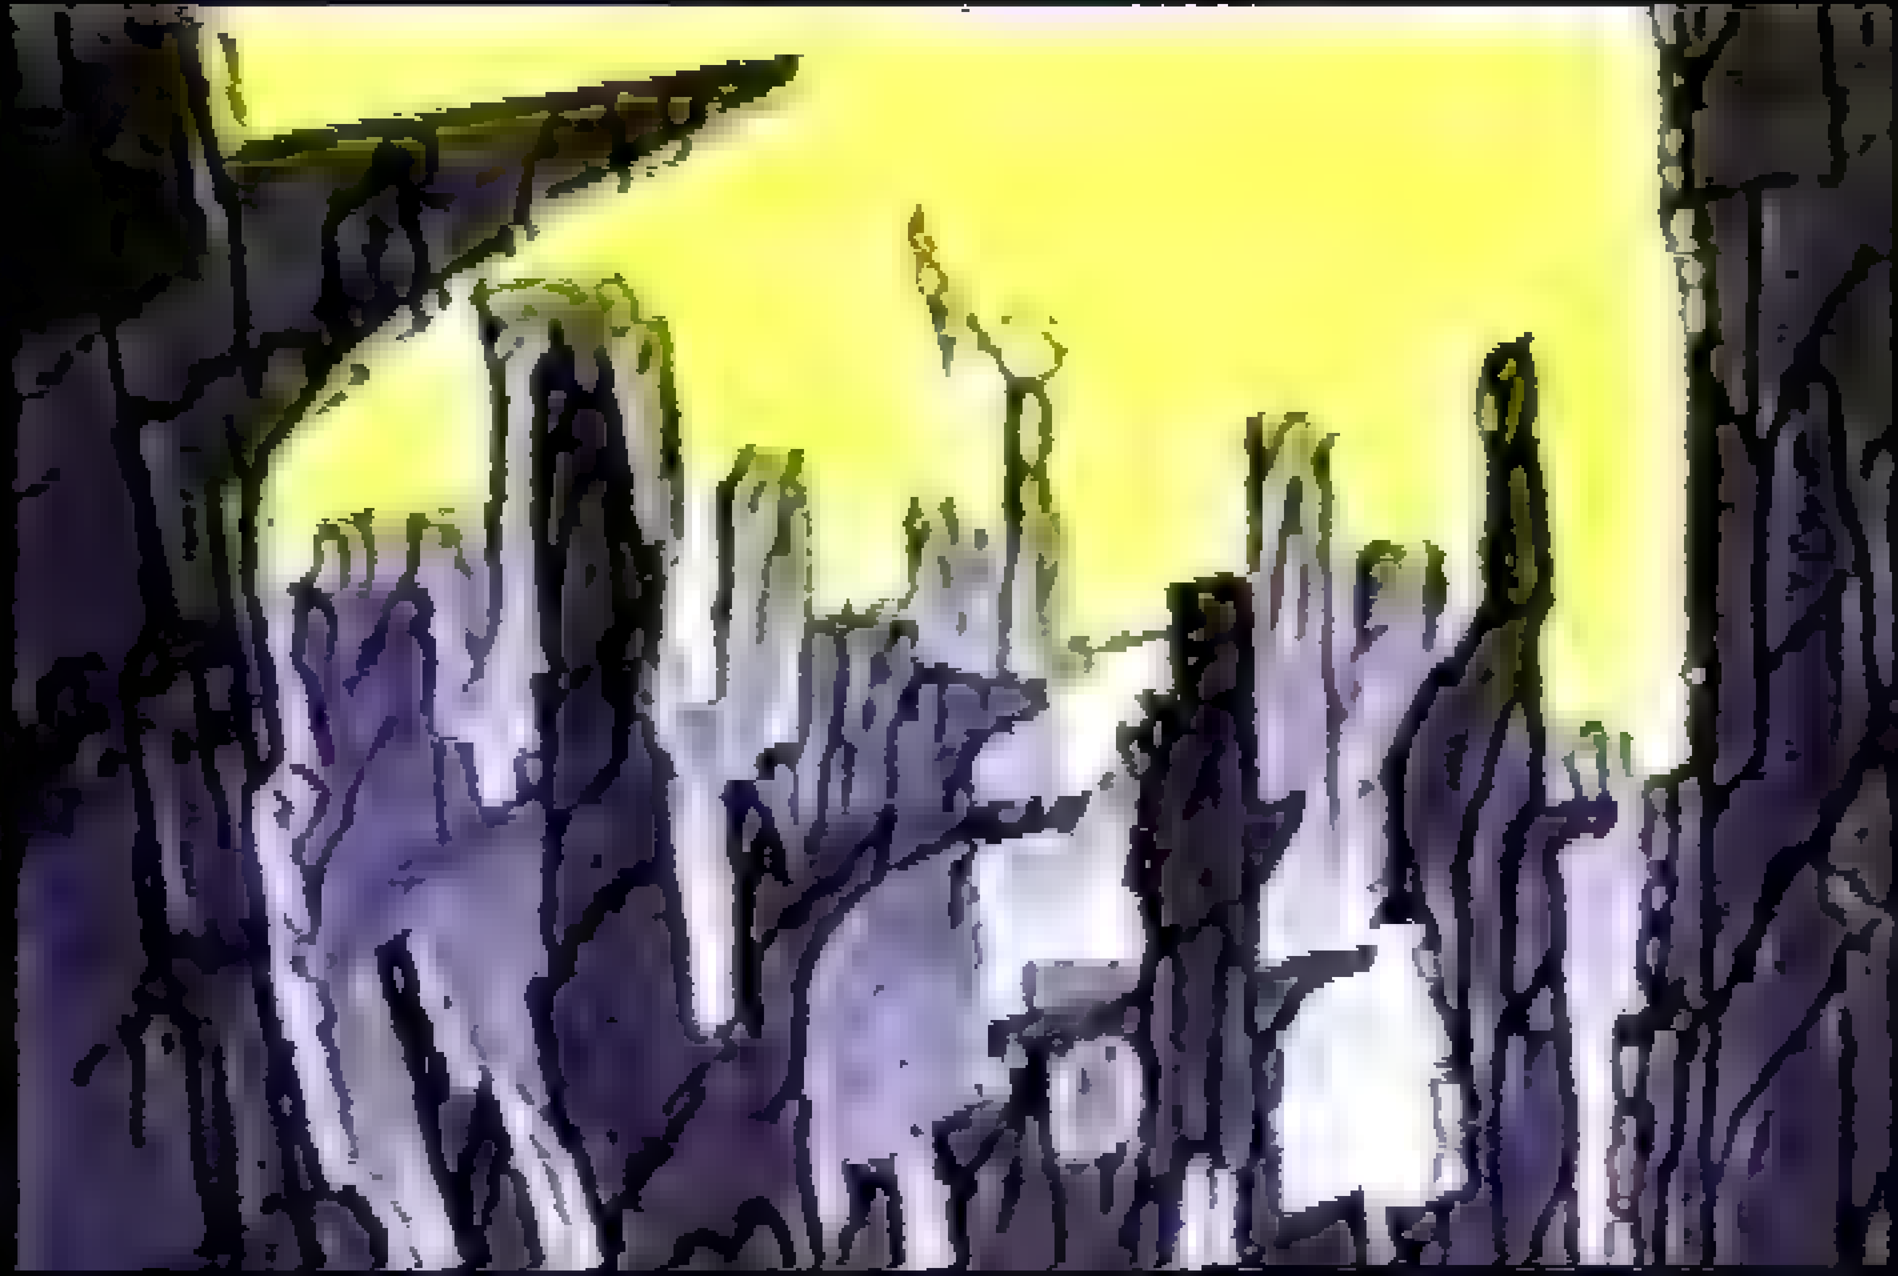

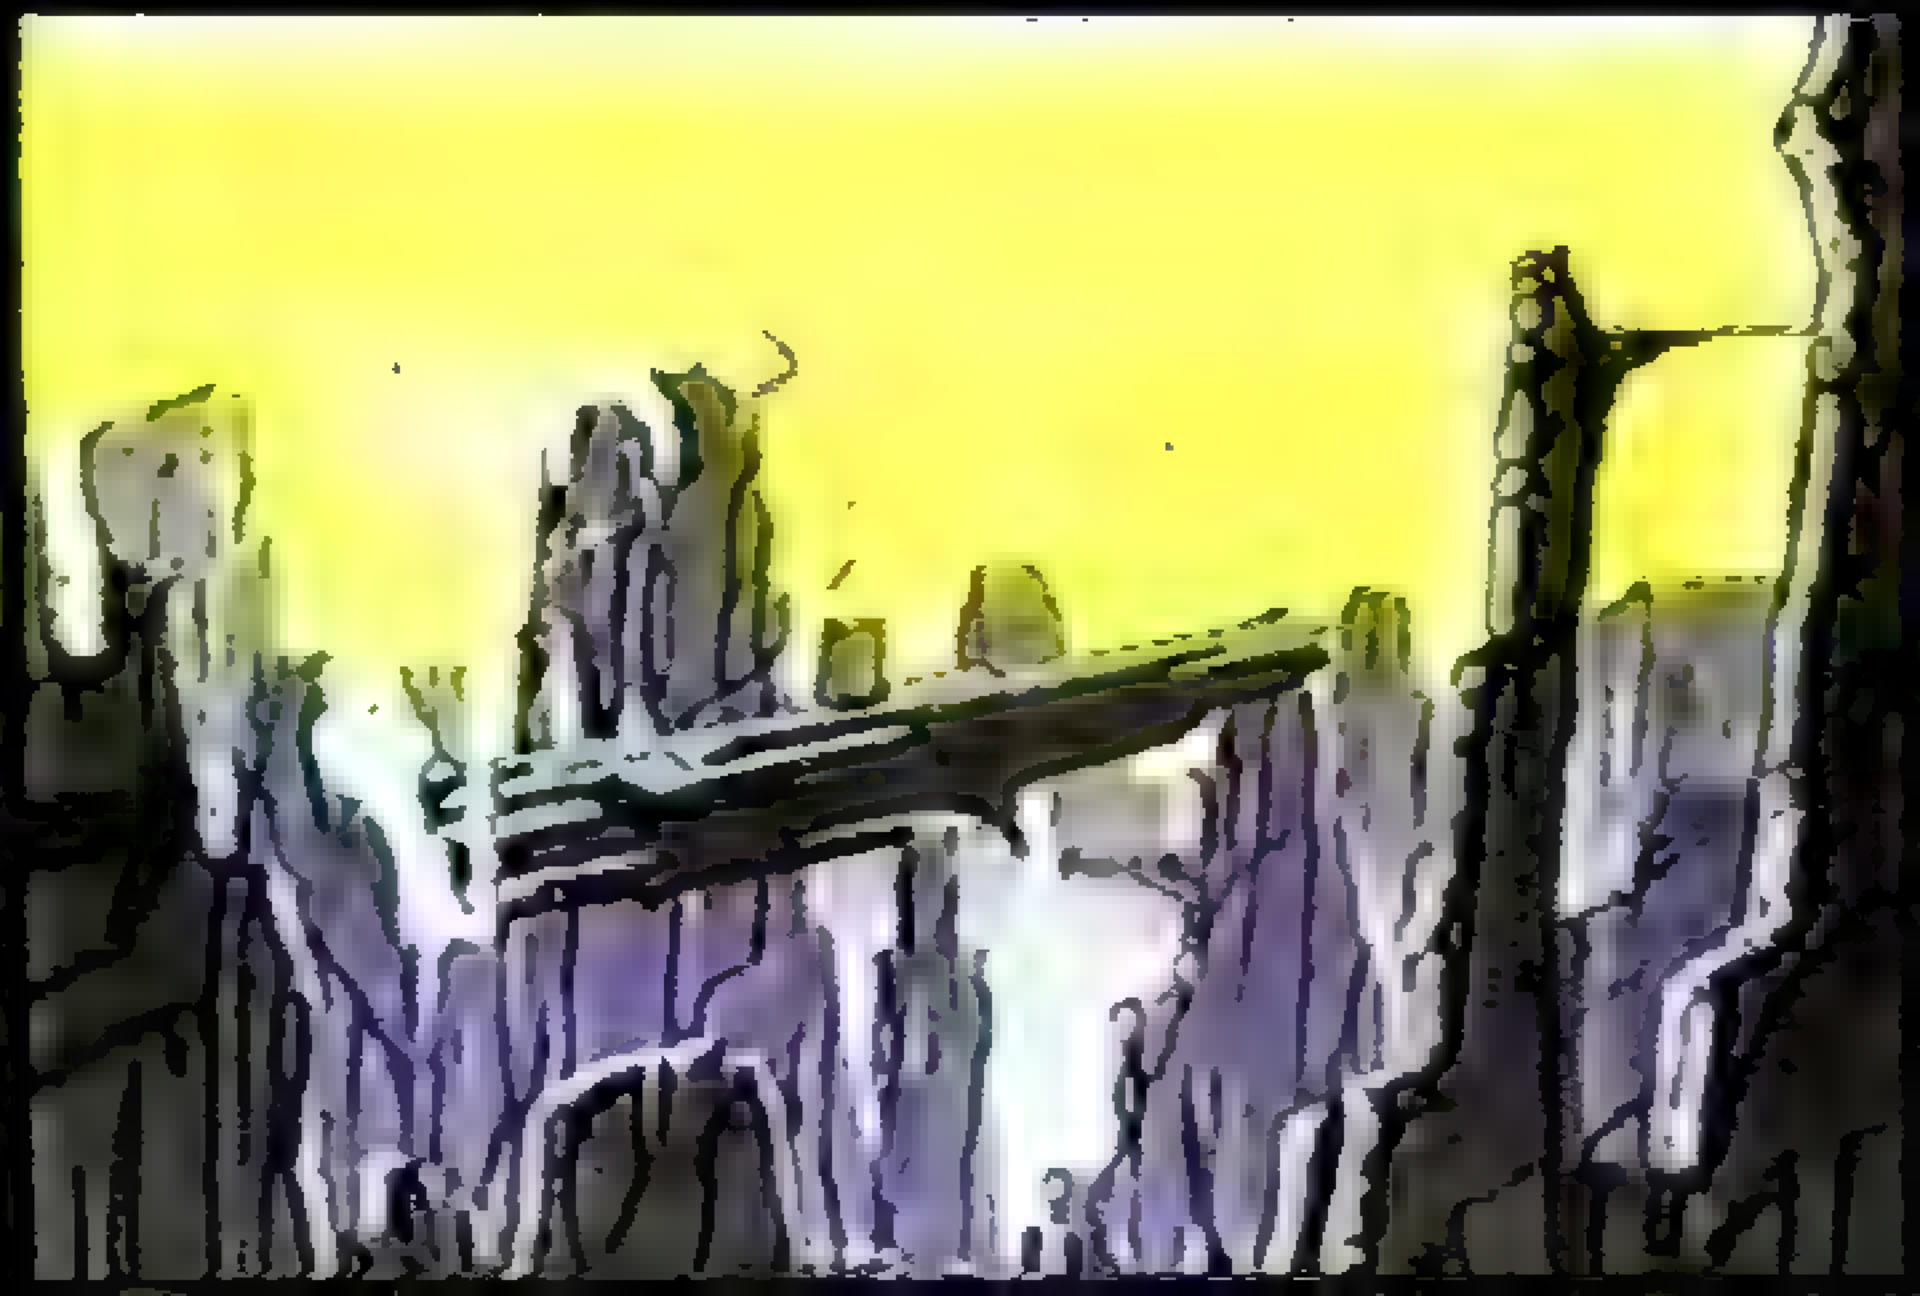

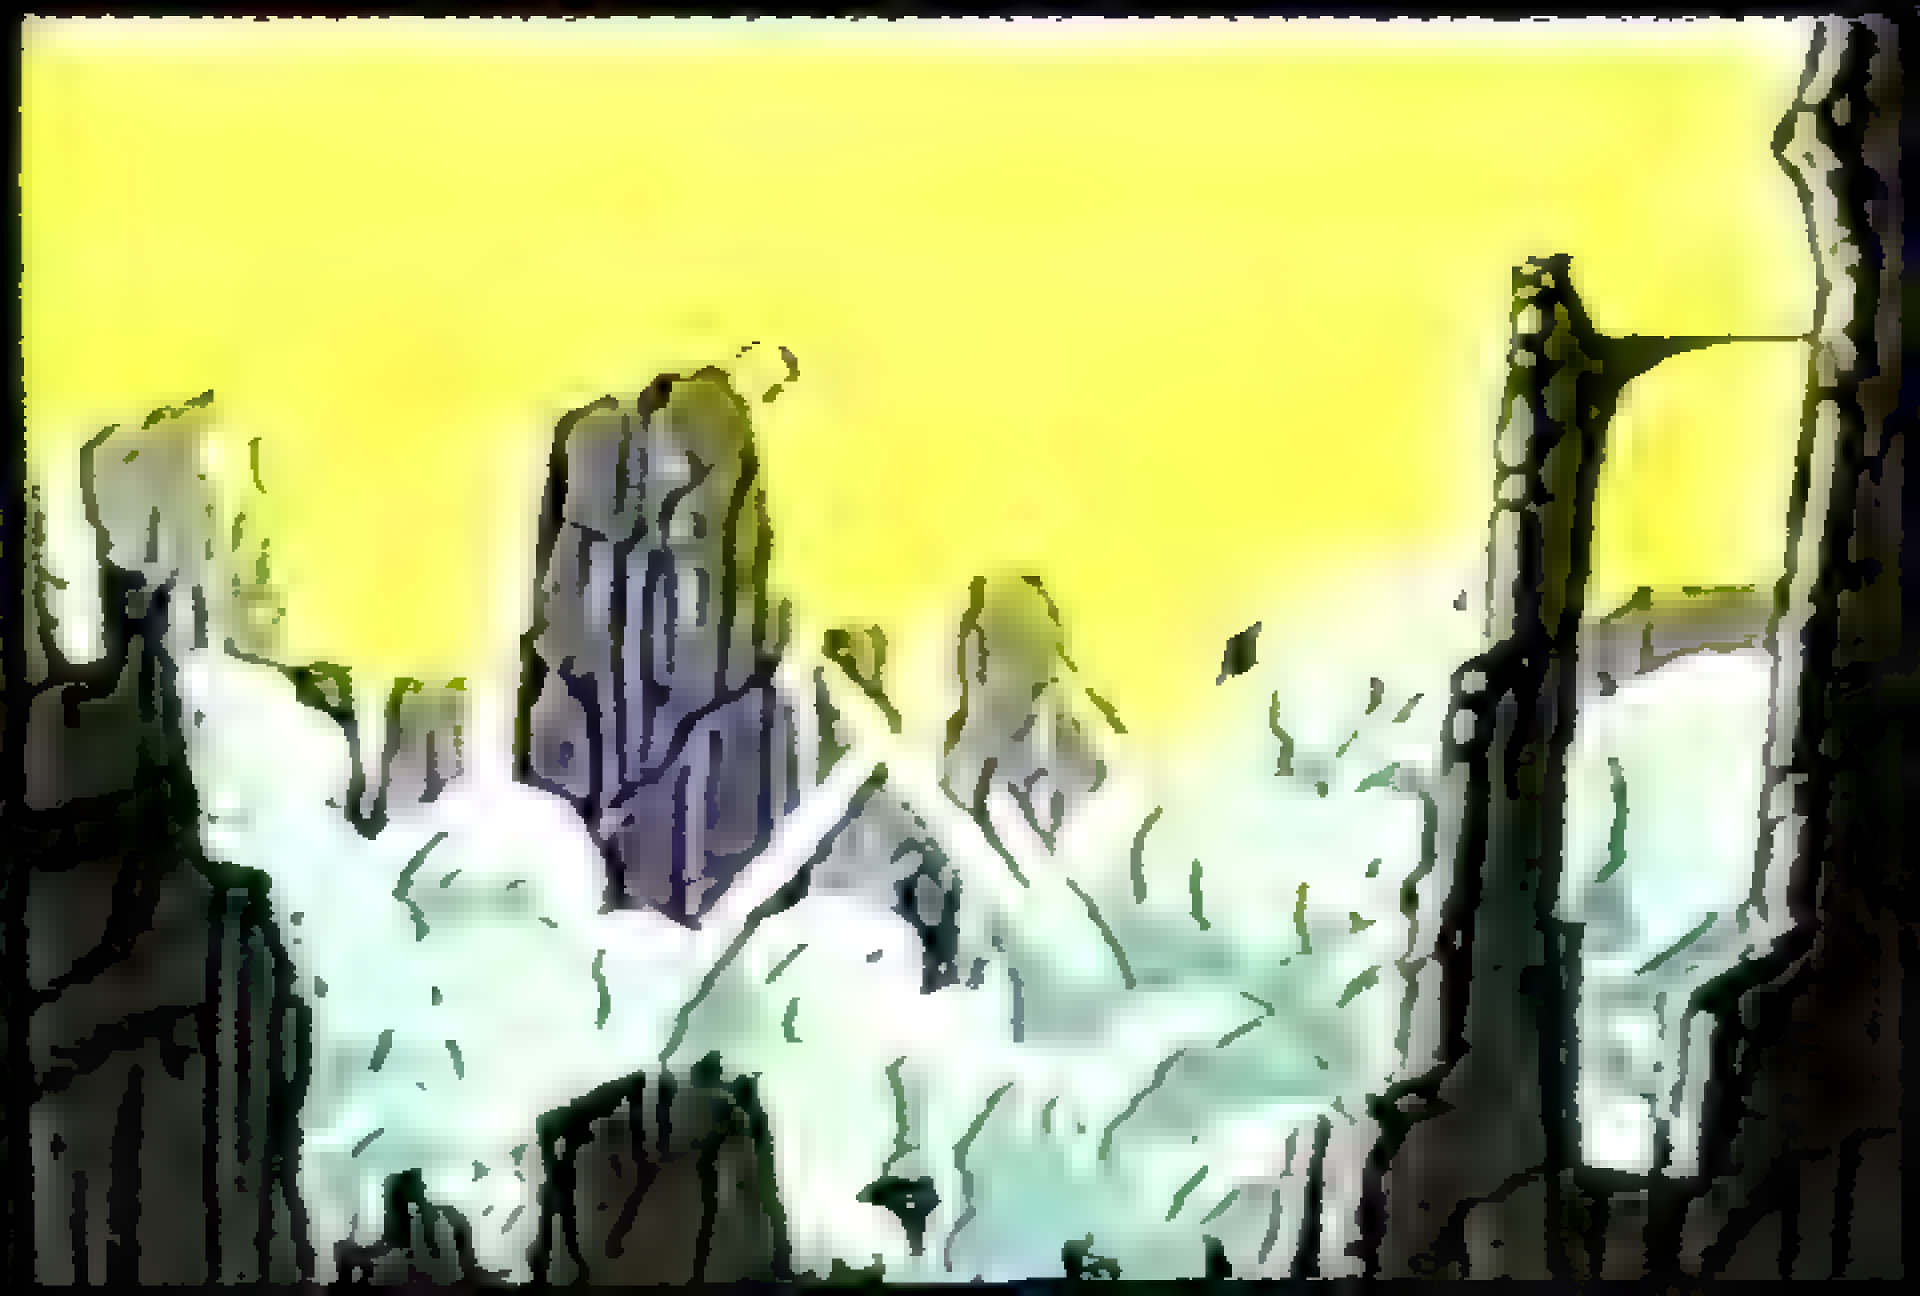

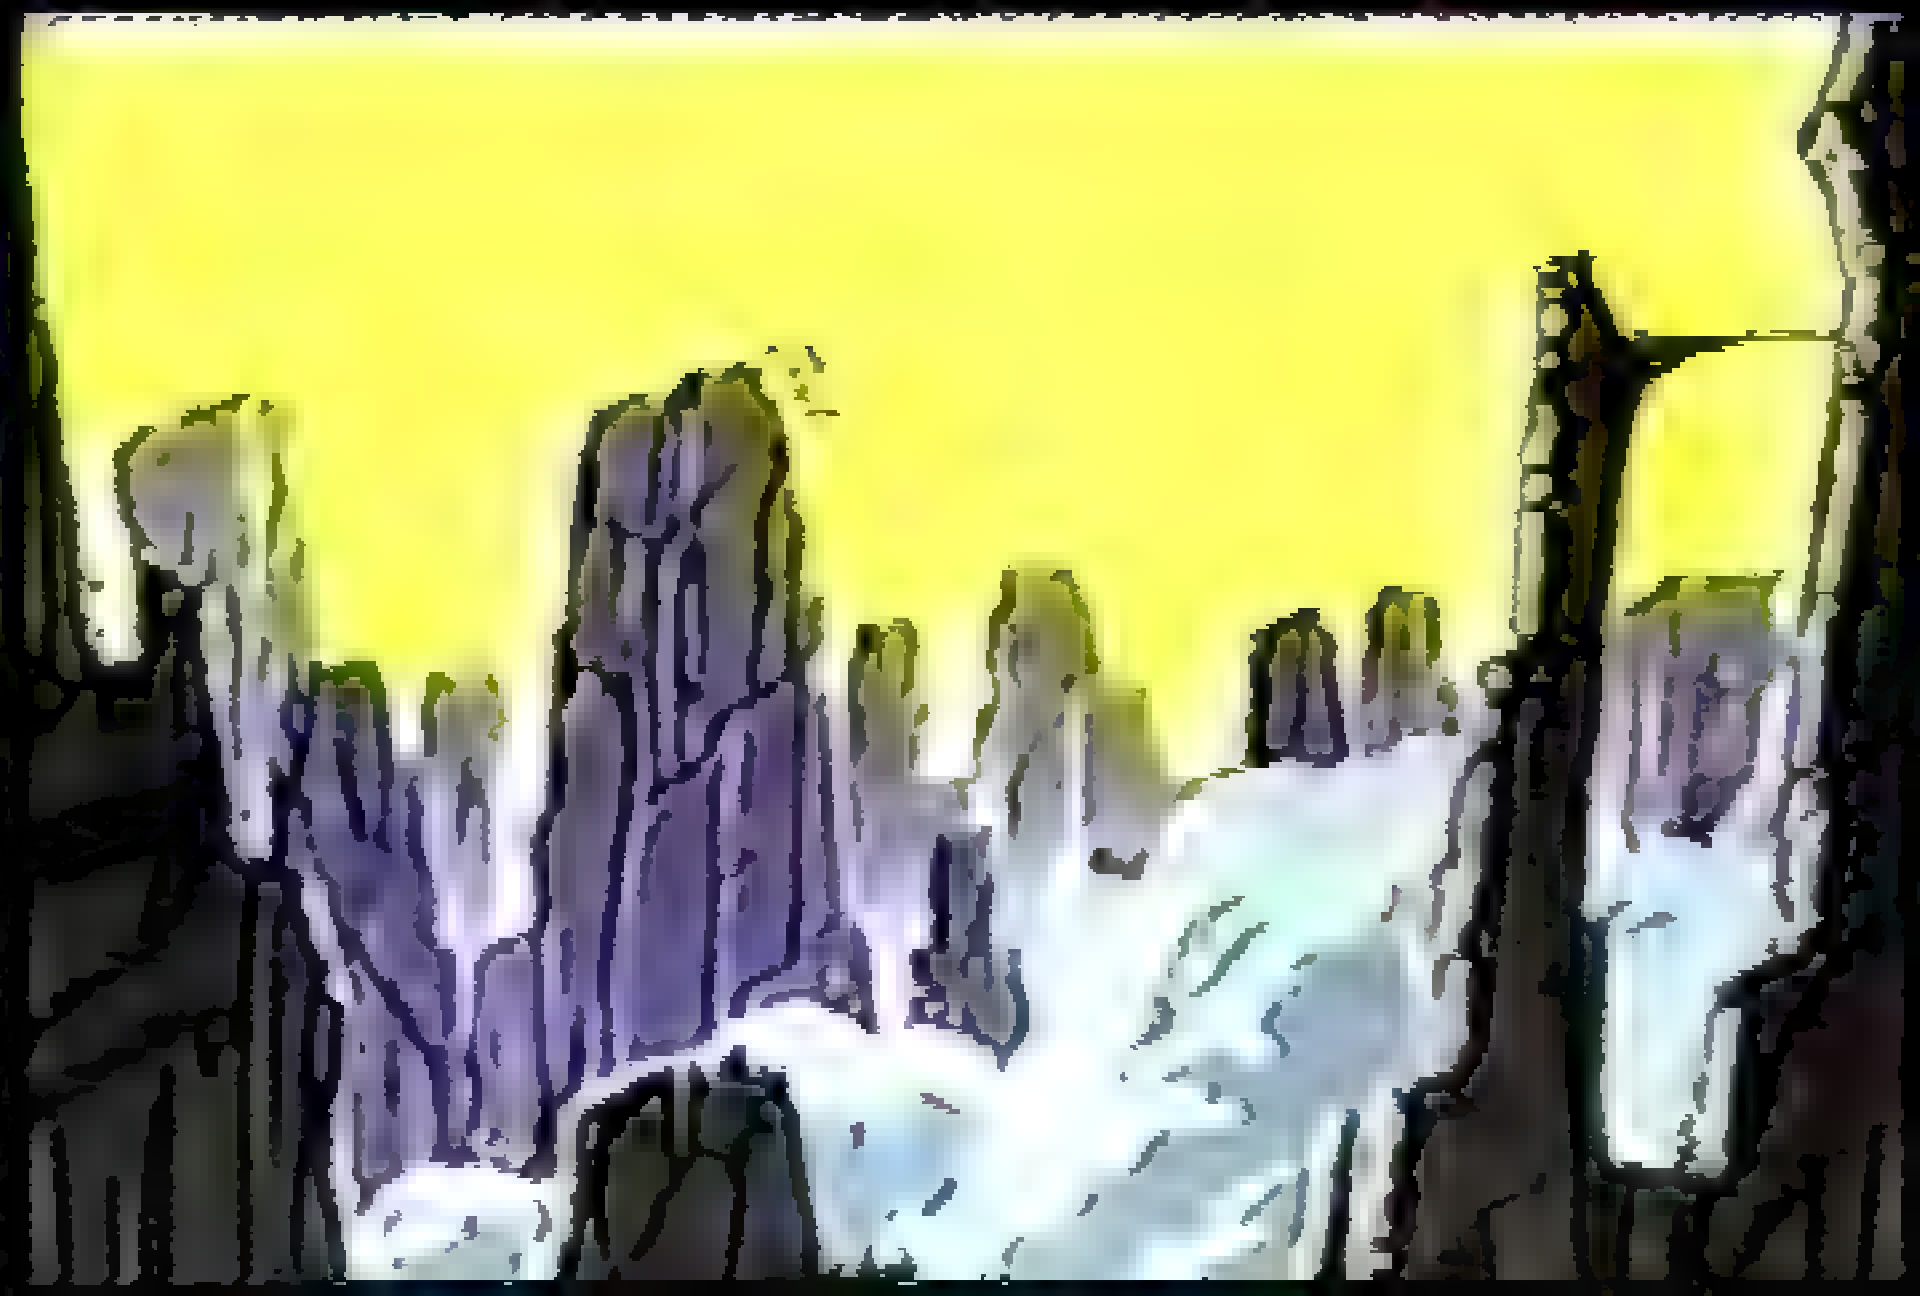

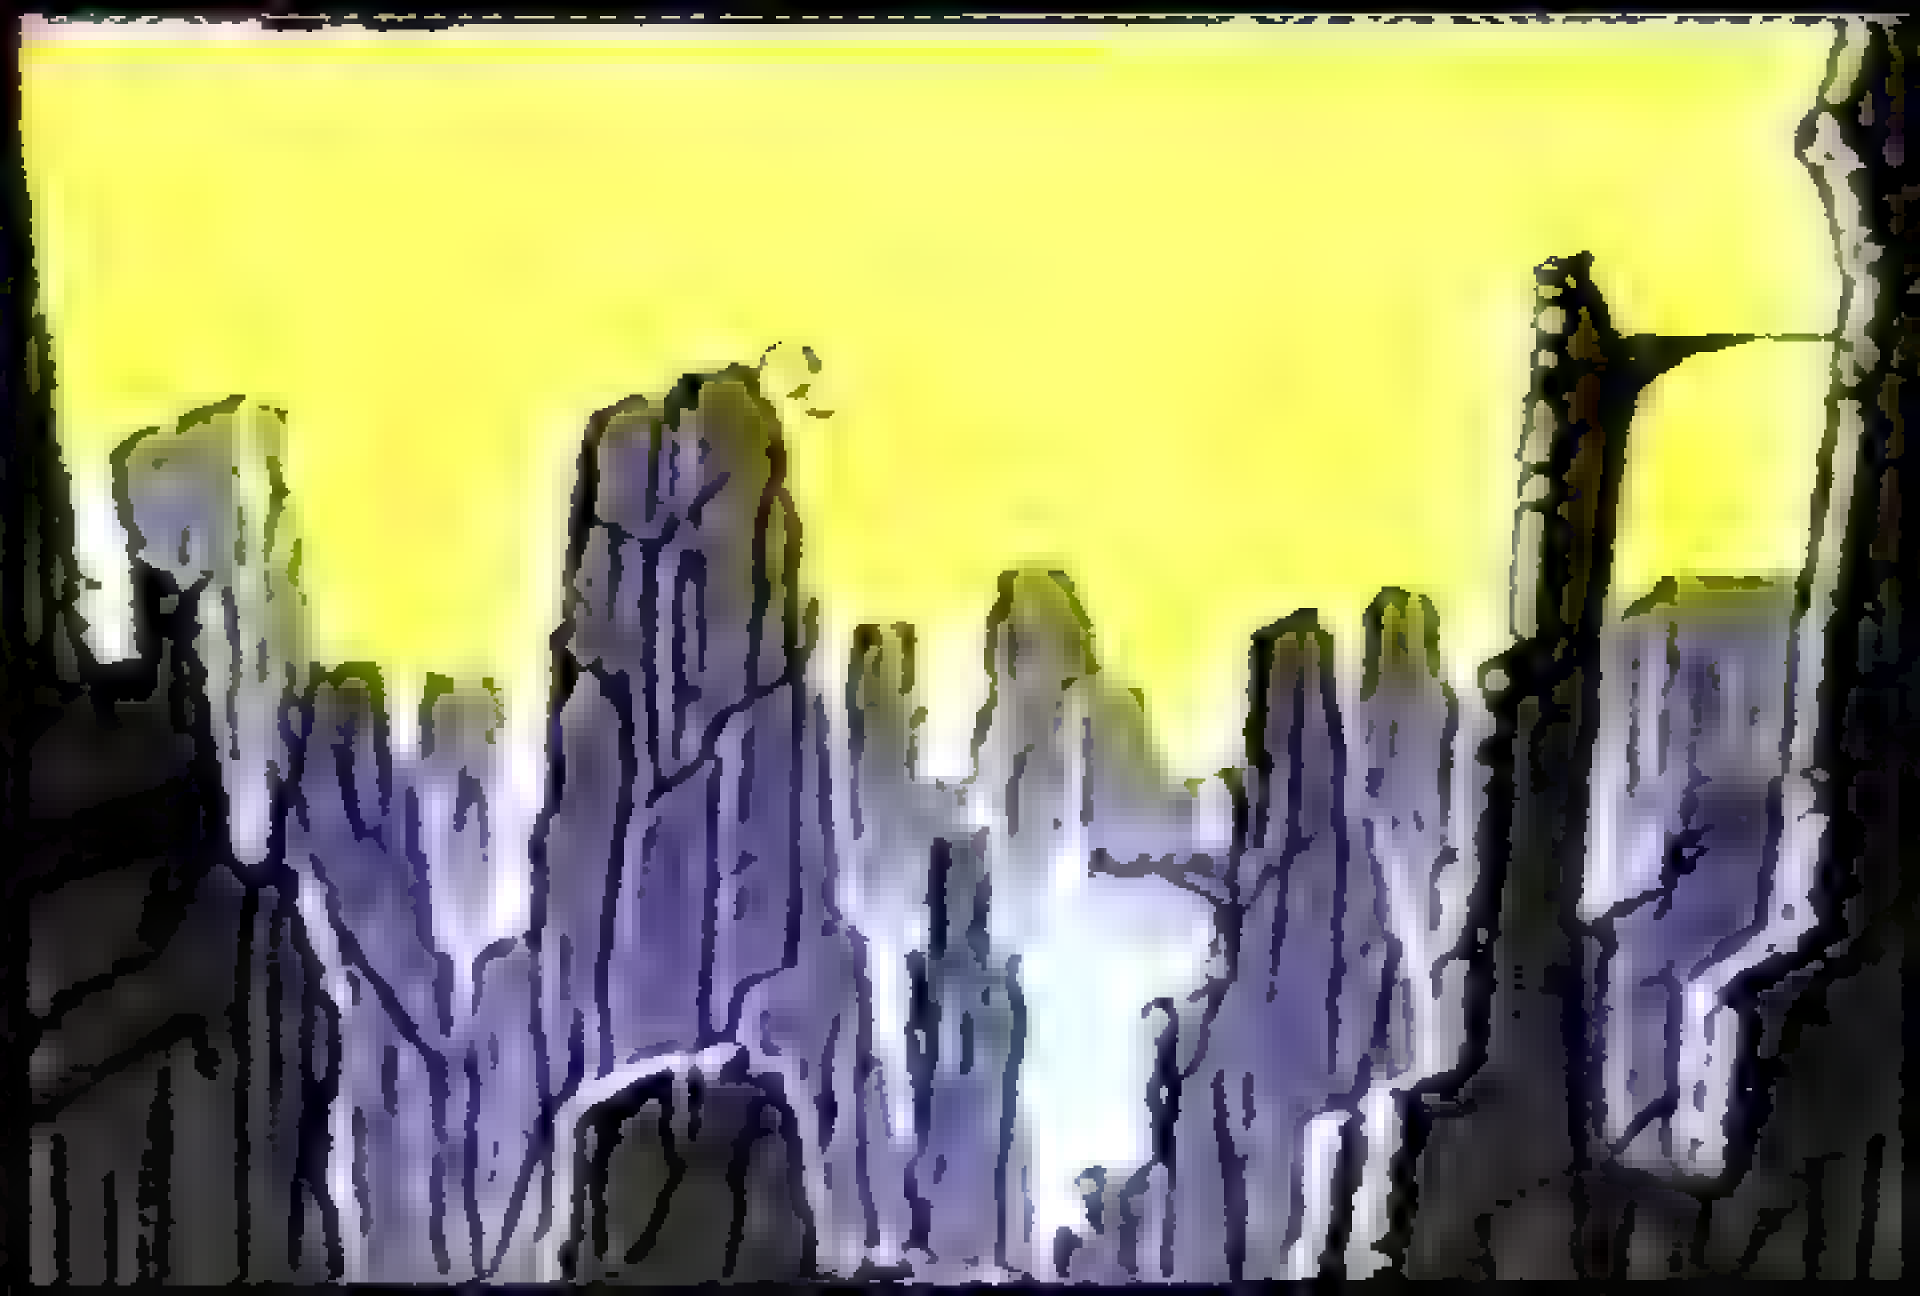

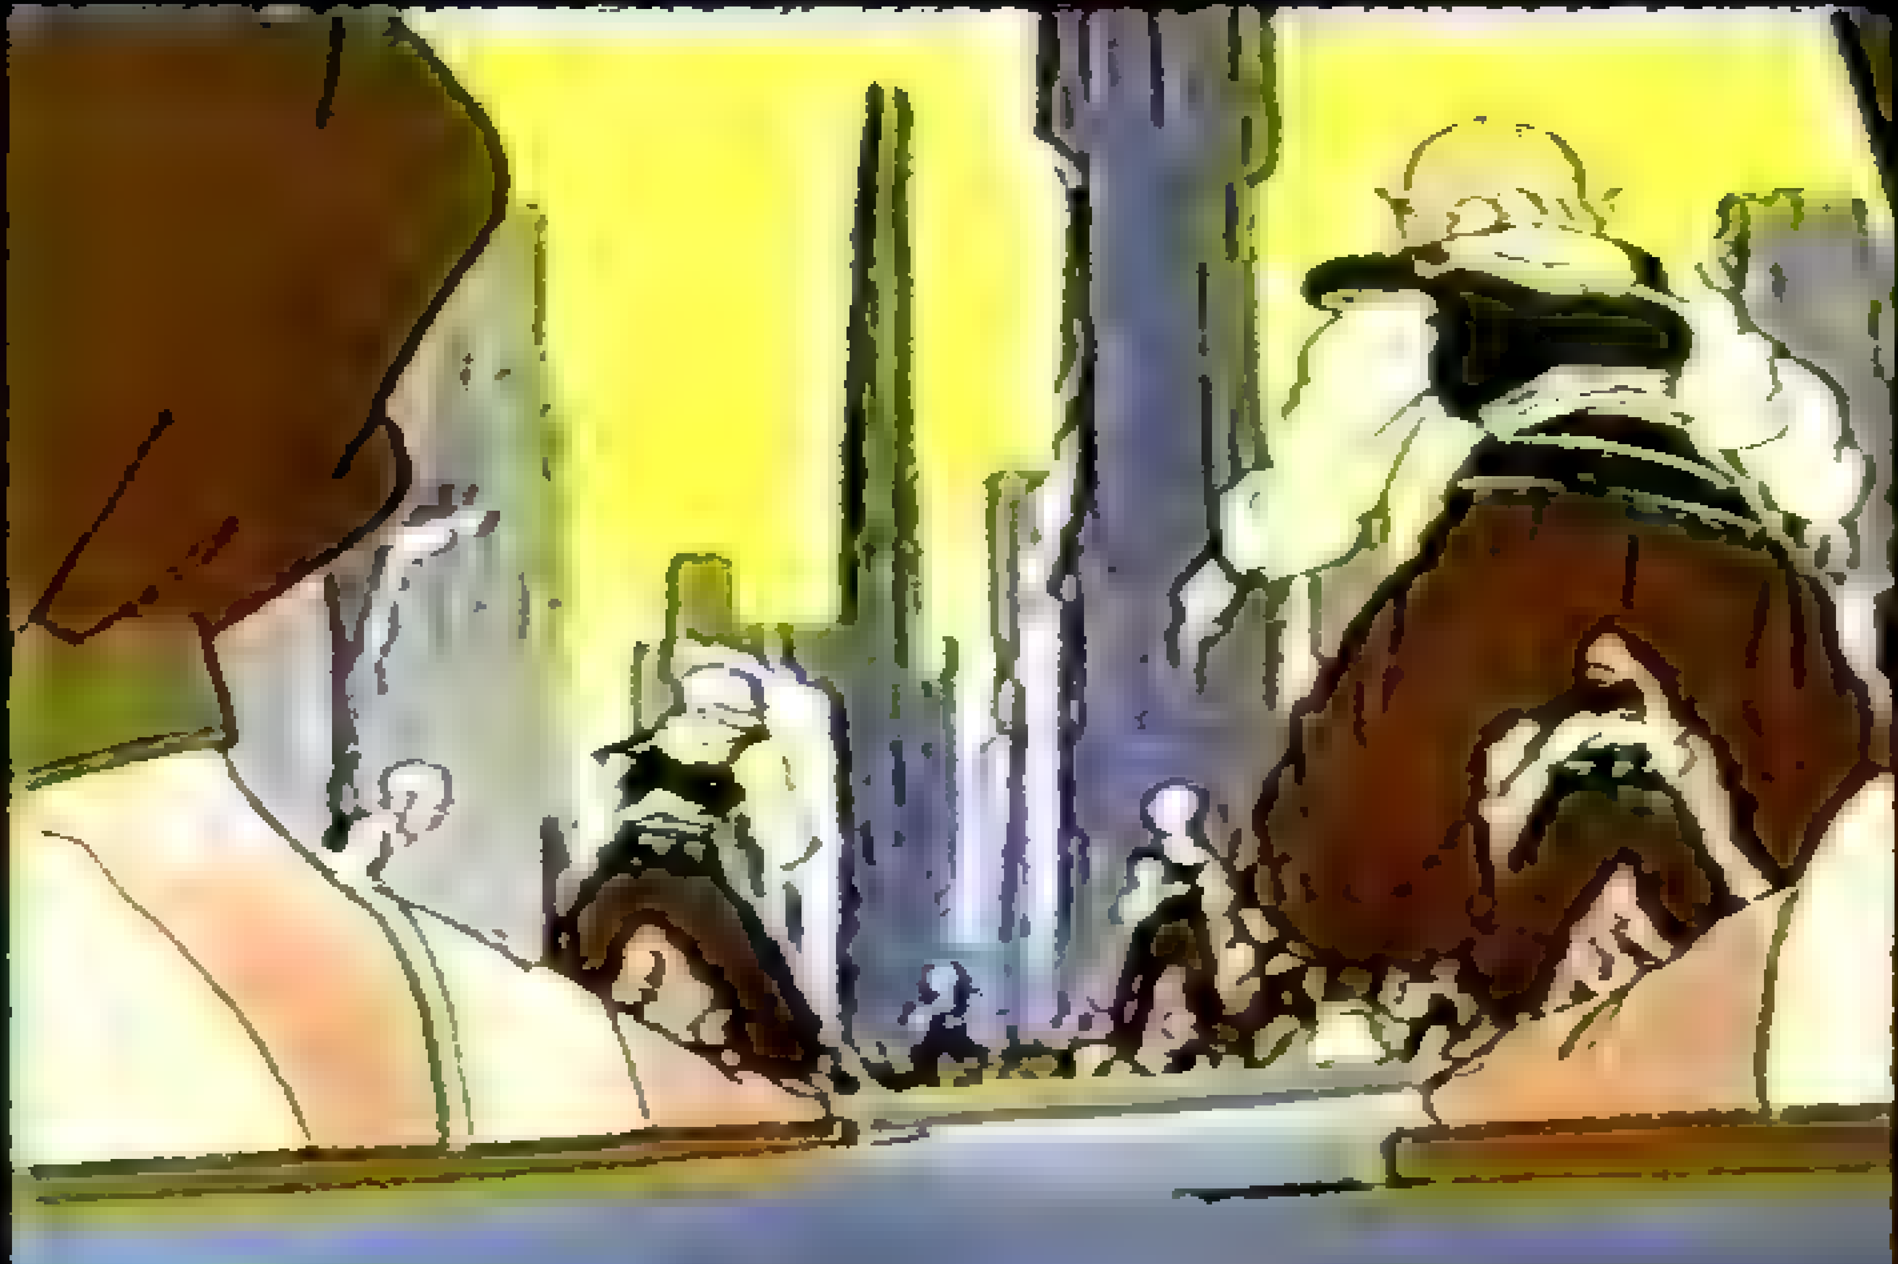

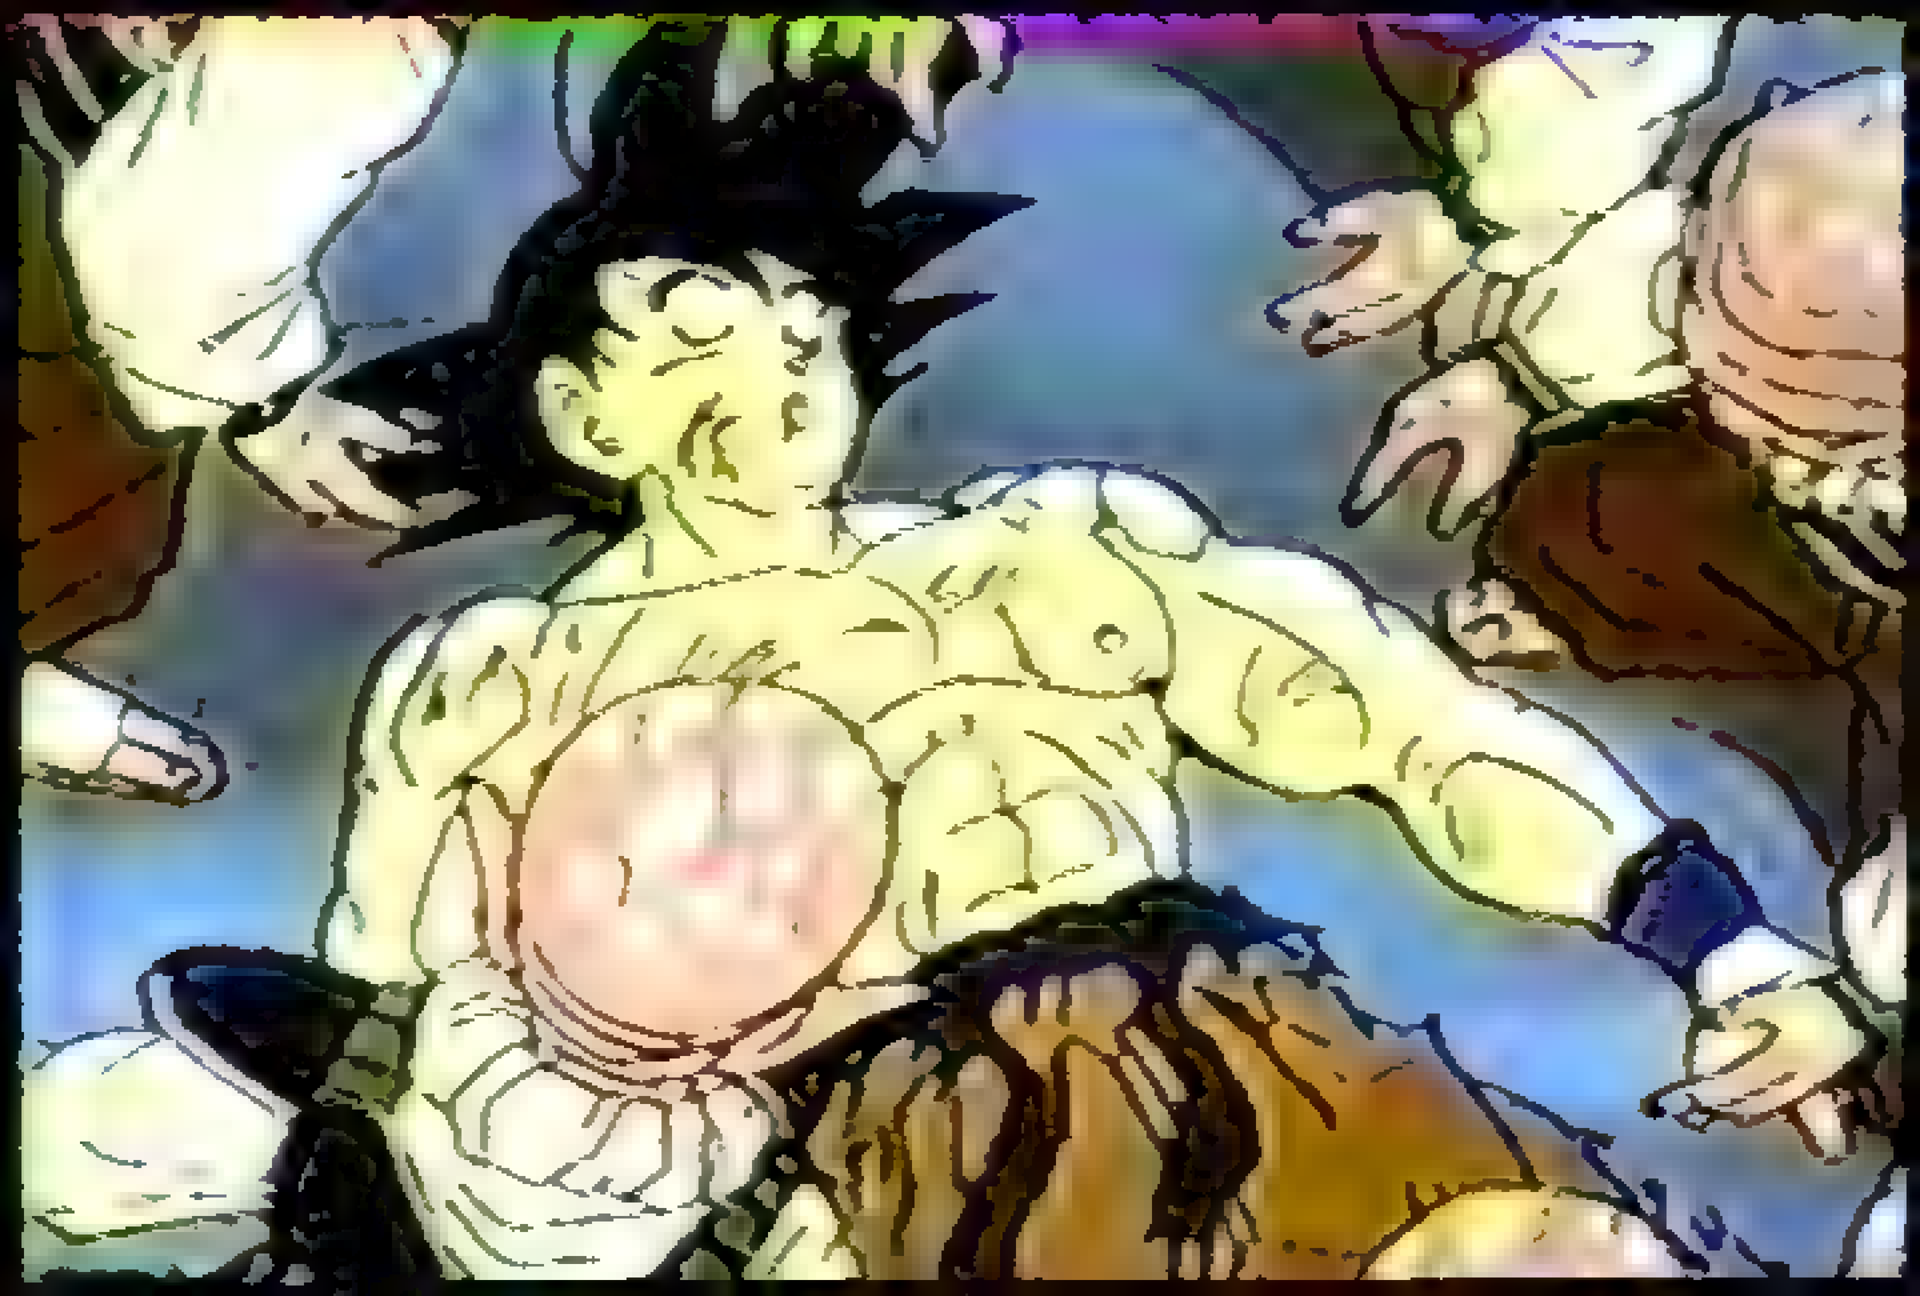

At least this doesn't look like heaven.

At least this doesn't look like heaven

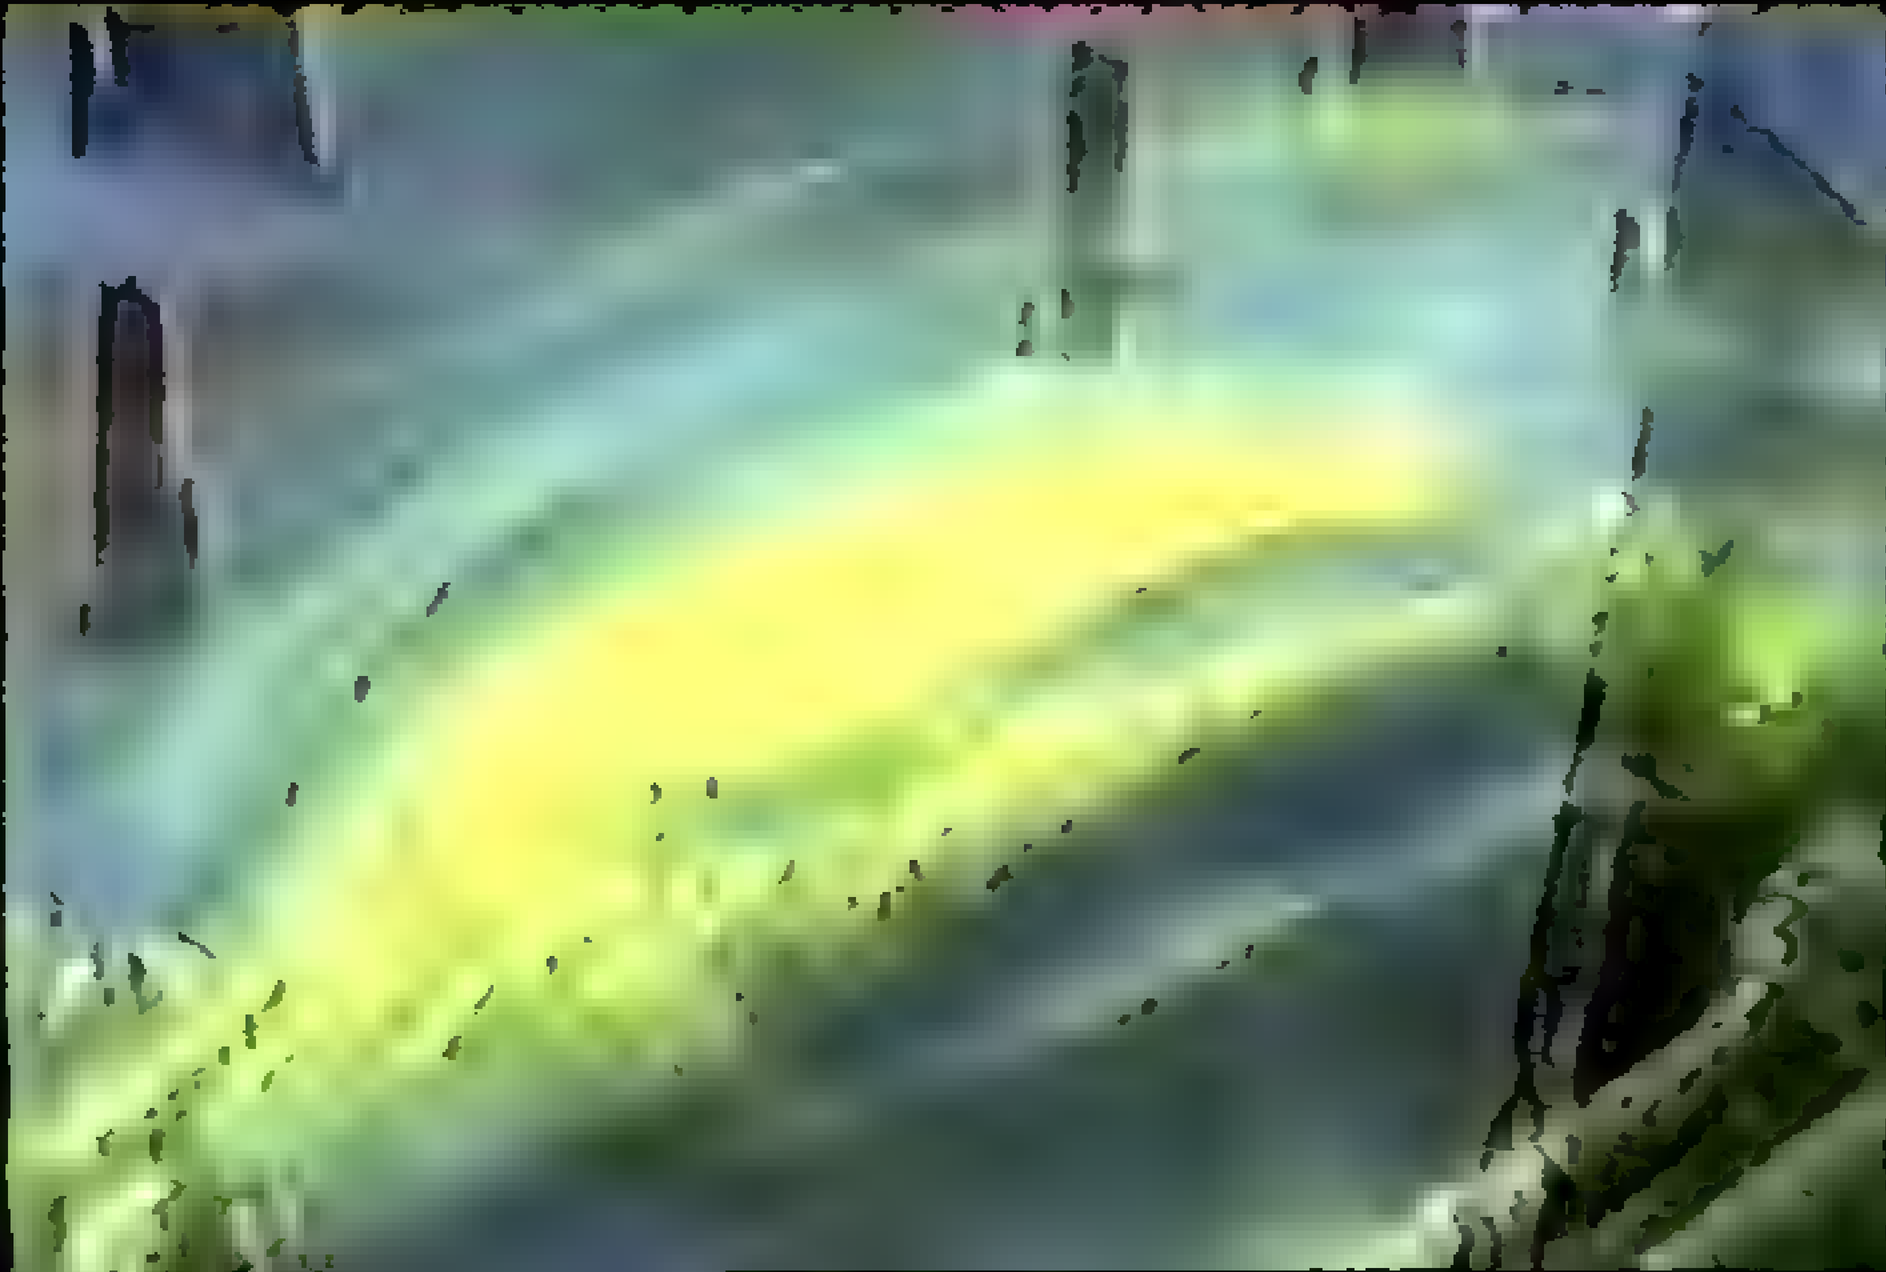

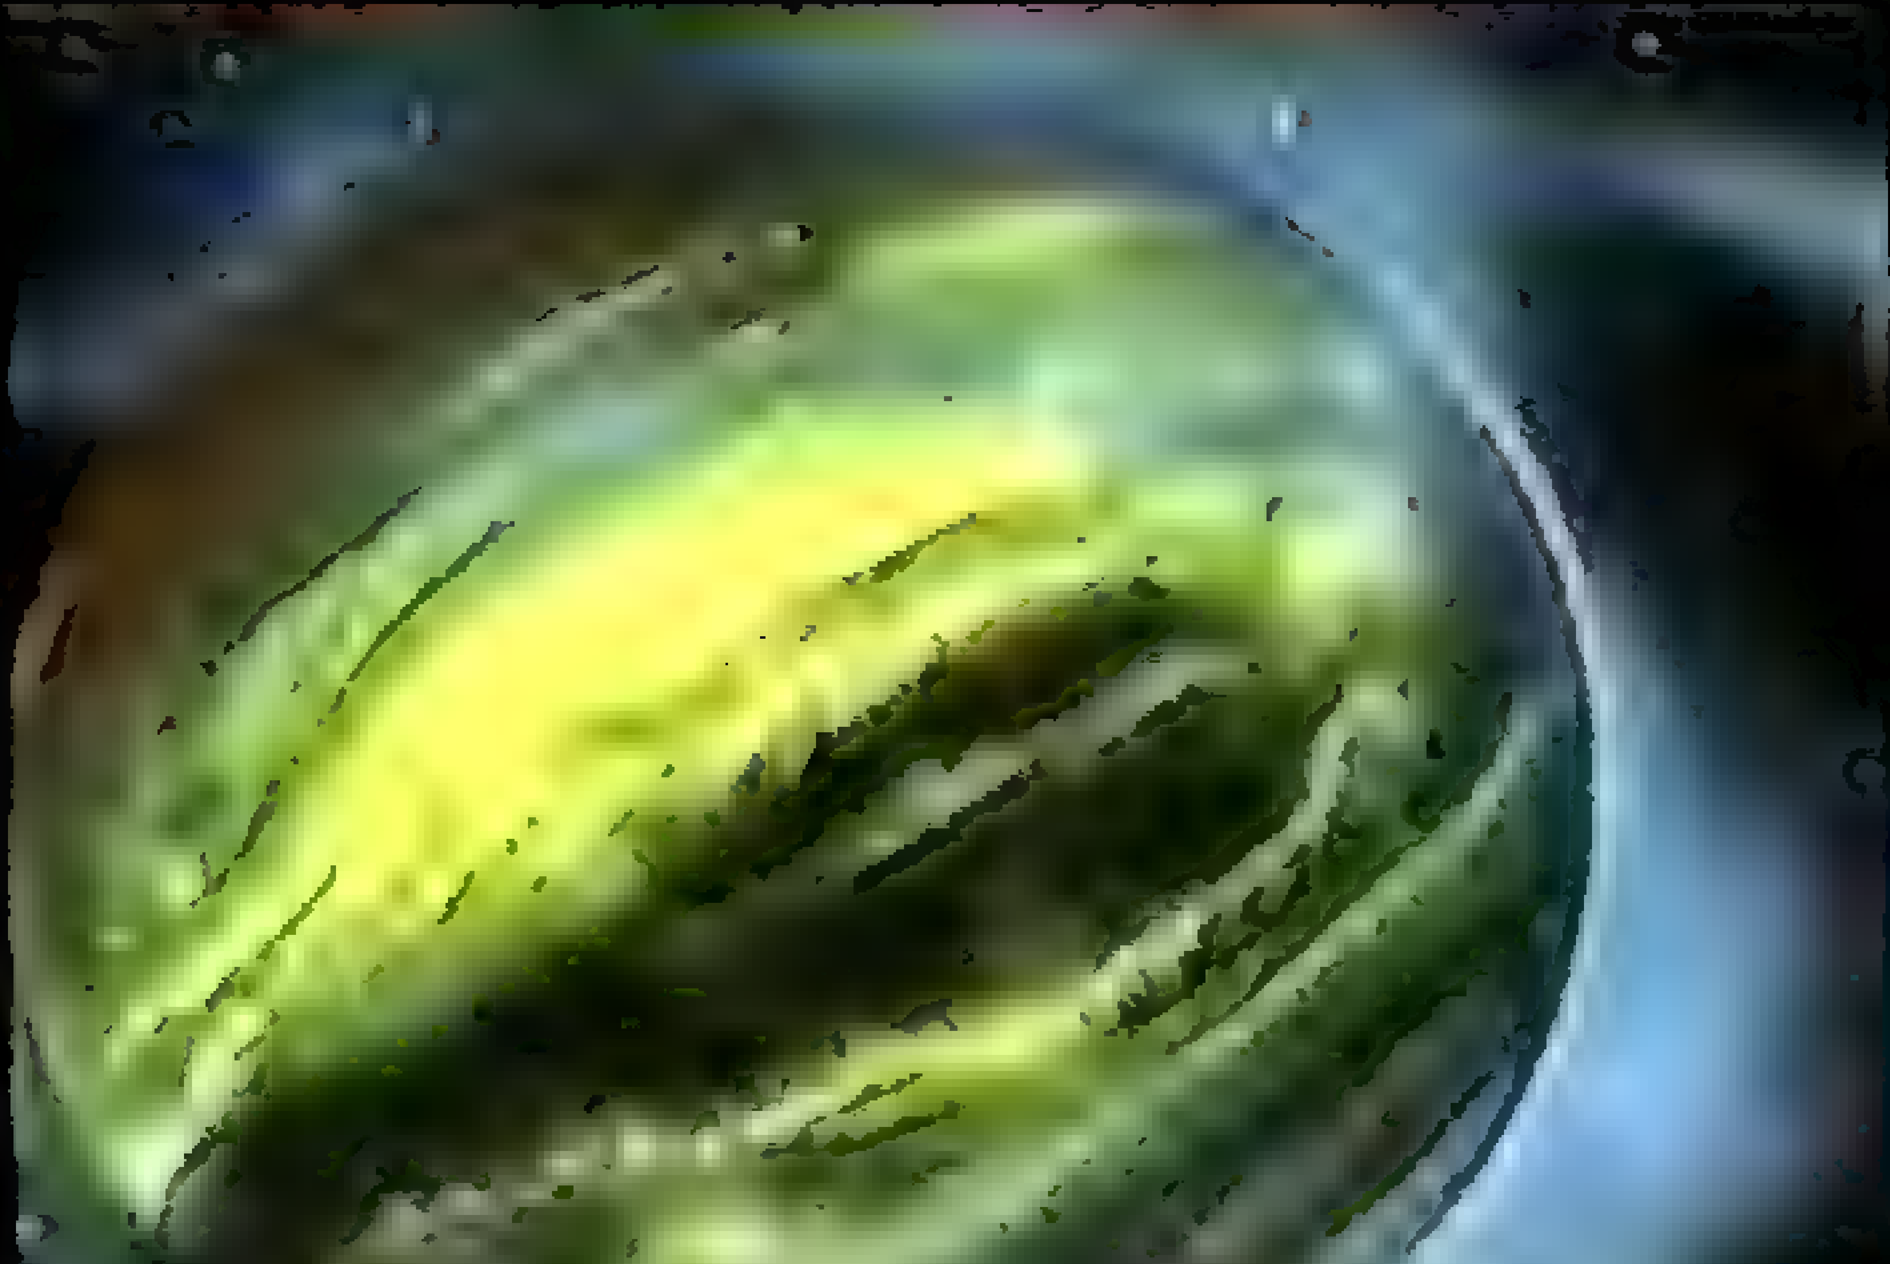

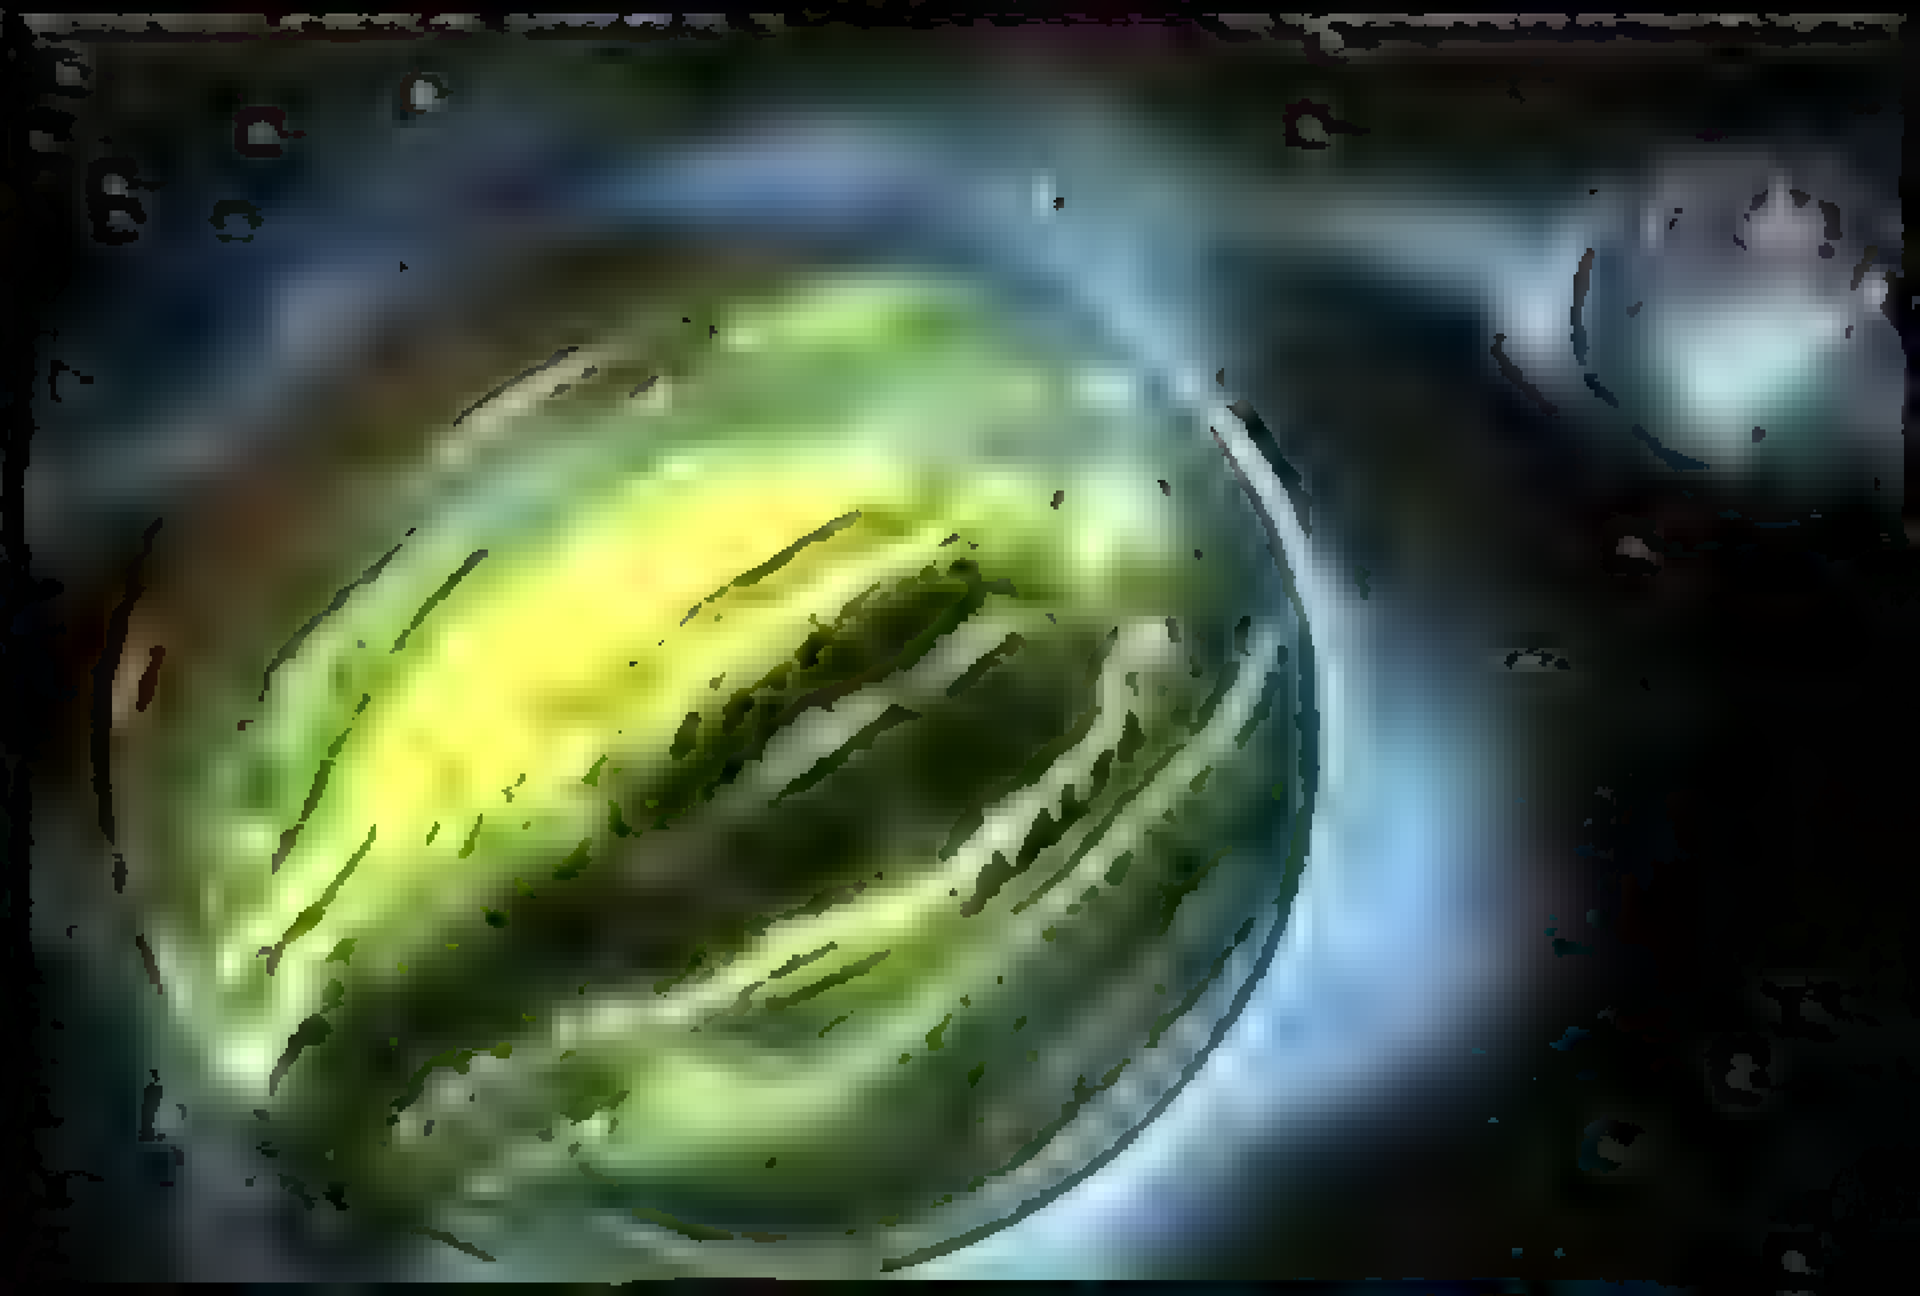

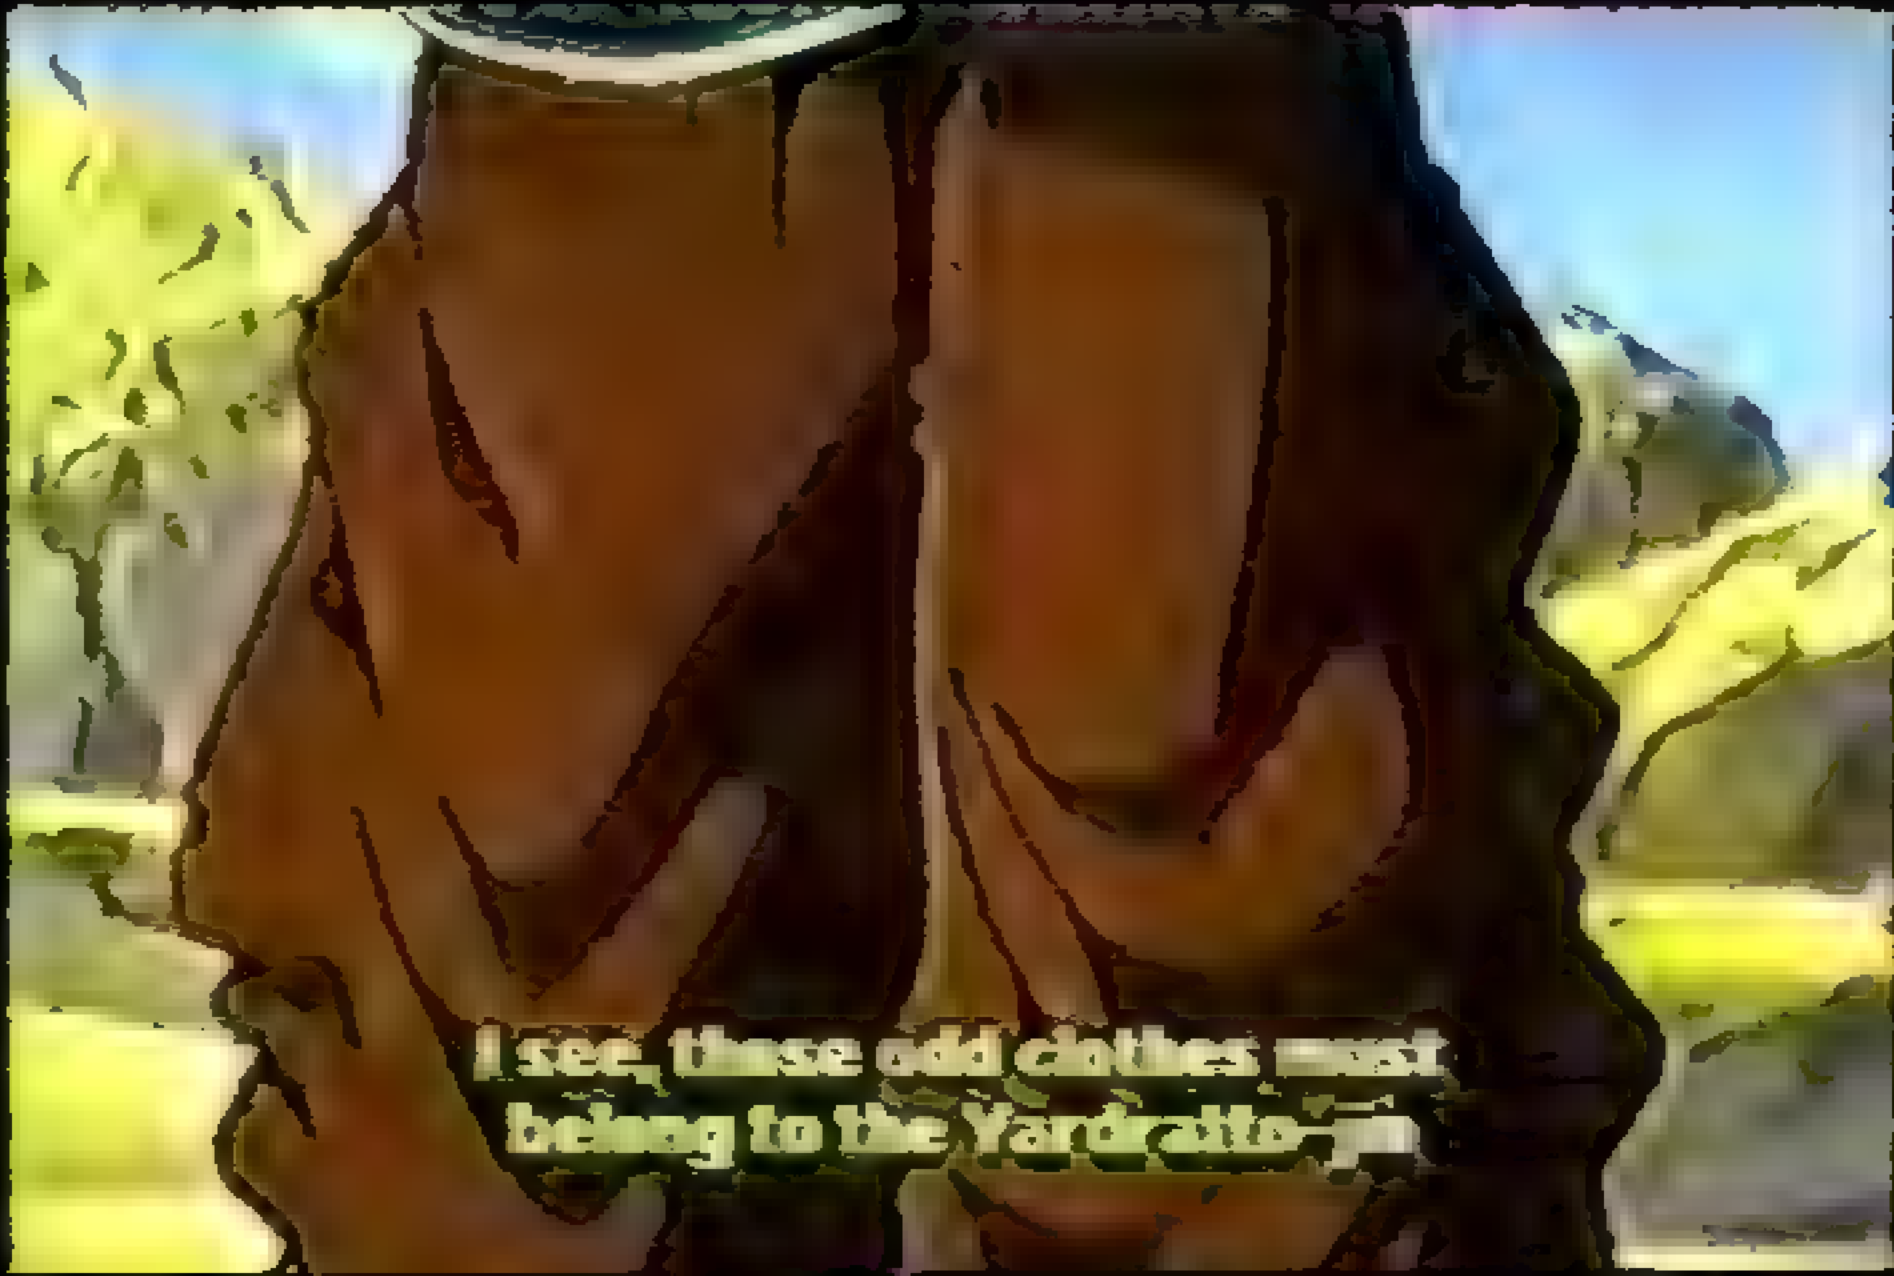

They must have planned on attacking

They must have planned on attacking
Yardrat to next and programmed
they're ships to go there.

They must have planned on attacking

their ships to go there.

I see, those odd clothes must
belong to the Yardratto-jin

I see, these odd clothes must
belong to the Yardratto-jin

I see, these odd clothes must
belong to the Yardratto-jin

Uh, we got to be friends and they gave
me these, even though they're ugly

But
were ripped to shreds

But mine were ripped to shreds

Now about you! You didn't just go
to Yardratto and then come back!

How about you? You didn't just go
to Yardratto and then come back!

They aren't strong but they
know a lot of strange techniques

They aren't strong but they
know a lot of strange techniques

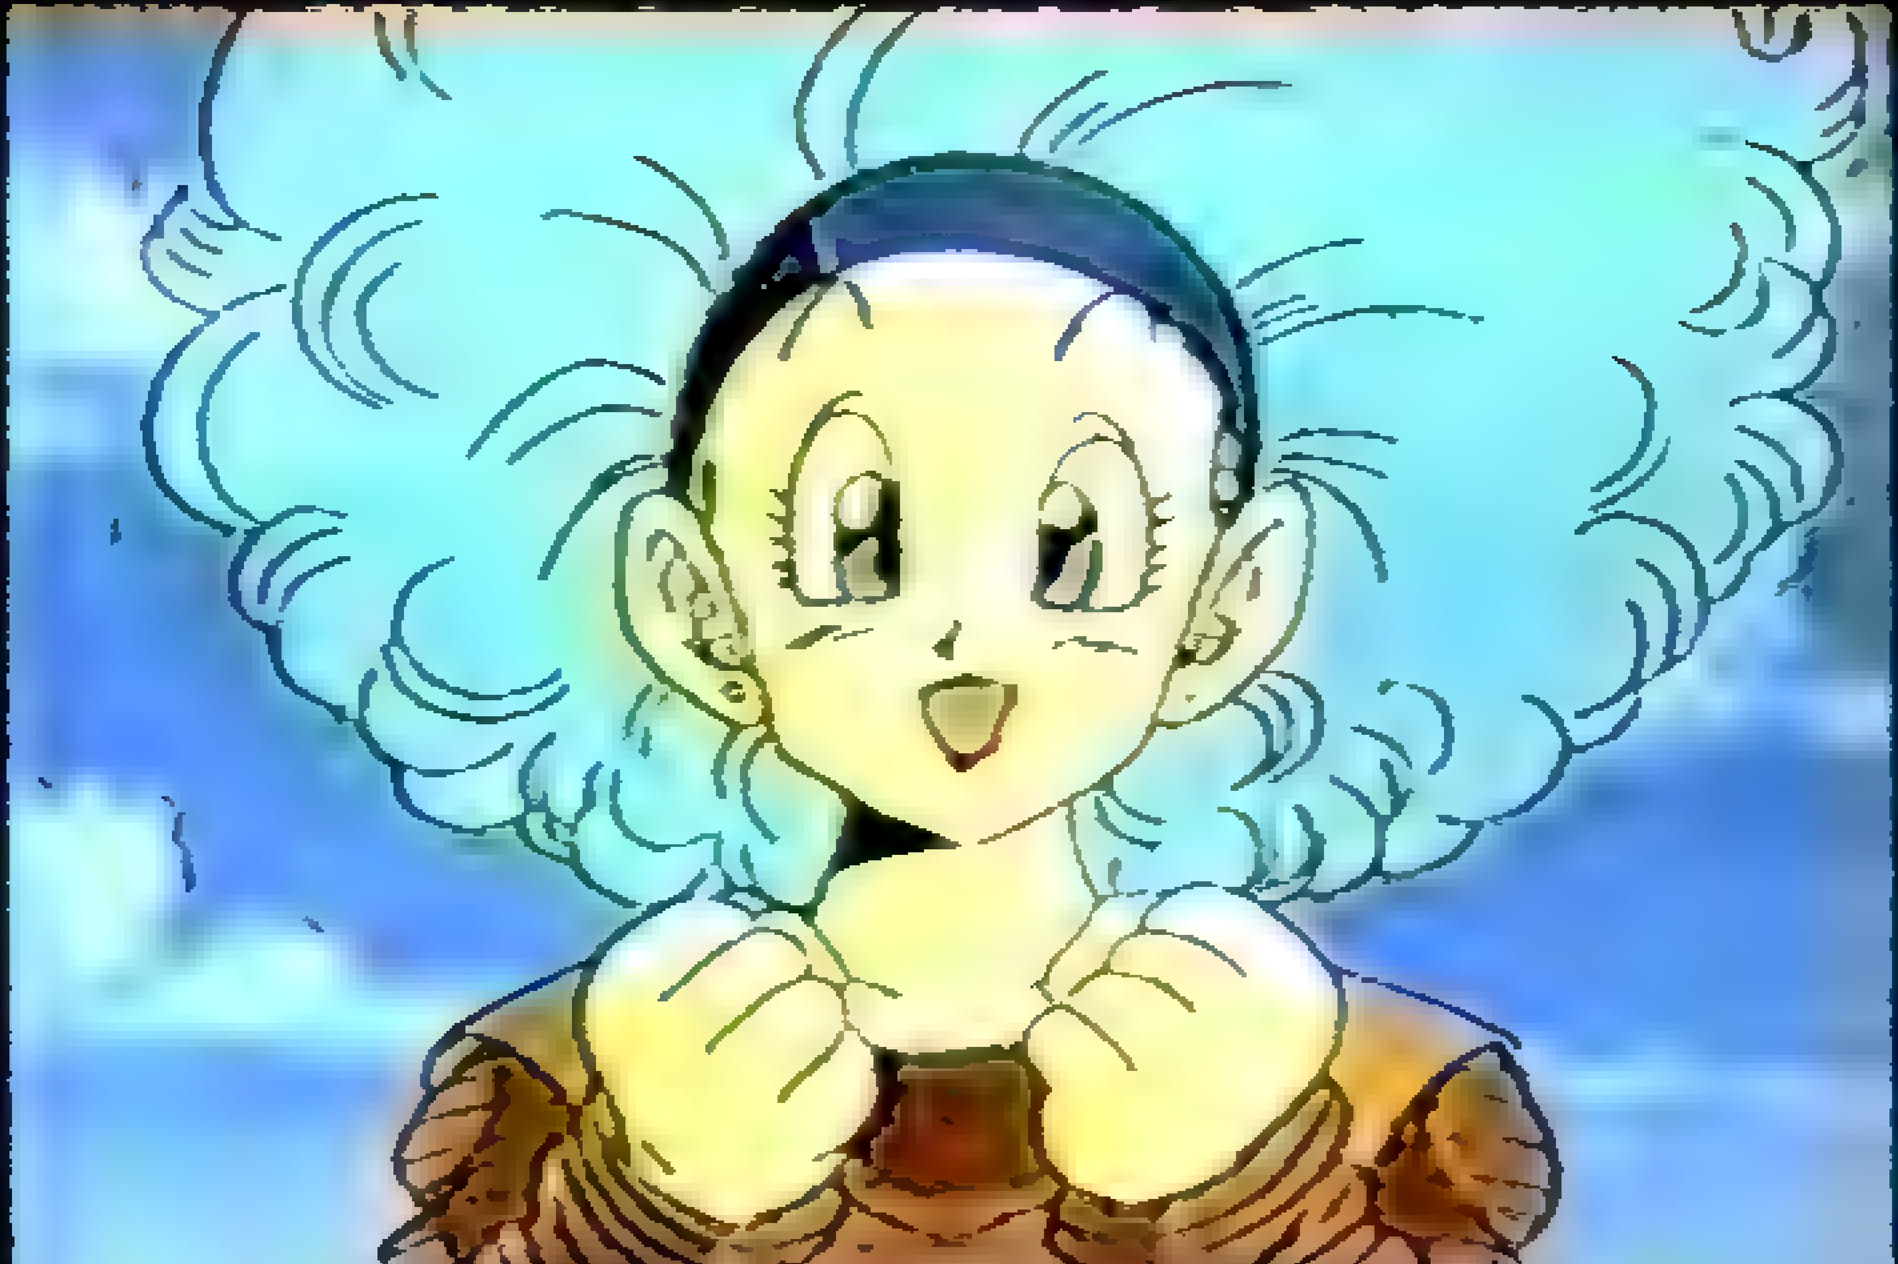

That's right!

I see, that's why you didn't want
to come back to Earth until now.

Hey, what did you learn?

I didn't have much time, so I could
only learn one new technique.
even so that took a lot of work

I didn't have much time, so I could

It's called Instantaneous Movement!

It's called Instantaneous Movement!

You want to see it? Okay

This doesn't take you to a place, you
think of someone and then feel they're
it so you can only go somewhere
where someone you know is

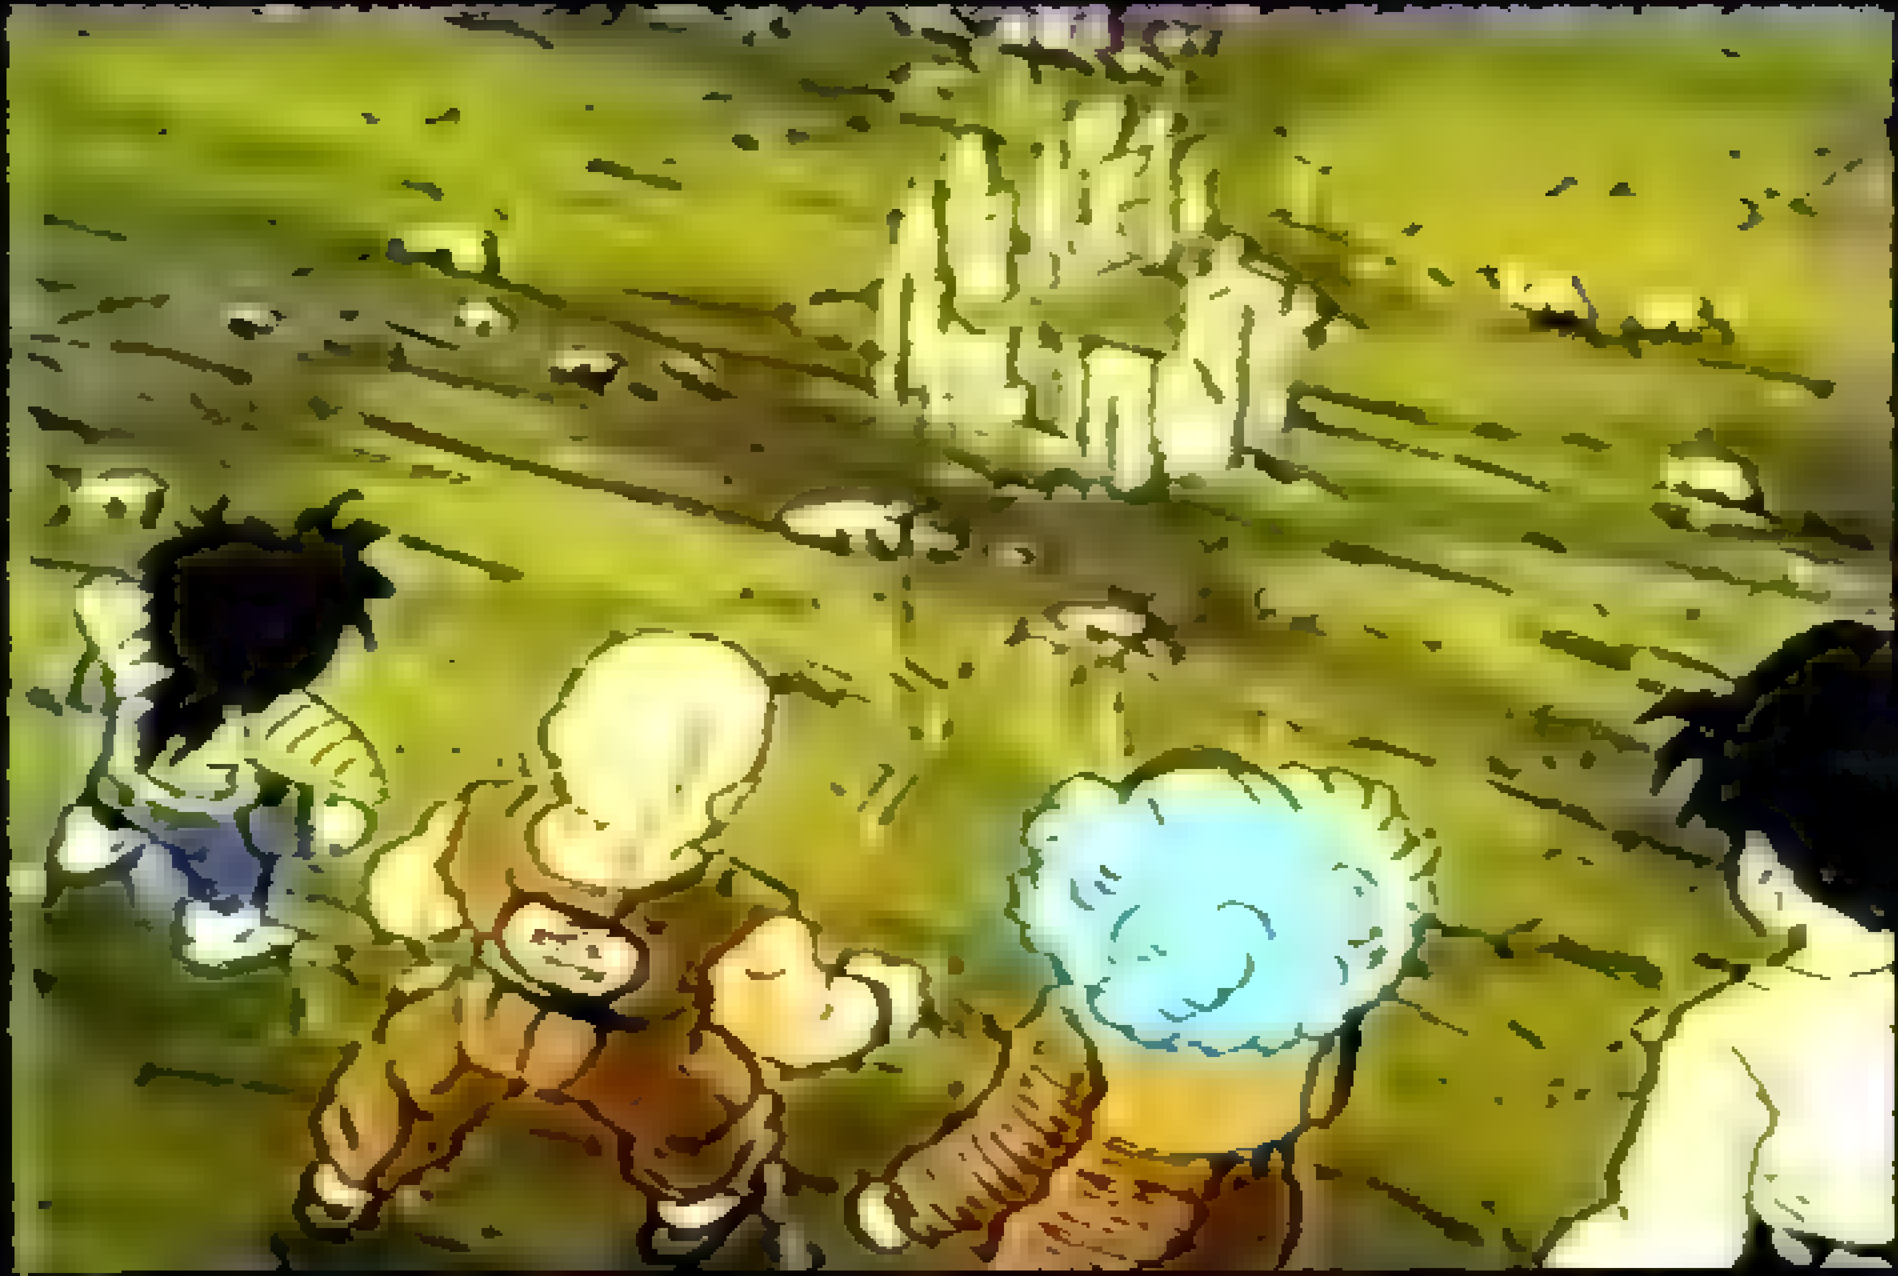

Let's see, where should I go?

Let's see, where should I go?

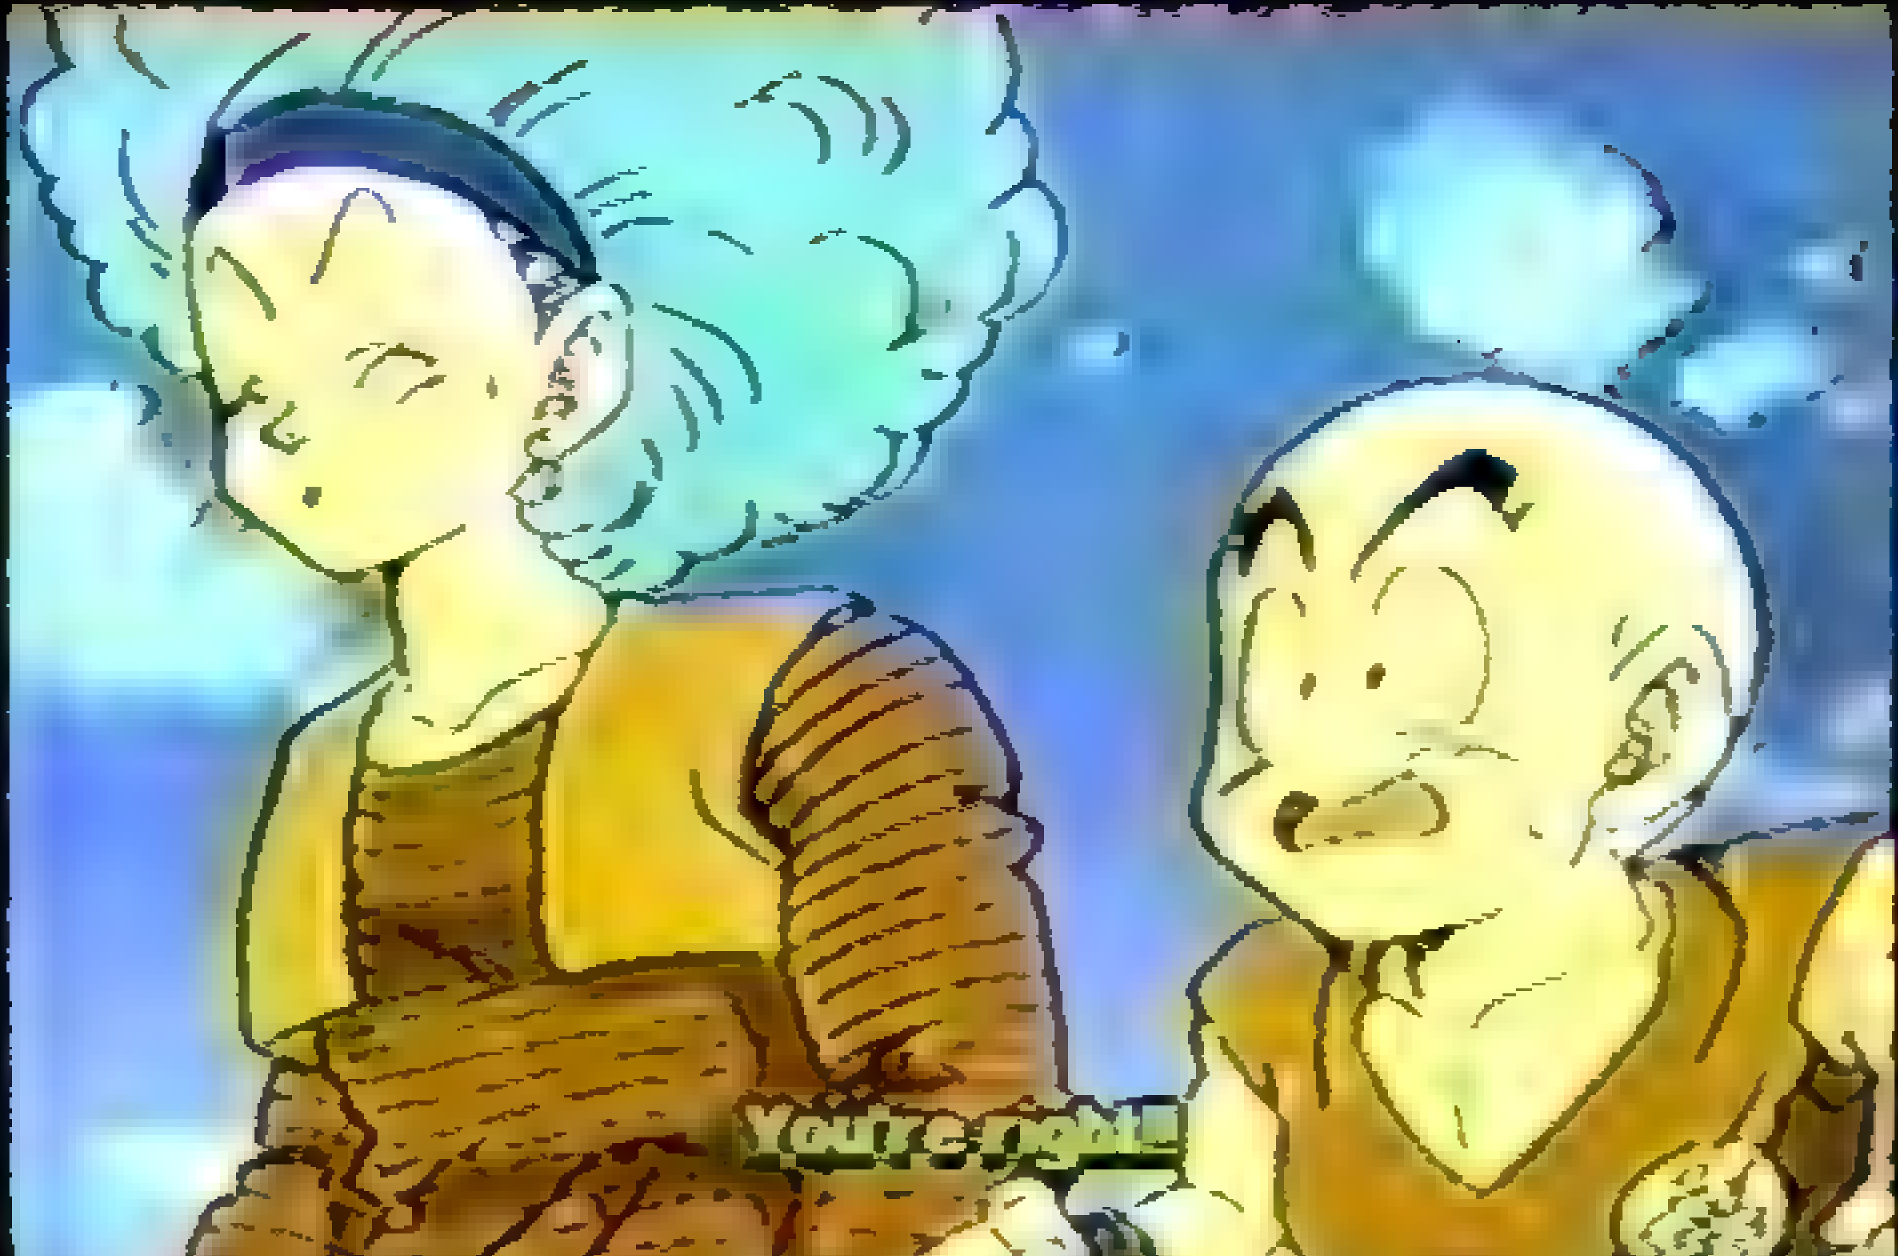

That's stupid. How's that
instantaneous movement

That's stupid, How's that

What are these?

You're right!

KAME

They're gone! They're gone! My sunglass's are gone

They're gone! They're
gone! My sunglass are gone

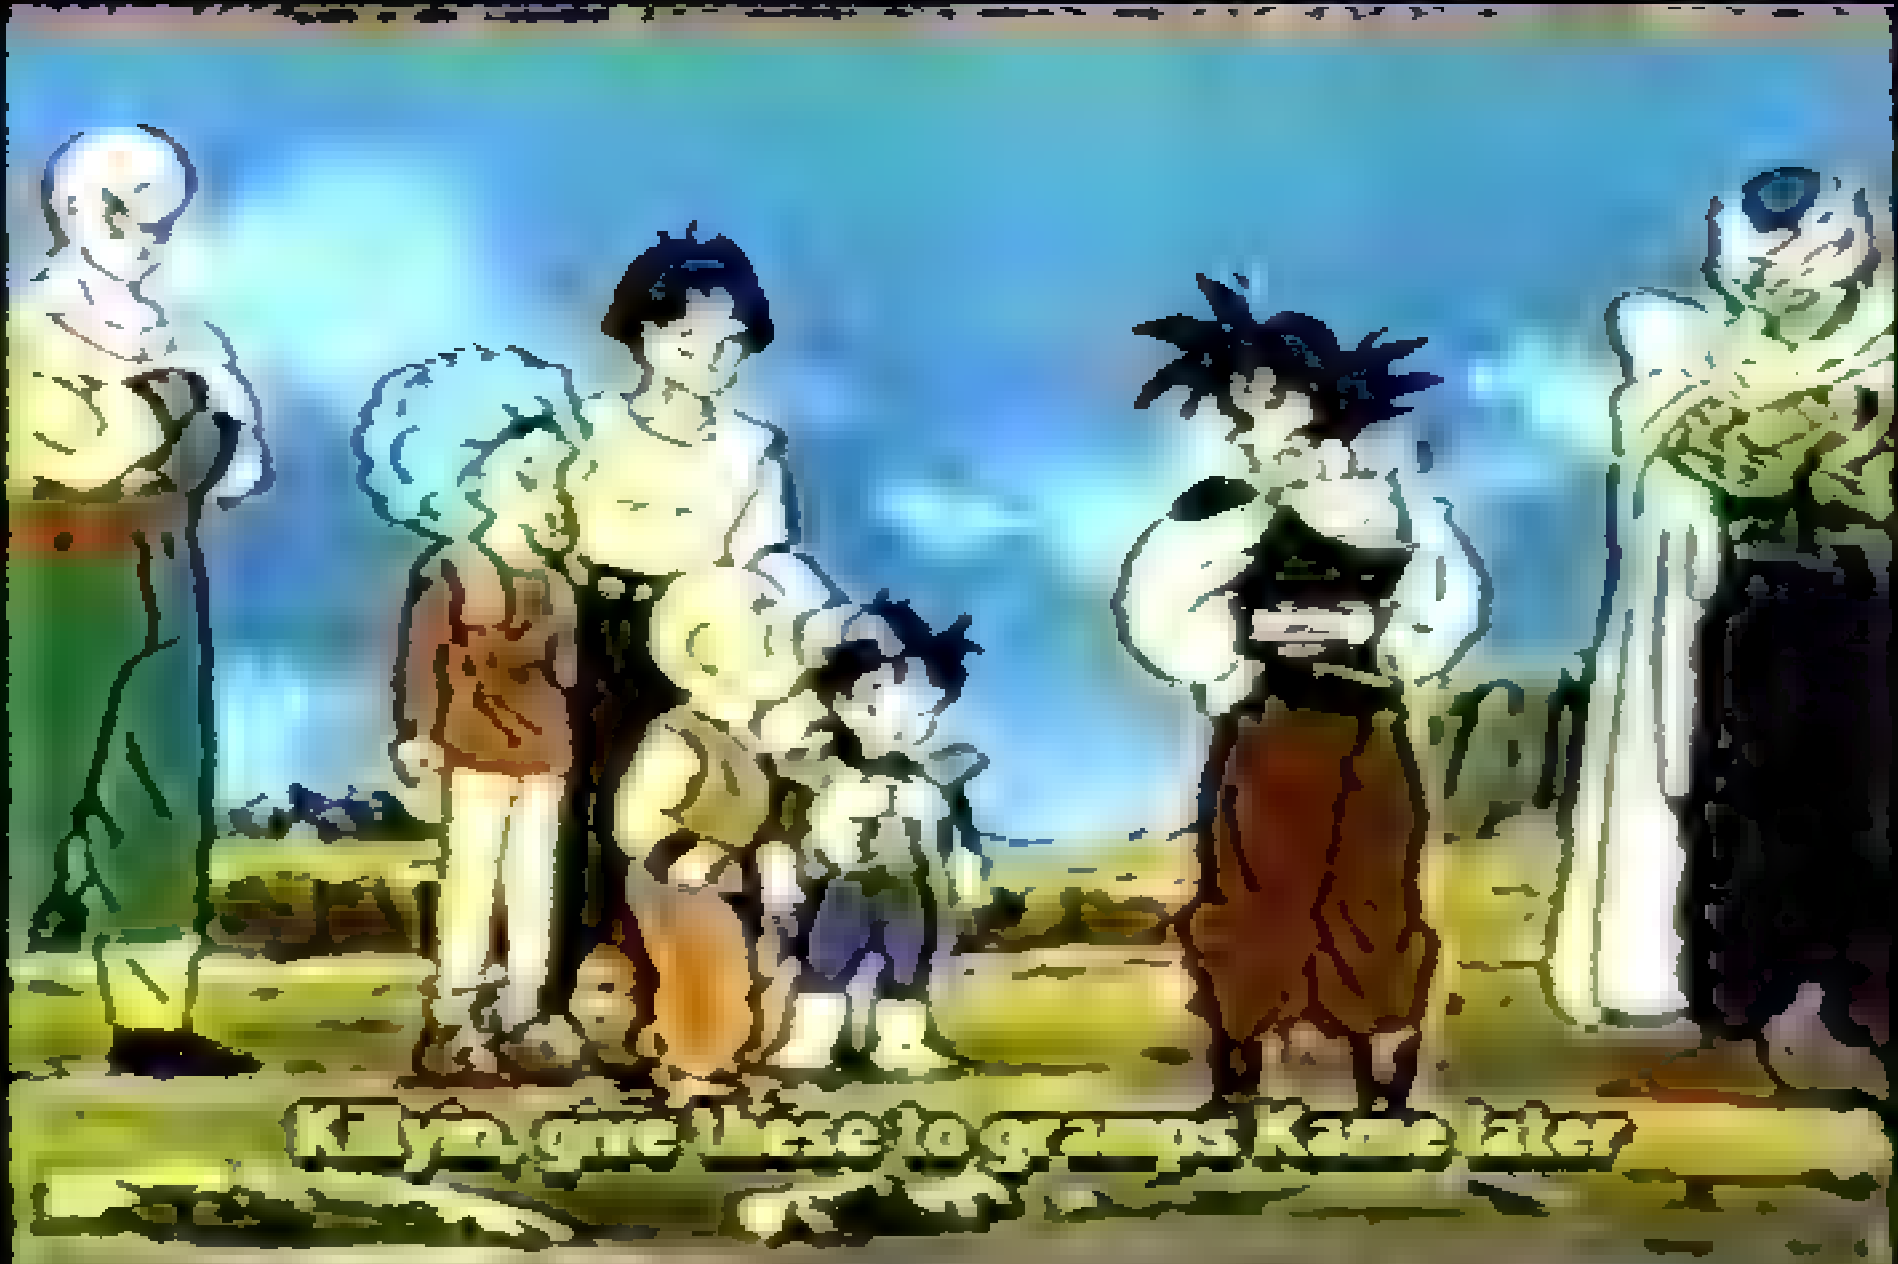

Bu..but Kame House is
10,000 kilometers from here.

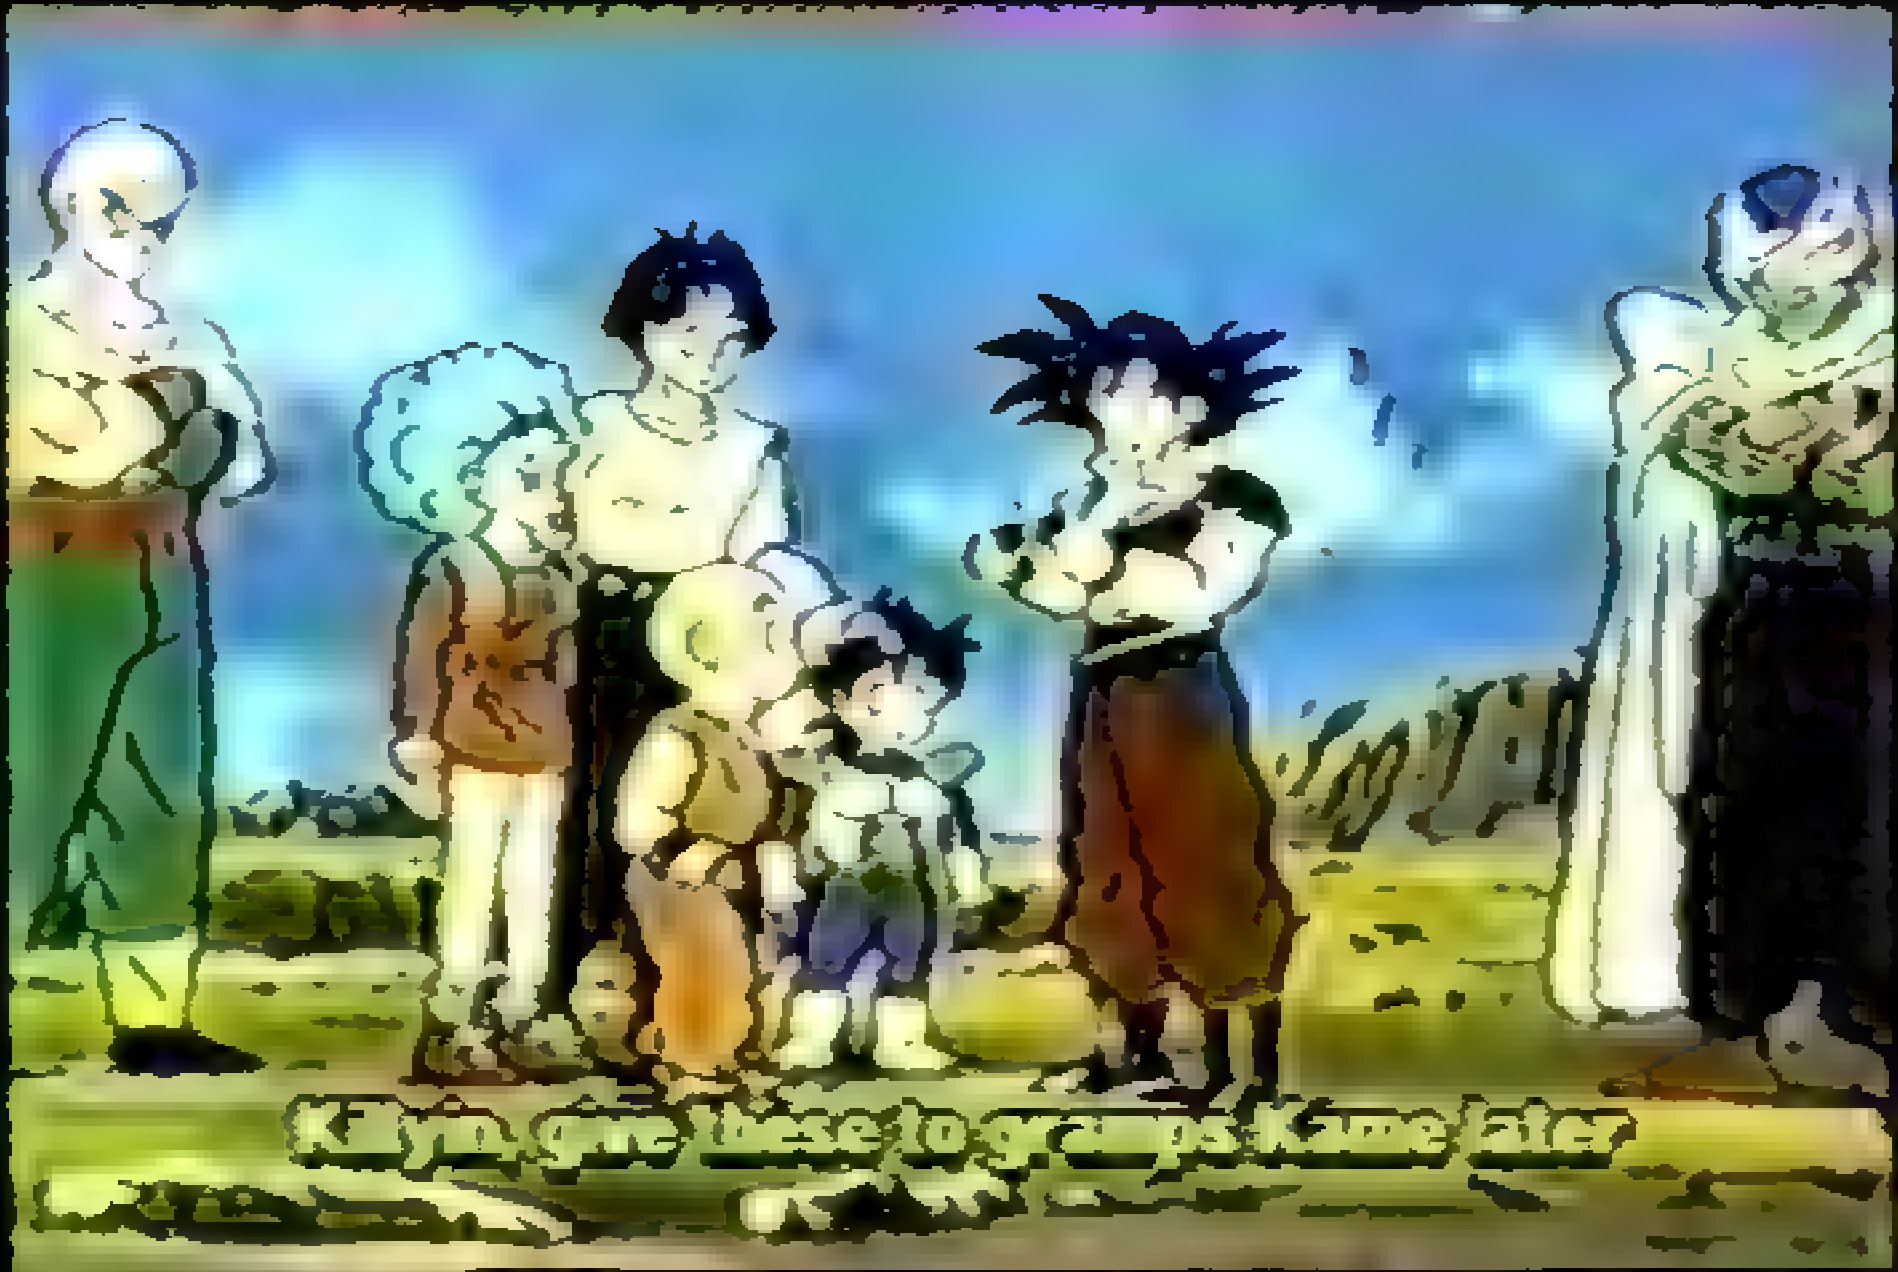

Bu, but Kame House is
10,000 kilometers from here

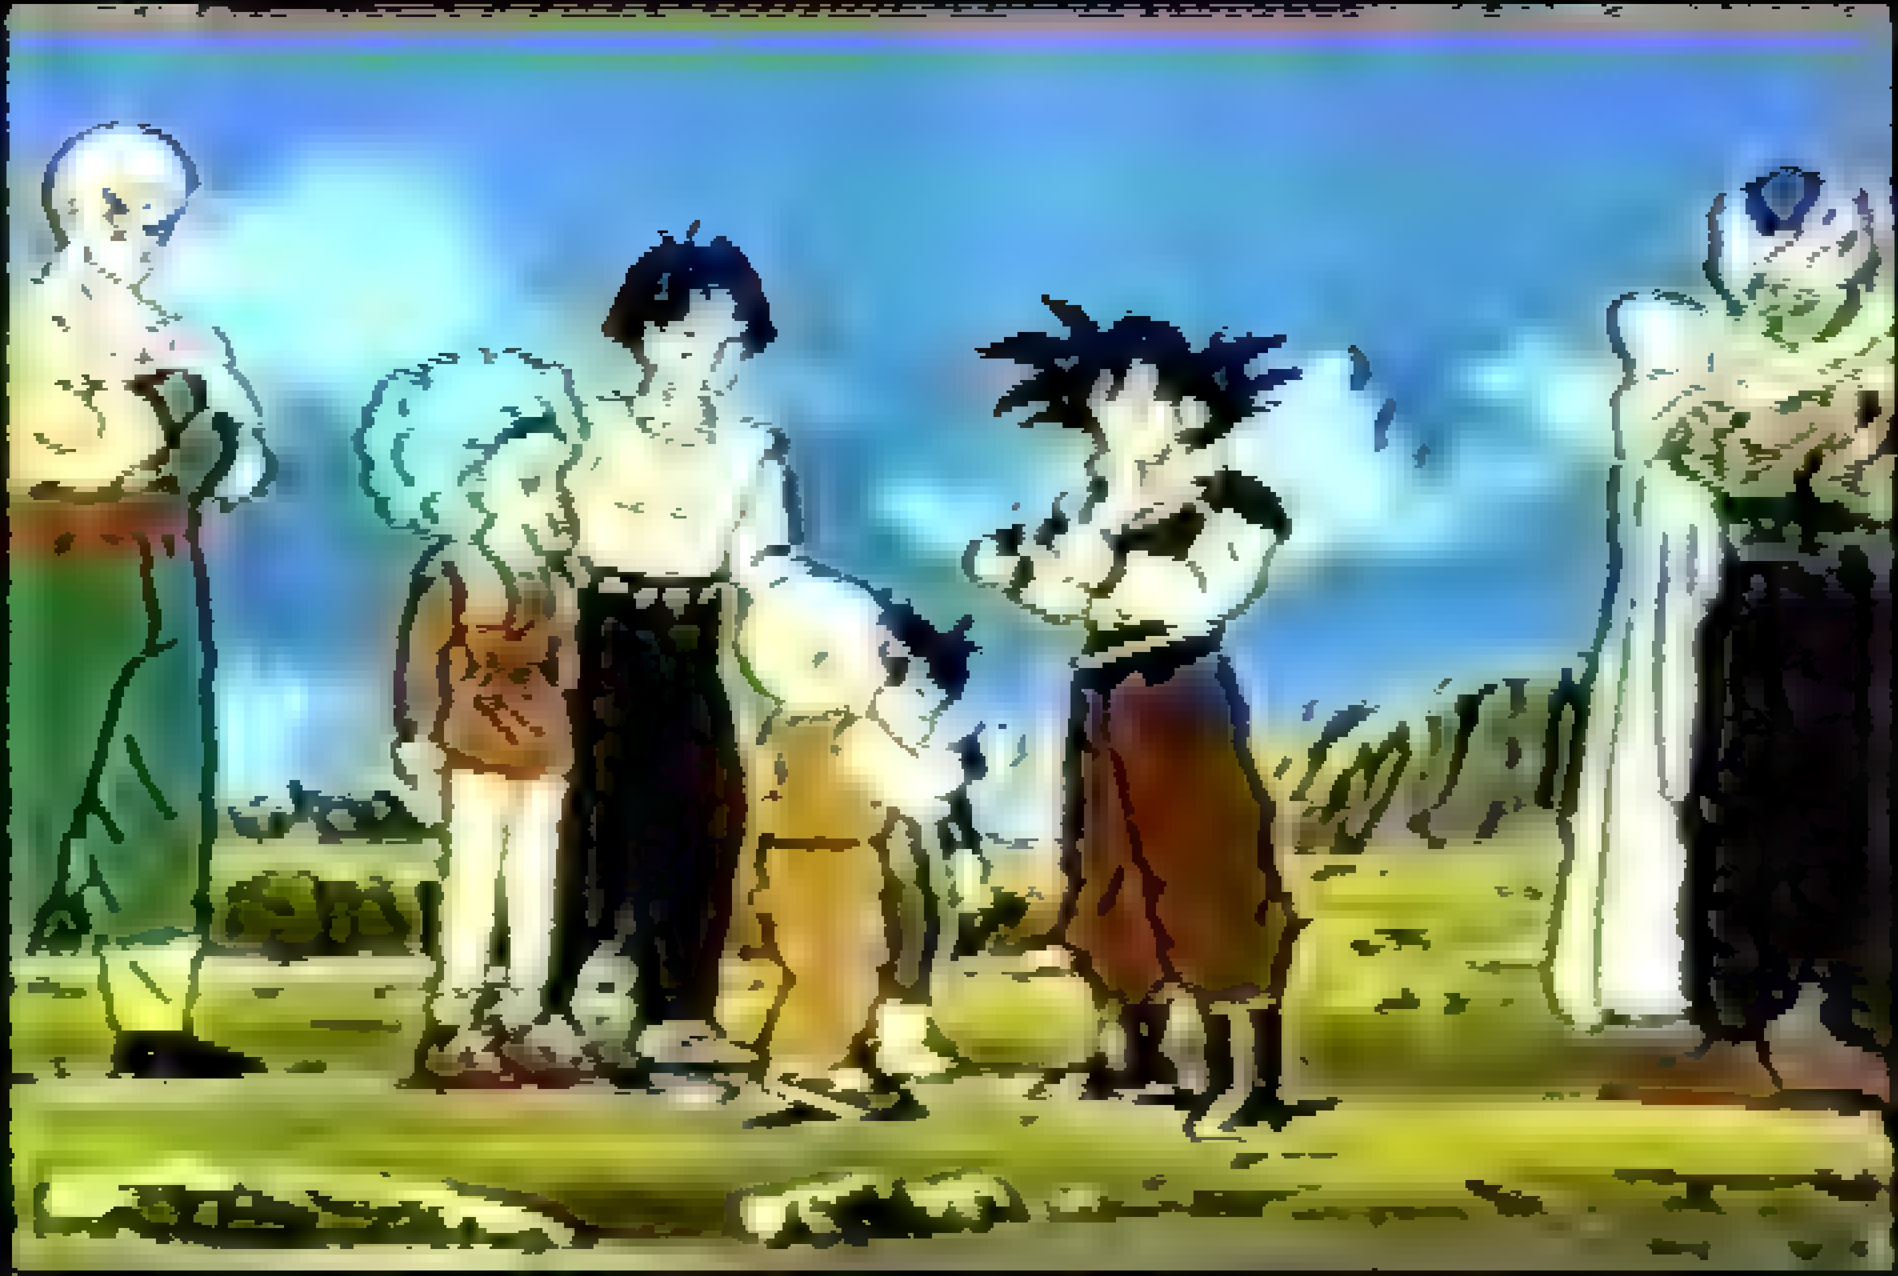

Told you

Krillyn, give these to gramps Kame later

You can do anything now

Not really

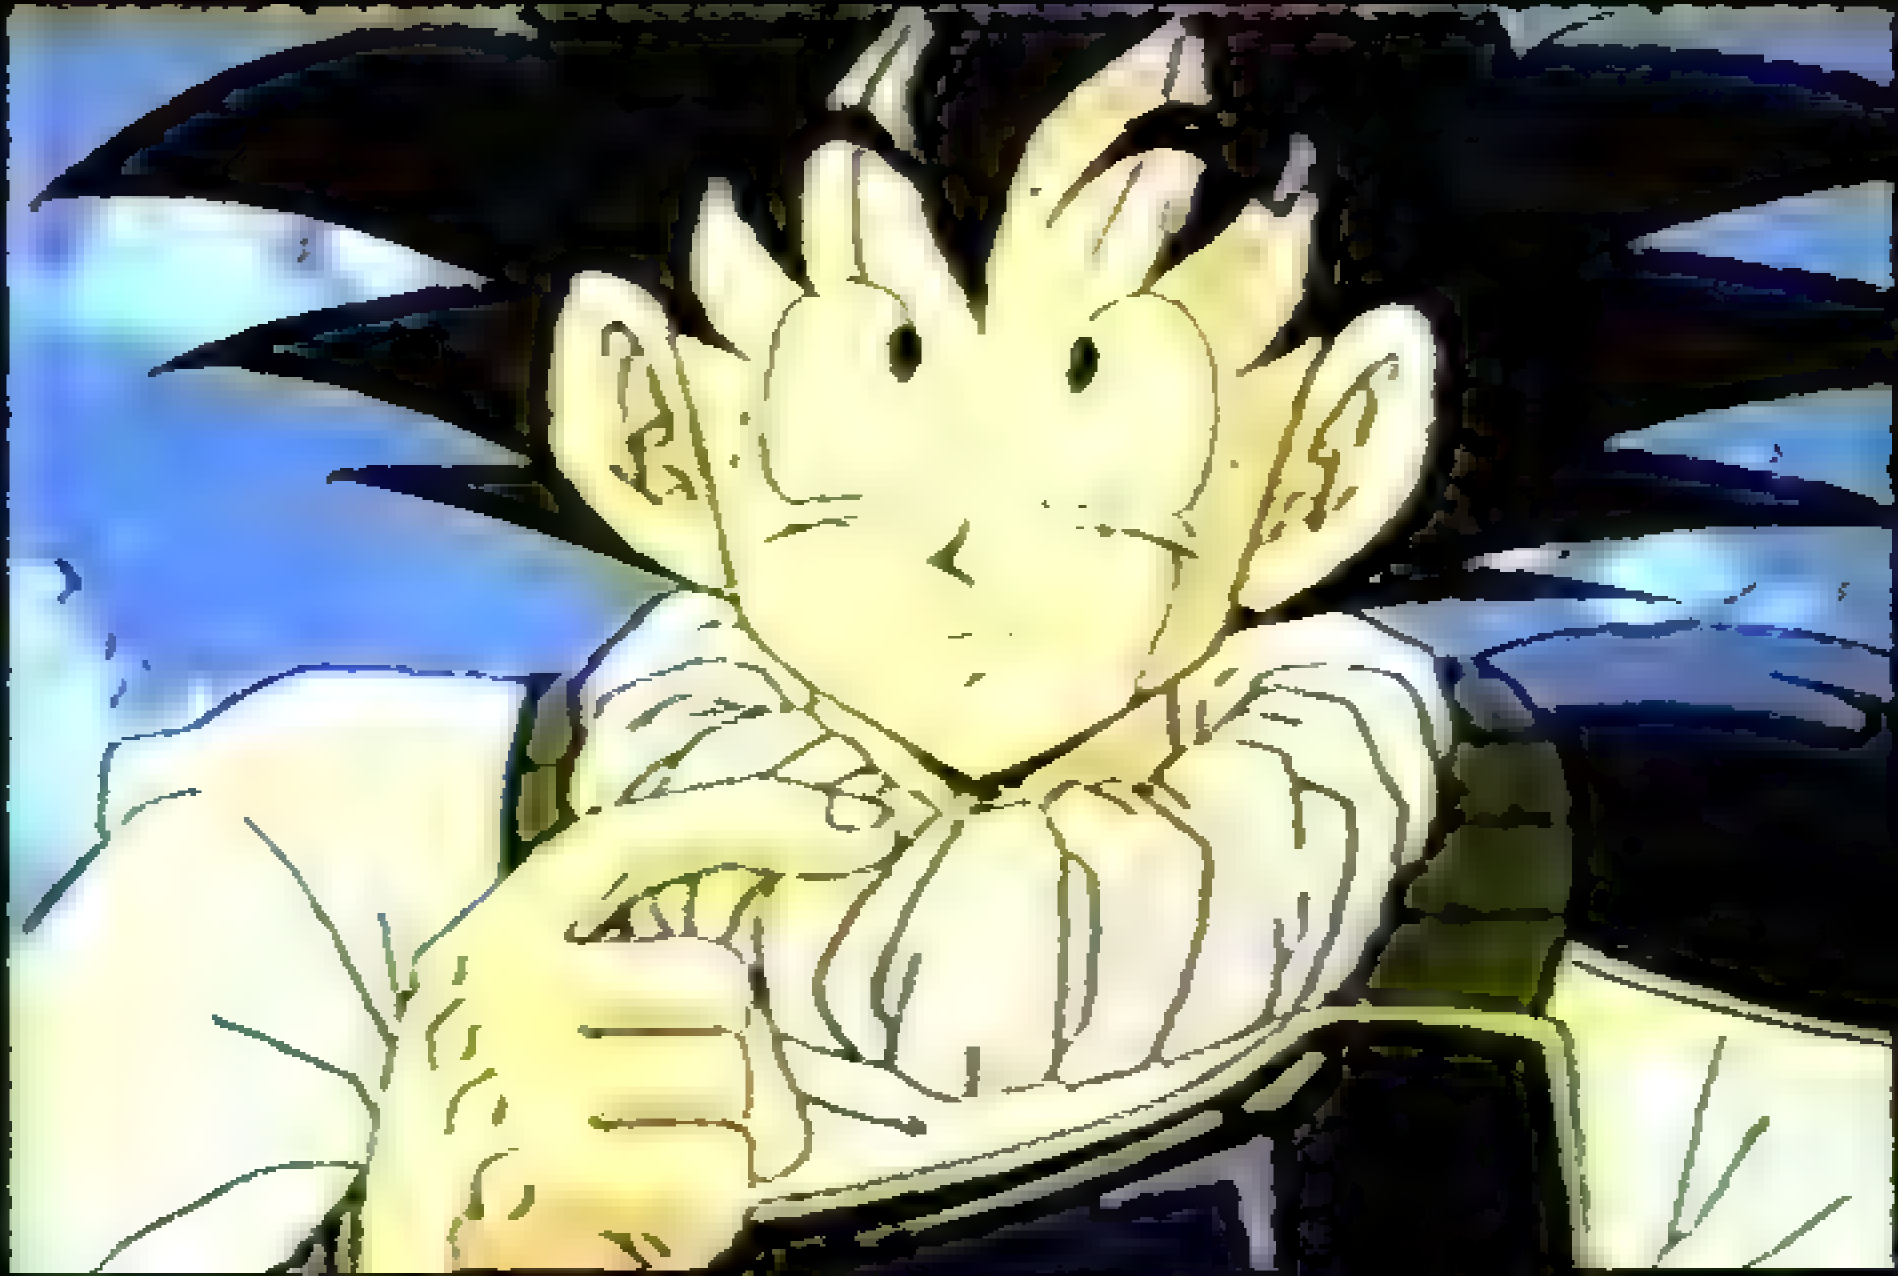

Let's all meet in three years

Let's all meet in three years

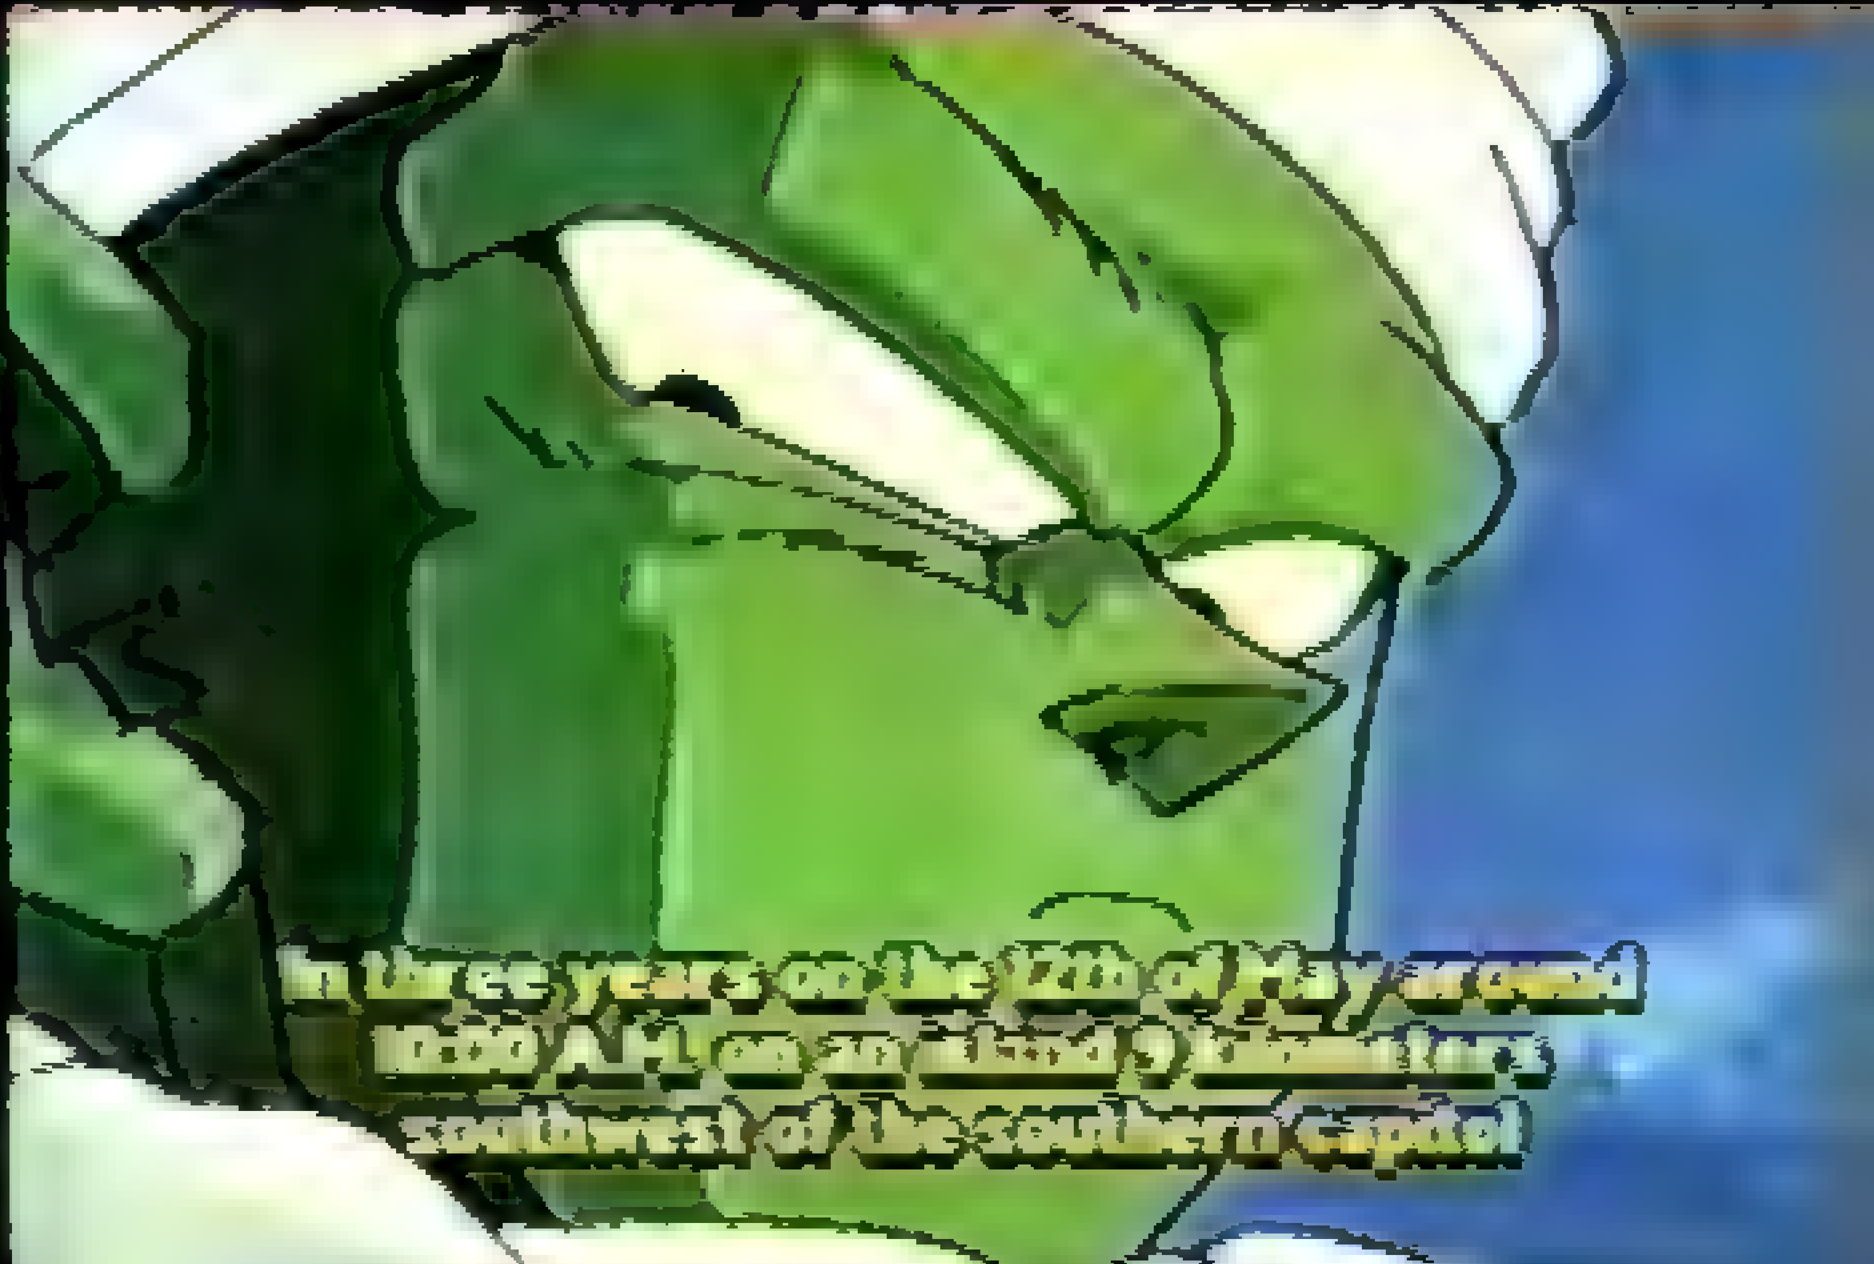

Where should we meet them?

I'm sure he told me but...

In three years on the 12th of May around
10:00 A.M. on an island 9 kilometers
southwest of the southern capital

Let's meet an hour early
at 9:00 A.M. on that island

Let's meet an hour early

Thank goodness Piccolo overheard you

Thank goodness Piccolo overheard you!

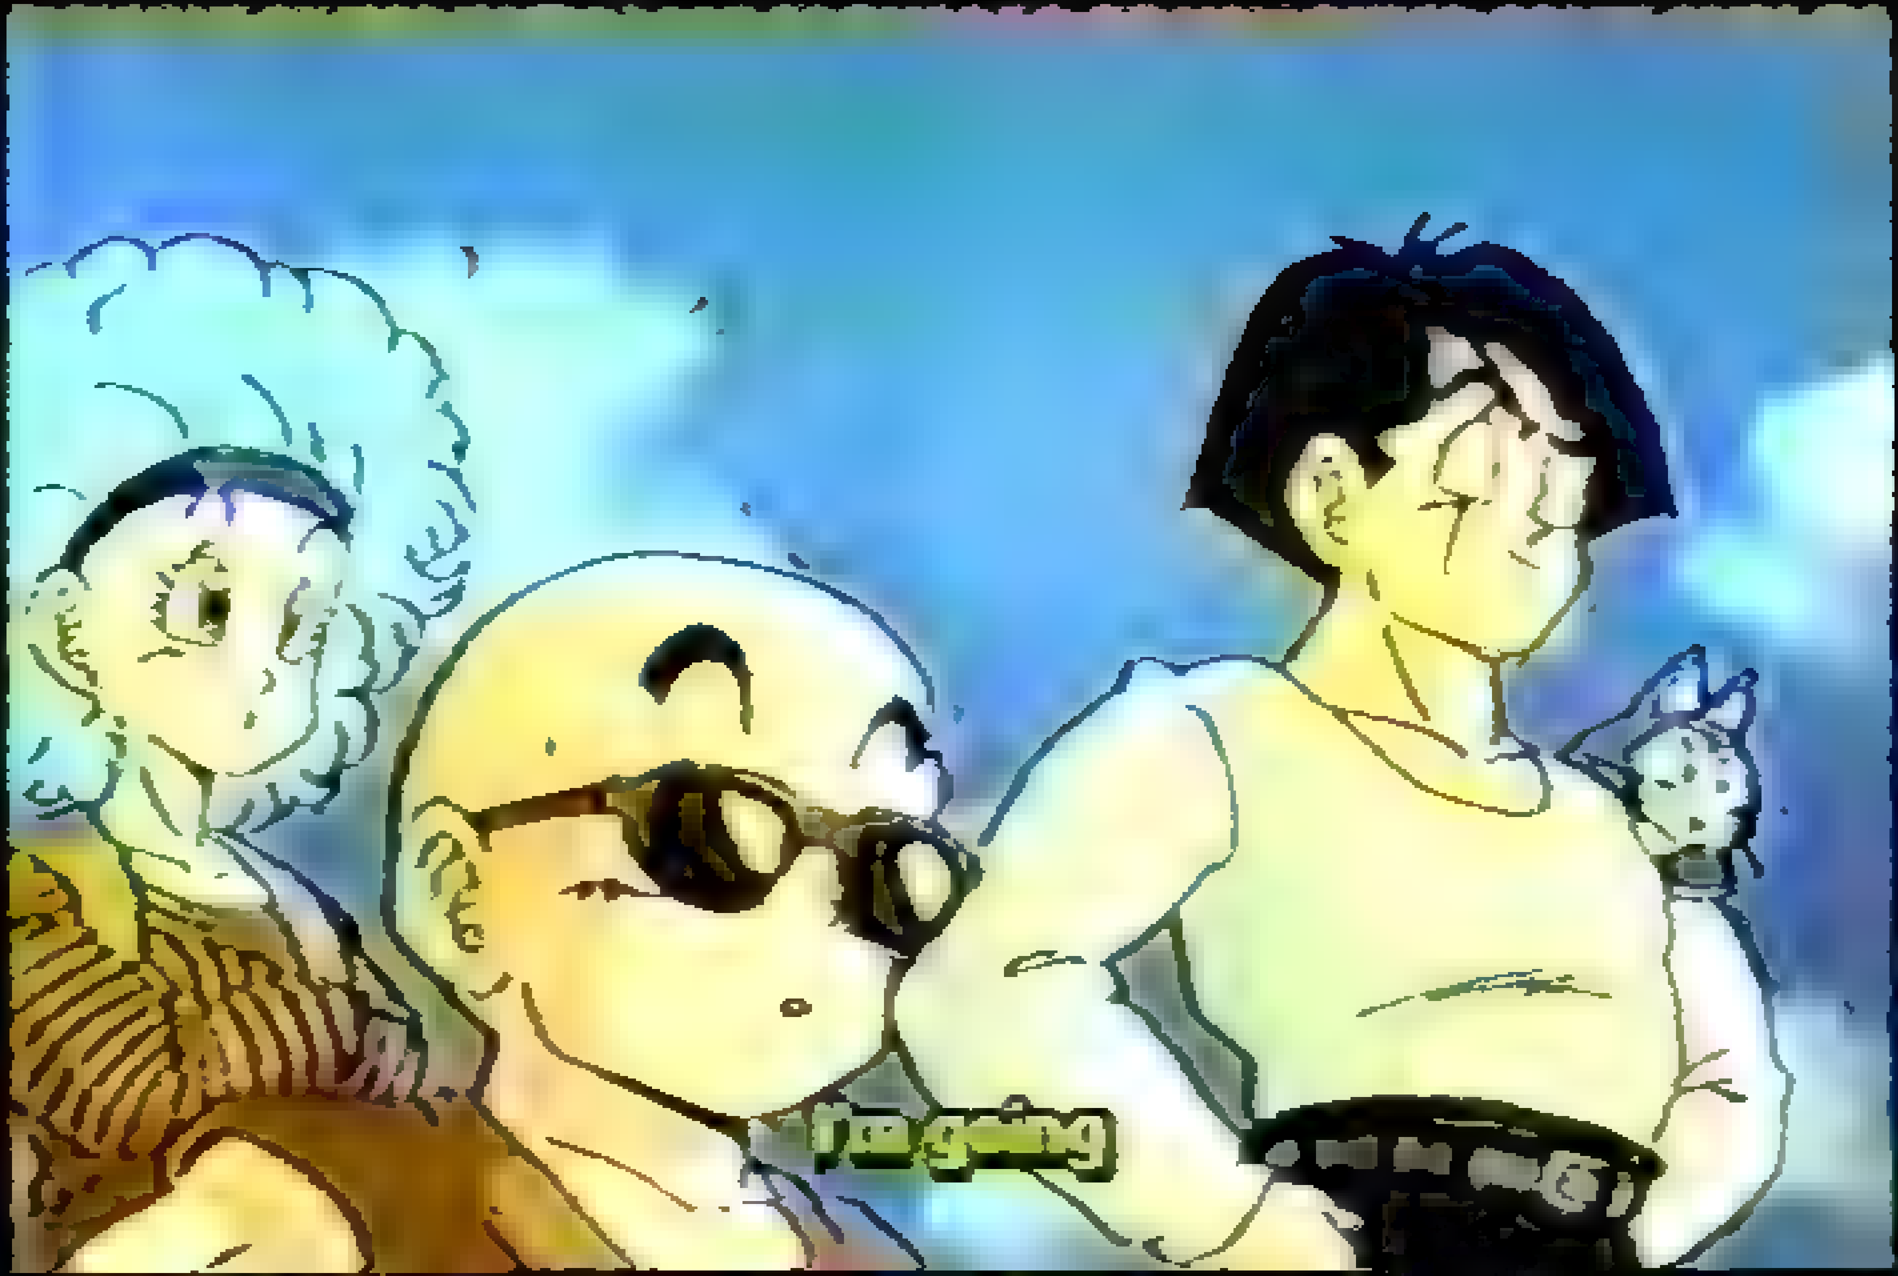

Just in case, anyone without self
confidence doesn't need to come! It
looks like these opponents are serious

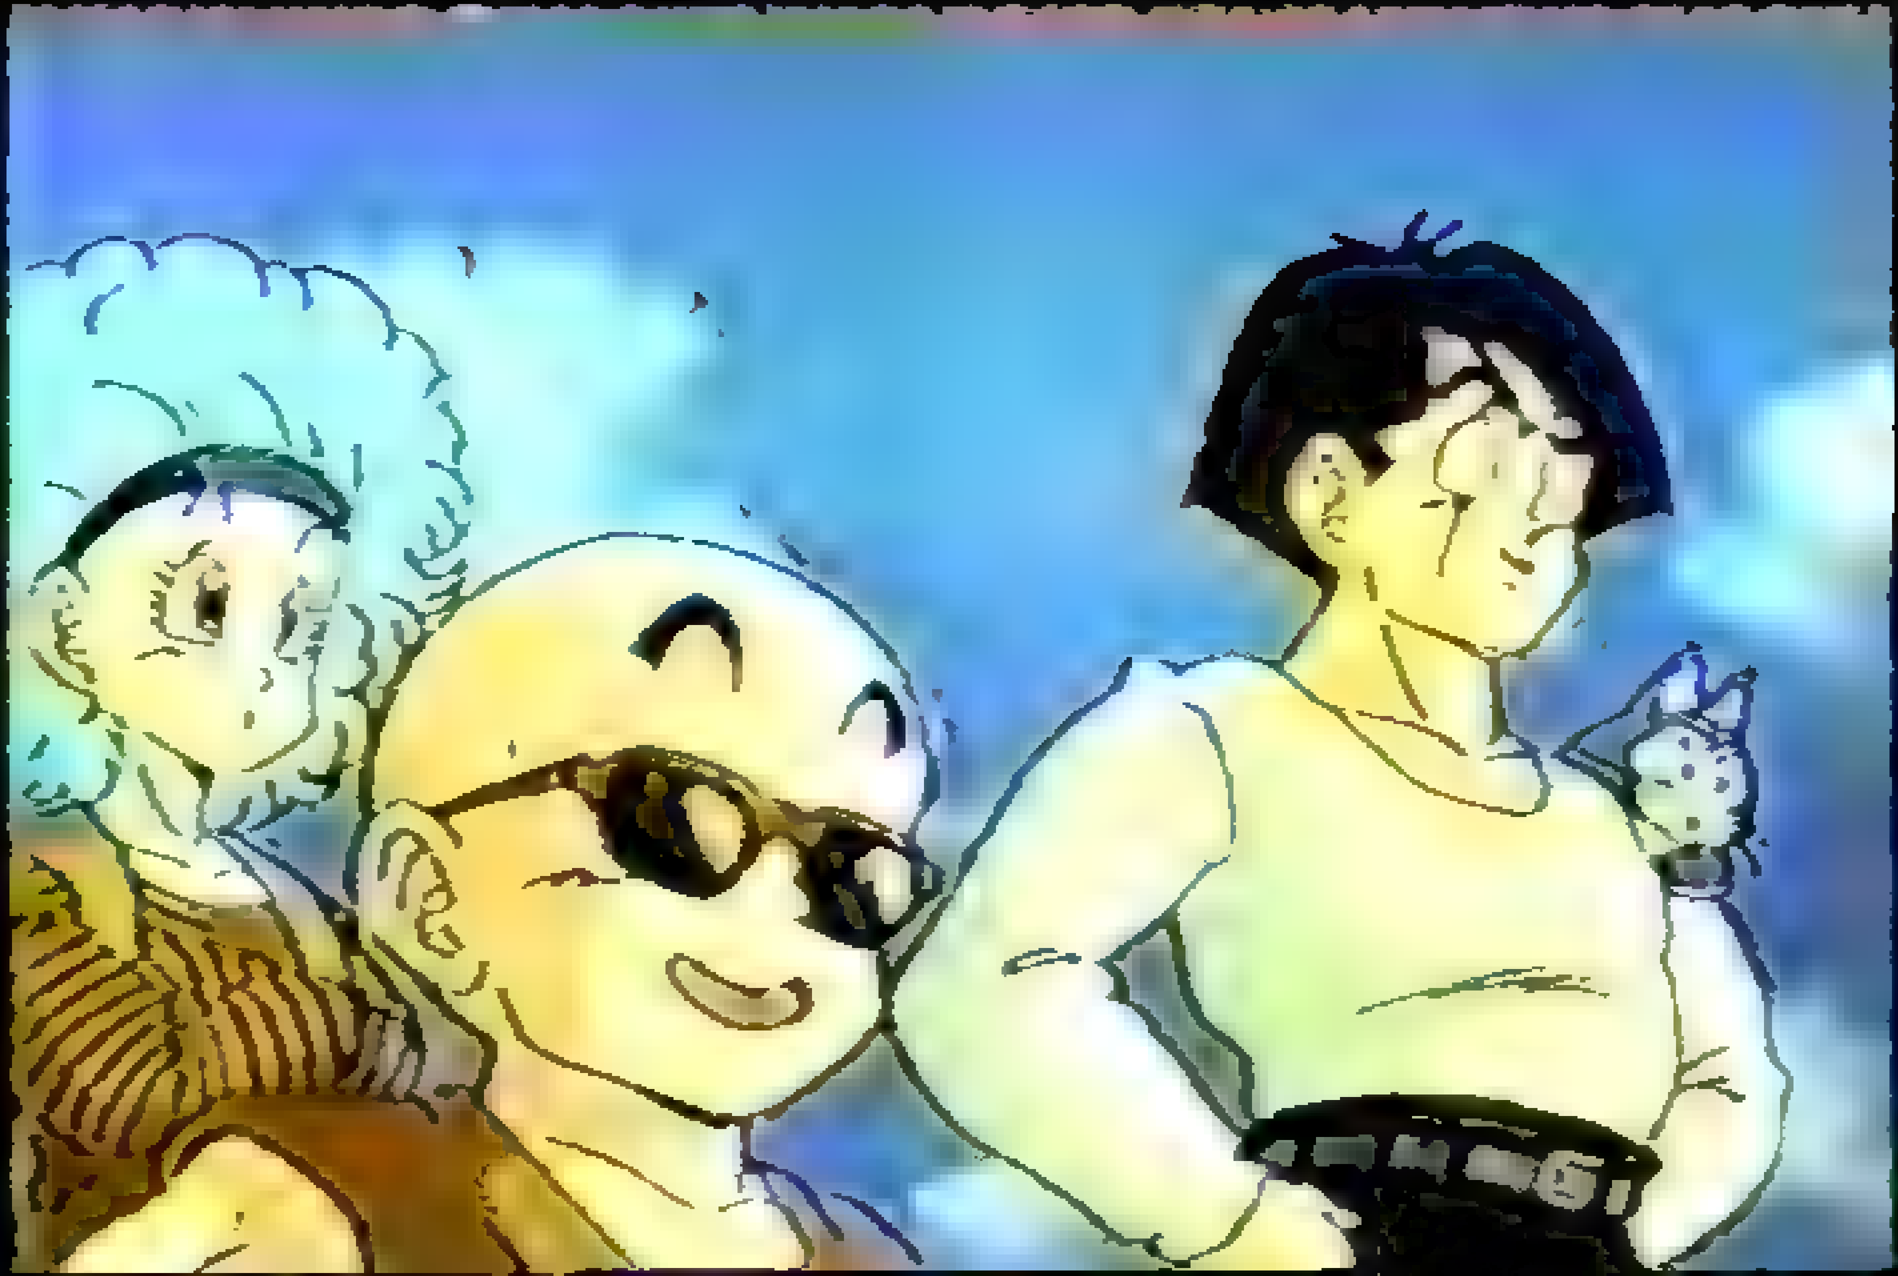

We don't need anyone there to get underfoot

We don't need anyone there to get underfoot

We don't need anyone there to get underfoot

Don't make me laugh

You're the one with the least confidence here

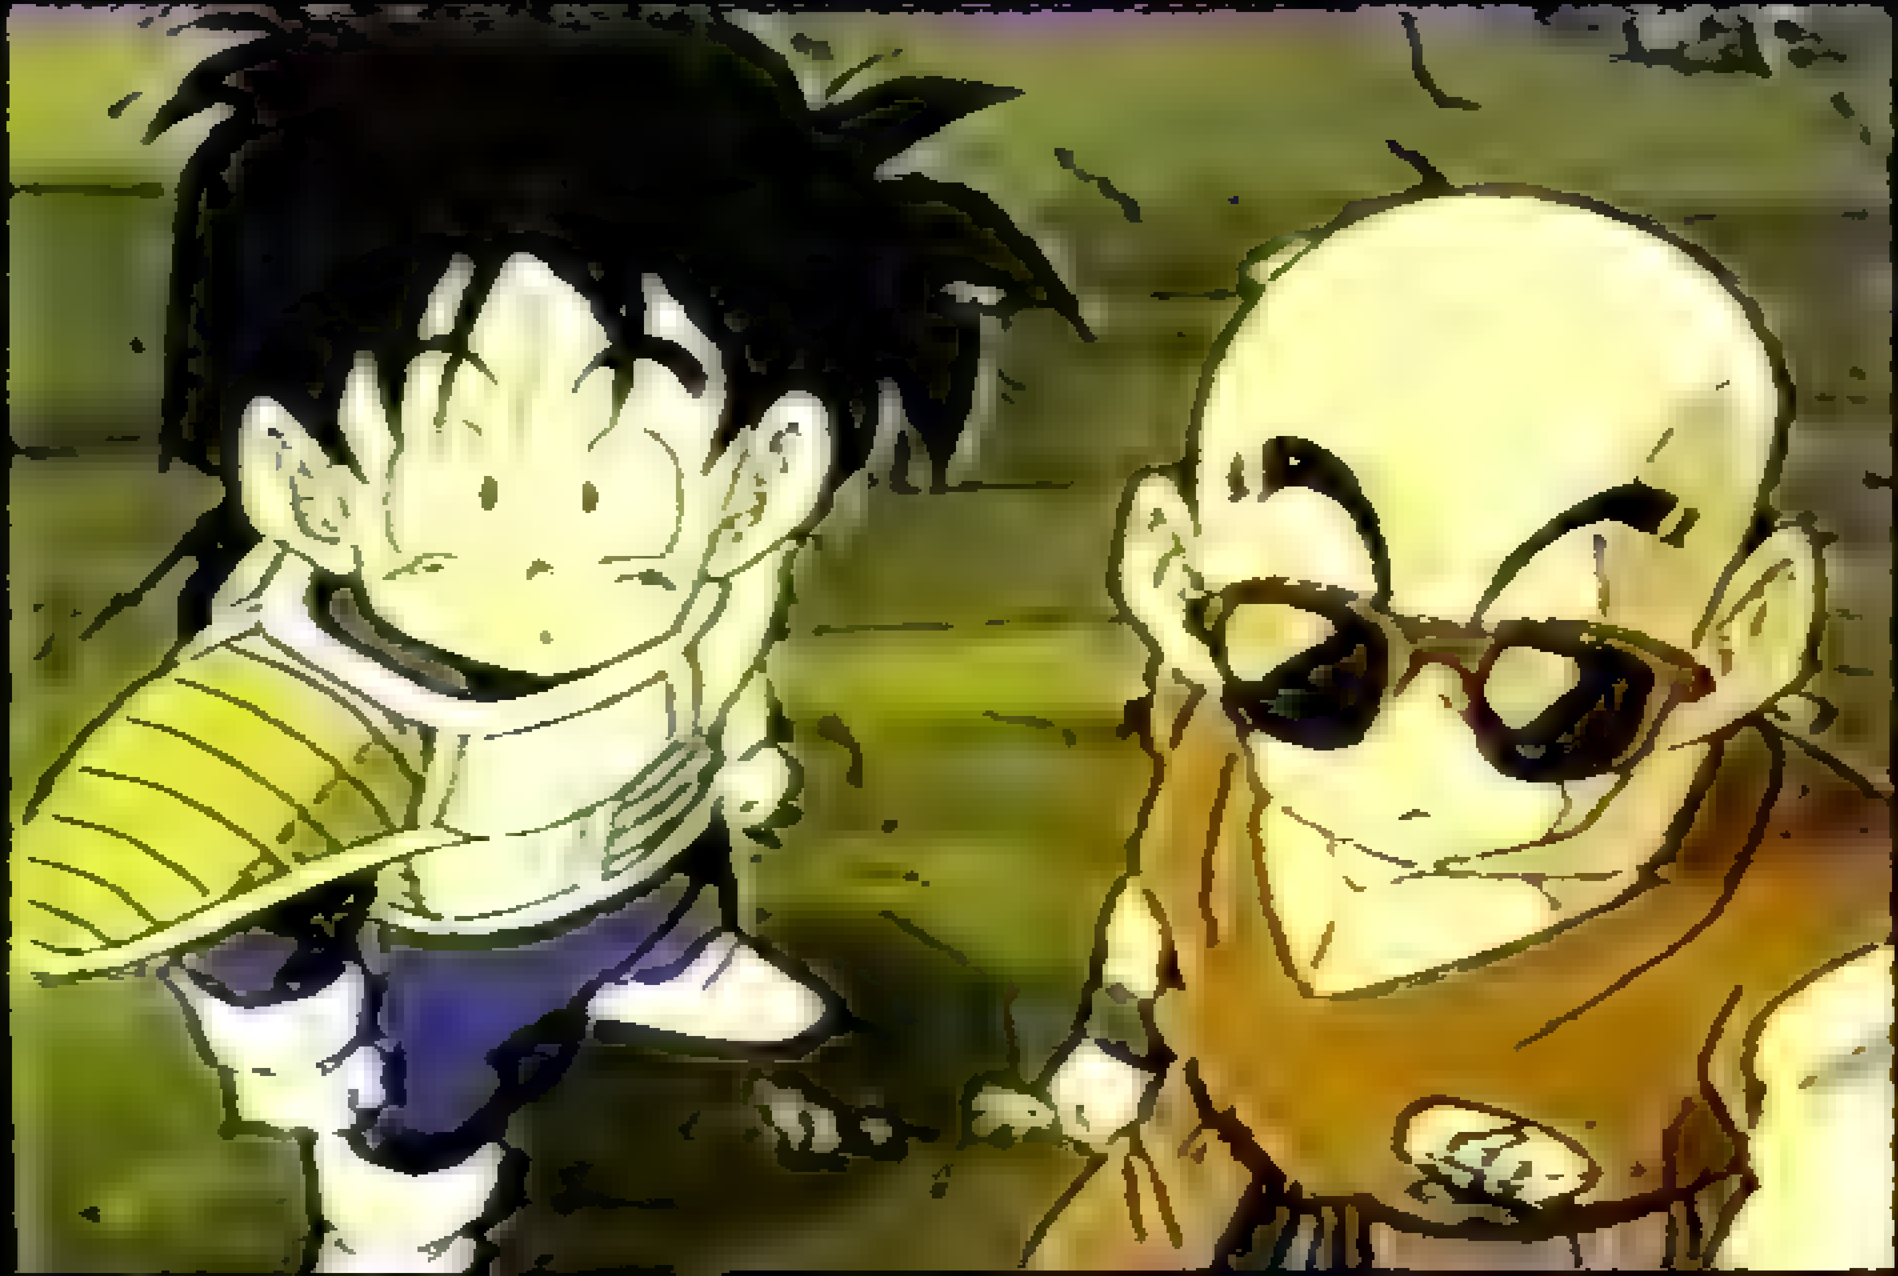

Hey! I've had a thought. Why don't we take care
of the maker of the cyborg Dr. Gero now?

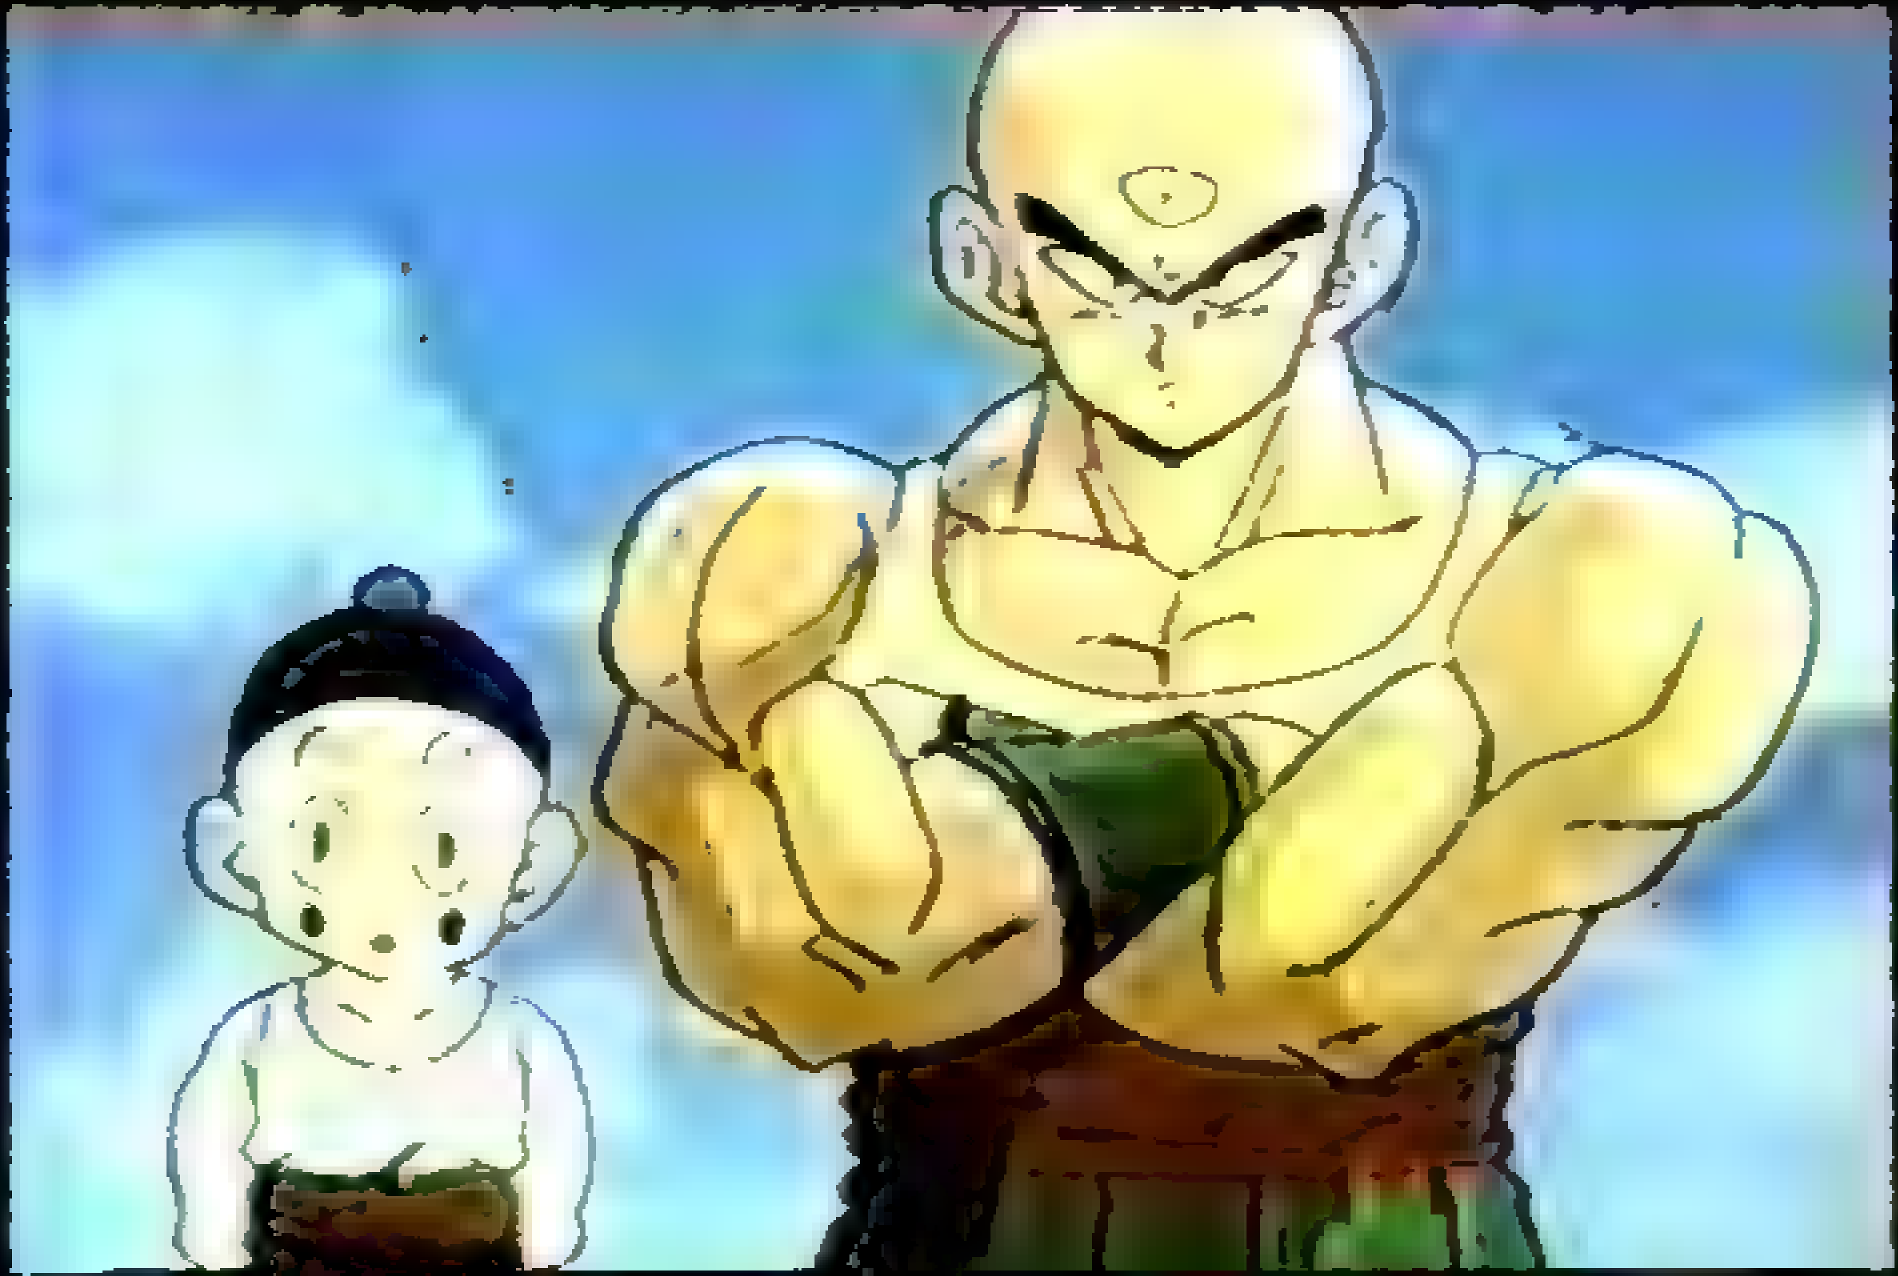

Hey! I've had a thought! Why don't we take care

Even if we don't know where he is,
we can gather the Dragon Balls
and ask Shen-Ron, he can tell us

Even if we don't know where he is,
we can gather the Dragon Balls

That way we won't have to go
to any trouble in the off years.

That way we won't have to go
to any trouble in three years

That's right! Good idea Bulma!

That way we won't have to fight them

- Way to go Bulma-san, you're great!

If you do anything foolish like that I'll kill you!

Understood?

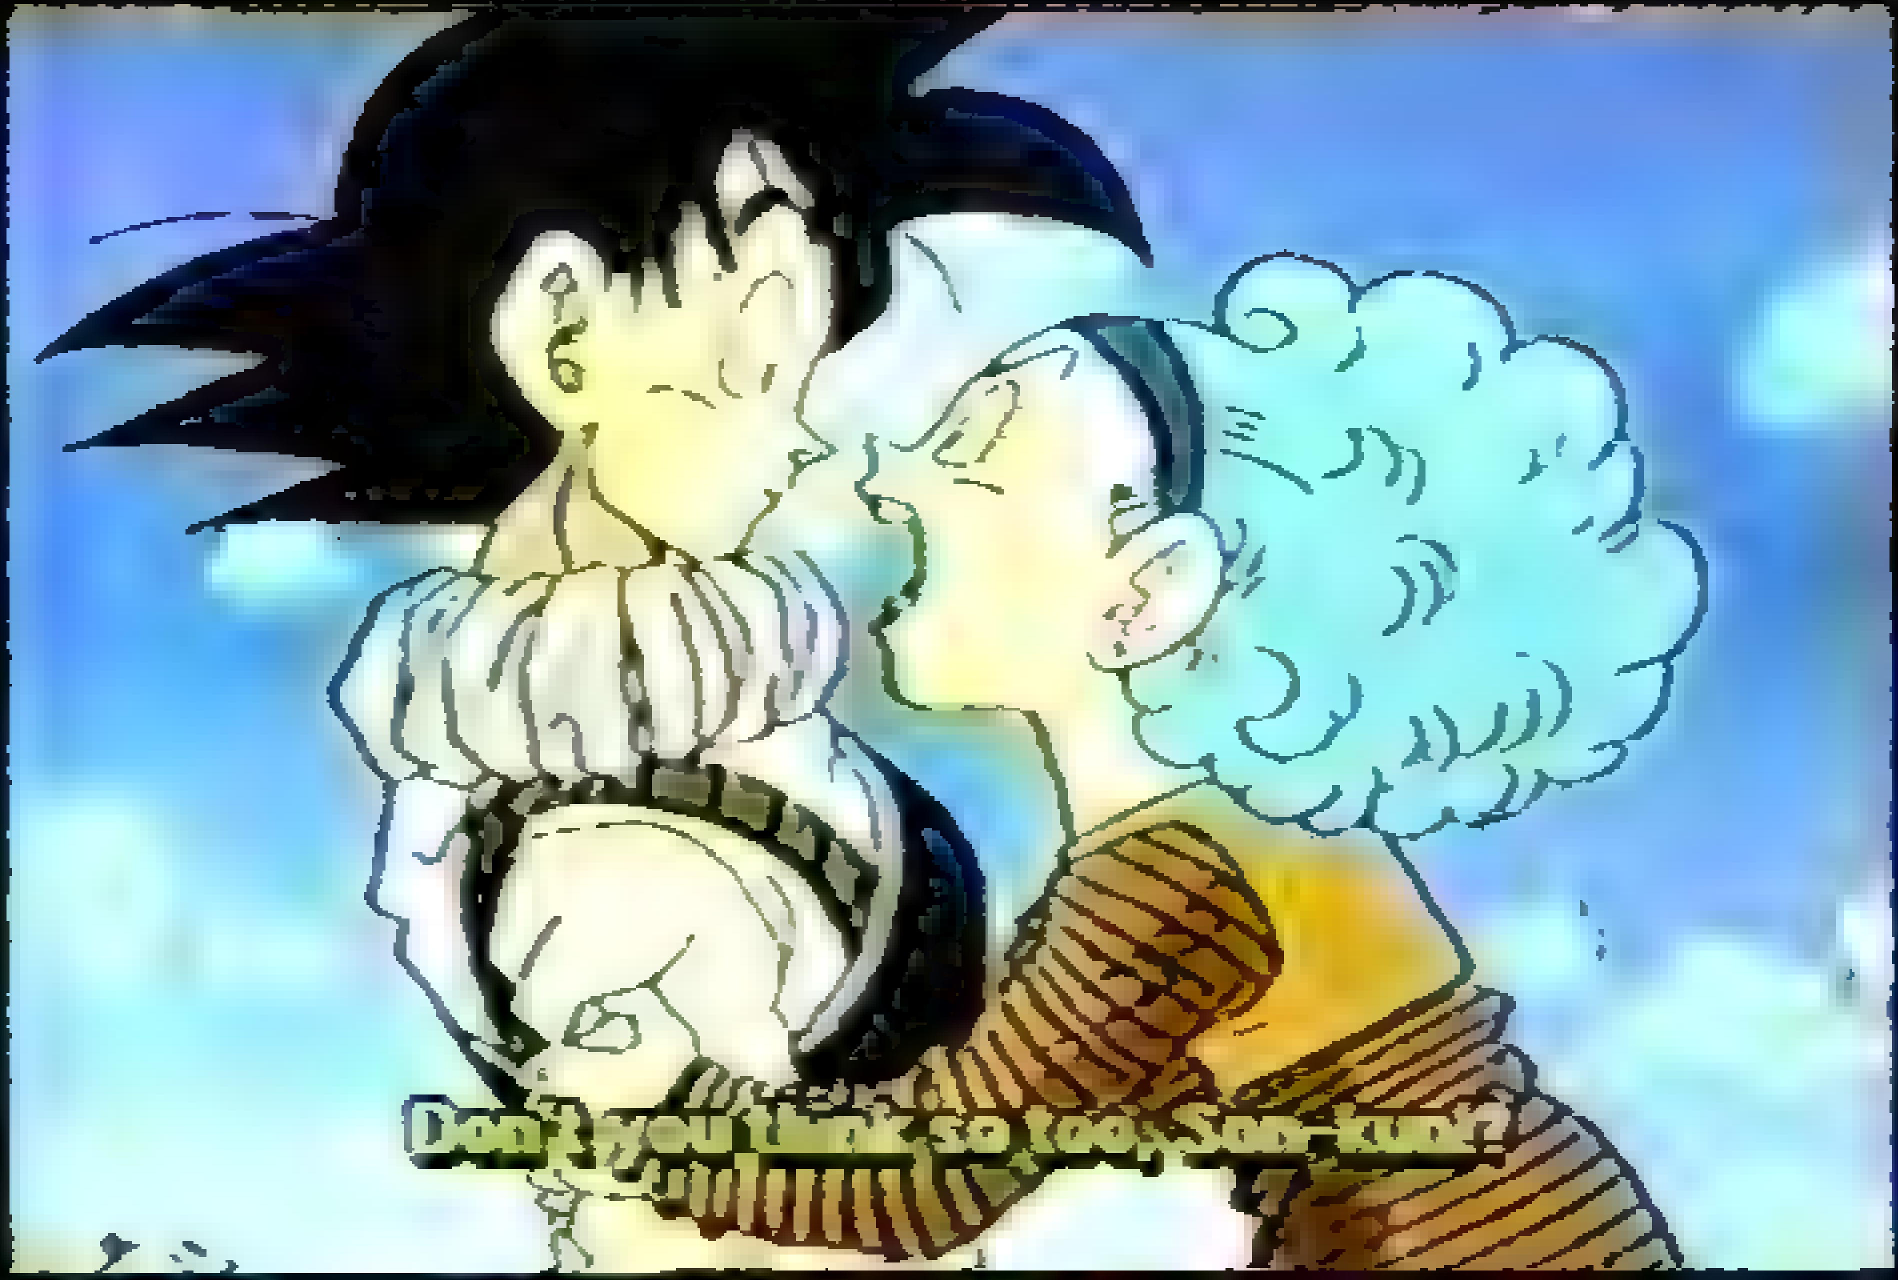

What's foolish!? This isn't a game!

This is the fate of the Earth!!

Don't you think so too, Son-kun?

I'm sorry , but to tell you
the truth I want to fight too

I'm sorry, but to tell you
the truth I want to fight too

And that scientist hasn't done anything
that we have to
for yet

And that scientist hasn't done anything
that we have to kill him for yet

Hey everyone, we don't have
to follow these guys

Hey everyone, we don't have
to follow these Saiya-

If you die this time, you can't come back to life!

If you die this time, you can't come back to life!

I want to test my potential

If I die, you'll know that's the best I can do,

I'm disgusted

Bulma-san, I've been thinking

Bulma-san, I've been thinking

Everyone here started off as enemies,
even I didn't like Gokou at first.

Everyone here started off as enemies,
even I didn't like Gokou at first.

Everyone here started off as enemies,
even I didn't like Gokou at first

When even more powerful enemies showed up,

When even more powerful enemies showed up.

and that's how we got to be friends

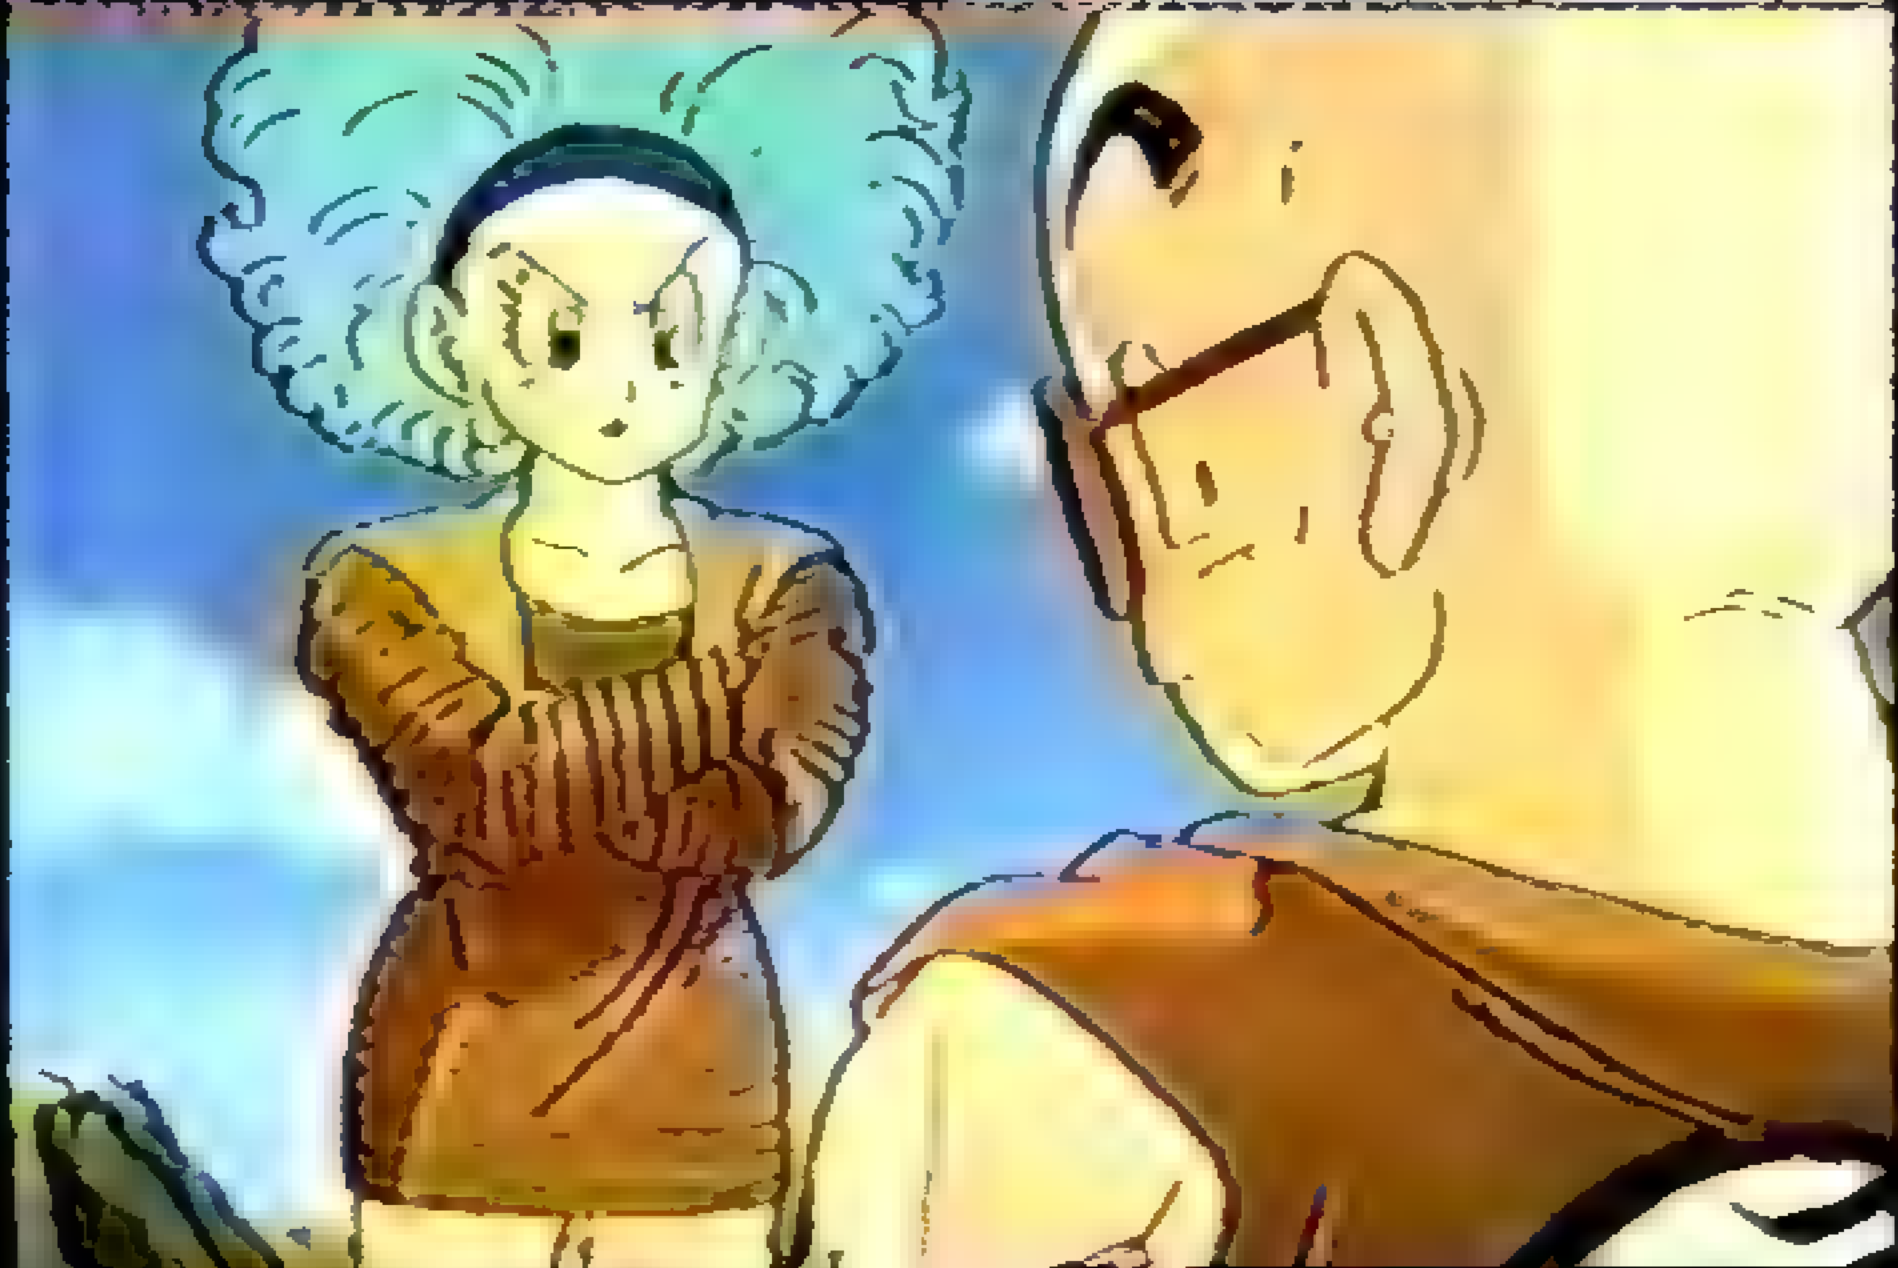

Normally this wouldn't happen,

Normally this wouldn't happen,
everyone's very terrifying

Normally this wouldn't happen,
everyone's very terrifying

What are you trying to say?

If we don't have an enemy to bring us together,

even assuming that Piccolo's okay,
we don't know what Vegeta'll do.

even assuming that Piccolo's okay,
we don't know what Vegeta'll do.

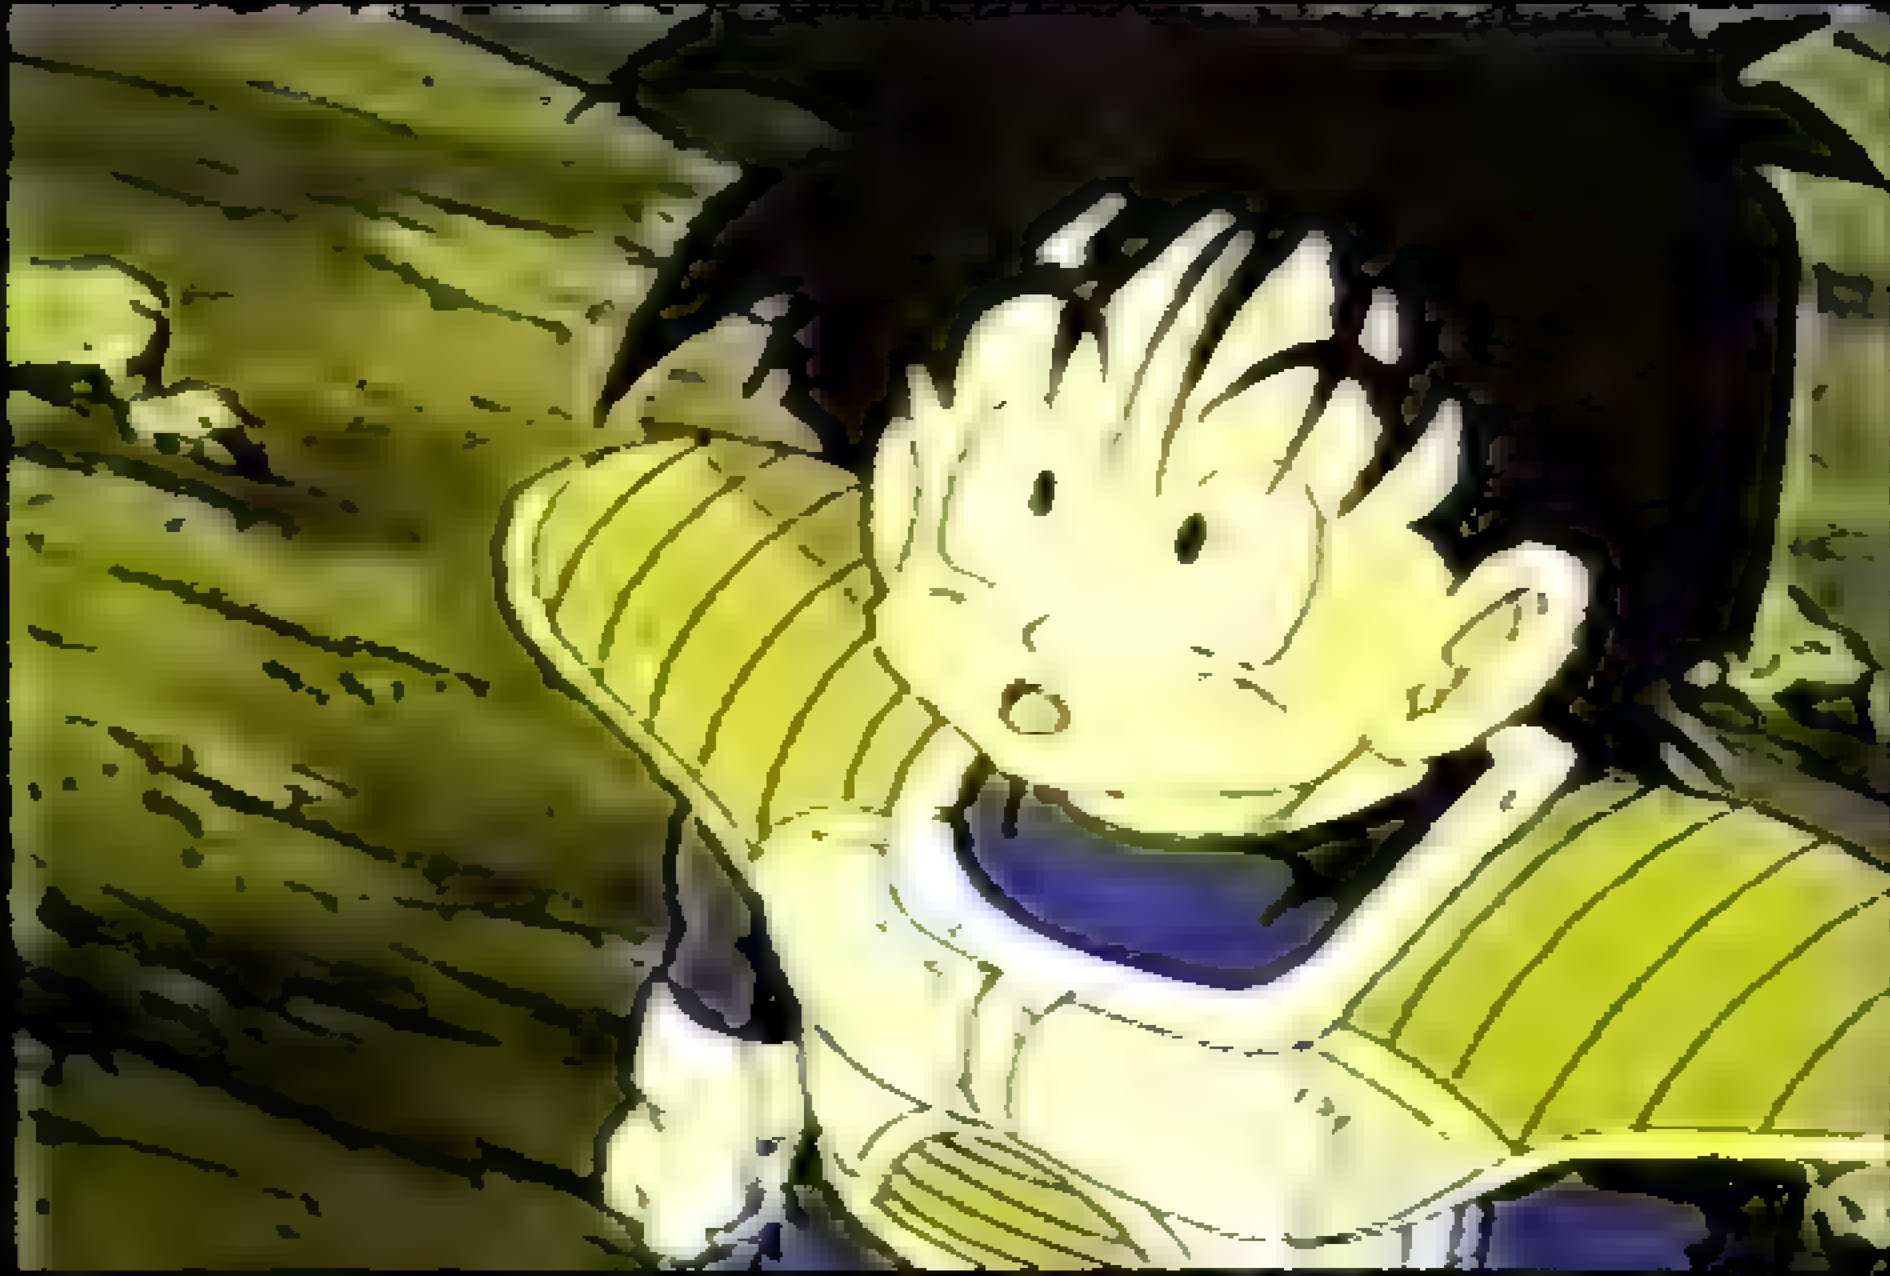

even assuming that Piccolo's okay,
we don't know what Vegeta'll do

Don't be cheeky

You don't have to worry about the effects of
what you do on weak normal people like me

You don't have to worry about the effects of
what you do on weak normal people like me

You don't have to worry about the effects of
what you do on weak normal people like me

We'll fight for peace for the future!

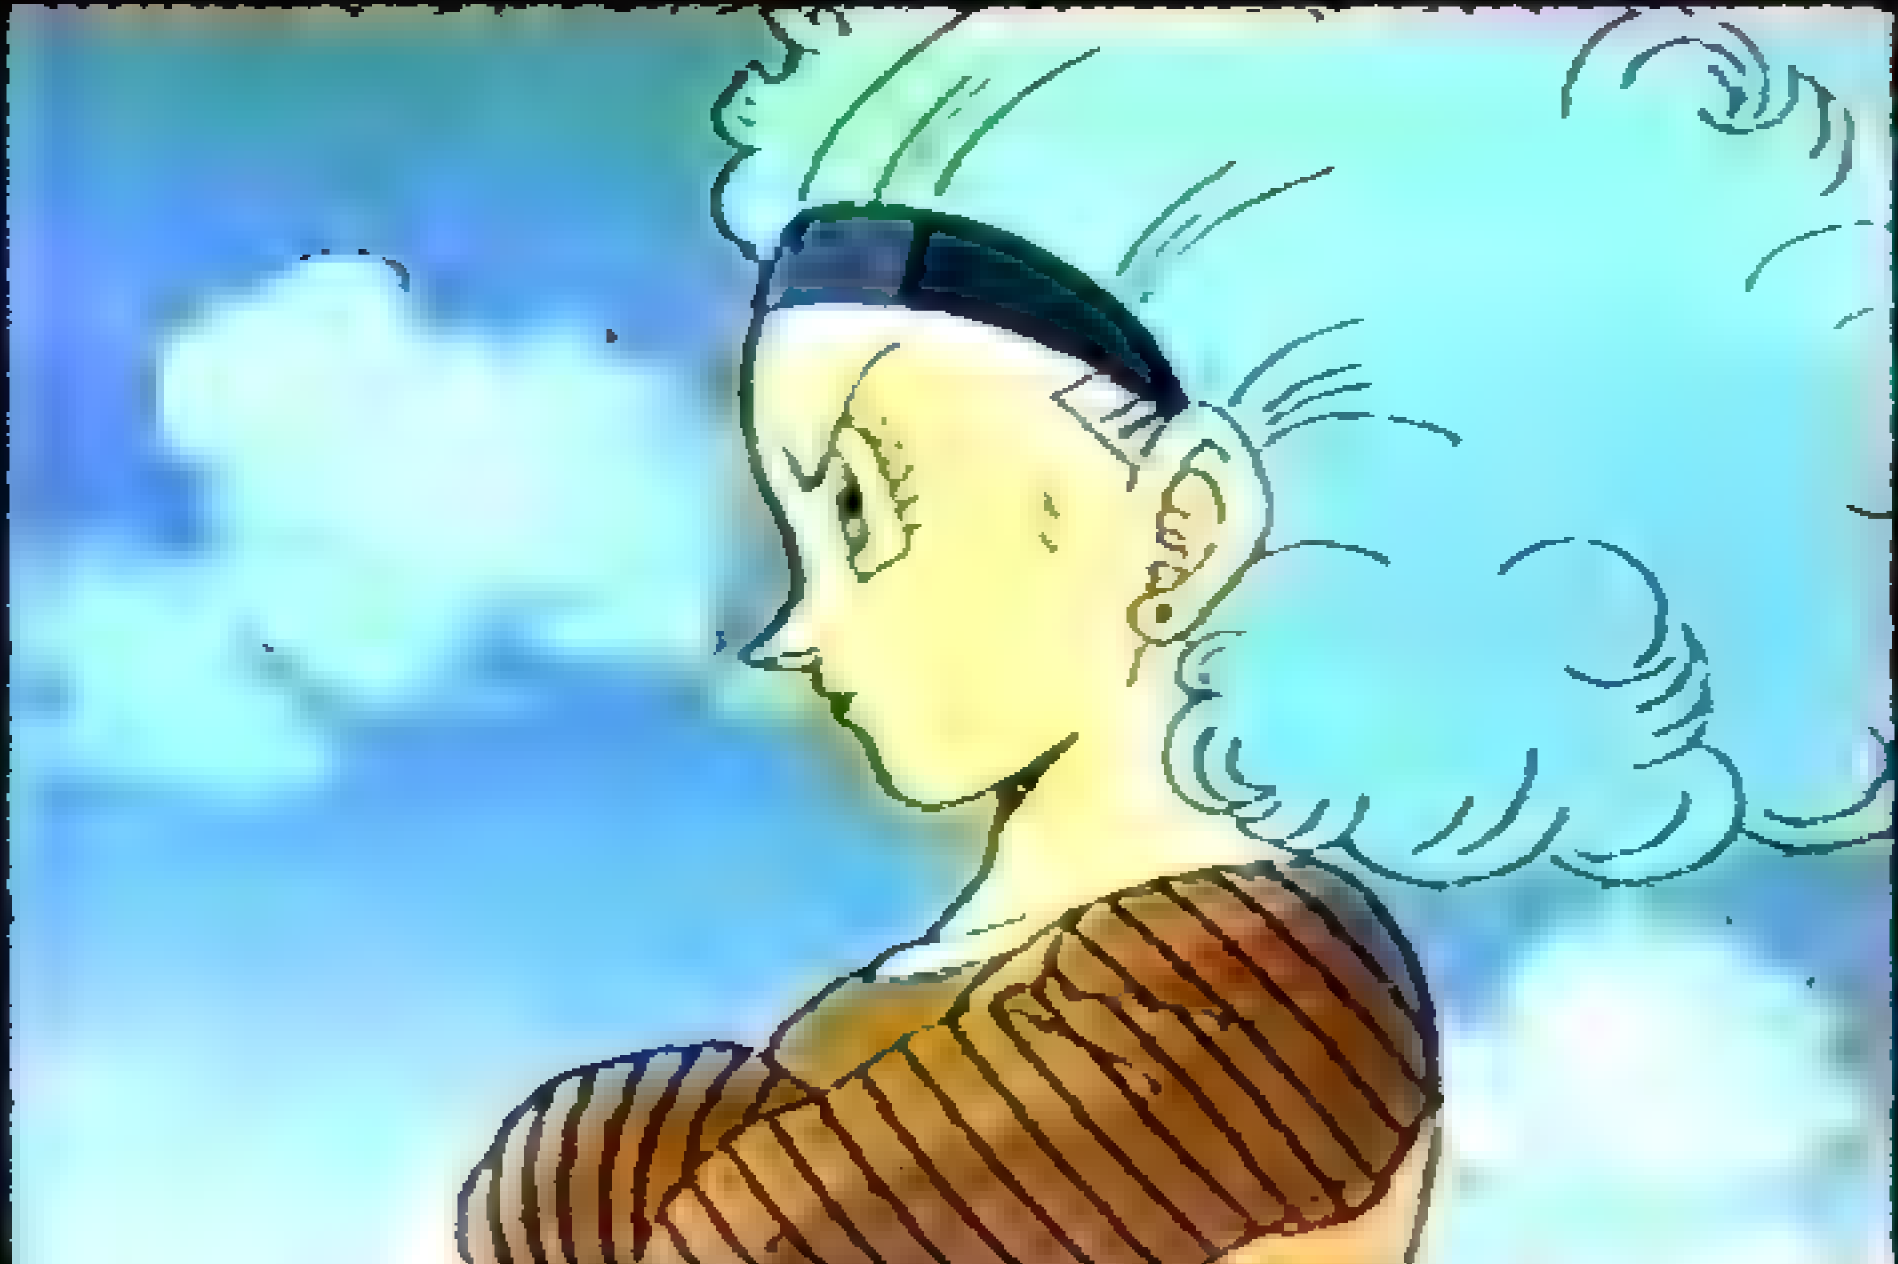

This is just like a dictatorship

You're all wrong... you freaks

Since I don't have a choice,
I'll still stay around with you

Since I don't have a choice,
I'll still stay around with you

DRAGON

DRAGON BALL Z

Okay then, in three years...

now let's see... the 12th of may at
9:00 in the morning at that place!

now let's see...the 7th of May at
9:00 in the morning at that place!

now let's see...the 7th of May at
9:00 in the morning at that place!

Only those with self-confidence need go!

Don't get cocky just because
you're a Super Saiya-jin.

I'll beat you soon enough

I'll beat you soon enough

Remember I'm the Number One Saiya-jin

We'll be there too, in three years

Bye bye

Chaozu, get incredibly strong!

Tenshin-Han, show us a bunch of new techniques!

Piccolo, will you train with Gohan and
I, I'd like to spar with you and stuff

Piccolo, will you train with Gohan and
I? I'd like to spar with you and stuff

Okay, I was about to ask that too

How about you,

I'll train at my own pace

I'll train at my own pace

I'll pass too

To tell you the truth I don't think
I could keep up with your training

To tell you the truth I don't think
I could keep up with your training

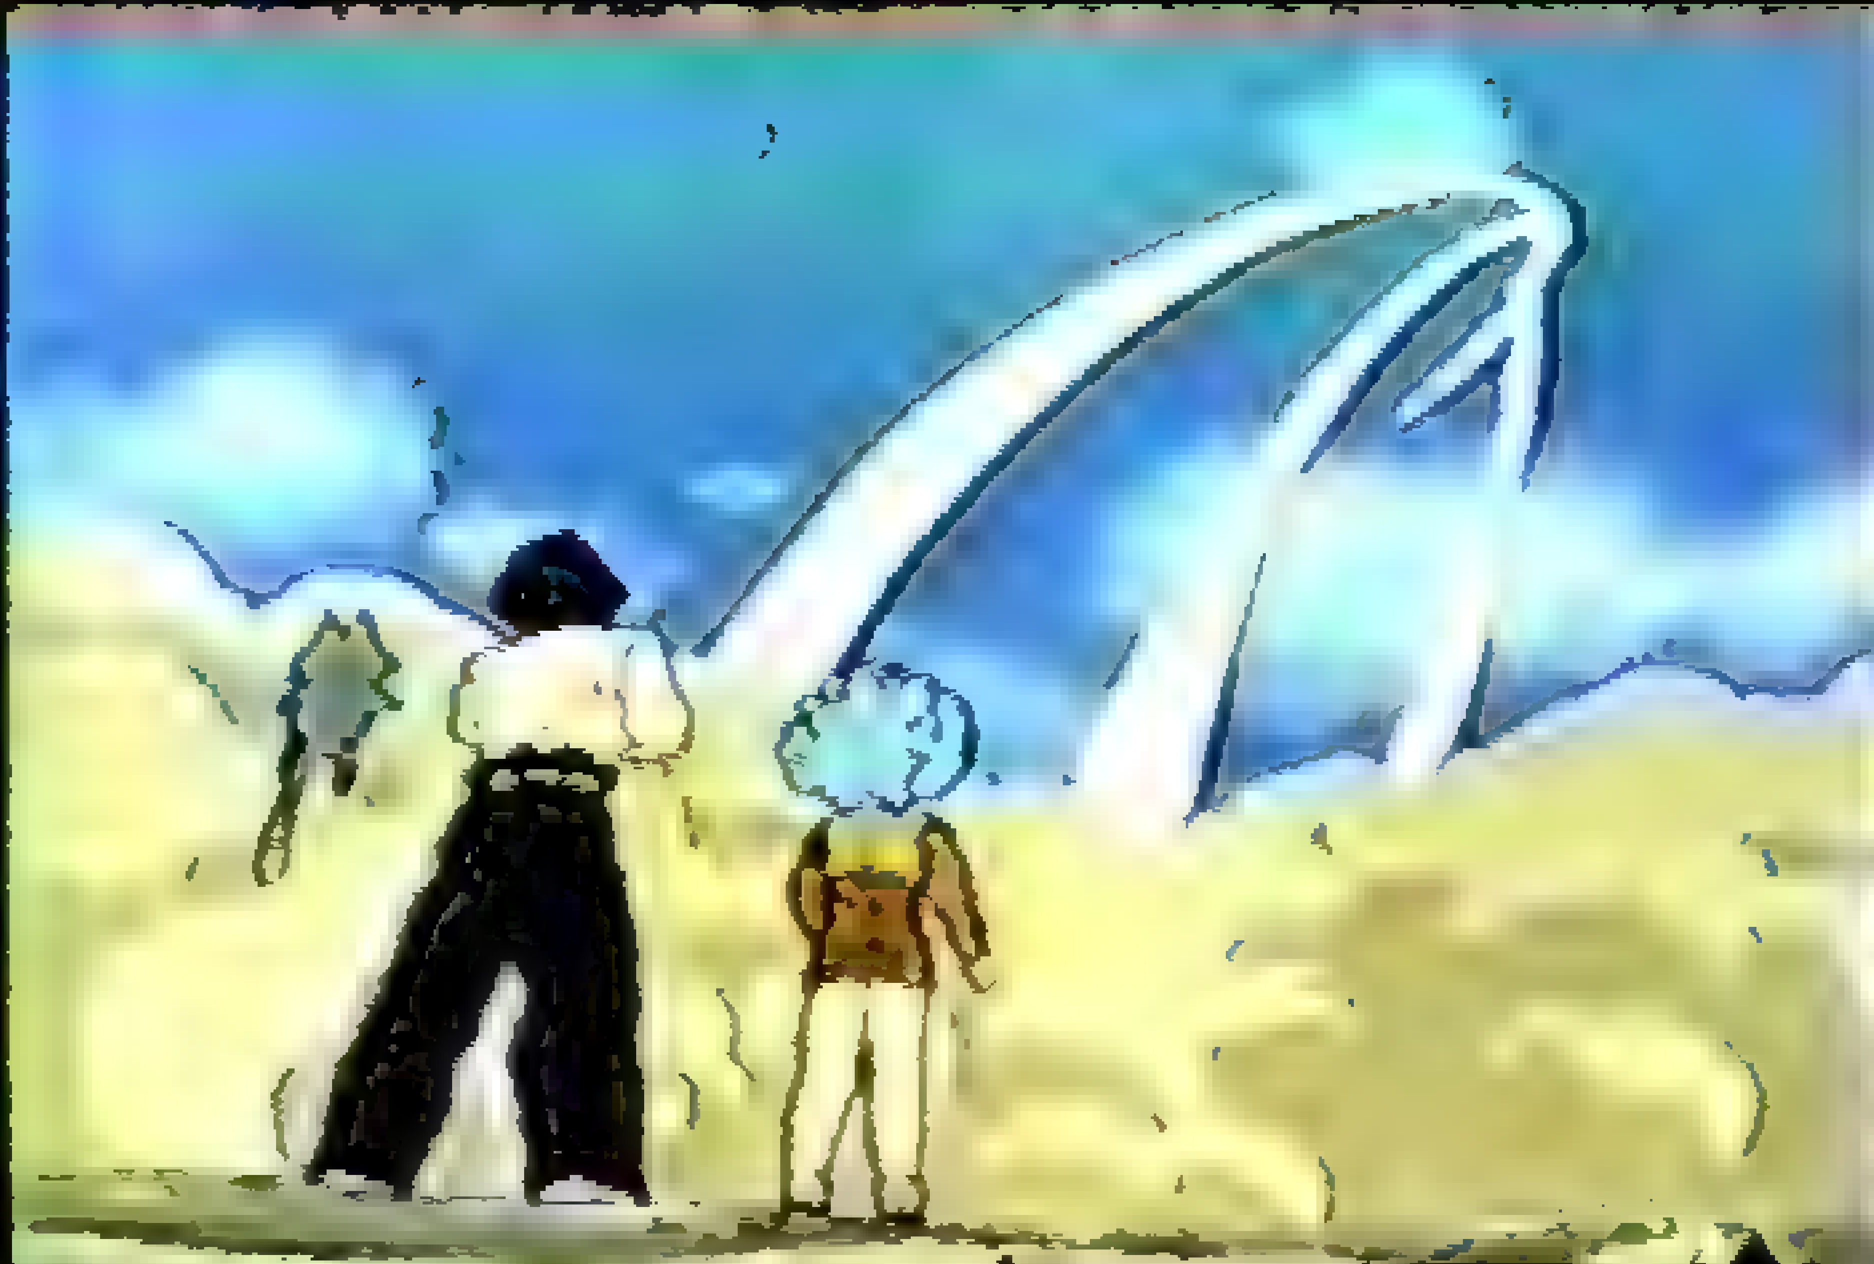

Bye then!

Bulma, have a healthy baby!

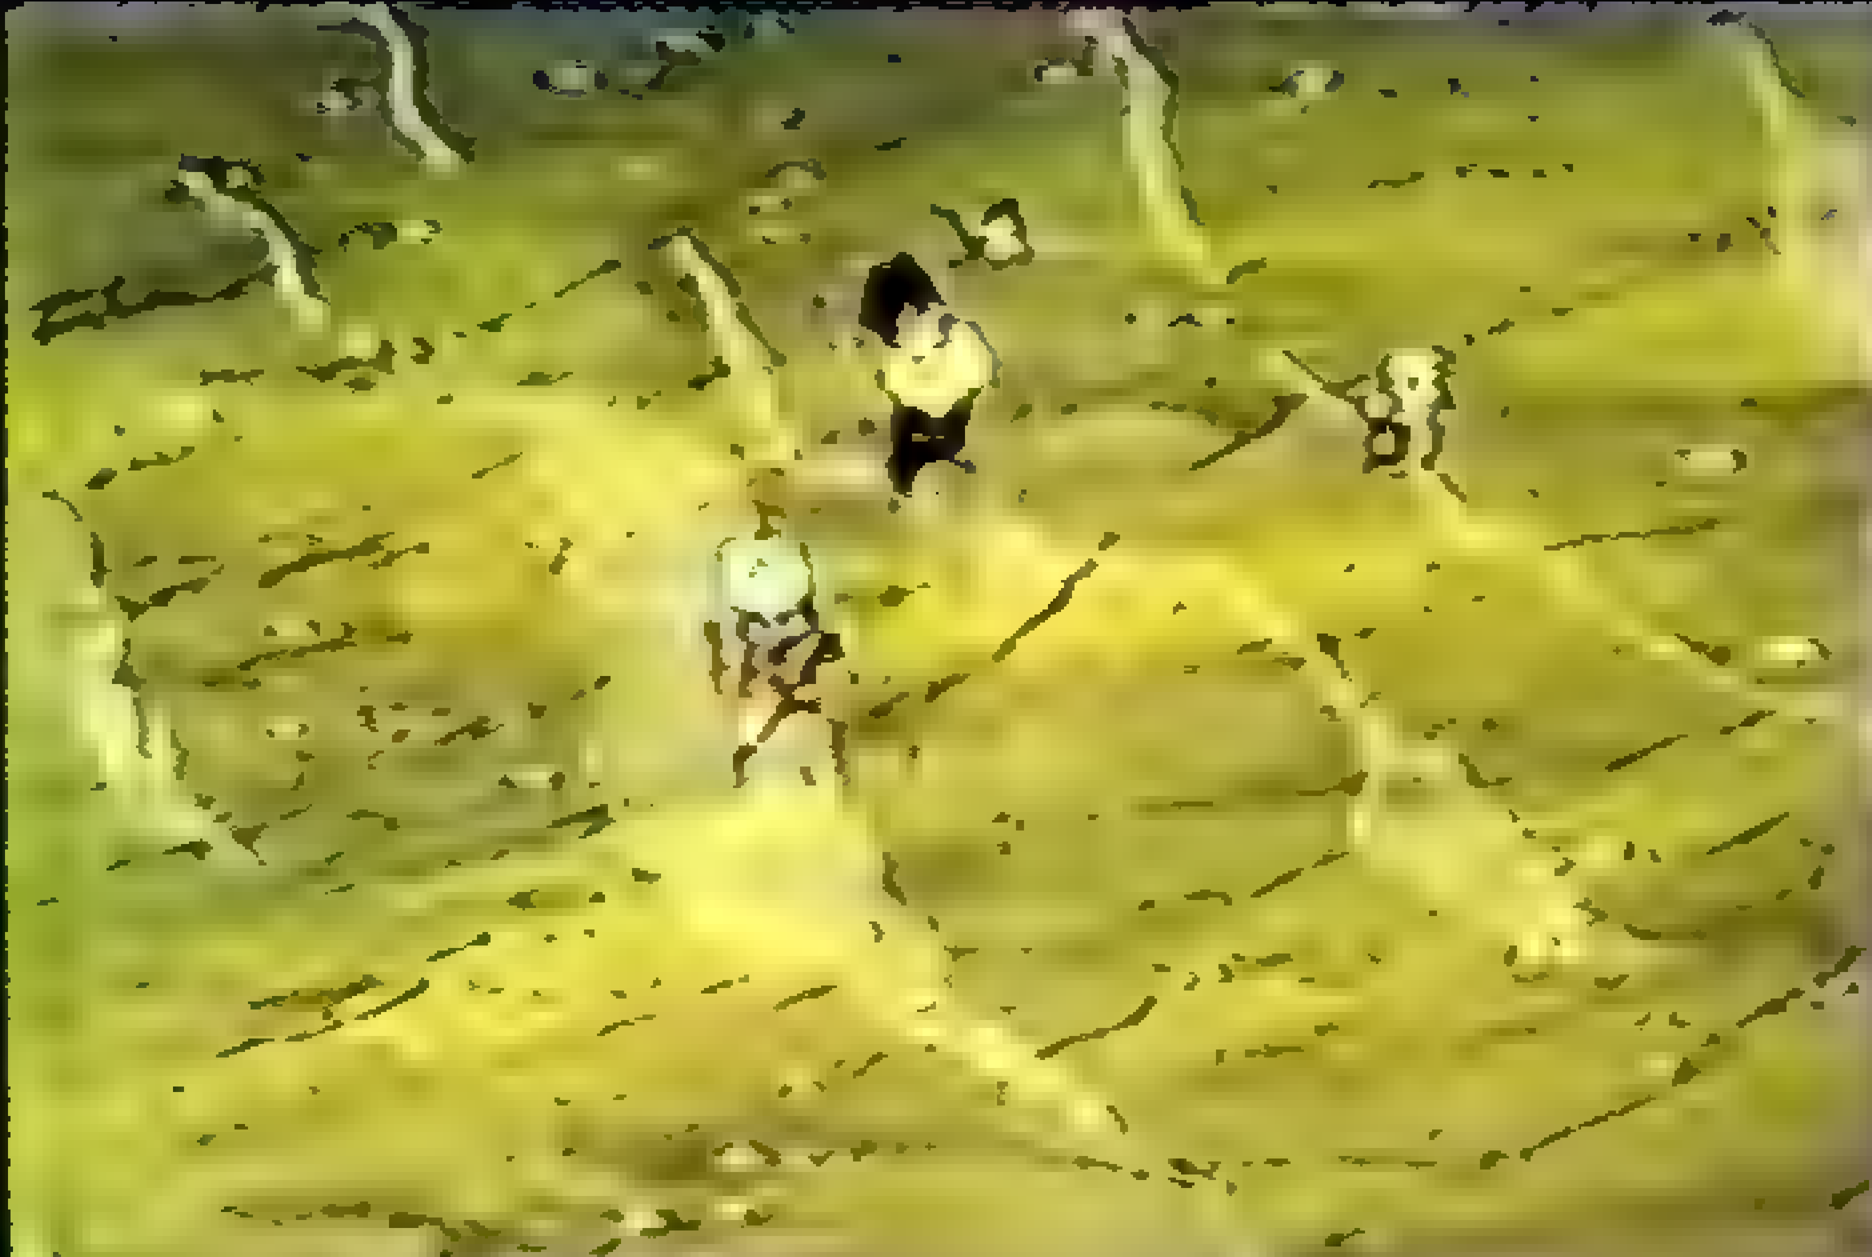

Bulma, have a healthy baby!

Bulma, have a healthy baby!

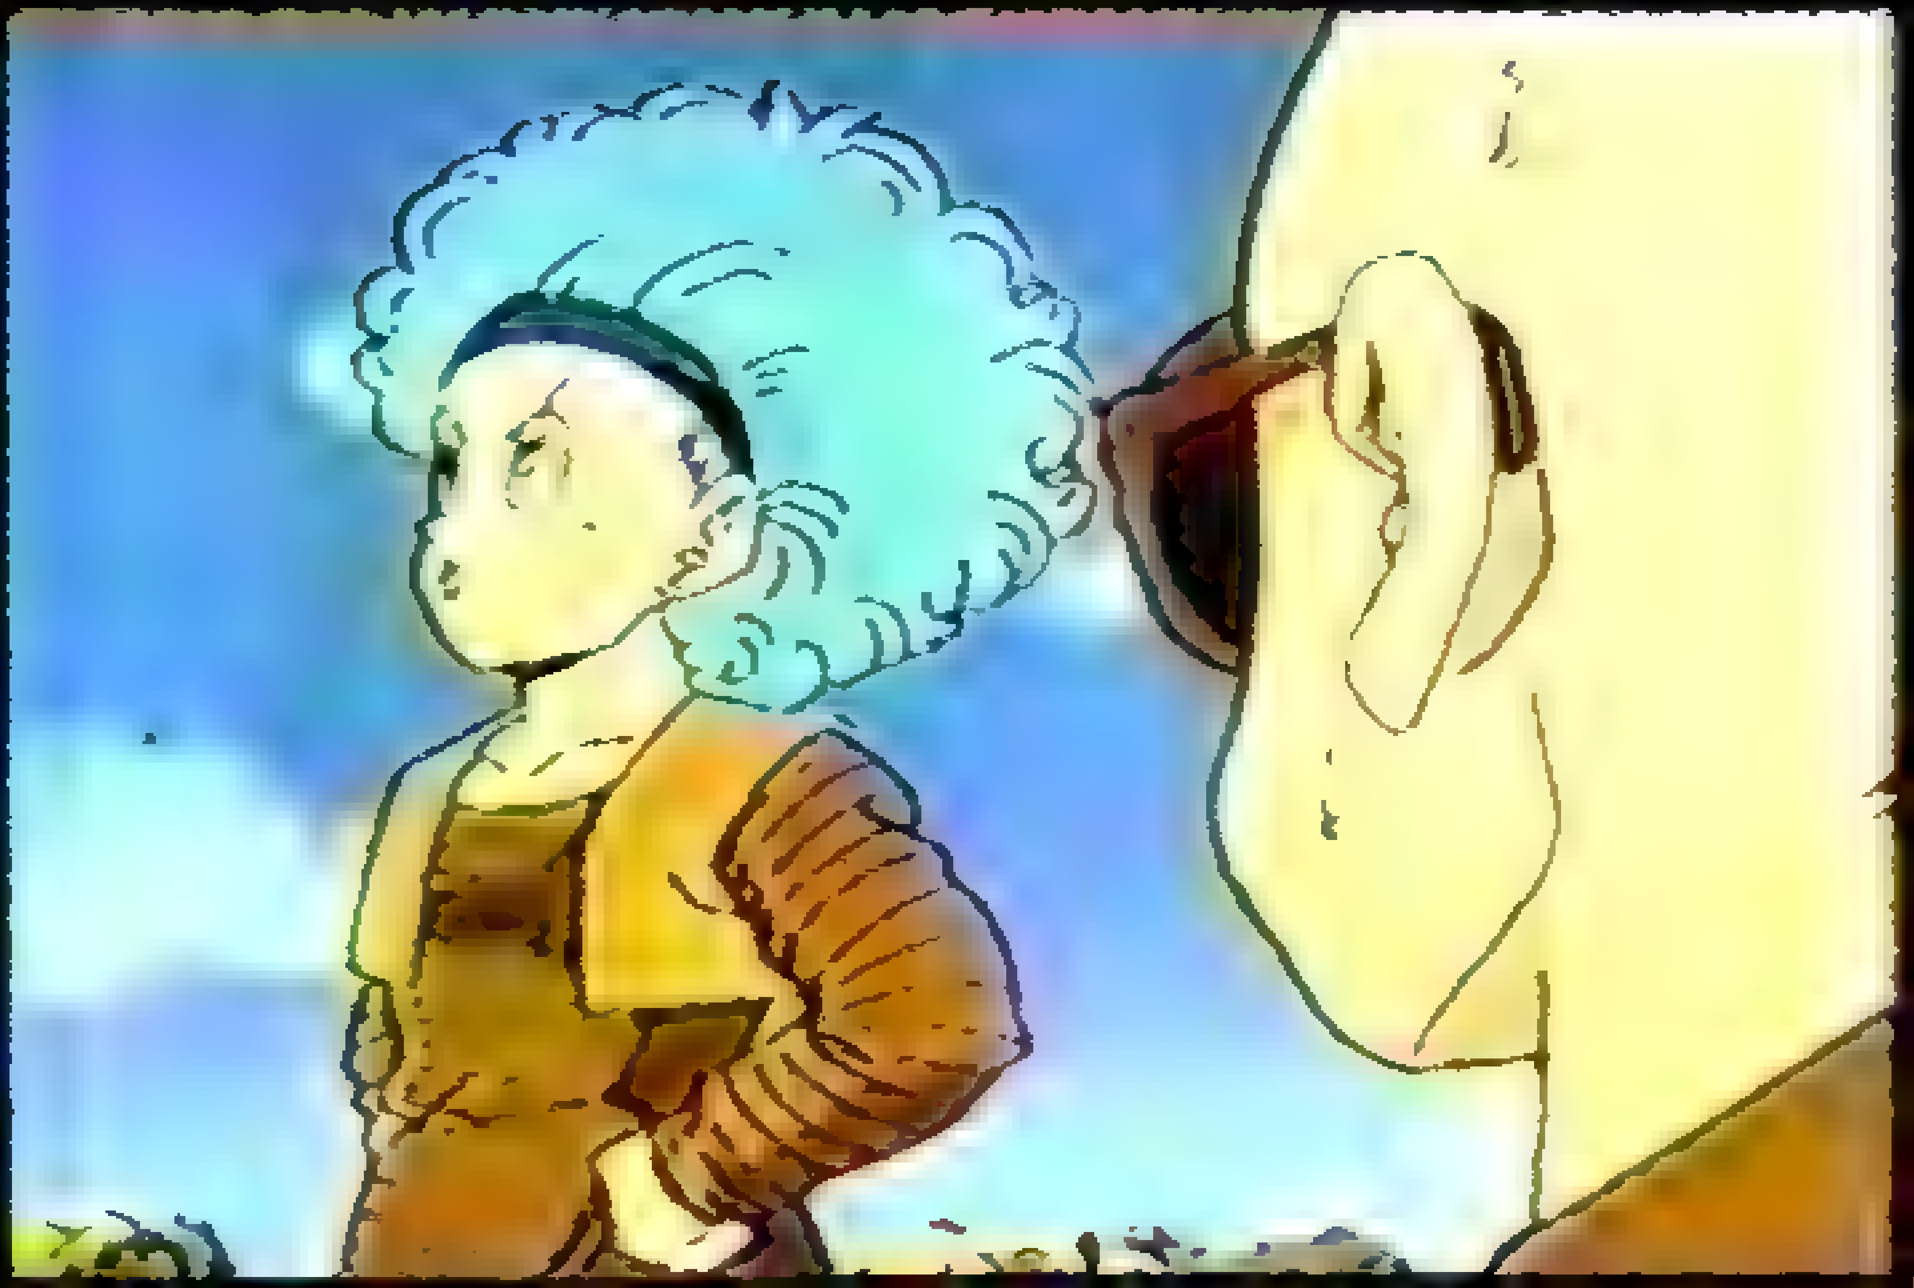

Did he say 'baby'? Bulma are you pregnant?

Did he say 'baby'?' Bulma are you pregnant?

Of course not! What's Gokou thinking?

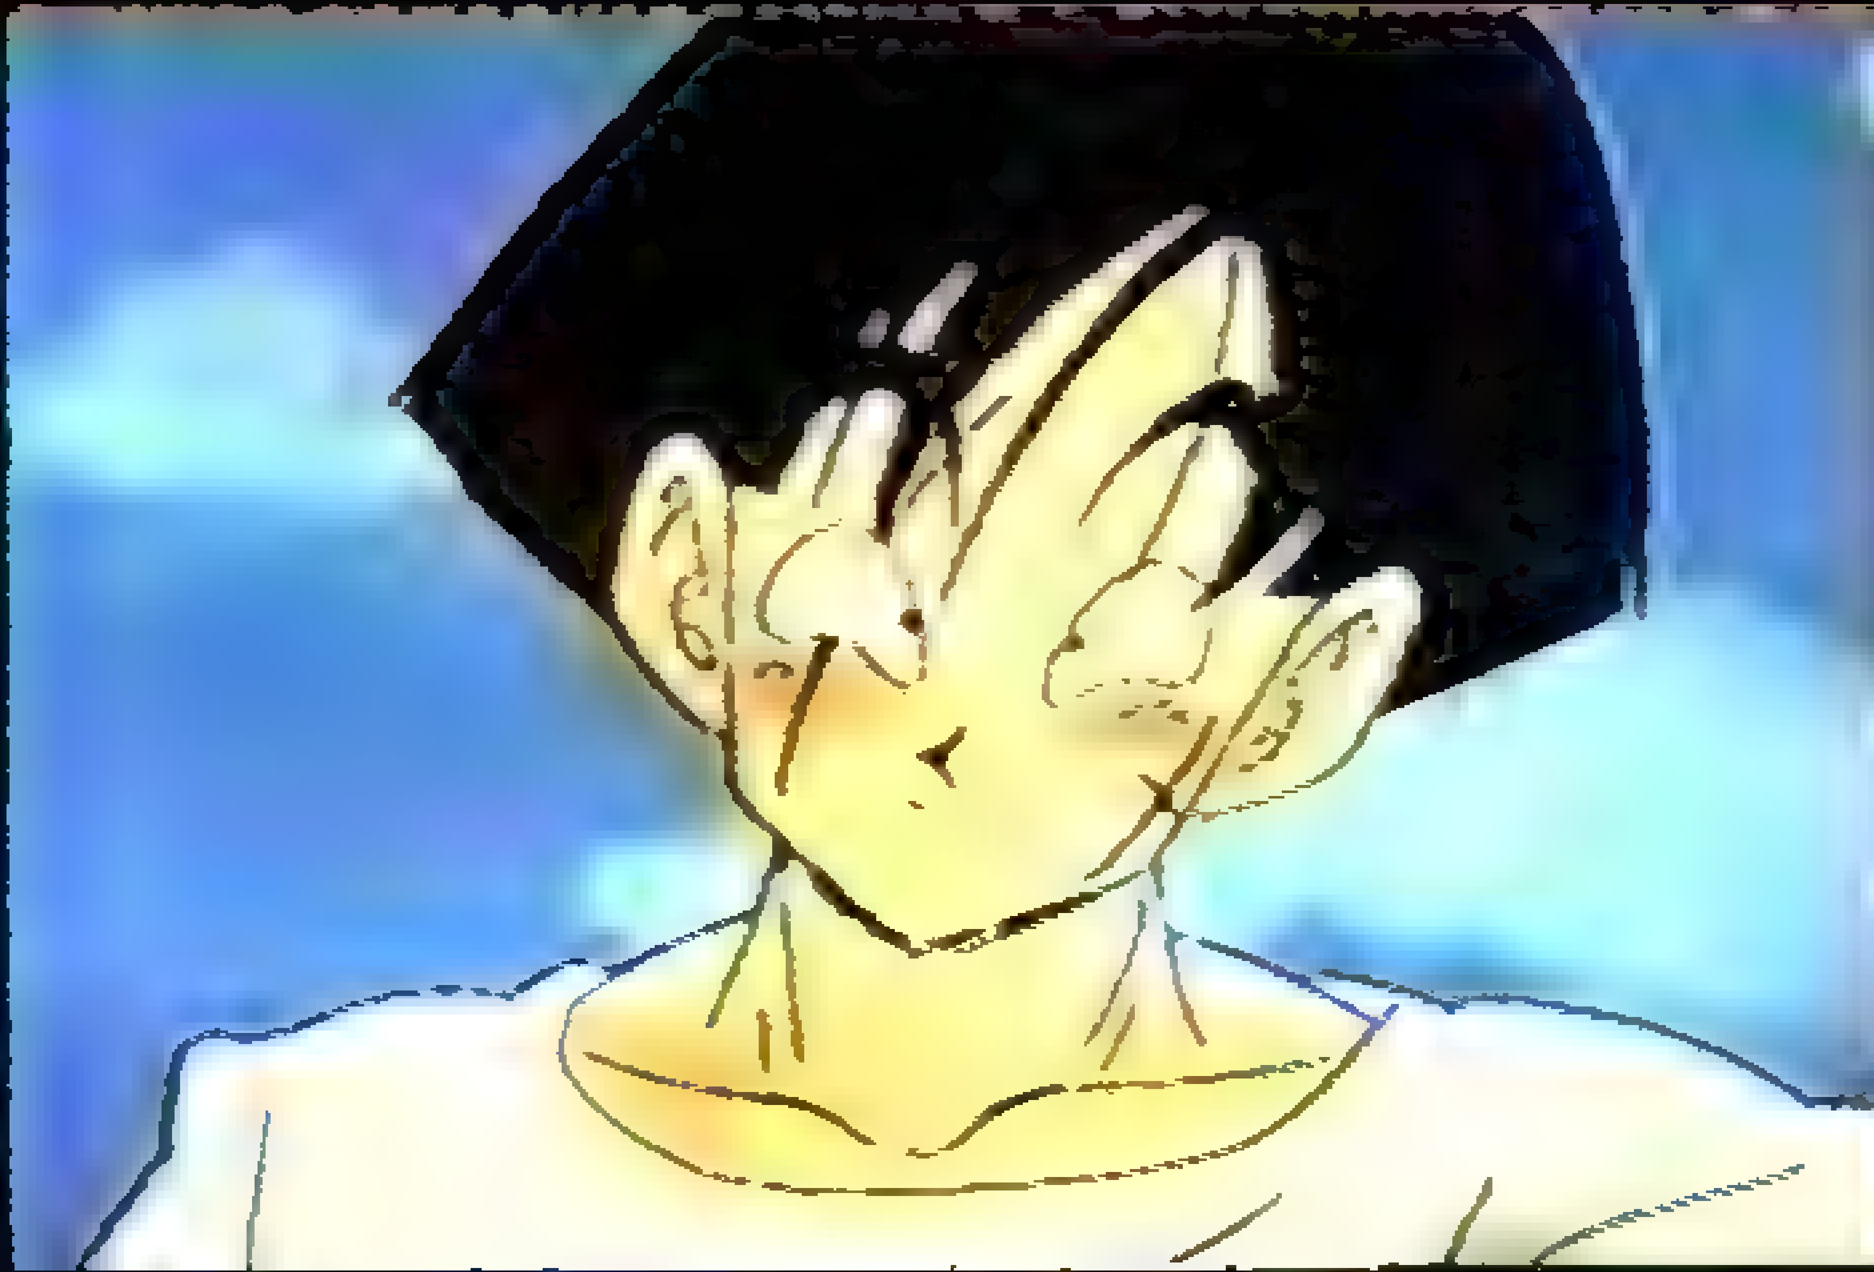

Uh, I'm sure what he wanted to say was...

we should settle down and get married and
have a happy family. Or something like that

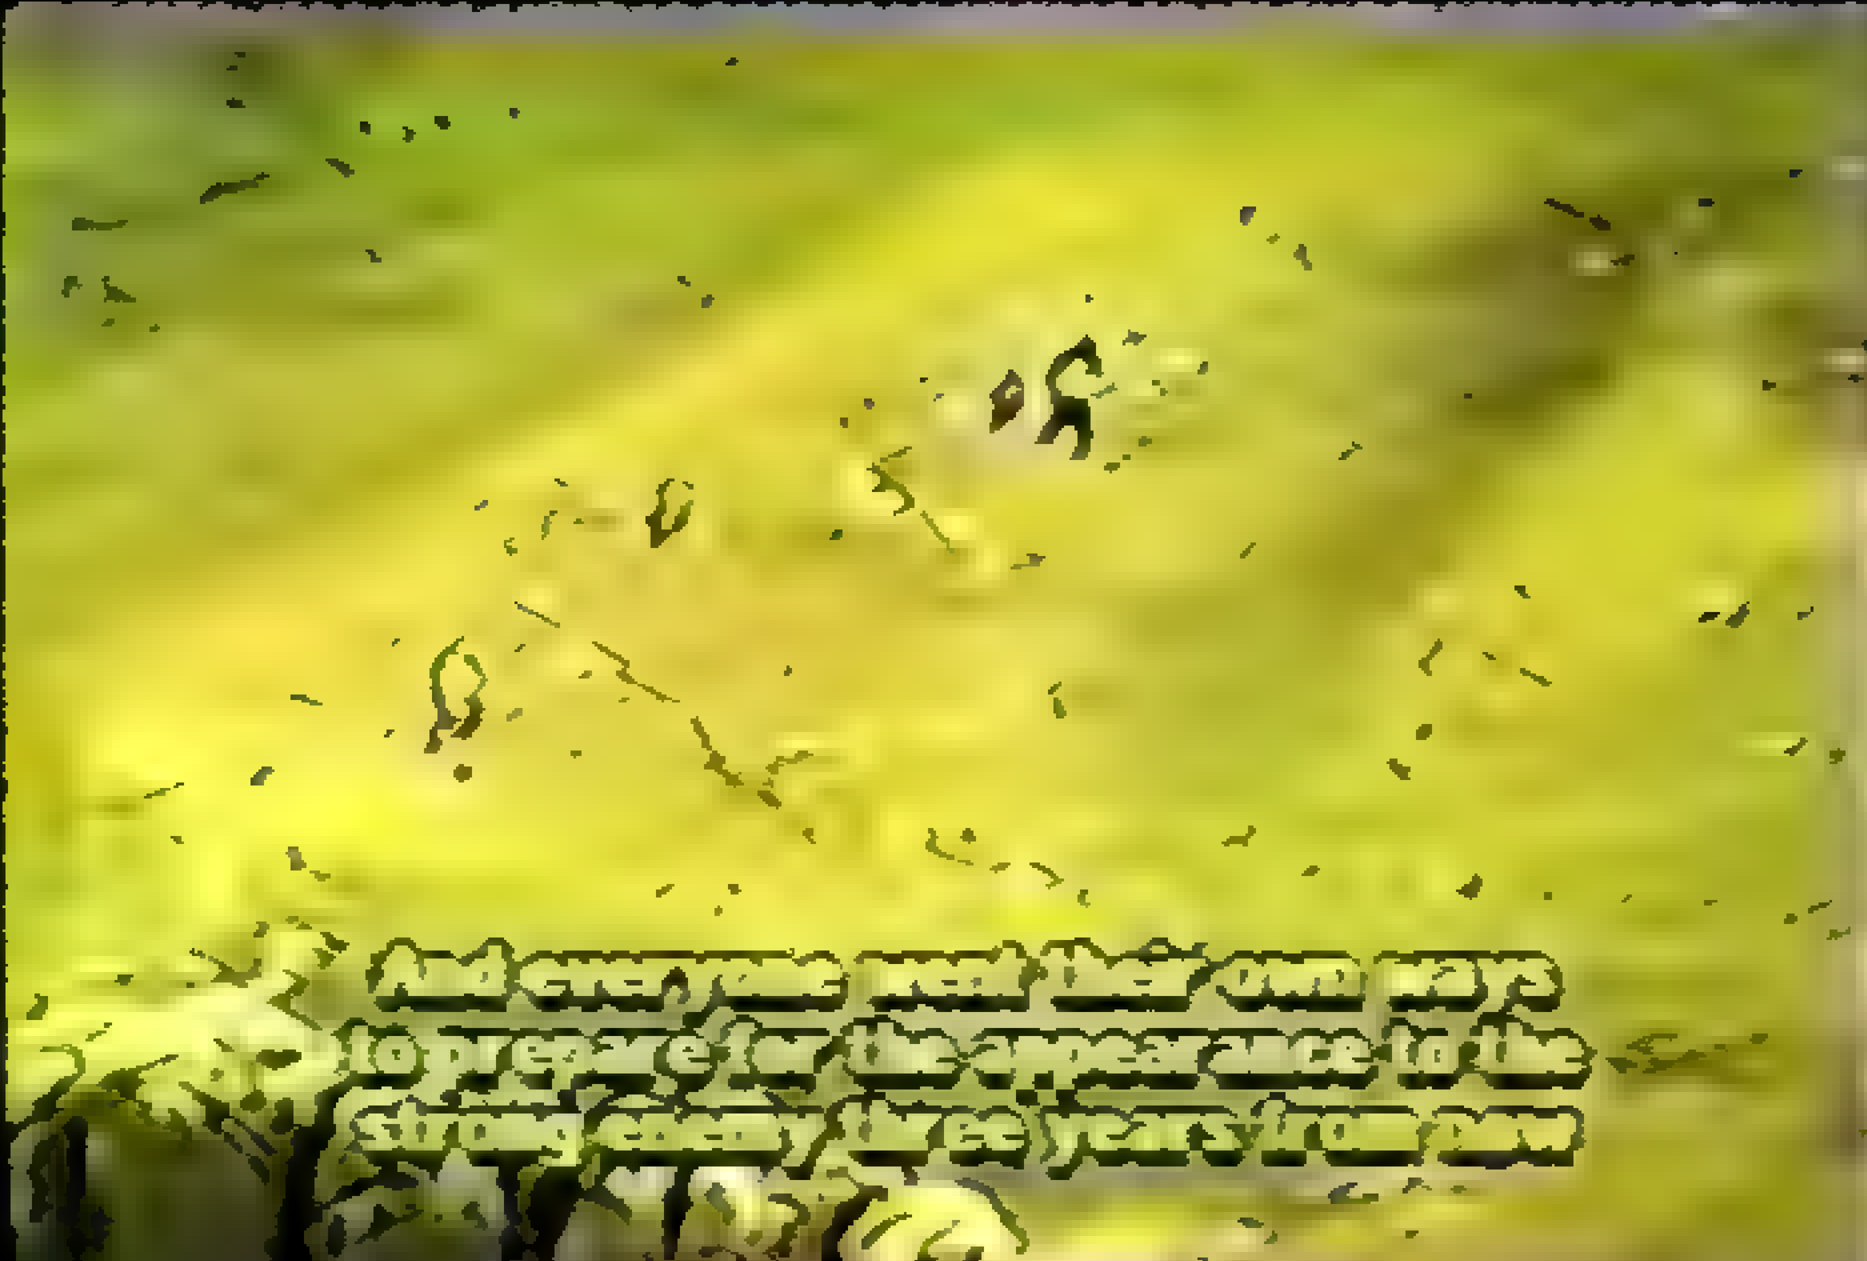

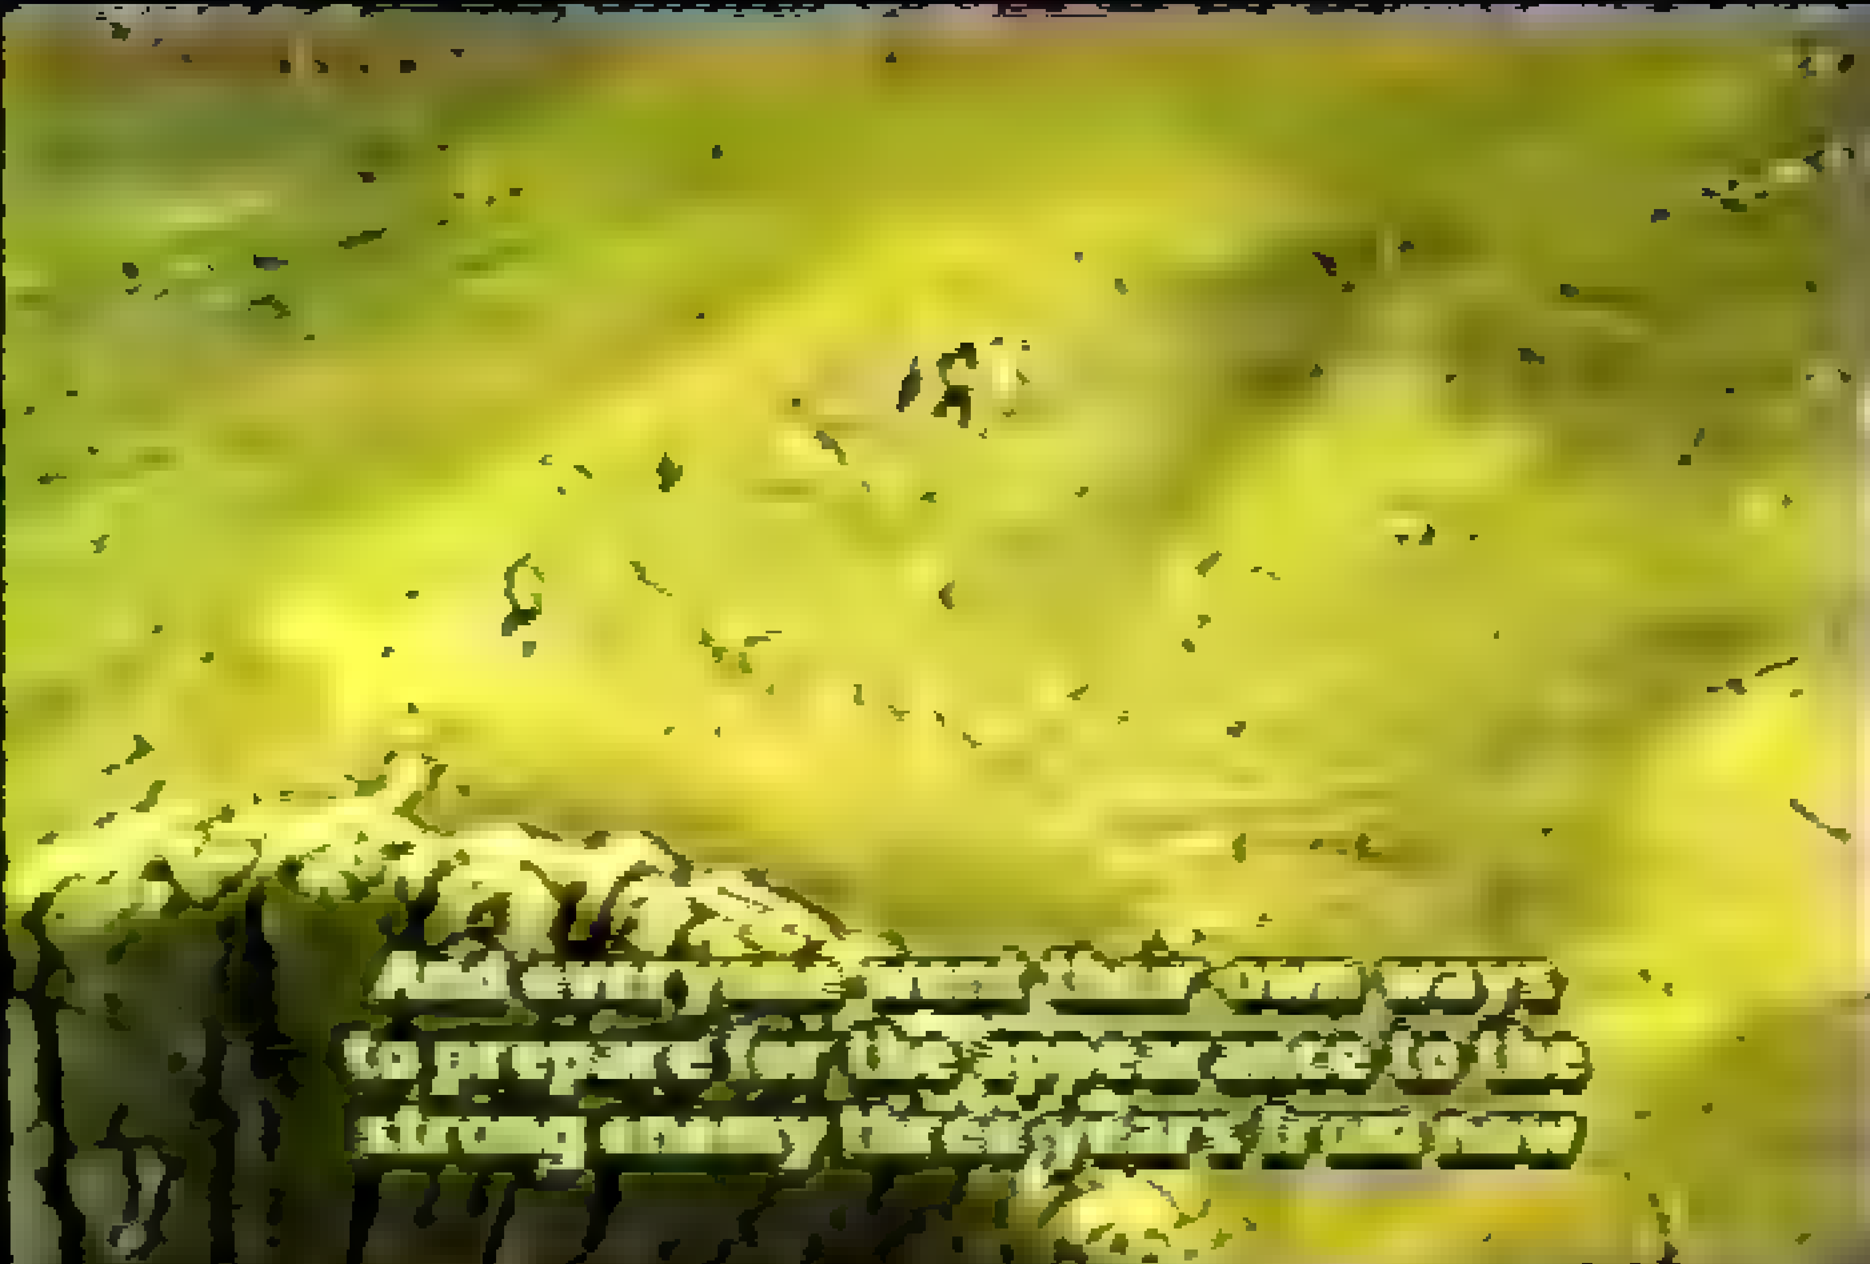

Even he's starting to say stuff like that!

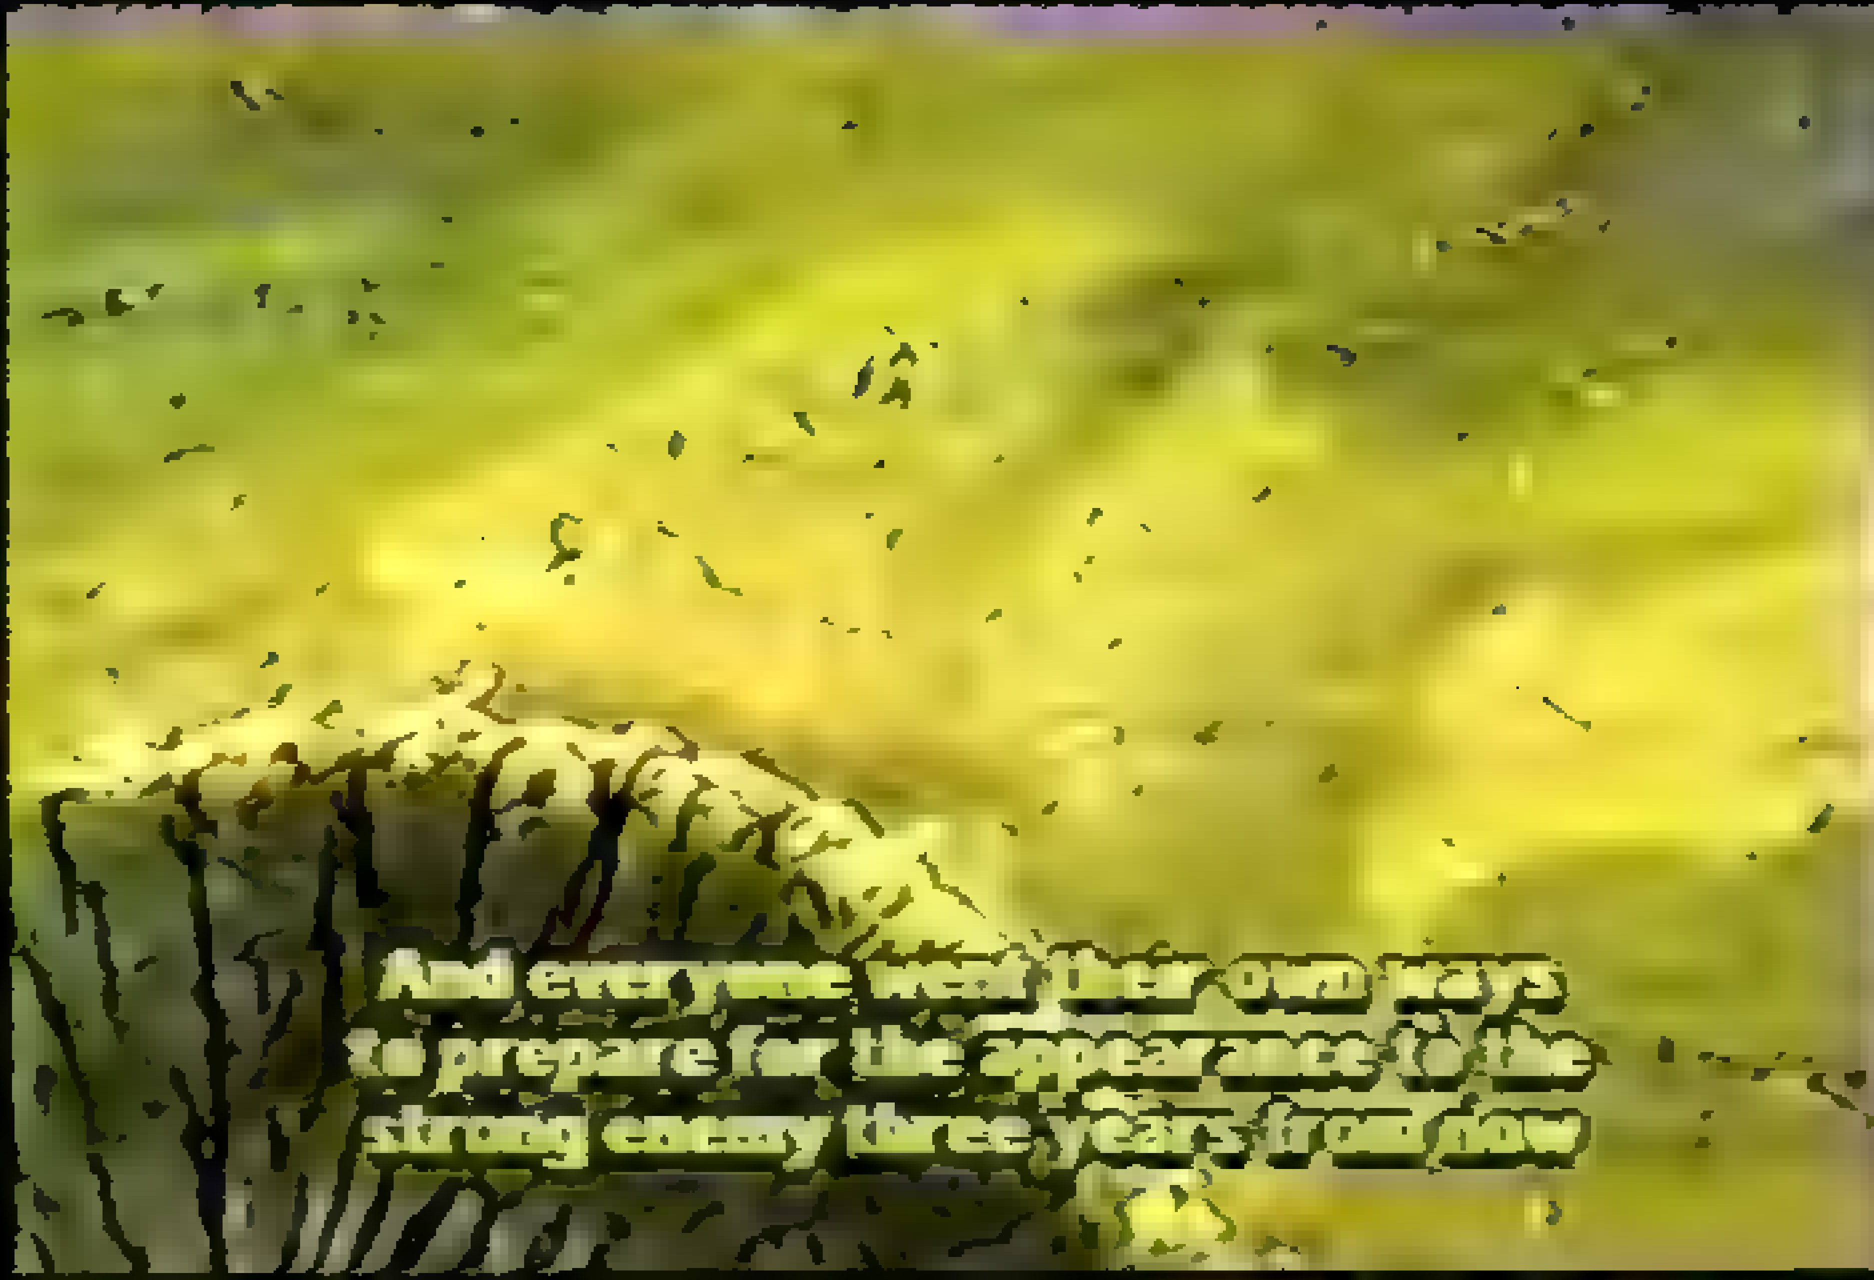

Even he's starting to say stuff like that!

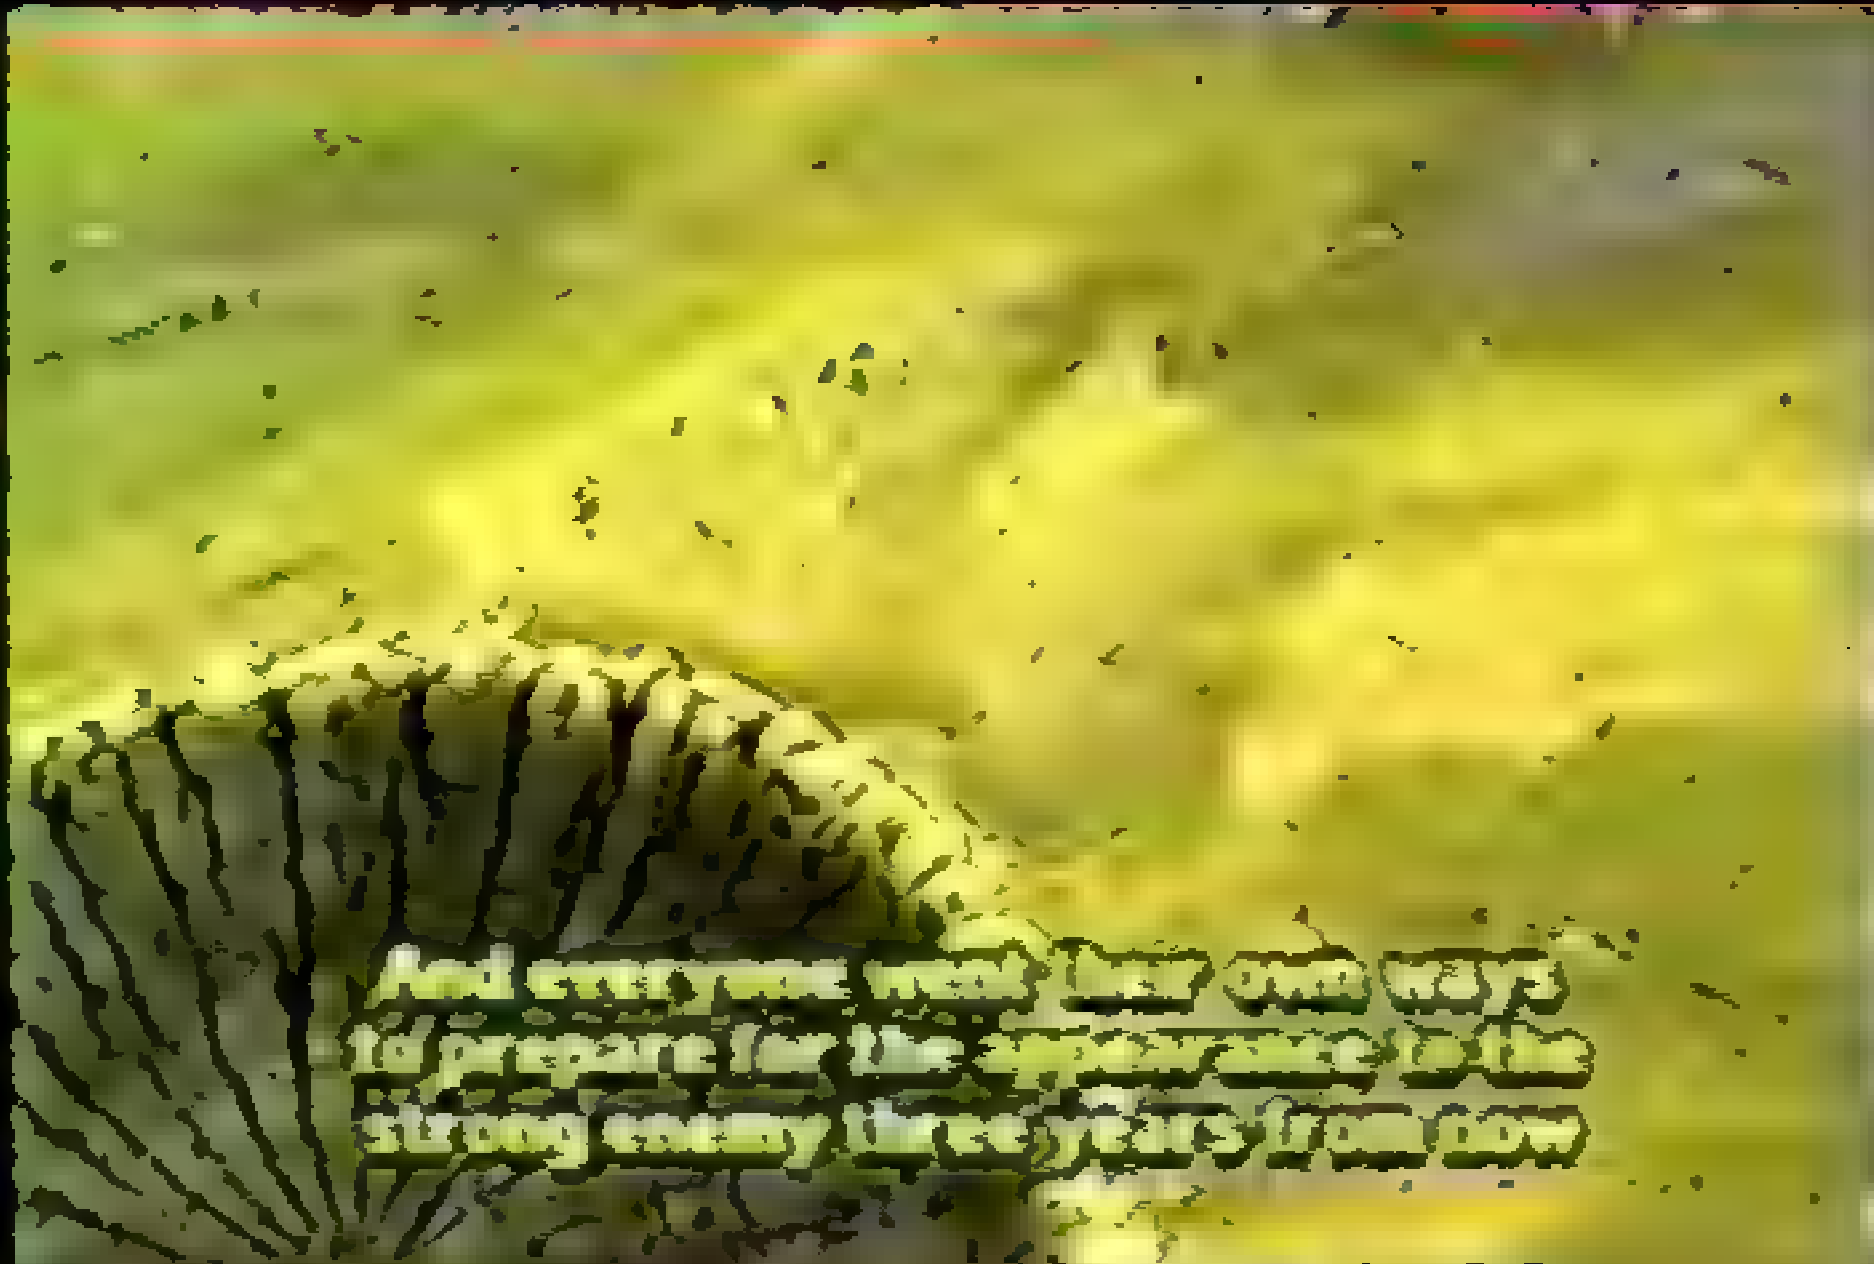

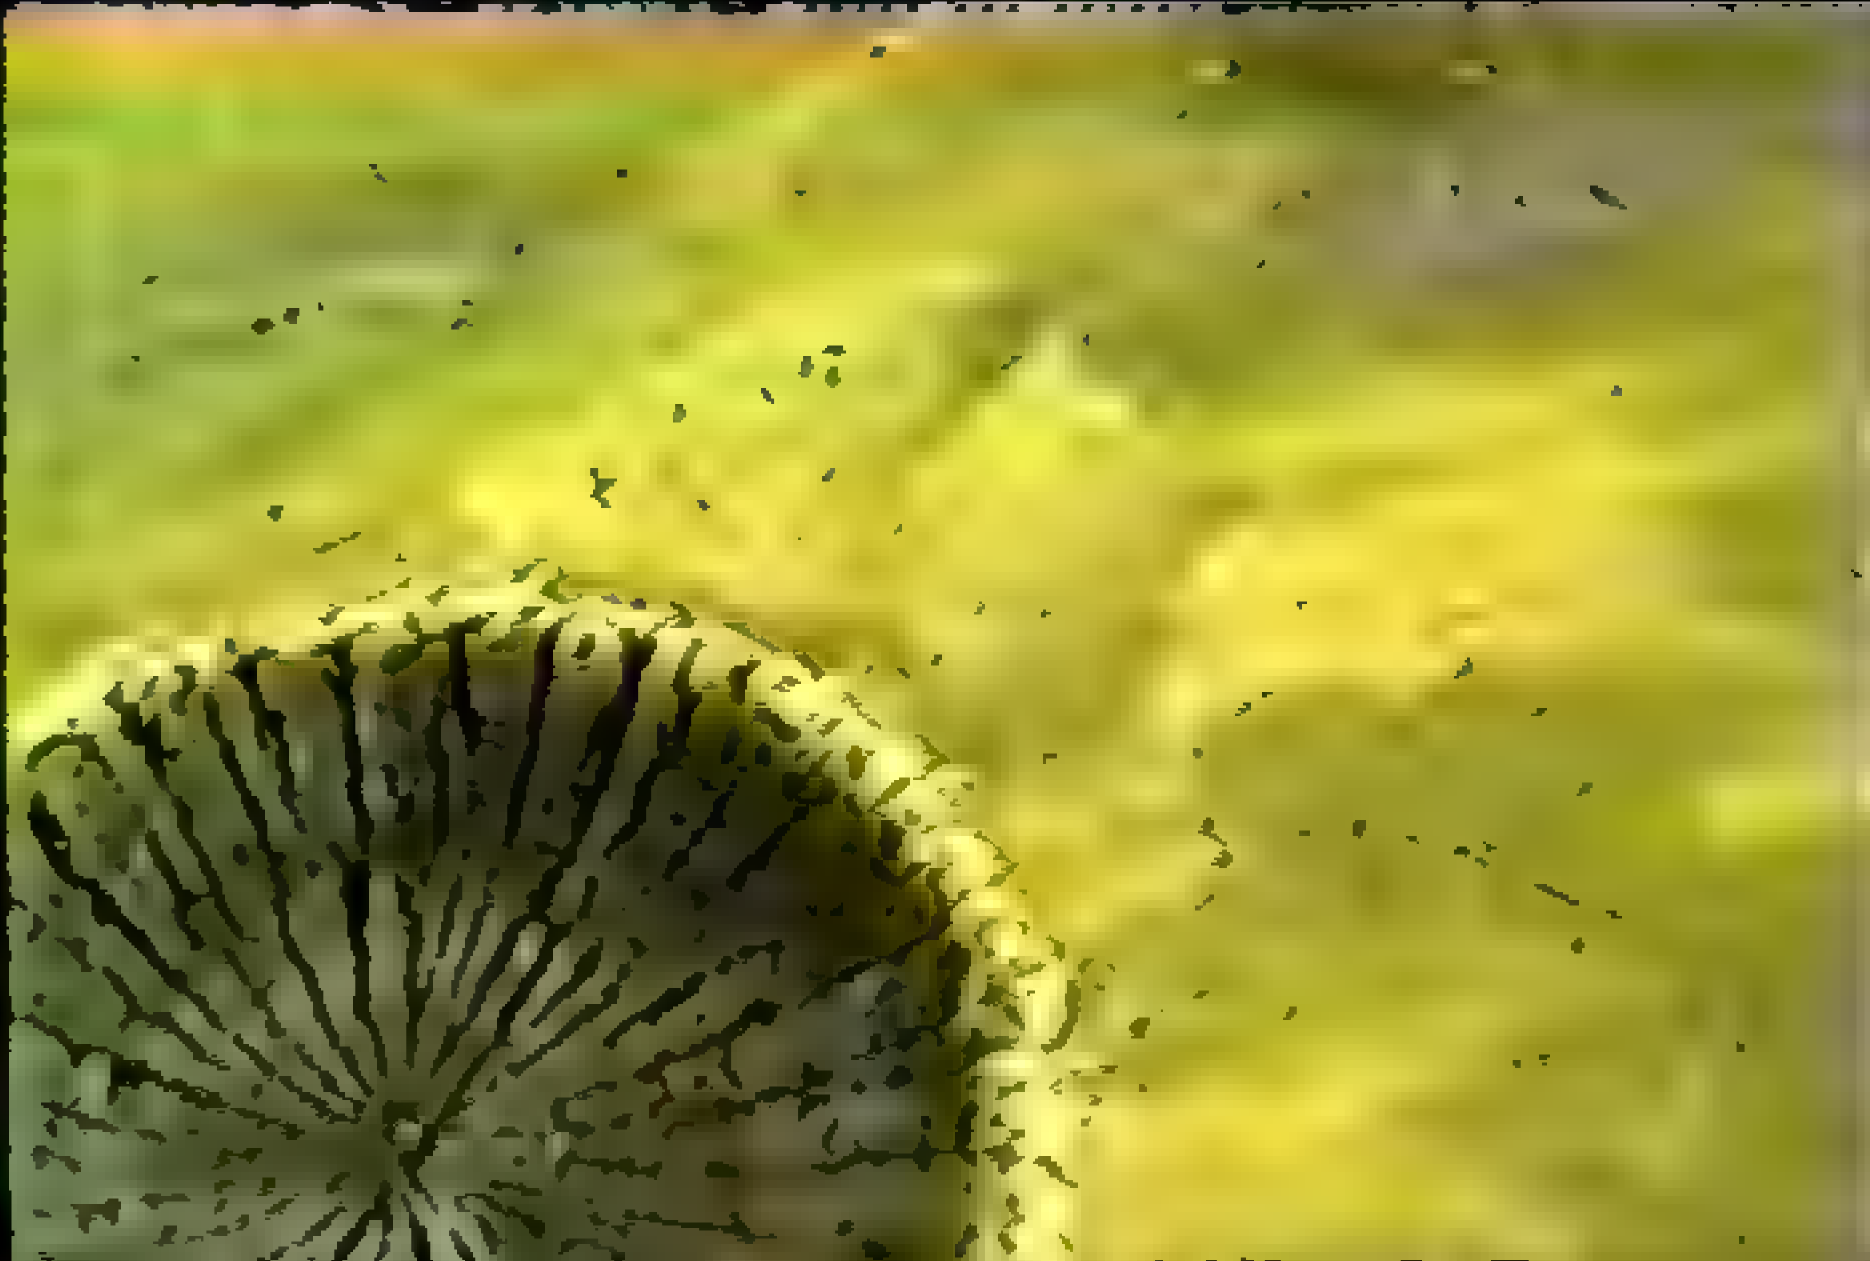

And everyone went their own ways
to prepare for the appearance to the
strong enemy three years from now

And everyone went their own ways
to prepare for the appearance to the
strong enemy three years from now

And everyone went their own ways
to prepare for the appearance of the
strong enemy three years from now

And everyone went their own ways
to prepare for the appearance of the
strong enemy three years from now

Muten-Roshi-sama!

I saw a ghost!! Just now Gokou's
ghost showed up and took my glasses

I saw a ghost! Just now Gakou's
ghost showed up and took my glasses

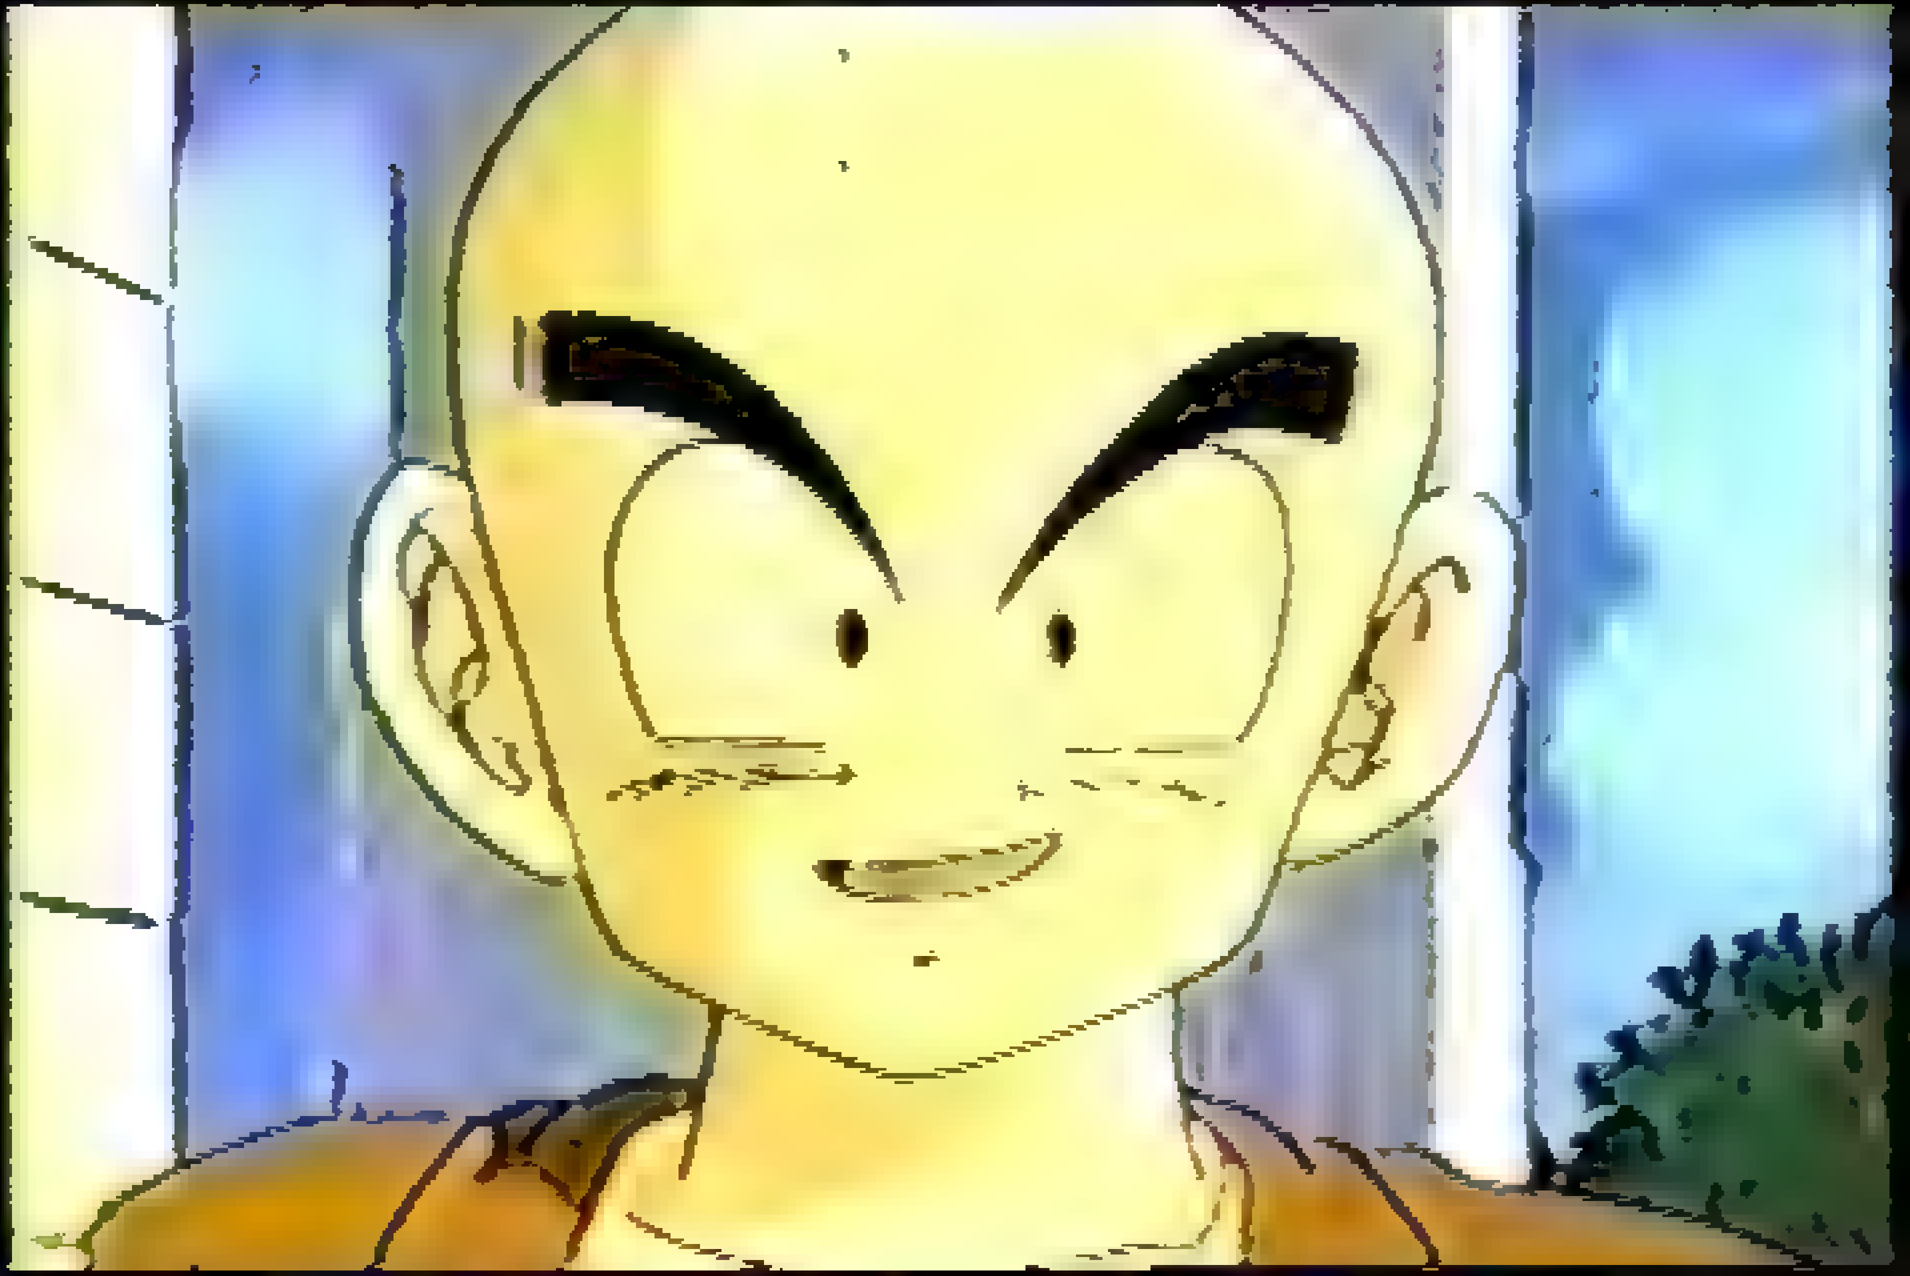

I saw a ghost! Just now Gakou's
ghost showed up and took my glasses

What!? Why do you have those glasses?

What!? Why do you have those glasses?

I want to start training—

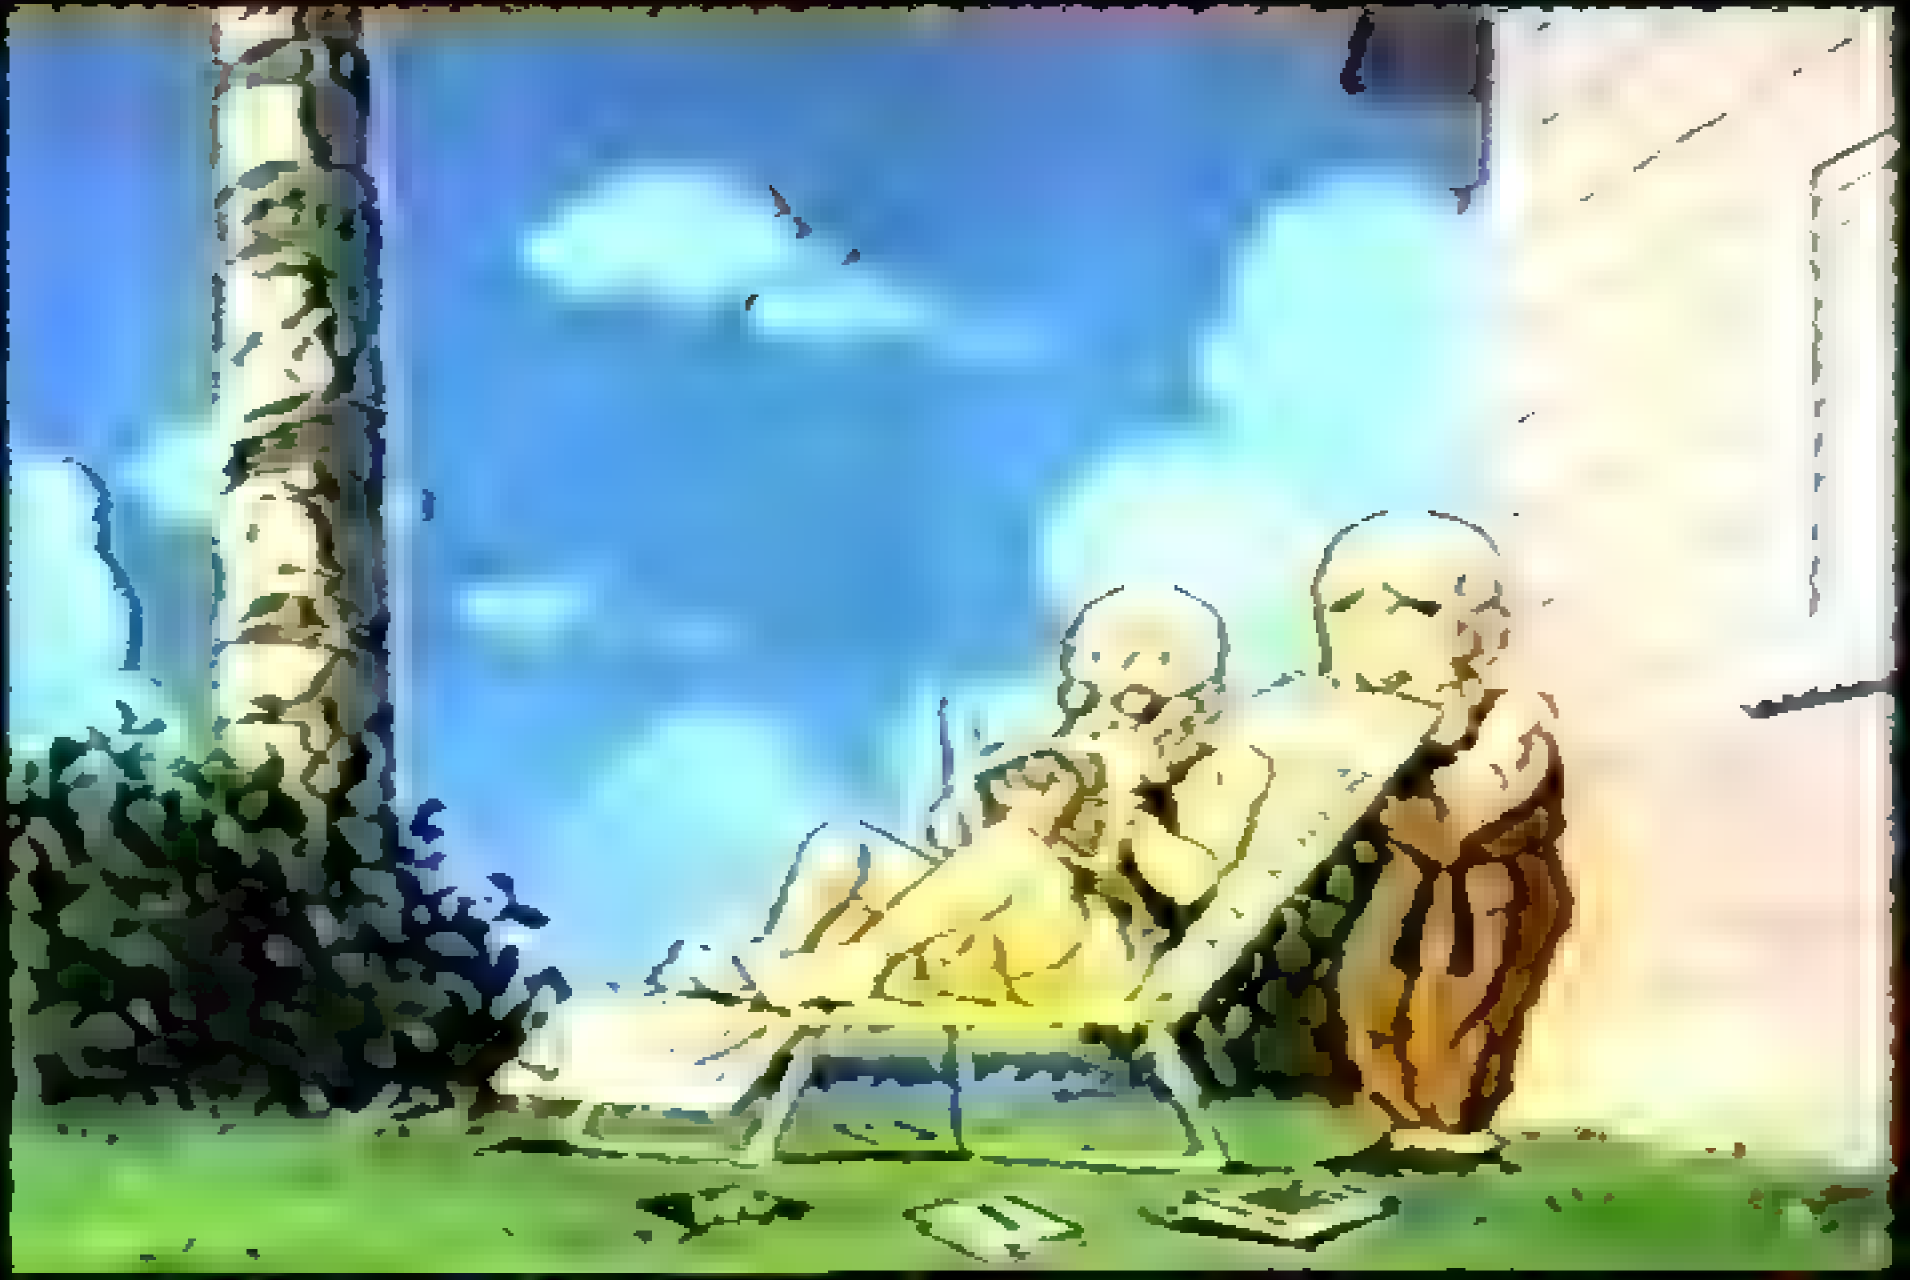

Now I can relax and read

I want to start training again from scratch

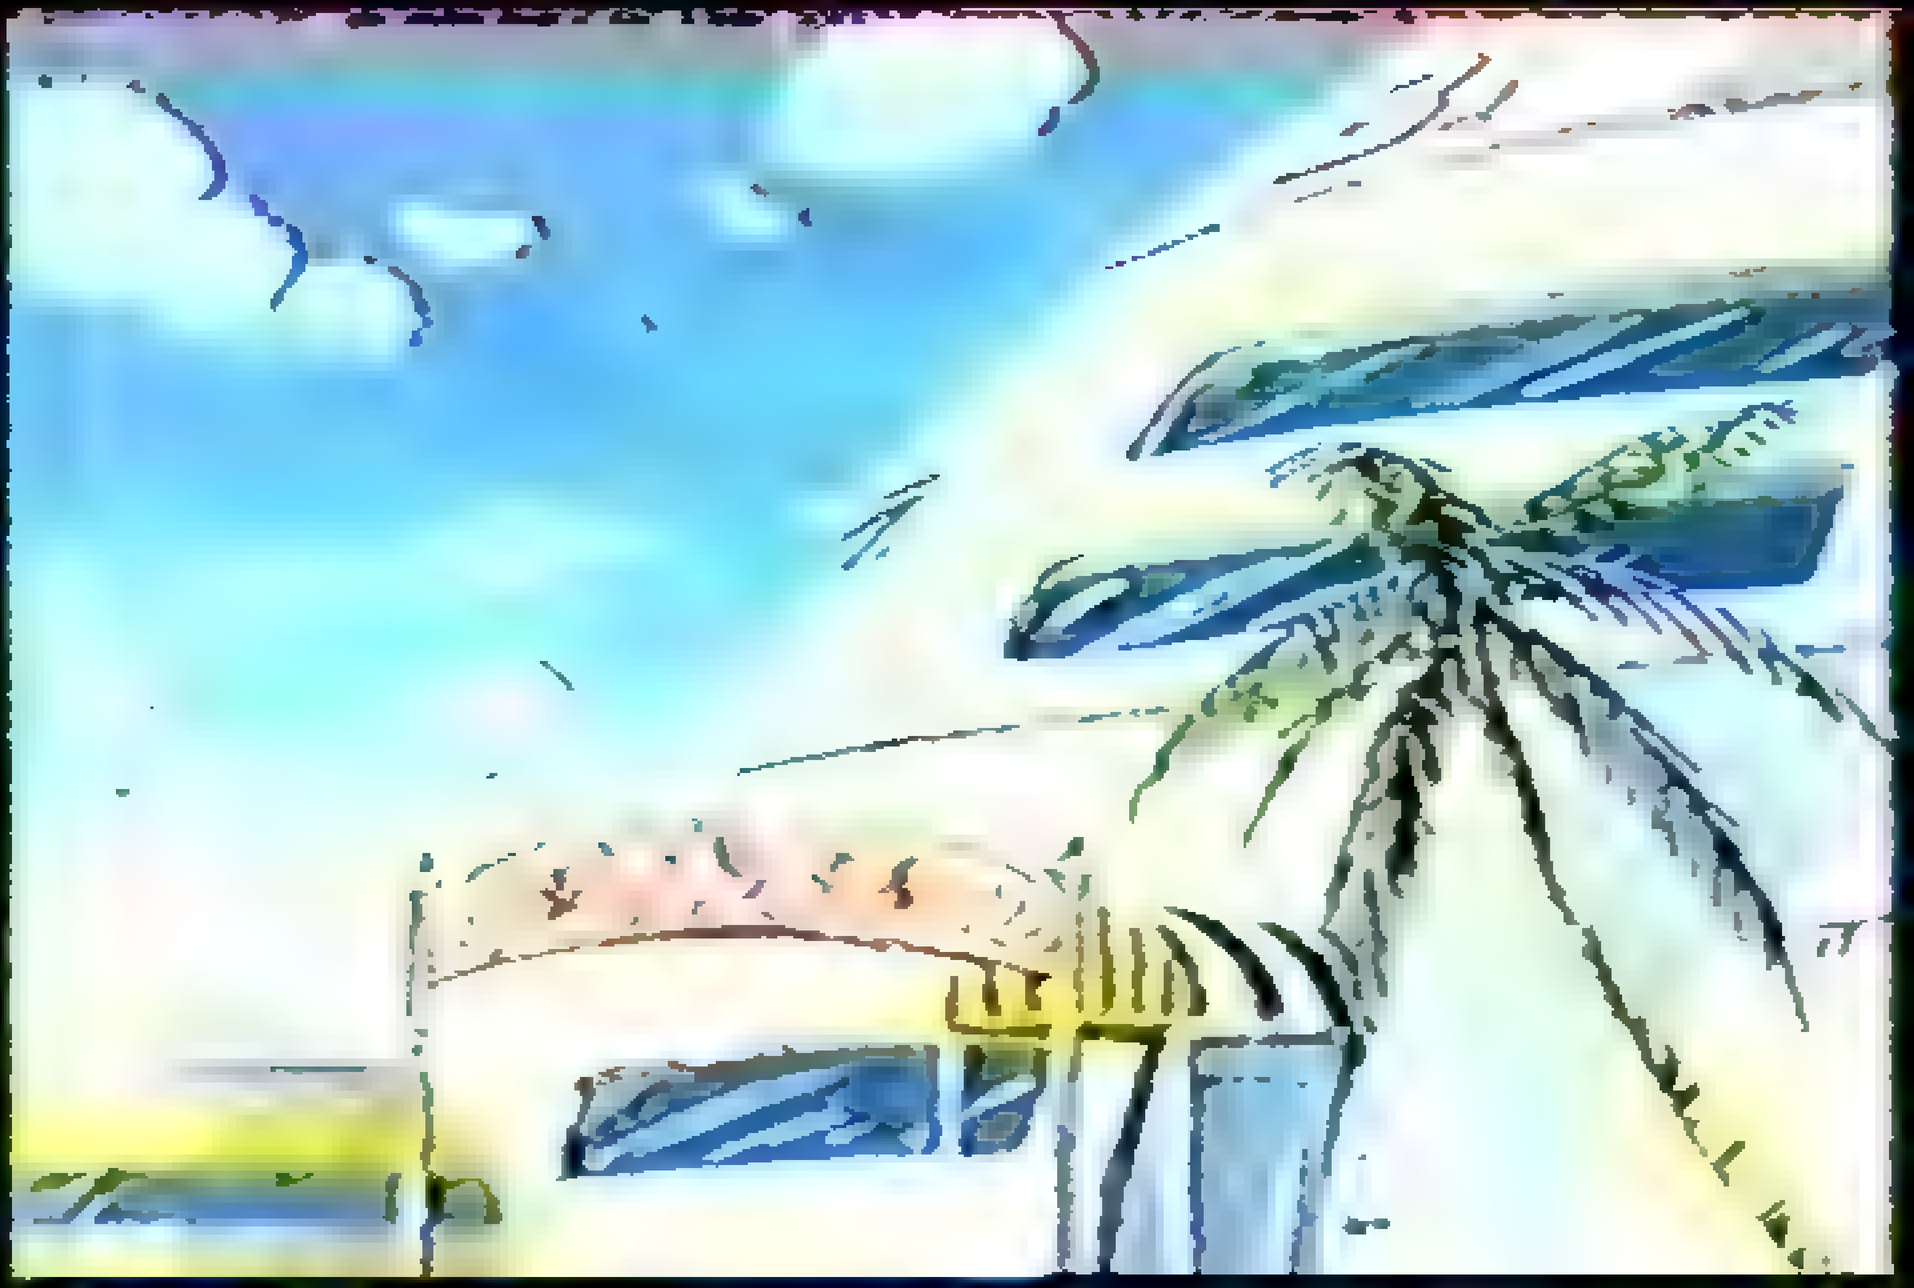

I want to start training again from scratch

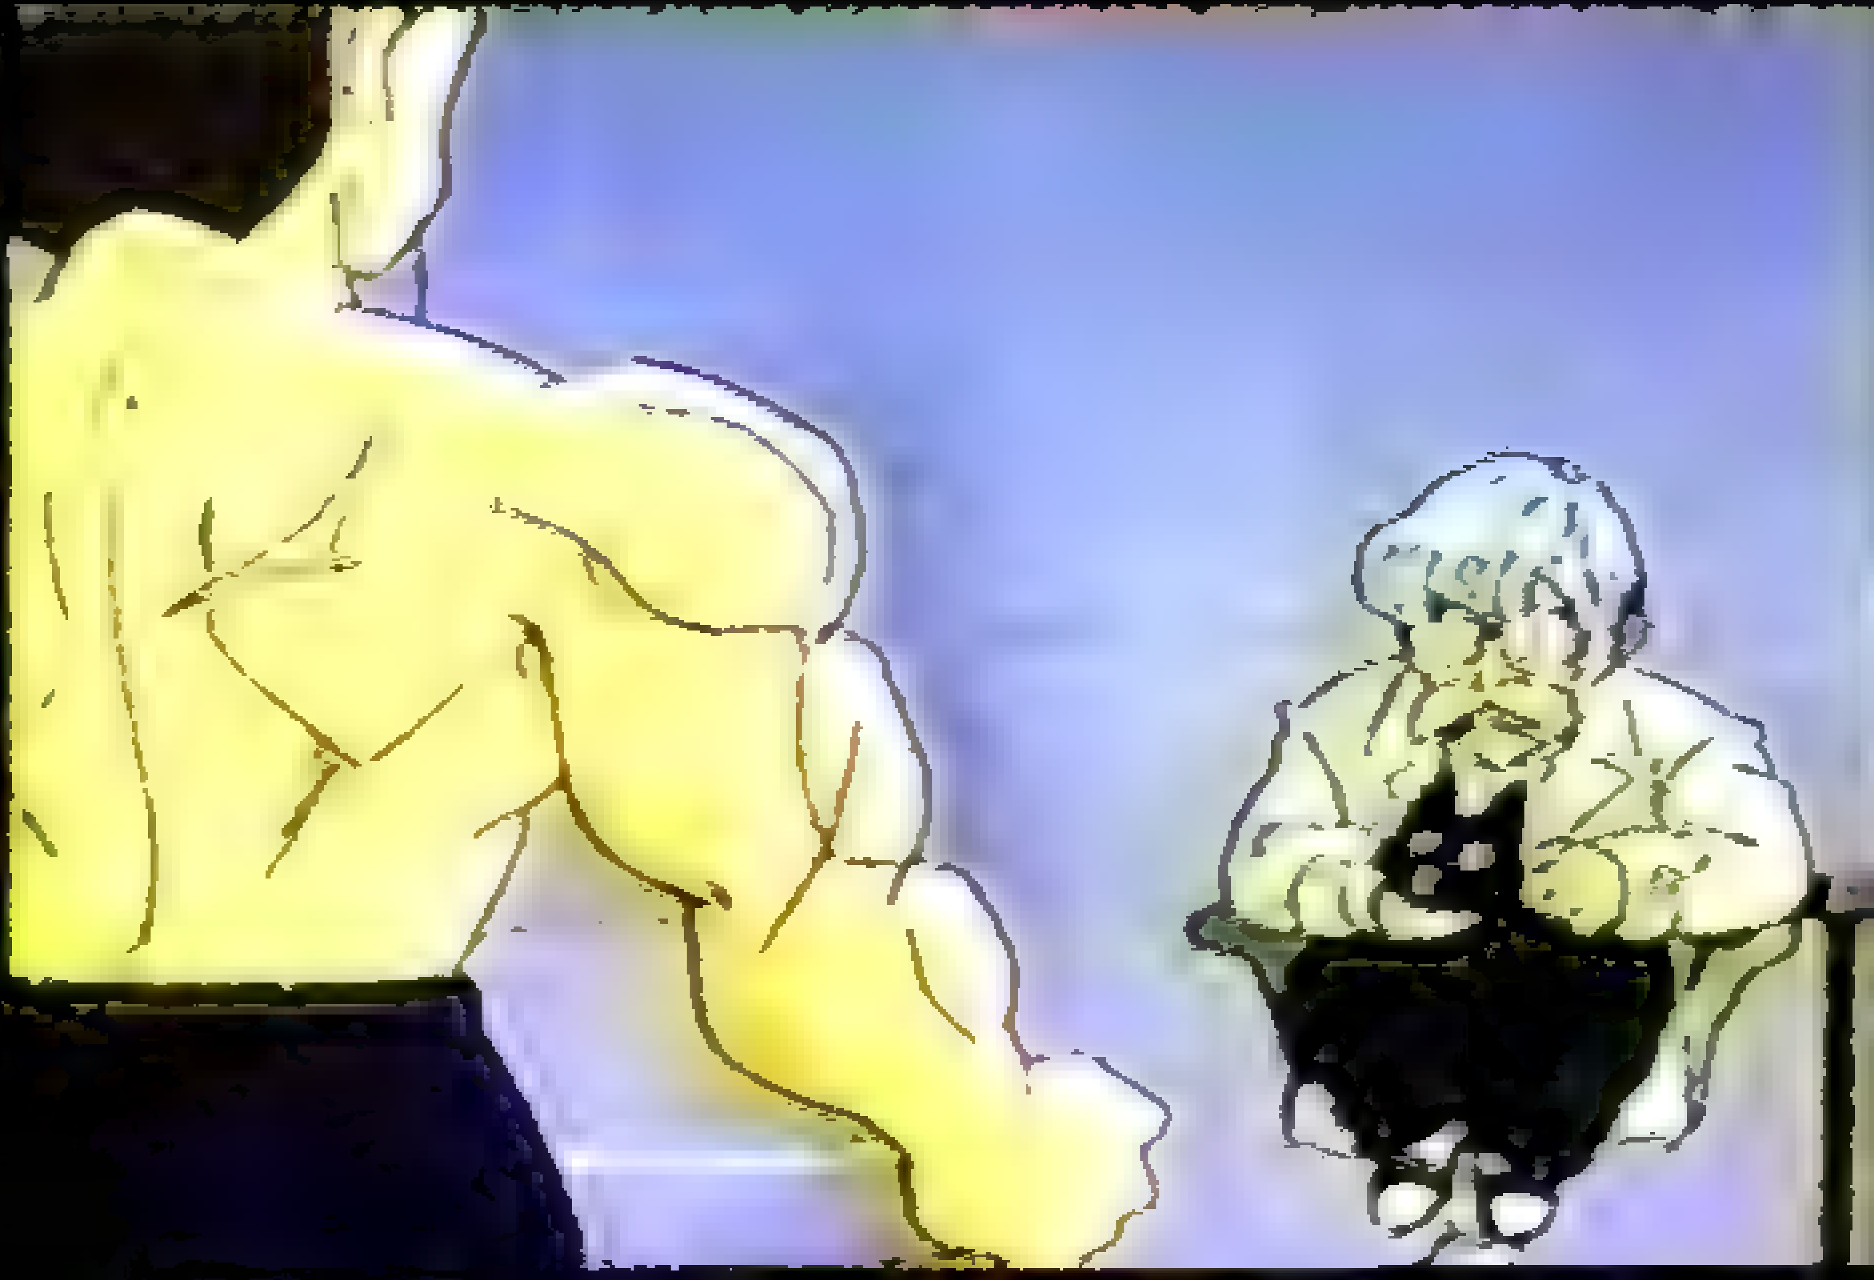

Excuse me! What about my training?

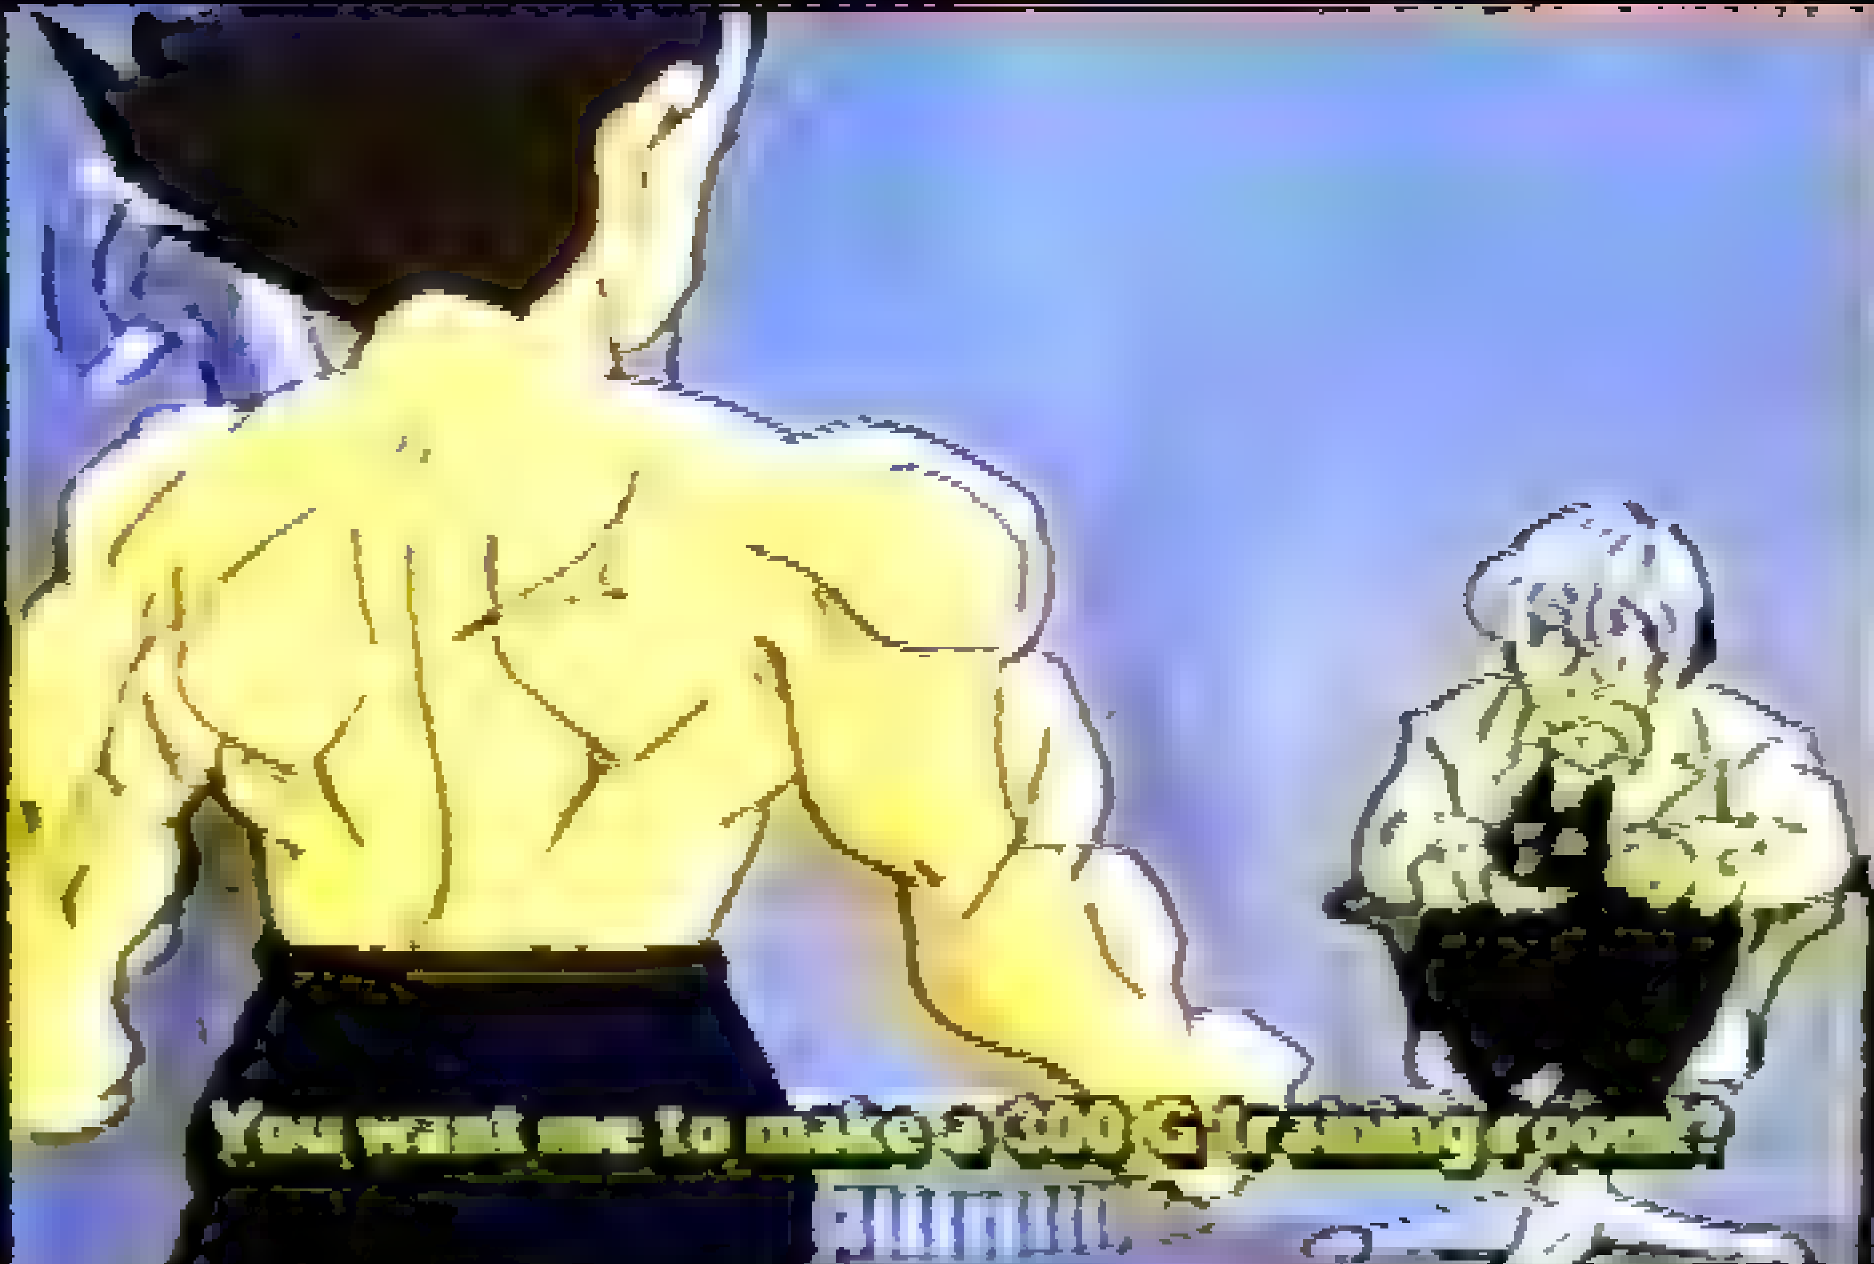

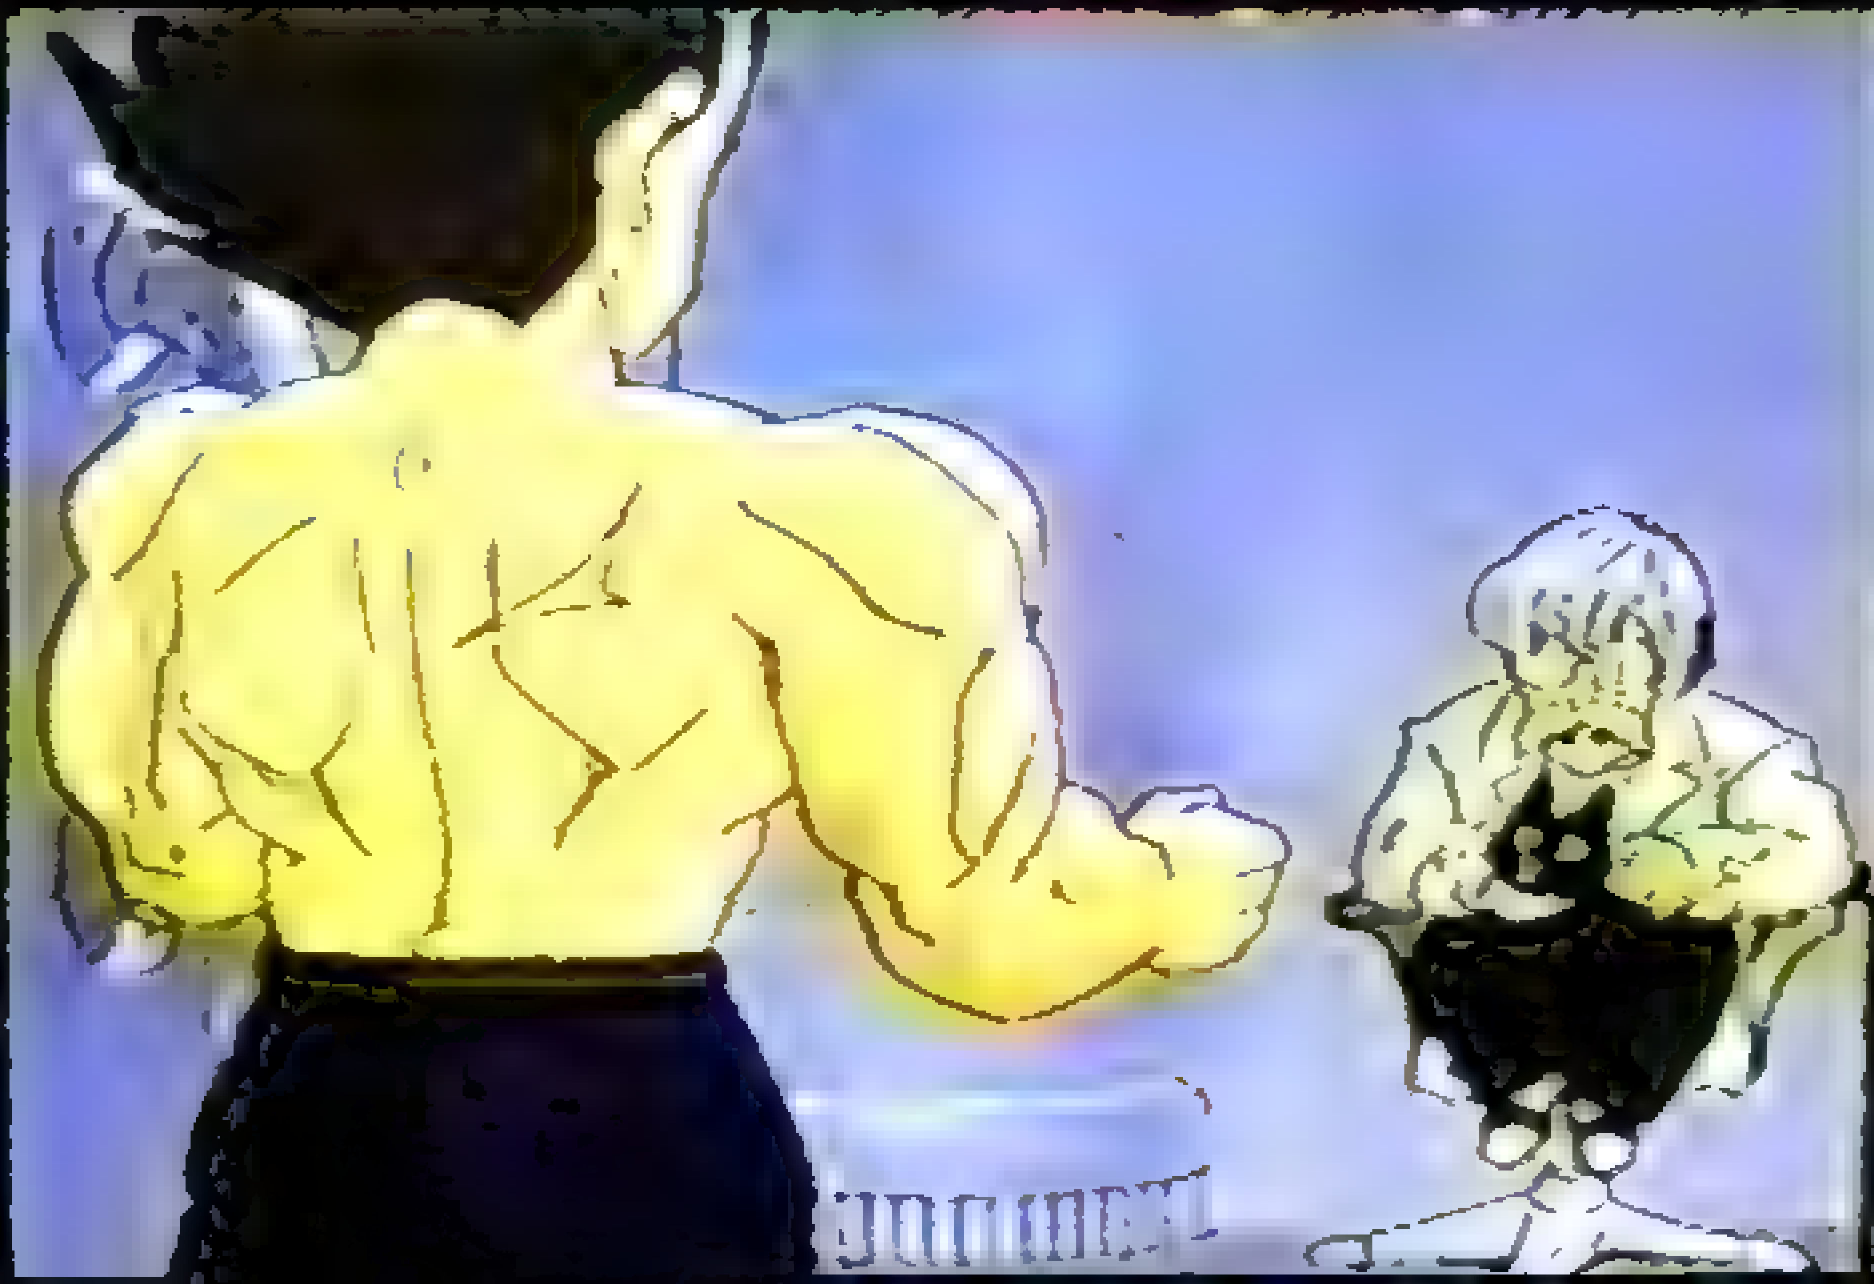

You want me to make a 300 G training room?

It looks like Kakarot to
trained at 100 gravities...

It looks like Kakarotto
trained at 100 gravities...

I want to do three times what he did

That's impossible

If you weigh 60 kilos, you'd weigh 18 tons

If you weigh 60 kilos, you'd weigh 18 tons

If you weigh 60 kilos, you'd weigh 18 tons.

That's impossible

No matter what it takes,

How dare you do this!

IC入門
IC

This isn't funny!

Gokou-san how far are you going
to disturb Gohan's studies!?

Gokou-san how far are you going

In order for to study even
more I bought a special study
set, and a sleep study bed!!

In order for him to study even more I bought him a special study set, and a sleep study bed!!

In order for him to study even
more I bought him a special study
set, and a sleep study bed...

Training him to make him stronger
isn't going to do anything worth while!

Training him to make him stronger
ain't going to do anything worth while...

Why don't you fight with just you and Piccolo?

Why don't you fight with just you and Piccolo?

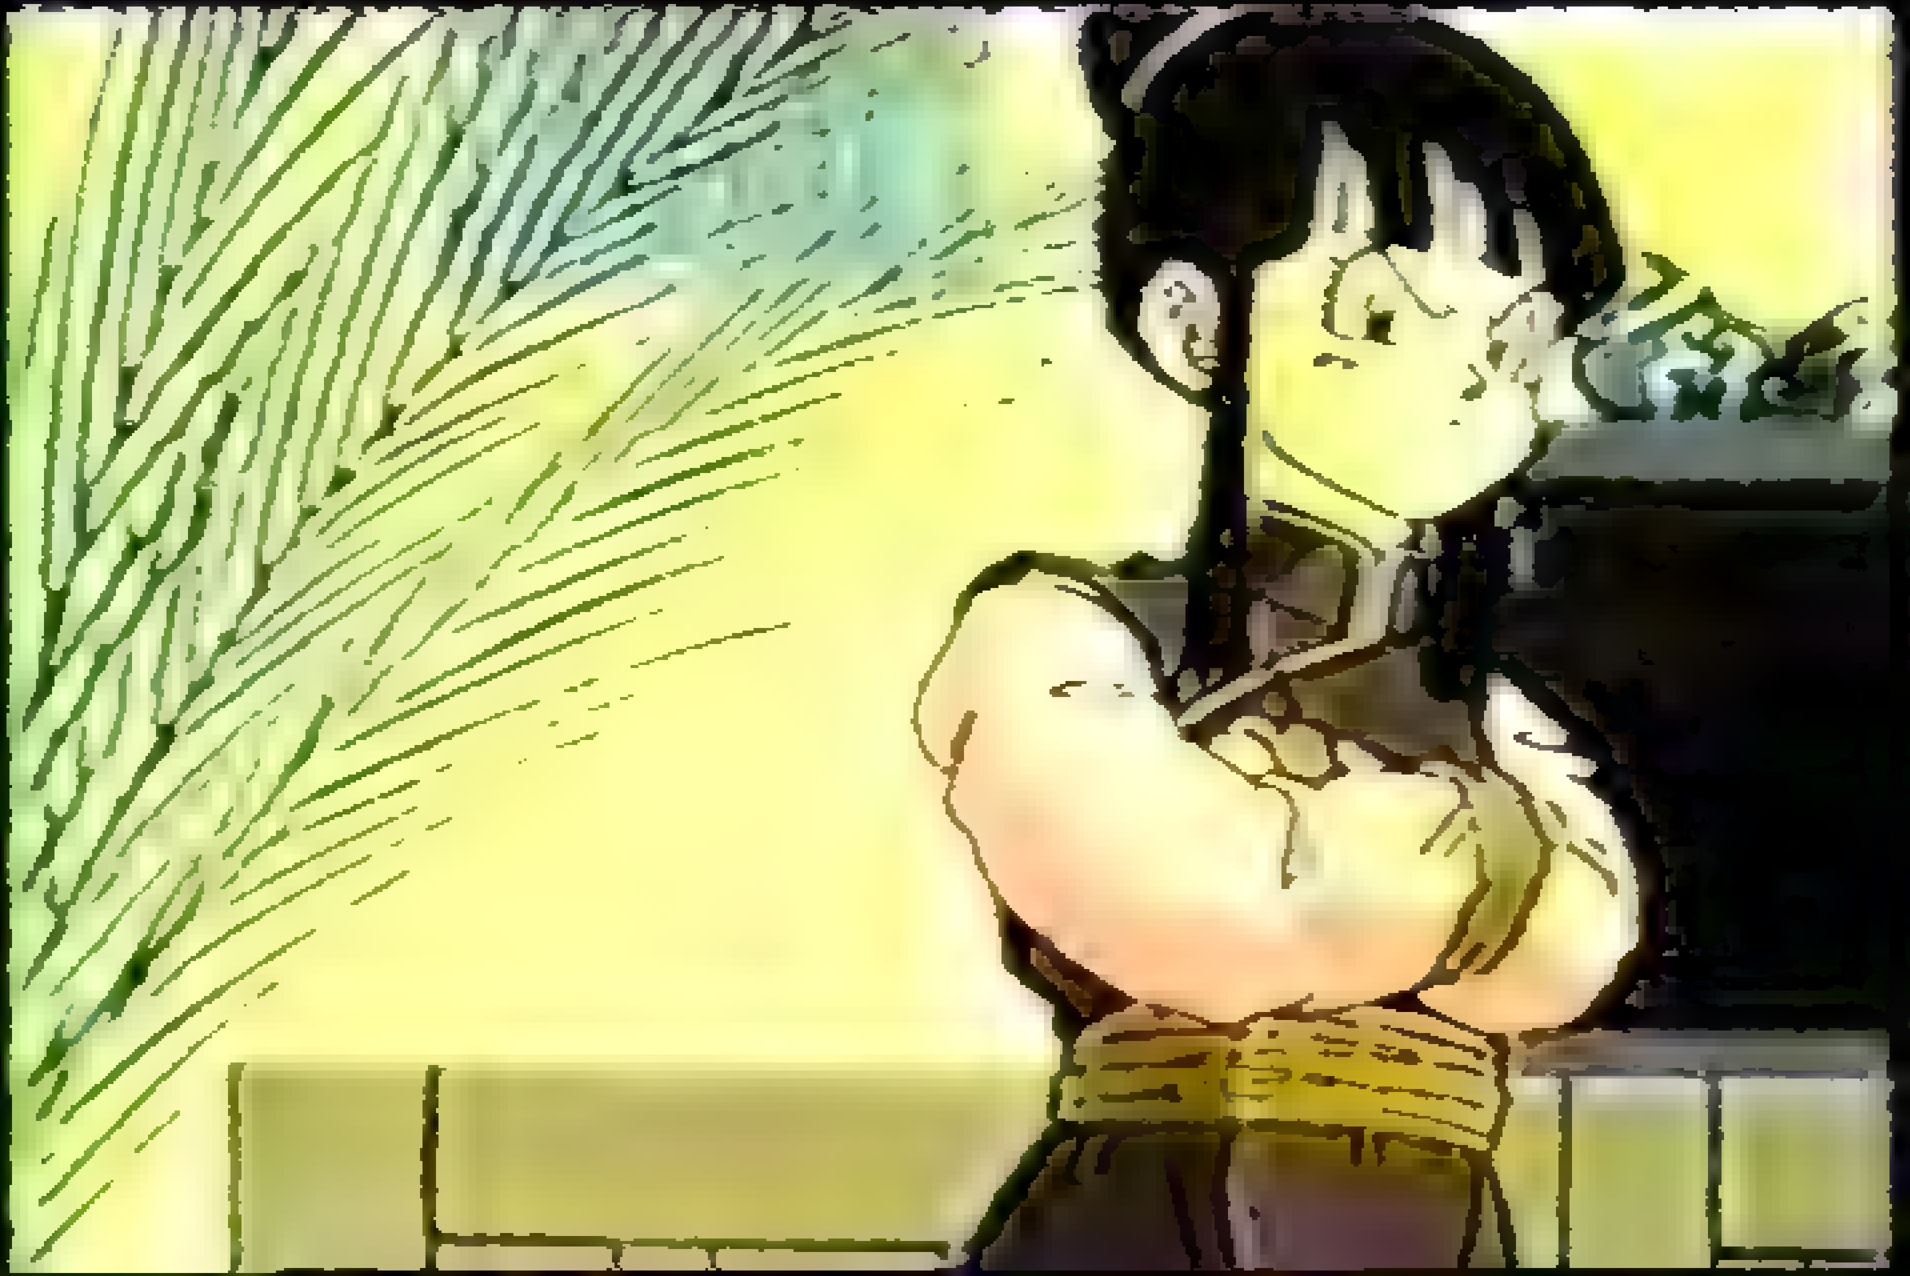

I told you. We're going to need Gohan's help

I told you. We're going to need Gohan's help

I'm sure studying's fine too, but in three
years the whole Earth's going to be in danger

I'm sure studying's fine too, but in three
years the whole Earth's going to be in danger

I'm sure studying's fine too, but in three

You talk big but, you never work and you
never helped to look after Gohan-chan!

You talk big but, you never work and you

You talk big but, you never work and you
never helped to look after Gohan-chan!

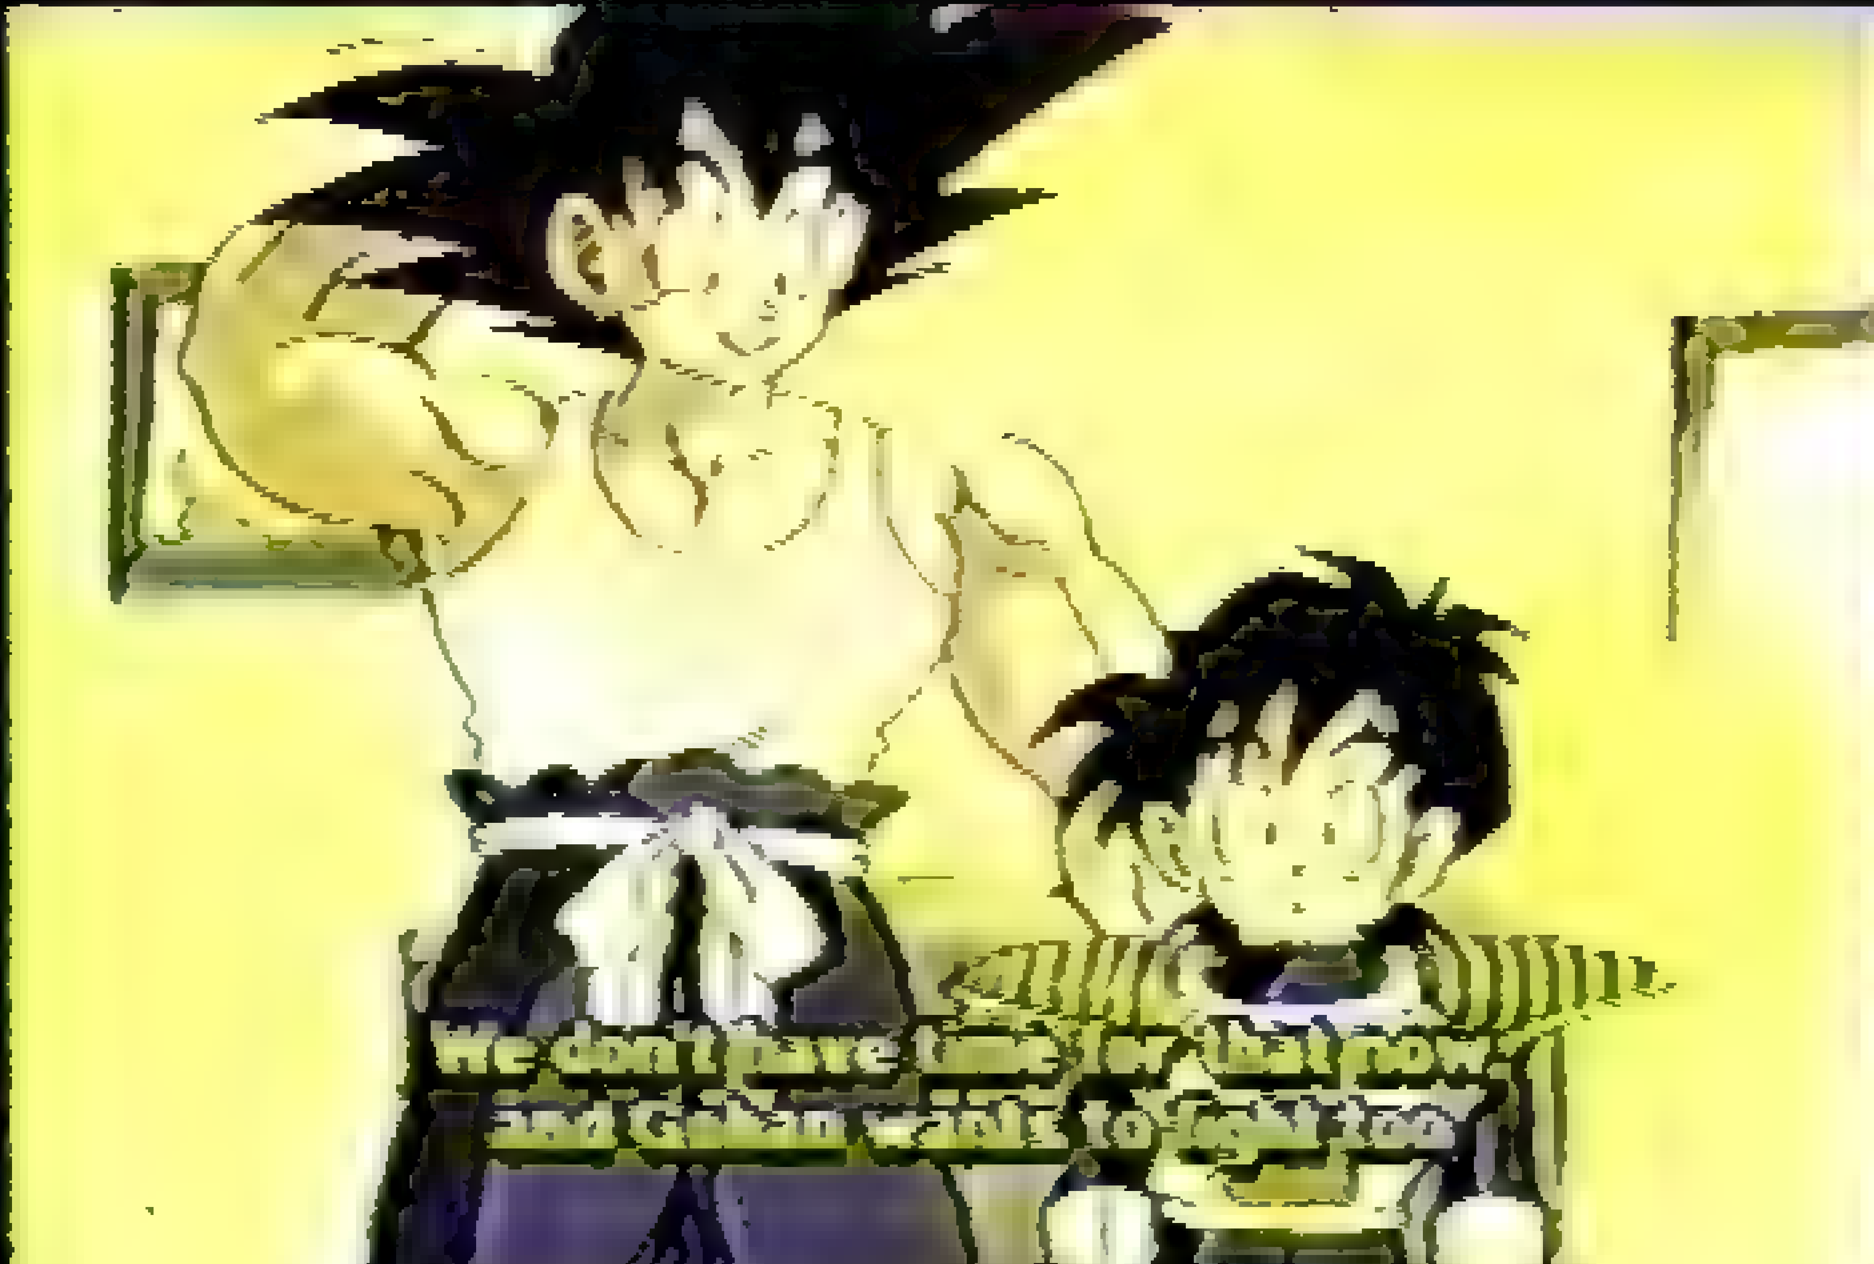

Have you made a single red
cent after we got married?

Have you made a single red
cent after we got married?

That's not a fair thing to say

That's not a fair thing to say

We don't have time for that now,
and Gohan wants to fight too

We don't have time for that now,
and Gohan wants to fight too

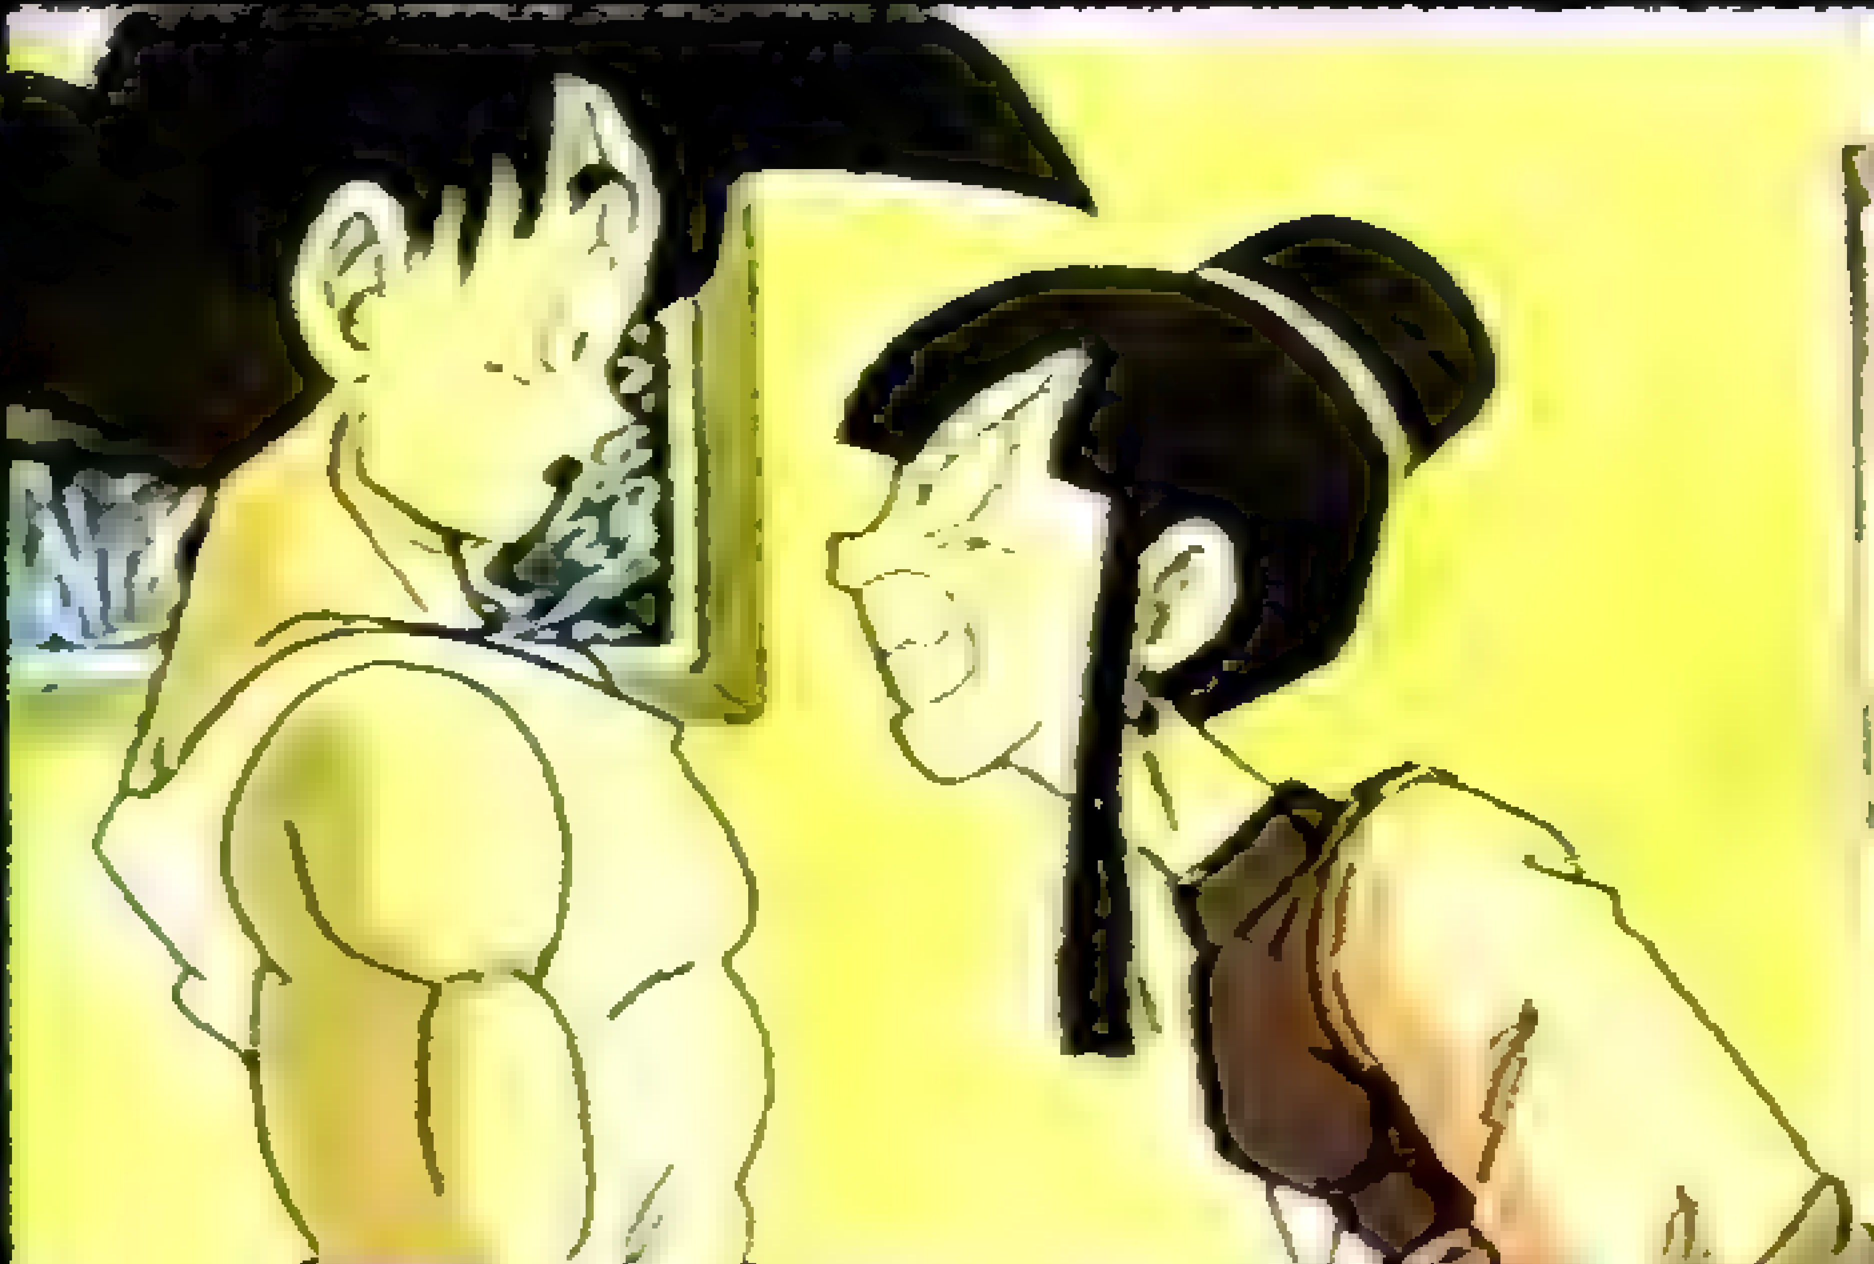

I forbid it! No matter what you
say I won't let that happen!

I forbid it! No matter what you
say I won't let that happen!

So you're saying Gohan's studies are more
important than the whole future of the Earth?

So you're saying Gohan's studies are more
important than the whole future of the Earth?

YES! That's exactly what I'm saying!

I don't care what's going to happen!!
Gohan's studies are more important!!

You big kidder !

Sorry Chi-Chi, I got too strong. I
thought I was holding back enough.

Sorry I got too strong. I
thought I was holding back enough

Sorry Chi-Chi, I got too strong. I

I'm really sorry, it just happened

I'm really sorry, it just happened

It doesn't matter, girls always cry in the end

But in three years, he's going to stop kempo!

I'm putting my foot down

So even a Super Saiya-jin has a weakness

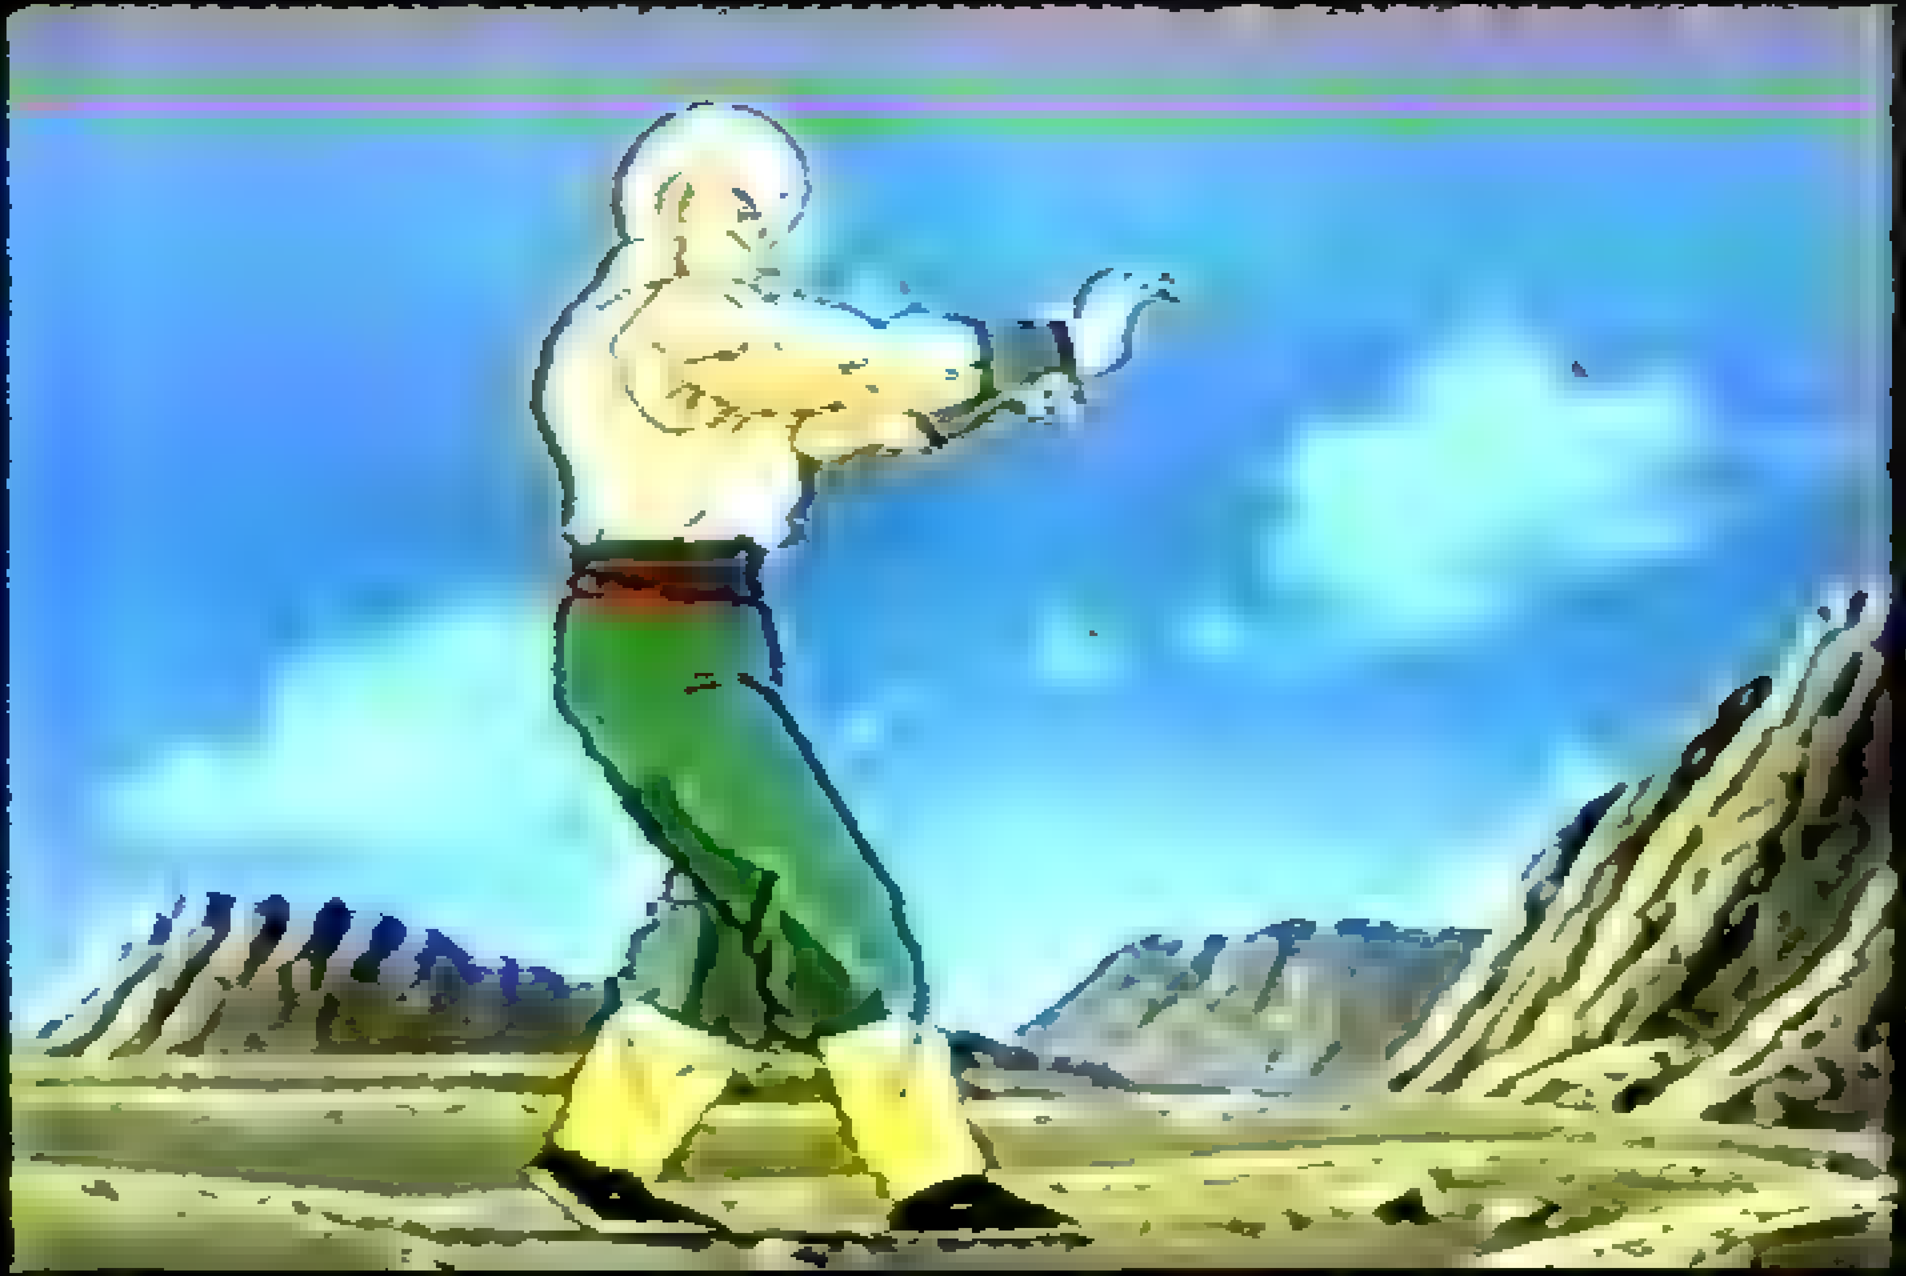

So even a Super Saiya-jin has a weakness

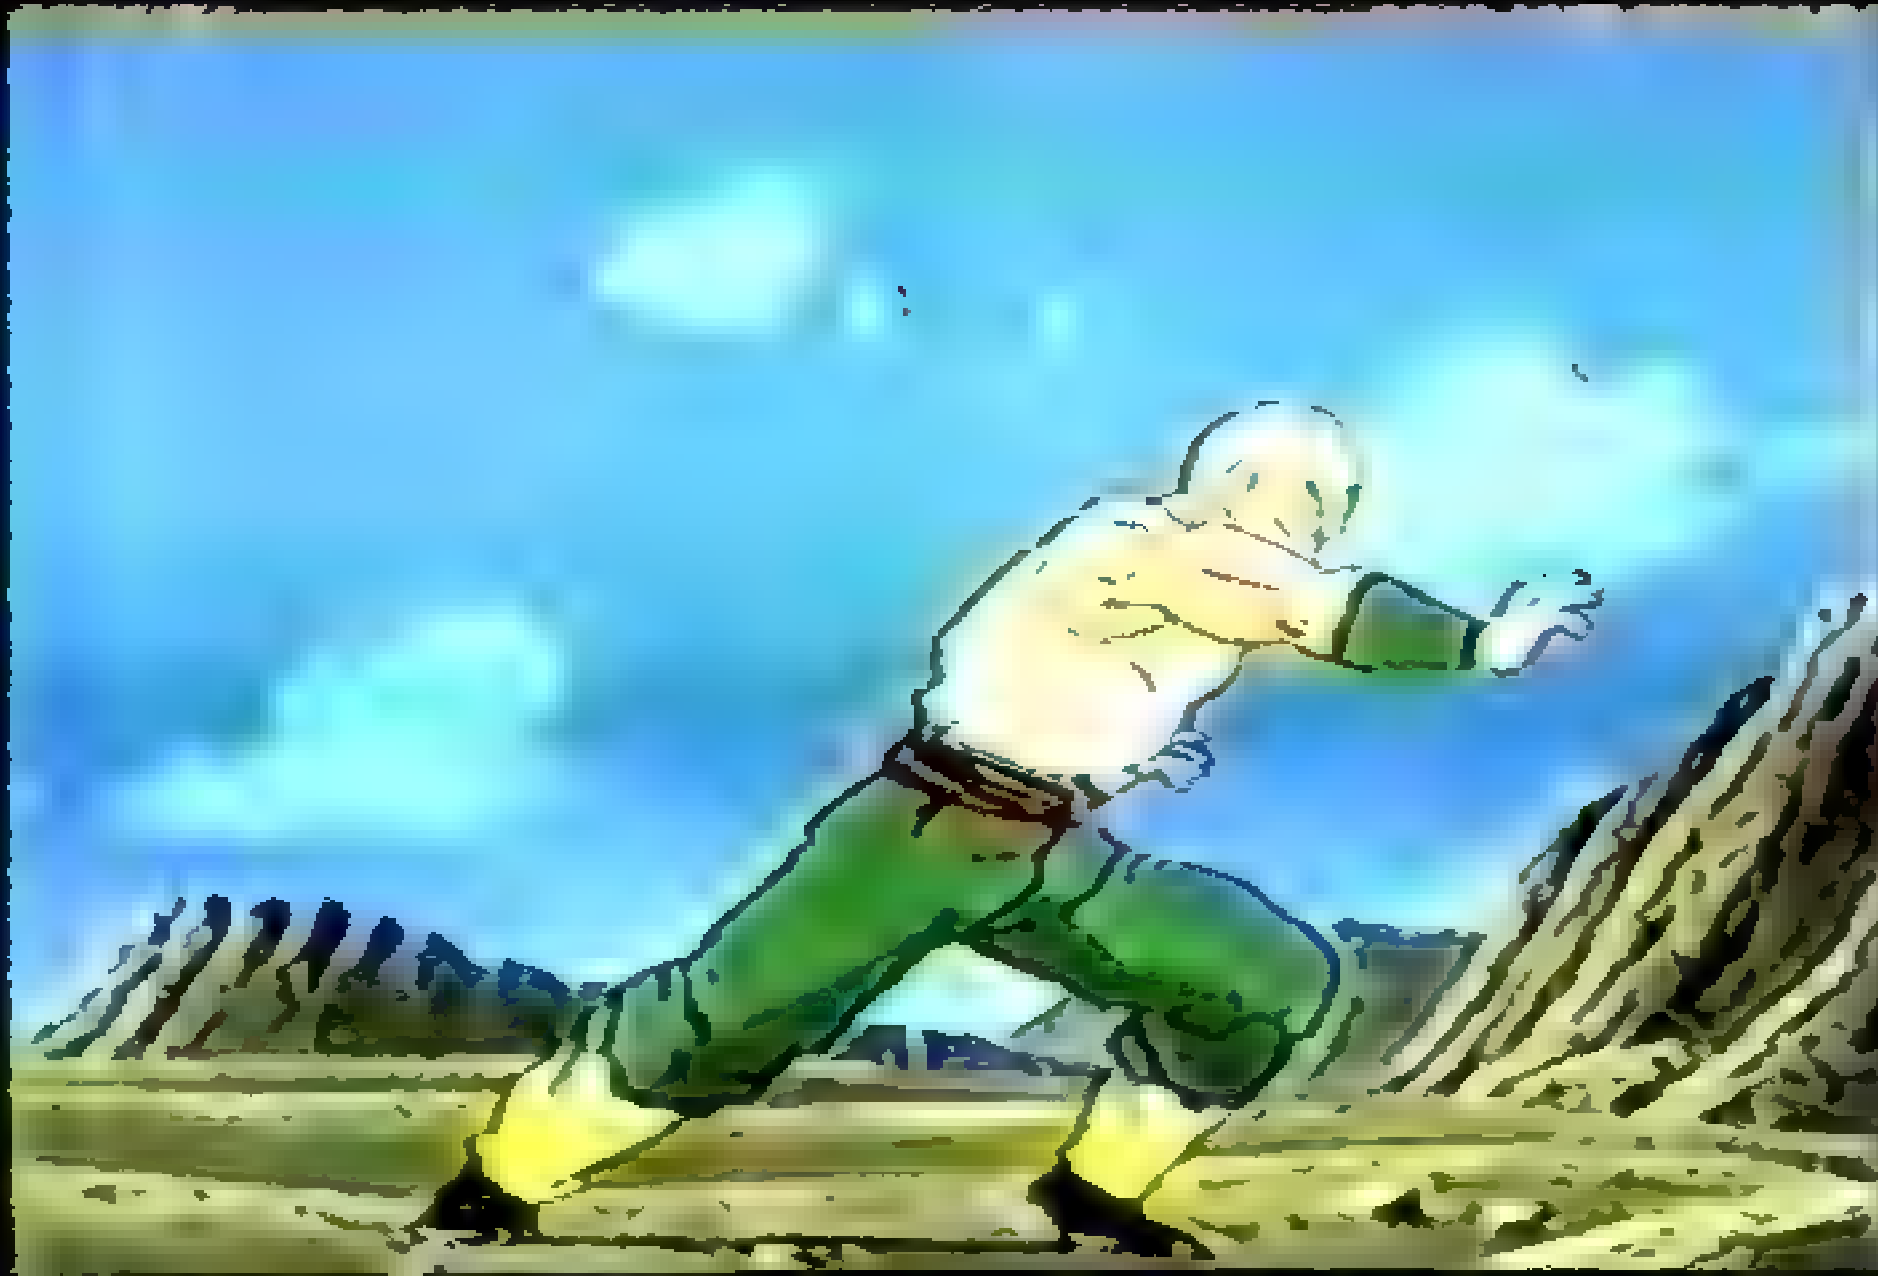

And then every one went their
own ways with strict training

And then every one went their
own ways with strict training

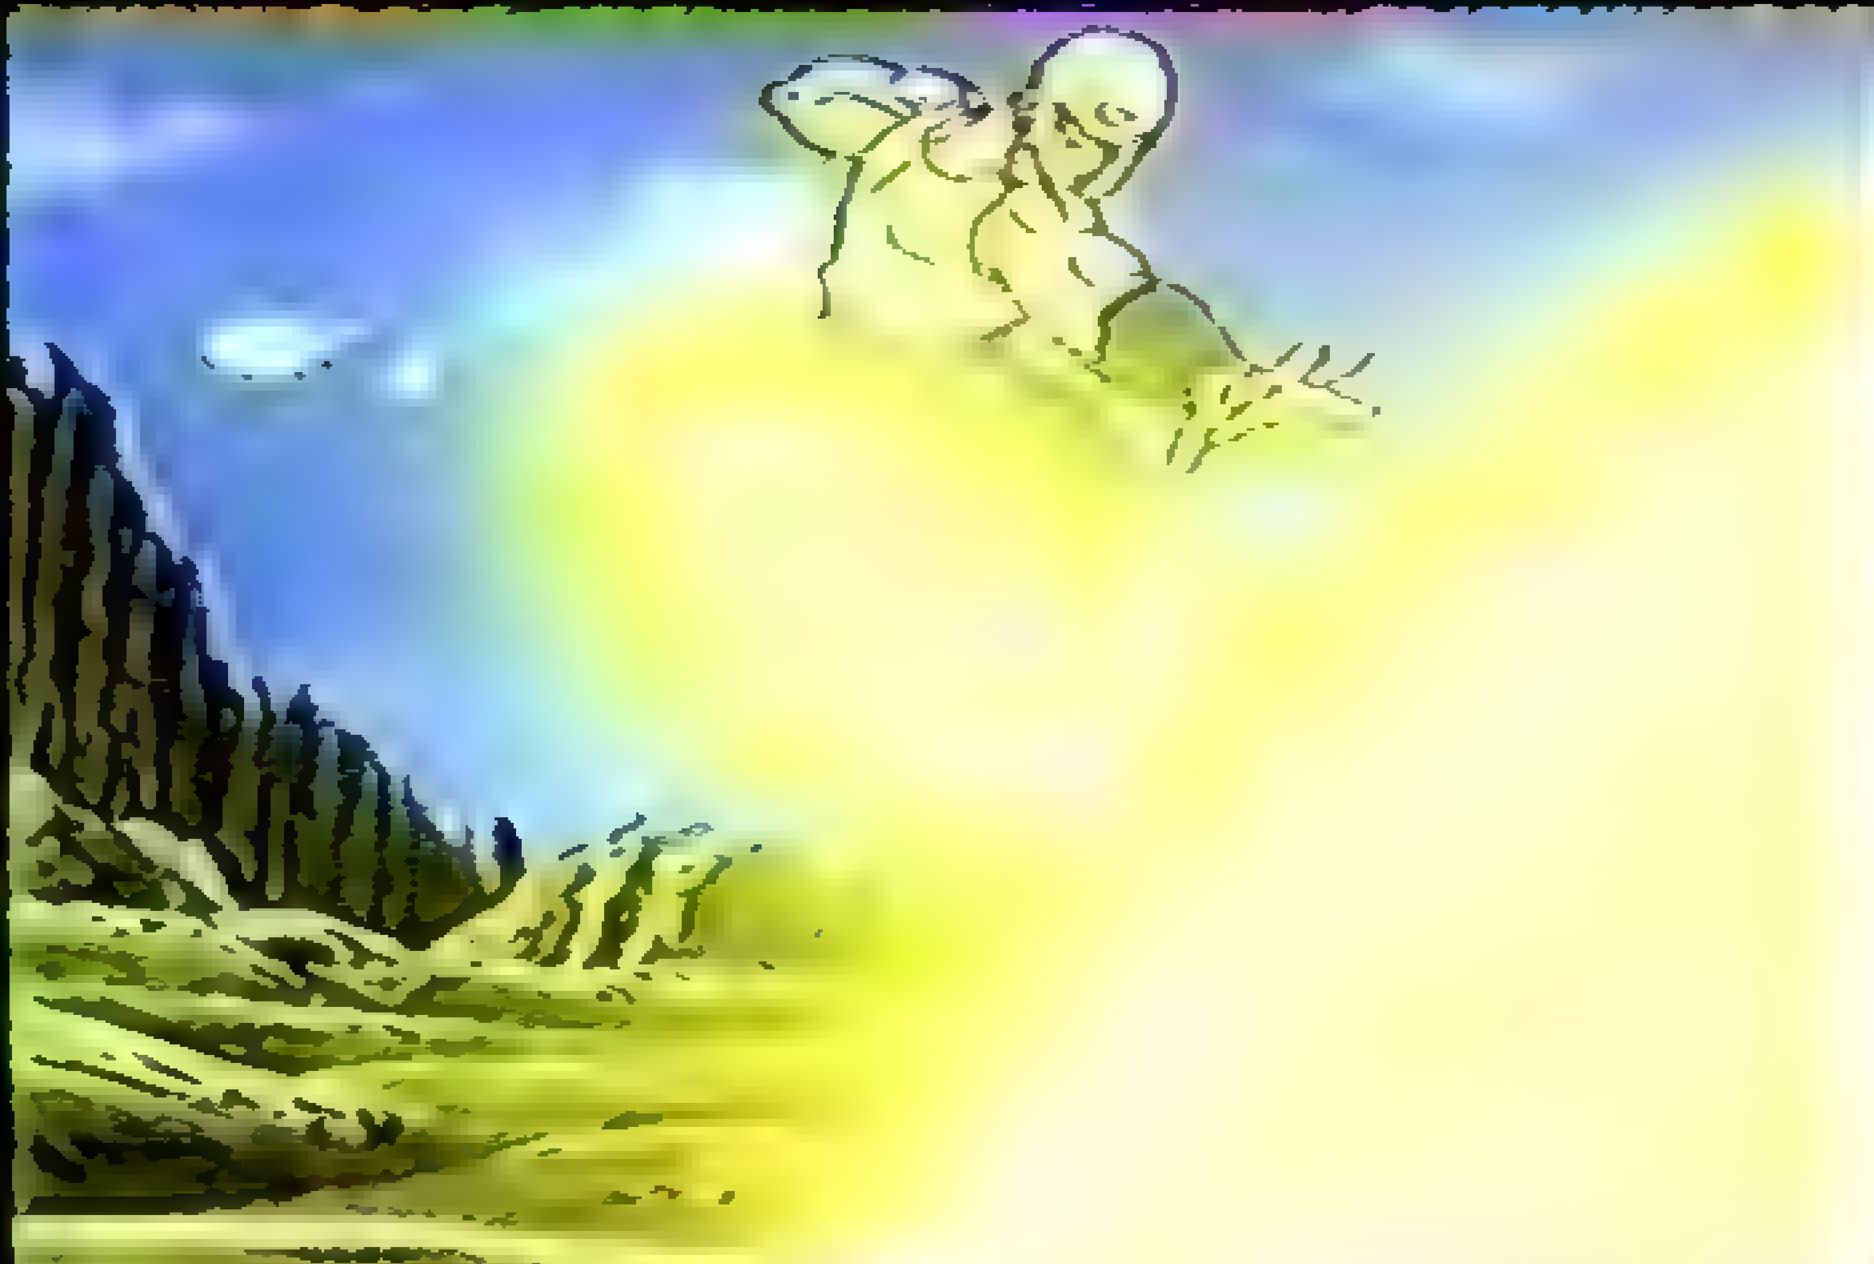

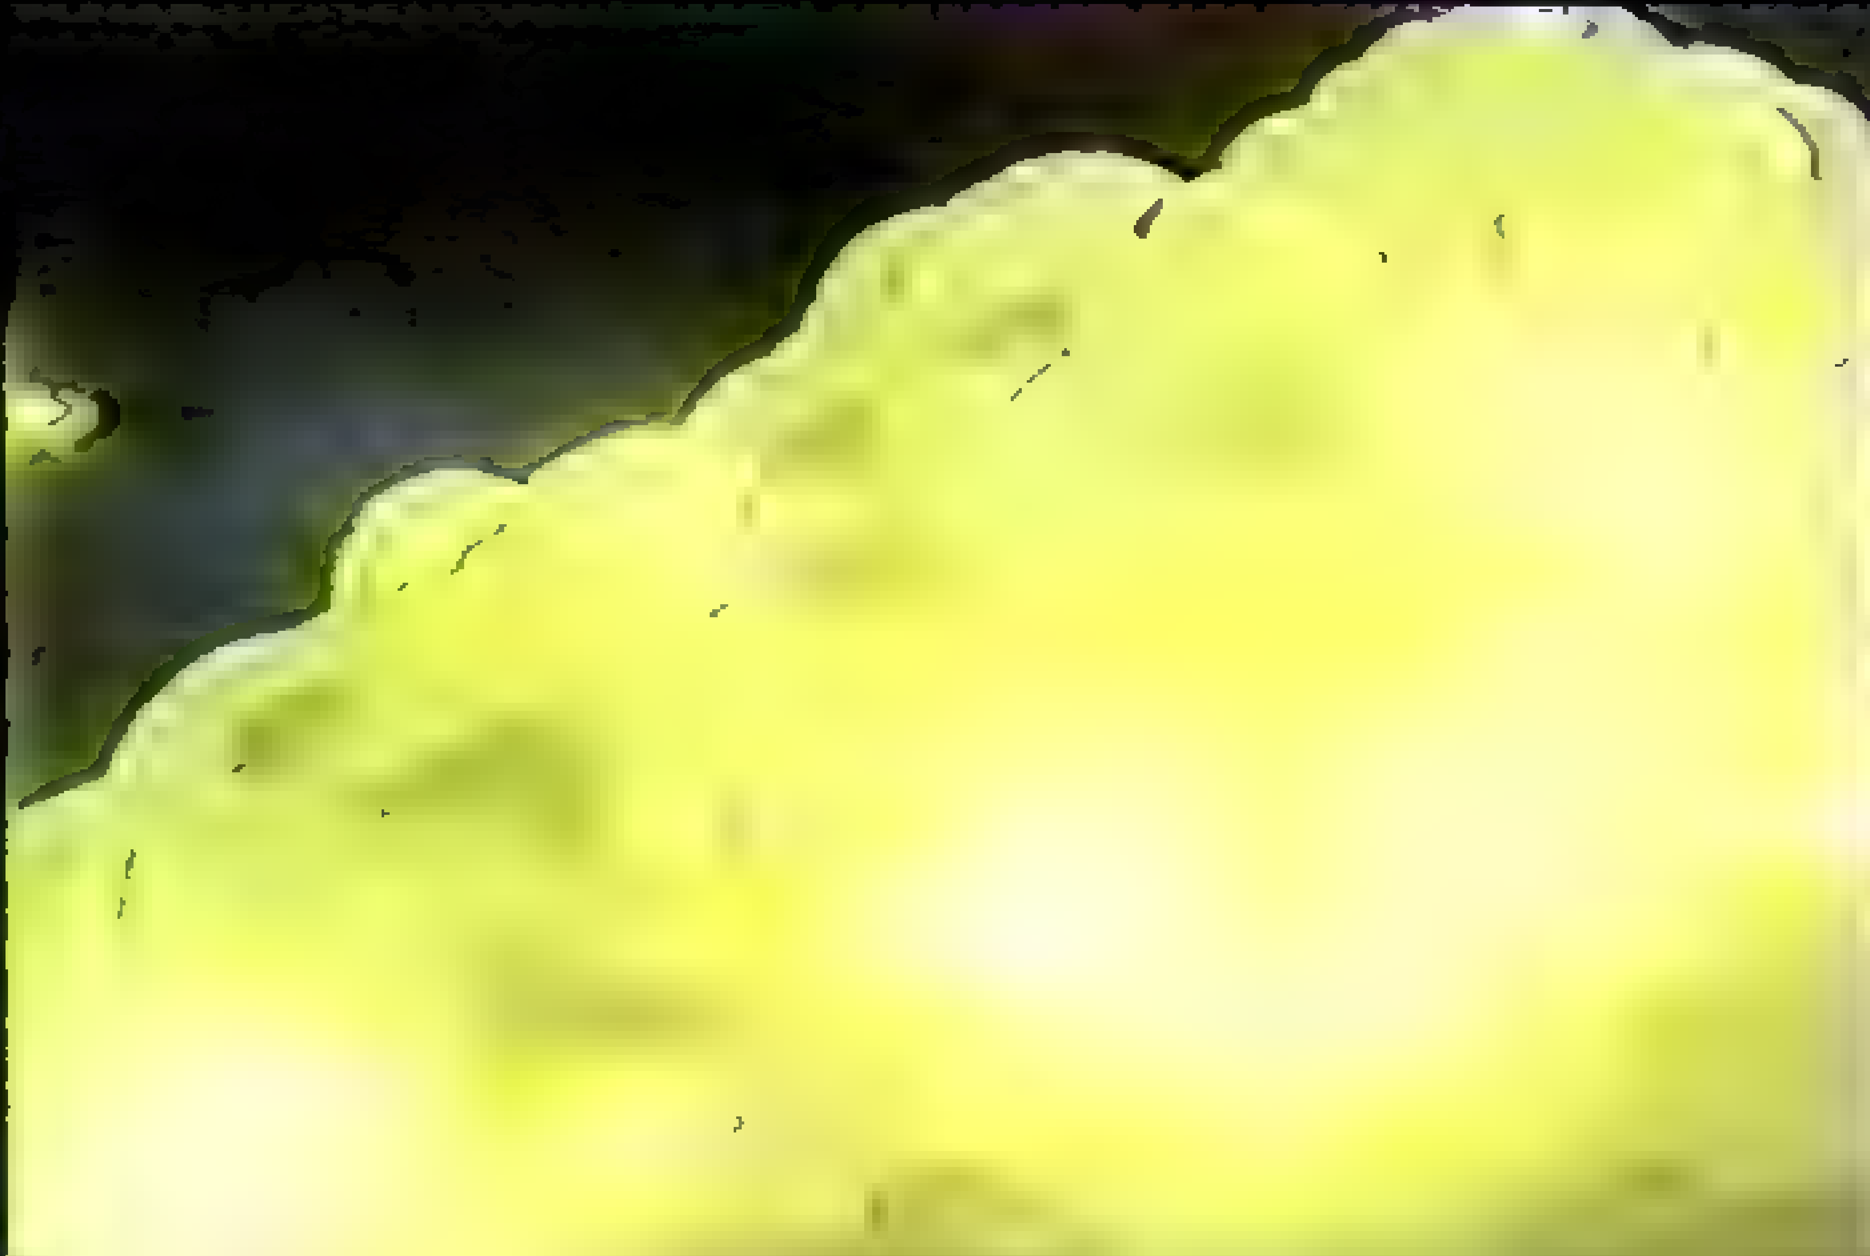

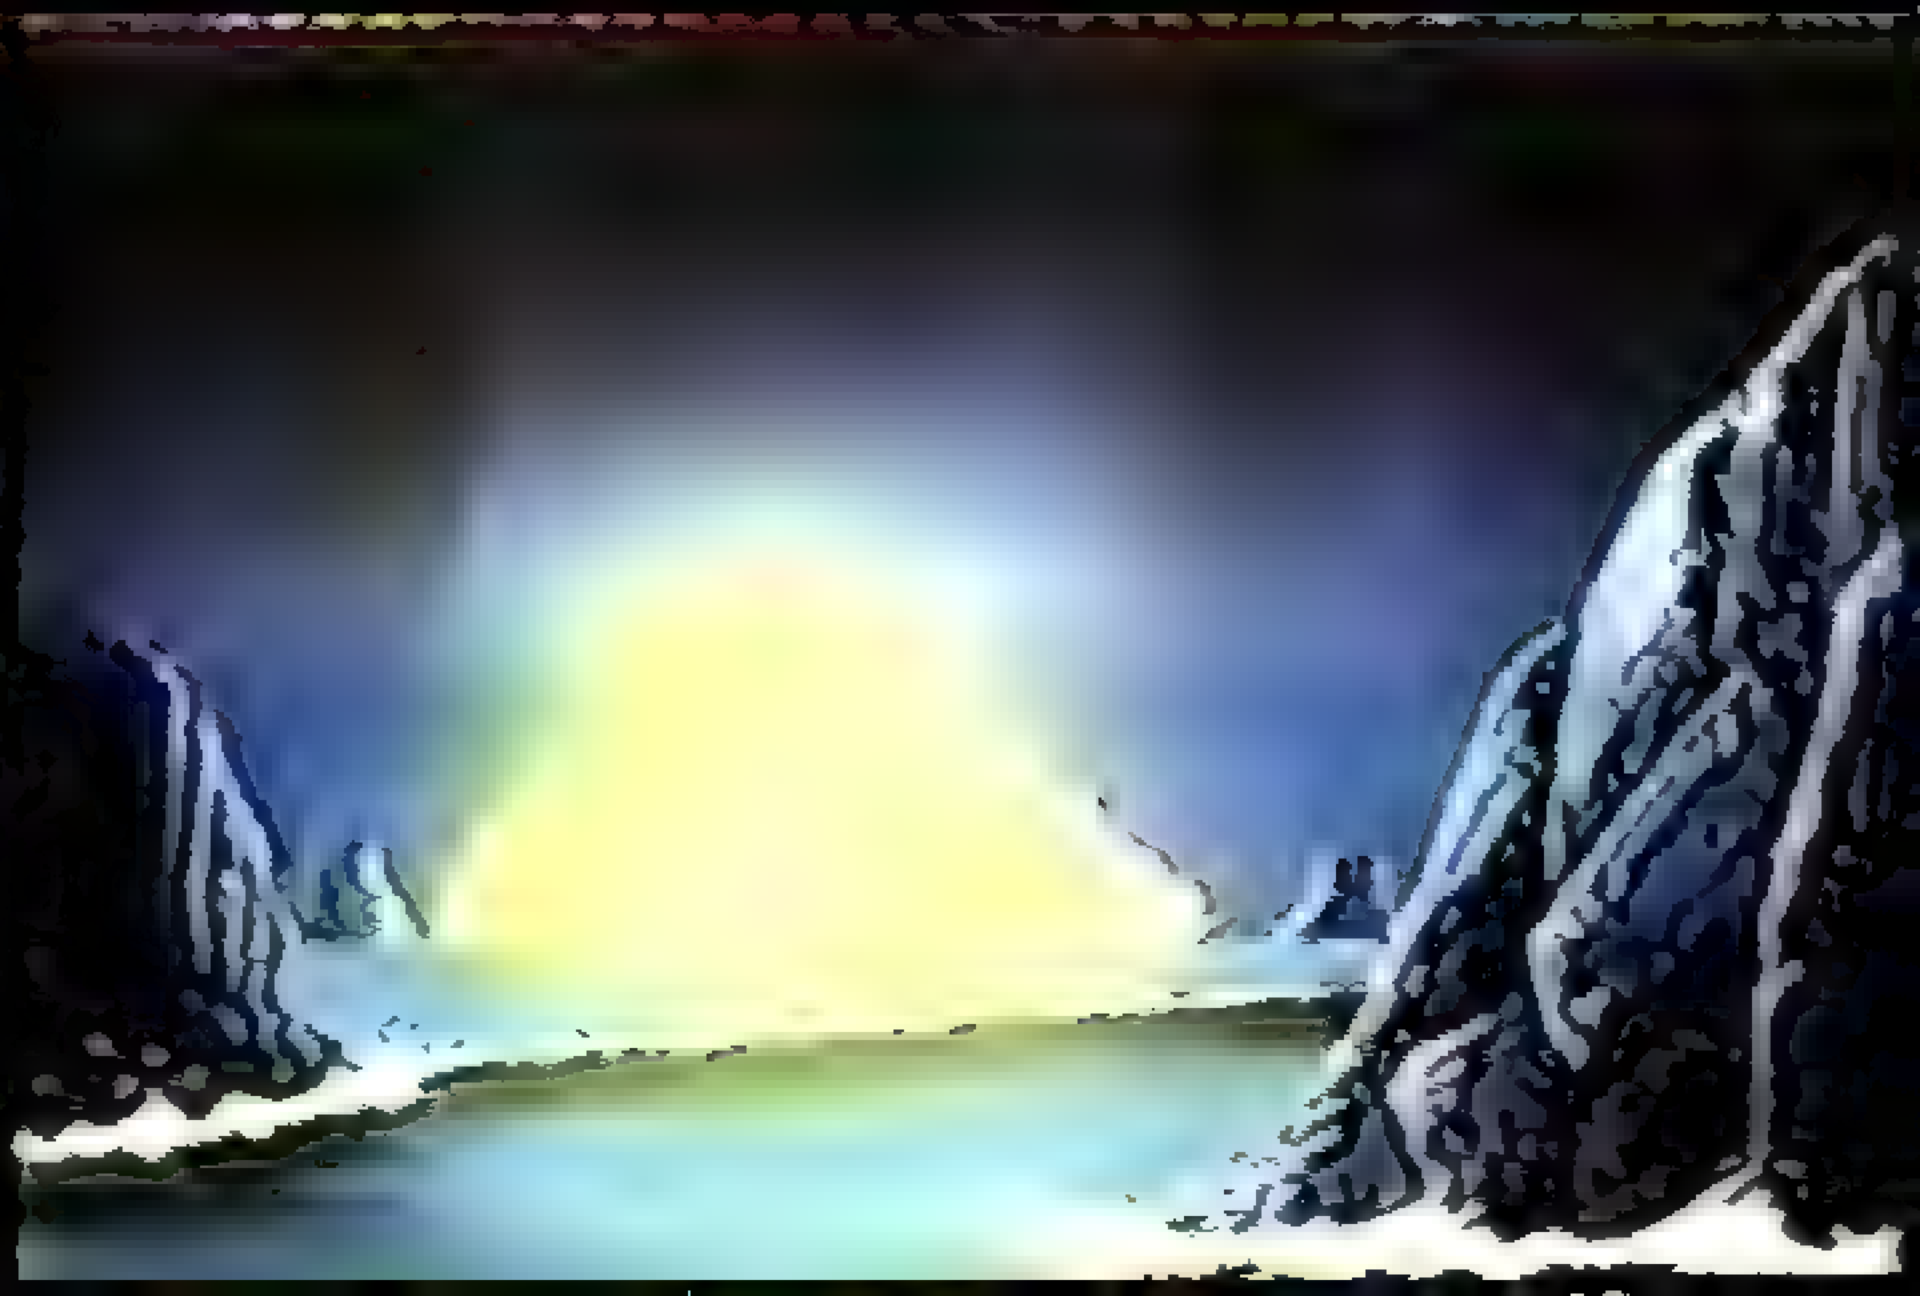

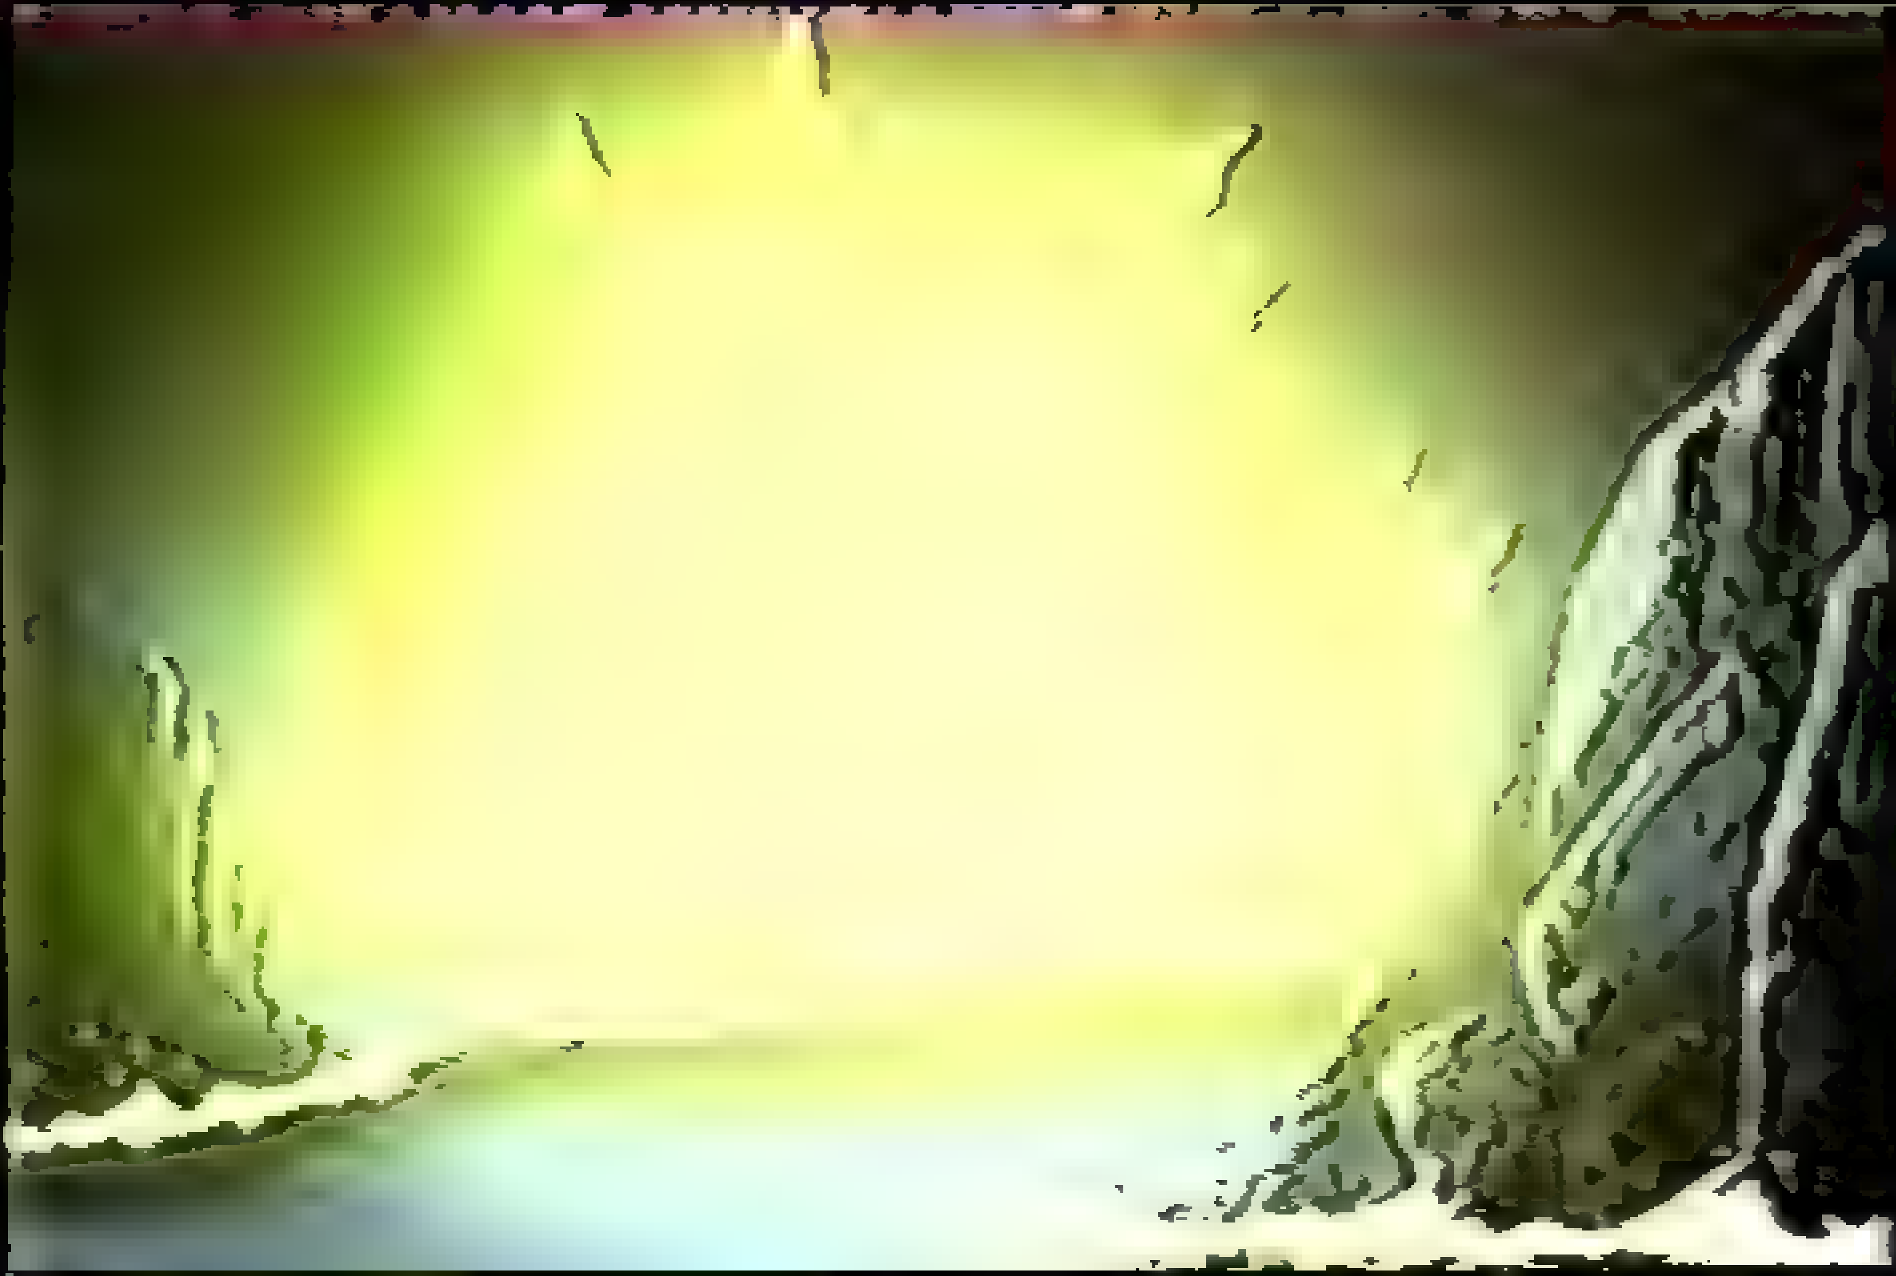

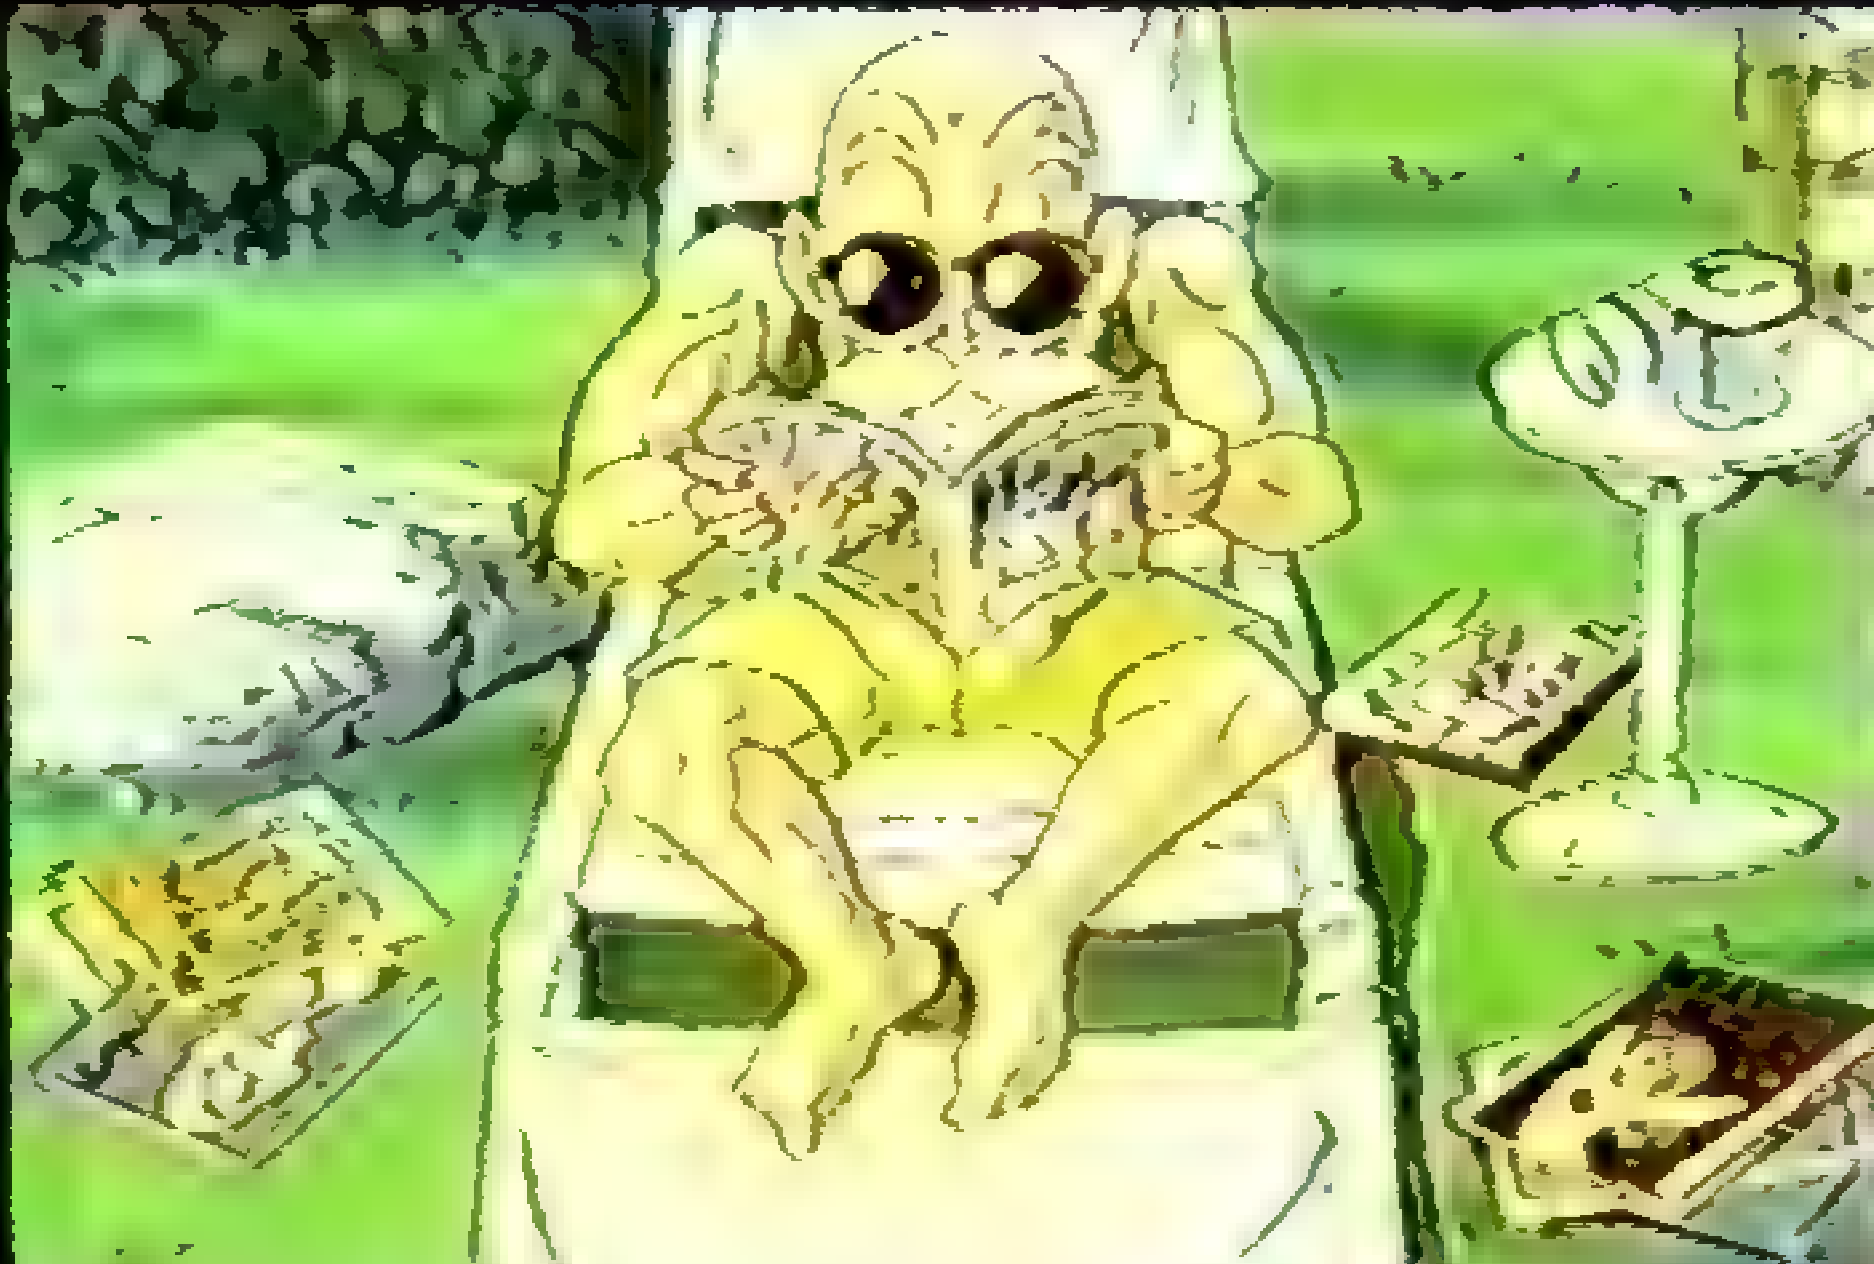

Ten-san that was impressive

This is great!

Let's continue Gohan

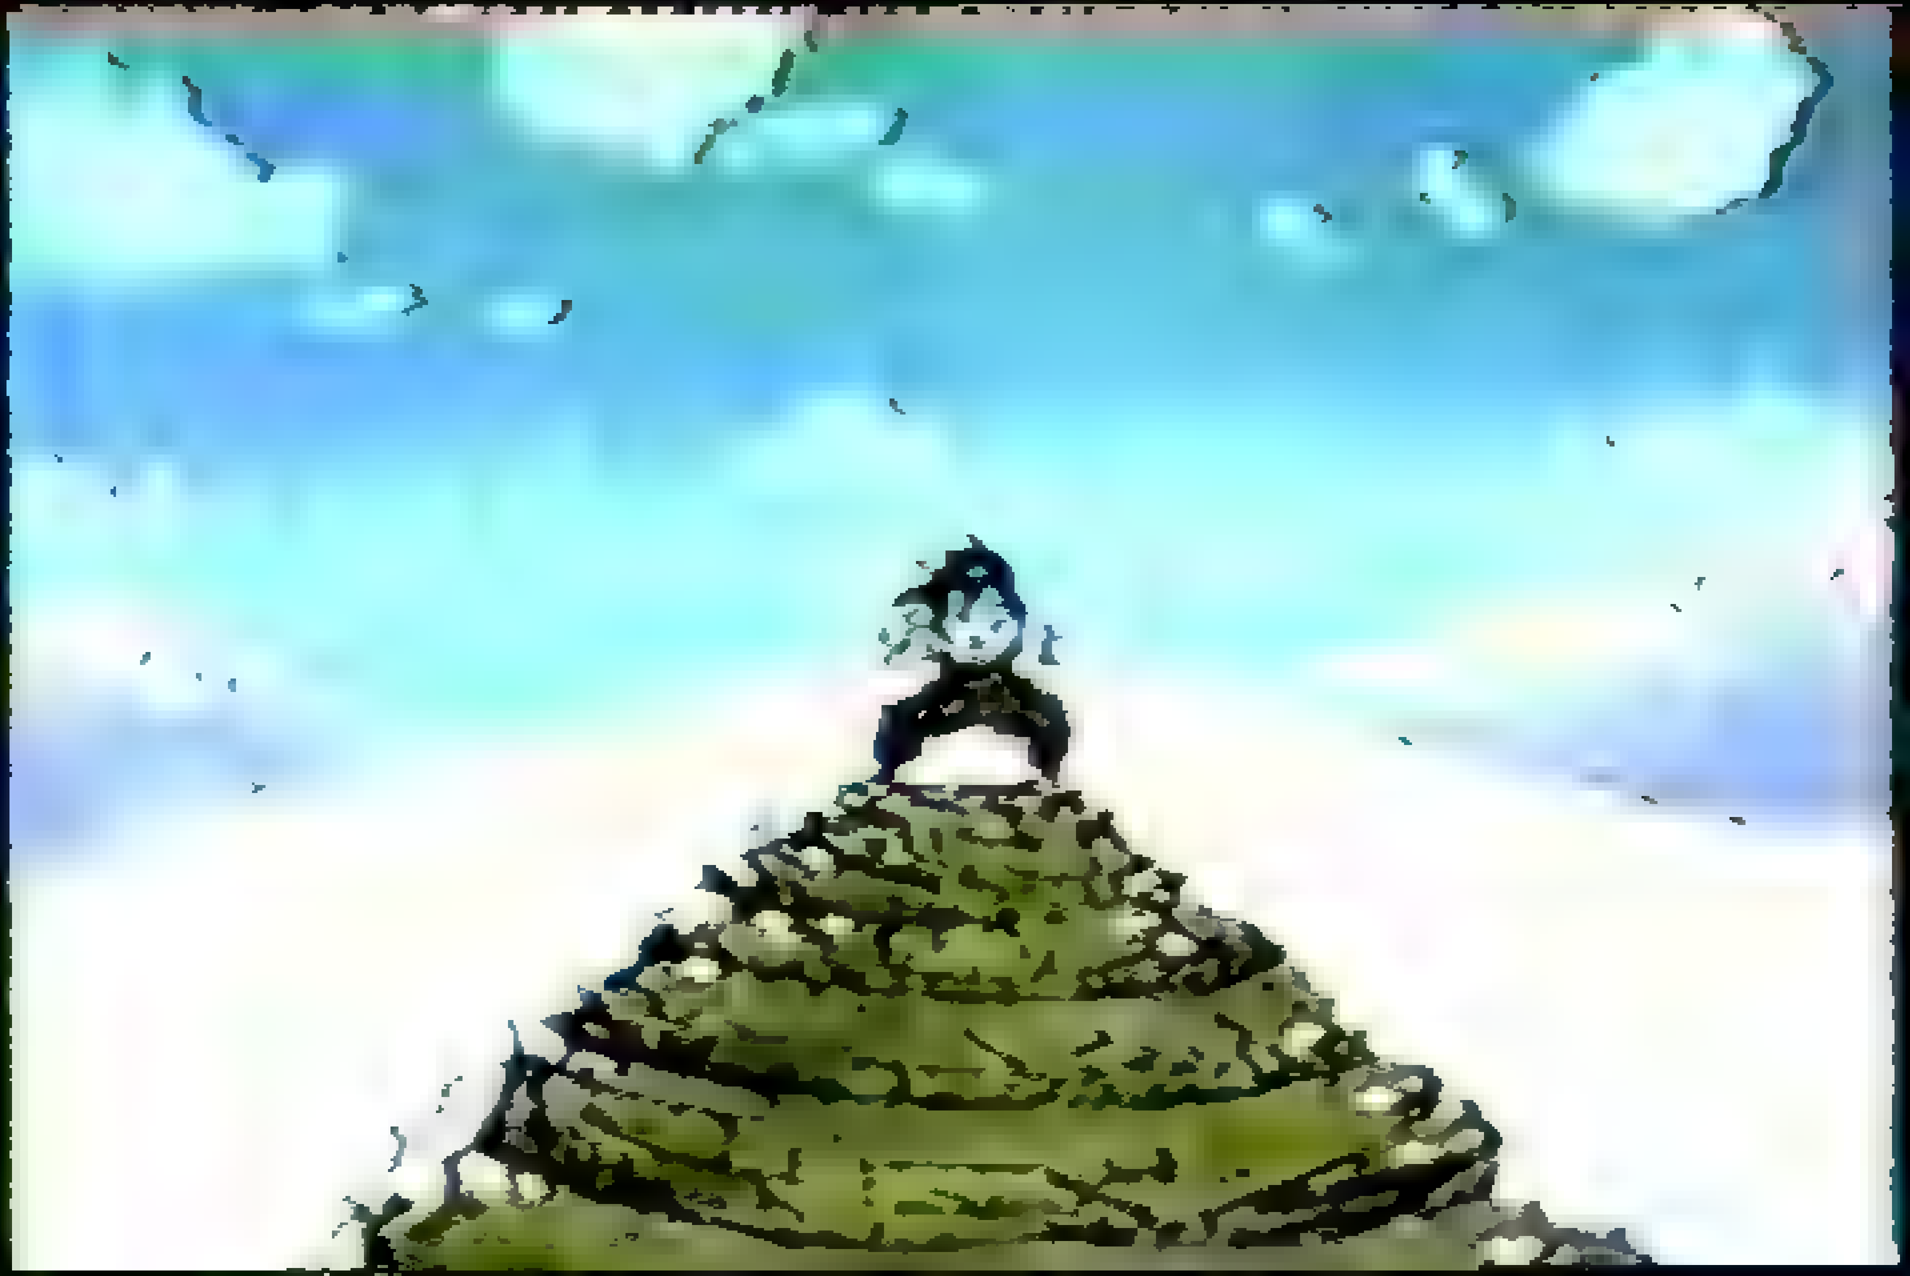

Yes

Shall we finish for the day

Not yet, train me some more
